The second order of business is the consideration of the minutes of the February 7, 2019 regular meeting.

The third order of business is consideration of Resolution 2019-12 which approves the proposed budget for Fiscal Year 2020 and set the public hearing date, time and location.

The District's enabling legislation requires the District Manager to submit a Proposed Budget to the Board by June 15th of each year for your review and approval. The approval of the budget is only intended to permit the District to move through the process towards adopting the budget at a Public Hearing scheduled for the Thursday, August 1, 2019, at the Artisan Lakes Clubhouse, 4725 Los Robles Court, Palmetto , Florida 34221.

The approval of the Budget does not bind the Board to any of the costs contained in the budget, any of the programs contained in the Budget and most importantly it does not bind the Board to the Assessment Rates for the general fund contemplated as a result of the preparation of the Budget.

The public hearing is scheduled for Thursday, August 1, 2019, 4:00 P. M. at the Artisan Lakes Clubhouse, 4725 Los Robles Court, Palmetto , Florida 34221.

The fourth order of business is consideration of the ranking of the engineering proposals that were received in response to the District's request for qualifications. There was one proposal received, from Waldrop Engineering, P.A. The required procedure requires the Board to rank the proposals, (non price based proposals) based on each firms qualifications, and I have enclosed an engineering ranking form for your use. The ranking form itself is NOT required, and you may use any procedure that you would like. Once ranked, then staff must negotiate a contract with the number one ranked firm and that proposed agreement will then be brought to the Board.

In order to shorten the process somewhat, I have enclosed a form of engineering agreement that we will ask the Board to approve, subject only to non-substantive changes that may be needed once we review the agreement with the number one (1) ranked firm.

The remainder of the Agenda is standard in nature, and in the meantime, if you have any questions or comments; please do not hesitate to contact me directly at (954) 658-4900.

Yours sincerely,

Artisan Lakes East Community Development District

James P. Ward

THIRD ORDER OF BUSINESS**Consideration of Agreement****Consideration Agreement with the Manatee County Property Appraiser to utilize the Uniform Method of Collections for the District's Assessments.**

Mr. Ward stated this Agreement with Manatee County was relative to the collection of the non ad valorem special assessments. He reported in the latter part of 2018 the Board went through the process to utilize the Uniform Method of Collections, adopted a resolution, and held a public hearing in this regard. He stated notice was provided to the Property Appraiser and Tax Collector of the CDD's desire to enter into this Agreement. He noted the Agreement was the final step in the process which would allow the CDD to include the assessments relative to the issuance of the 2018 Bonds, and operating assessments, on resident's tax bills which would be distributed in November 2020. He explained the Agreement was a standard agreement which identified what services the Property Appraiser and Tax Collector would perform as a matter of law and the standard fees charged (1.5% of the amount placed on the rolls for the Property Appraiser and 1.5% for the Tax Collector).

On MOTION made by Mr. JD Humpherys, seconded by Mr. Travis Stagnita, and with all in favor, the Uniform Method of Collections Agreement was approved and the Chair was authorized to sign.

FOURTH ORDER OF BUSINESS**Consideration of Assignment and Assumption of Property Interests****Consideration of Assignment and Assumption of Property Interests to transfer all property rights assigned to Artisan Lake Community Development District that are now within the boundaries of the Artisan Lakes East Community Development District to the Artisan Lakes East CDD.**

Mr. Ward stated the Artisan Lakes East CDD was recently created from the original plats, and all of the interests on the plat related to the drainage facilities were dedicated to the Artisan Lakes CDD. He explained this agreement transferred the property interests on the plats over to the Artisan Lakes East CDD.

On MOTION made by Mr. Travis Stagnita, seconded by Ms. Cheri Bass, and with all in favor, the Assignment and Assumption of Property Interests was approved and the Chair was authorized to sign.

FIFTH ORDER OF BUSINESS**Consideration of Resolution 2019-10****Consideration of Resolution 2019-10 ratifying, confirming and approving the Sale of the Artisan Lakes Community Development District Capital Improvement Revenue Bonds, Series, 2018, confirming, and approving the actions of the Chairman, Vice Chairman, Treasurer, Secretary, Assistant Secretaries and all the District Staff regarding the sale and closing of the Artisan Lakes Community Development**

District Capital Improvement Revenue Bonds, Series 2018; determining such actions as being in accordance with the authorization granted by the Board.

Mr. Ward stated this Resolution ratified and confirmed all the actions taken by the Chairman, Vice Chairman, and Staff of the District to consummate the purchase and sale of the Series 2018 Bonds.

On MOTION made by Ms. Cheri Bass, seconded by Mr. Travis Stagnita, and with all in favor, Resolution 2019-10 was adopted and the Chair was authorized to sign.

SIXTH ORDER OF BUSINESS**Consideration of Resolution 2019-11**

Mr. Ward stated Resolution 2019-11 was an addition to the Agenda. He explained the developer was in the process of the next platting phase and as a result, there were some small pieces of property discovered which were never intended to be within the boundaries of the Artisan Lakes East CDD and the Resolution would permit removal of the land from the District boundaries.

Mr. Jeremy Fireline displayed a map which showed the current boundaries of the District and the new boundaries of the District. He stated the original boundary of the District was established in 2006/2007 and was created through a land plan from the original Artisan Lakes Development. He explained, over time, as Taylor Morrison became more involved and modified the program to fit the housing needs and the products Taylor Morrison sold, details regarding interactions between development pods were recorded. He noted a final plat was in process including land plans for a townhome development. He stated the townhomes were never intended to be within the boundaries of CDD lands, but were currently partially within the District boundaries. He explained the Boundary Amendment would allow a shift in the boundary to ensure the townhomes were not included in the Artisan Lakes East District boundary. He stated the Capital Improvements established for Artisan Lakes East CDD did not include the cost for improvements for the townhomes. He noted the roads, sewers, and infrastructures were not included in Capital Improvements costs. He reviewed and discussed the boundaries on the displayed map.

Mr. Ward stated the Resolution also attached the funding agreement to pay for any costs related to the amendment by the District from the boundaries, and also attached exhibit A (the affected parcels exhibit) and exhibit B (the amended boundaries exhibit) along with legal descriptions of each.

Mr. Humpherys asked if the boundary amendment funding agreement was included. Mr. Ward responded in the affirmative; it was an exhibit to the resolution. Ms. Bass asked if the boundaries currently fell in the Artisan Lakes East CDD. Mr. Earlywine responded in the affirmative.

On MOTION made by Mr. Travis Stagnita, seconded by Mr. JD Humpherys, and with all in favor, Resolution 2019-11 was adopted and the Chair was authorized to sign.
