NOTICE OF PUBLIC HEARING TO CONSIDER THE ADOPTION OF THE FISCAL YEAR 2023 BUDGETS; AND NOTICE OF PUBLIC HEARING TO CONSIDER THE IMPOSITION AND LEVY OF MAINTENANCE AND OPERATION SPECIAL ASSESSMENTS; ADOPTION OF AN ASSESSMENT ROLL, AND THE USE OF THE UNIFORM COLLECTION, AND ENFORCEMENT OF THE SAME; AND NOTICE OF REGULAR BOARD OF SUPERVISORS' MEETING.

The Board of Supervisors for Currents Community Development District will hold two public hearings and a regular meeting on August 4, 2022, at 9:30 a.m. at the offices of Coleman, Yovanovich & Koester, 4001 Tamiami Trail North, Suite 300, Naples Florida 34103. The meeting is being held for the necessary public purpose of considering such business as more fully identified in the meeting agenda, a copy of which will be posted on the District's website at www.currentscdd.org.

The purpose of the first public hearing is to receive public comment and objections on the Fiscal Year 2023 Proposed Budgets. The first public hearing is being conducted pursuant to Chapter 190, Florida Statutes. The purpose of the second public hearing is to consider the imposition of special assessments to fund the District's proposed operation and maintenance budget for Fiscal Year 2023 upon the lands located within the District, a depiction of which lands is shown below. Consider the adoption of a cap rate for notice purposes only and to consider the adoption of an assessment roll for the uniform collection, and enforcement of the assessments. The second public hearing is being conducted pursuant to Florida law including Chapters 190 and 197, Florida Statutes. At the conclusion of the public hearings, the Board will, by resolution, adopt the budgets and levy assessments to fund the operation and maintenance budget as finally approved by the Board.

A regular board meeting of the District will also be held where the Board may consider any other business that may properly come before it.

A copy of the proposed budgets, preliminary assessment roll, and the agenda for the hearings and meeting may be obtained at the offices of the District Manager, Ph: (954) 658-4900, during normal business hours or on the District's web site www.currentscdd.org at least seven (7) days in advance of the meeting.

In addition, you may obtain a copy of the proposed budget on the District's web site: www.currentscdd.org immediately.

The special assessments are annually recurring assessments and are in addition to previously levied capital debt assessments. The table below presents the proposed schedule of operation and maintenance assessments for Fiscal Year 2023. Amounts are preliminary and subject to change at the hearing and in any future year. The amounts are subject to early payment discount as afforded by the uniform collection law. Note that the operations and maintenance assessments stated below do not include any debt service assessments previously levied by the District and due to be collected for Fiscal Year 2023.

Proposed Schedule of Assessments

Product Type	FY 2023
Single Family 30' - 39'	\$116.29
Single Family 50' - 59'	\$152.07
Single Family 60' - 69'	\$178.90
Single Family 70' - 79'	\$196.79
Multi-Family	\$80.51

The tax collector will collect the assessments pursuant to the uniform method. The District may choose to collect the assessments for developer owned land not pursuant to the uniform method.

Failure to pay the assessments collected by the Tax Collector using the uniform method will cause a tax certificate to be issued against the property which may result in a tax deed and loss of title. For delinquent assessments that were initially directly billed by the District, the District may initiate a foreclosure action or may place the delinquent assessments on the next year's county tax bill. All affected property owners have the right to appear at the public hearings and the right to file written objections with the District within twenty (20) days of publication of this notice.

The public hearings and meeting are open to the public and will be conducted in accordance with the provisions of Florida Law for Community Development Districts. The public hearings and meeting may be continued to a date, time, and place to be specified on the record at the hearings or meeting.

Any person requiring special accommodations at this meeting because of a disability or physical impairment should contact the District Office at (954) 658-4900 at least forty-eight (48) hours prior to the meeting. If you are hearing or speech impaired please contact the Florida Relay Service by dialing 7-1-1, or 1-800-955-8771 (TTY) / 1-800-955-8770 (Voice), for aid in contacting the District Office.

Each person who decides to appeal any decision made by the Board with respect to any matter considered at the public hearings or meeting is advised that person will need a record of proceedings and that accordingly the person may need to ensure that a verbal record of the proceedings is made, including the testimony and evidence upon which such appeal is to be based.

WHEREAS, it is in the best interests of the District to adopt the General Fund Special Assessment Roll of the Currents Community Development District (the "Roll") attached to this Resolution as Exhibit B and incorporated as a material part of this Resolution by this reference: and

WHEREAS, it is in the best interests of the District to adopt the Assessment Roll of the Currents Community Development District (the "Assessment Roll") attached to this Resolution as Exhibit B contained in Exhibit "B" and incorporated as a material part of this Resolution by this reference, and to certify the portion of the Assessment Roll on those properties in Exhibit B to the County Tax Collector pursuant to the Uniform Method; and

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE CURRENTS COMMUNITY DEVELOPMENT DISTRICT:

SECTION 1. BENEFIT. The provision of the services, facilities, and operations as described in Exhibit "A" and "B" the Budget and Roll respectively confer a special and peculiar benefit to the lands within the District, which benefits exceed or equal the costs of the assessments. The allocation of the costs to the specially benefitted lands is shown in Exhibit B and is hereby found to be fair and reasonable.

SECTION 2. ASSESSMENT IMPOSITION. A special assessment for operation and maintenance as provided for in Chapter 190, Florida Statutes, is hereby imposed and levied on benefitted lands within the District in accordance with Exhibit "B" the Methodology. foreclosure action, or, at the District's sole discretion, collected pursuant to the Uniform Method on a future tax bill, which amount may include penalties, interest, and costs of collection and enforcement. Any prejudgment interest on delinquent assessments shall accrue at the applicable rate of any bonds or other debt instruments secured by the special assessments, or, in the case of operations and maintenance assessments, at the applicable statutory prejudgment interest rate. In the event an assessment subject to direct collection by the District shall be delinquent, the District Manager and District Counsel, without further authorization by the Board, may initiate foreclosure proceedings pursuant to Chapter 170 of the Florida Statutes or other applicable law to collect and enforce the whole assessment, as set forth herein.

The decision to collect special assessments by any particular method – e.g., on the tax roll or by direct bill – does not mean that such method will be used to collect special assessments in future years, and the District reserves the right in its sole discretion to select collection methods in any given year, regardless of past practices.

SPECIAL ASSESSMENT METHODOLOGY

1.0 PURPOSE

This report is intended to introduce to the Currents Community Development District an operations methodology to fund the annual operations and maintenance requirements for the District. The methodology will outline the properties within the District that are subject to the Assessment and the benefit conferred on each property by the services and projects provided by the Districts' operational and maintenance activities. This report covers the District Fiscal Year 2023, which begins on October 1, 2022 and ends on September 30, 2023.

The Methodology will have two (2) primary objectives: (1) to determine the special and peculiar benefits that flow to the assessable properties in the District; and (2) apportioning the proportionate benefits on a basis that is fair and reasonable. The Methodology herein is intended to set forth a framework to apportion the costs associated with the operations and maintenance expenditures benefiting properties on a fair and equitable apportionment. The report is designed to conform to the requirements of Chapter's 189, 190 and 197, Florida Statutes and is consistent with the District's understanding of the case law on this subject.

2.0 BACKGROUND

A Community Development District ("CDD,") is an independent unit of special purpose local government created and chartered by Chapter 190, Florida Statutes, to plan, finance, construct, operate and maintain community-wide infrastructure in large, planned community developments. It may be established on the proposed property by ordinance and this SERC is related only to the petition to establish. CDD's provide a "solution to the state's planning, management and financing needs for delivery of capital infrastructure to service projected growth without overburdening other governments and their taxpayers." Section 190.002(1)(a), F.S.

A CDD is not a substitute for the local, general purpose, government unit, i.e., the County in which the CDD lies. A CDD does not have the permitting, zoning or police powers possessed by general purpose governments. A CDD is an alternative means of financing, constructing, operating, and maintaining community infrastructure for planned developments, such as Currents. The scope of this SERC is limited to evaluating the consequences of approving the proposal to establish the District.

3.0 REQUIREMENTS FOR A VALID ASSESSMENT METHODOLOGY

Valid assessments under Florida Law have two (2) requirements. First, the properties assessed must receive a special and peculiar benefit as a logical connection from the systems and services constituting improvements. The courts recognize the special benefits that flow as a logical connection peculiar to the property which in turn may result in decreased insurance premiums, increased value and marketability. Second, the assessments must be fairly and reasonably apportioned in relation to the benefit received by the various properties being assessed.

If these two tests for lienability are determined in a manner that is informed and non-arbitrary by the Board of Supervisors of the District, as a legislative determination, then the special assessments may be levied, imposed and collected as a first lien on the property. Florida courts have found that it is not necessary to calculate benefit with mathematical precision at the time of imposition and levy so long as the levying and imposition process is not arbitrary, capricious or unfair.

4.0 ASSESSMENT ALLOCATION STRUCTURE

Special and peculiar benefits flow as a logical connection to the property from the operation and maintenance related services provided as a logical consequence to the property within the boundary of the District. These special benefits are peculiar to the acreage and later down to the actual platted units or parcels. The special benefits that justify imposing the assessment on the acreage include enhanced enjoyment and increased use, which may result in such positive consequences as increased value and marketability and decreased insurance premiums when levied on the various platted units or parcels of property.

5.0 ASSIGNMENT OF ASSESSMENTS

The apportionment of benefit in such a methodology report is based on accepted practices for the fair and equitable apportionment of special benefits in accordance with applicable laws and the procedure for the imposition, levy and collection of non ad valorem special assessments as set forth in the District Act and in conformity with State Laws applicable to such assessments.

The standard assessment analysis utilizes an allocation based upon the benefit that a property receives from each separate component of the District's O&M activities. The Fiscal Year 2023 General Fund Budget is financial, administrative and operational in nature so the assessments should be based equally and ratably on an equivalent number of residential units assigned to

the property. It is hereby determined that the allocation of the assessments will be to the various product types planned for the development based on the following factors.

6.0 ASSESSMENT ROLL

As described above, the allocation associated with the District's General Fund Activities are distributed across all assessable units within the boundaries of the District. Table 1 provides the assessment roll based on updated parcel account information provided by the Collier County Property Appraiser's office in June 2022 assigning the appropriate parcel identification numbers for the lands currently platted within the boundaries of the District.
