Dear Citizen,

Information about our government provides one of the cornerstones of our democracy. The right to access this information is fundamentally important to the citizens of the state of Florida. In addition to a comprehensive set of laws guaranteeing access, Florida is one of only a handful of states to provide a constitutional right of access to government meetings and records.

We need this information in order to hold our elected officials accountable, understand their decision-making process and make decisions about where to live or how to prioritize our community's concerns.

This booklet provides an overview of the government-in-the-sunshine laws and how the laws work. There's even a sample public records request letter, in case you need to use one.

The Brechner Center is nationally and internationally recognized as an important resource on freedom of information issues. We are dedicated to helping people understand the state's government-in-the-sunshine laws, access to courts and the federal Freedom of Information Act (FOIA).

The Center was established in 1986, when Joseph L. Brechner, an Orlando broadcaster and advocate of freedom of information, provided more than \$1 million for the endowment.

We discuss First Amendment and FOI issues at numerous national conferences and statewide meetings each year. We produce a monthly newsletter on access and First Amendment issues.

Each year, we answer about 500 questions about how FOI laws work. These questions come from journalists, public officials, media lawyers and citizens. We also produce a number of research projects focused on access to information.

*If you need more specific information about the law or about the Brechner Center, please visit our Web site, **Brechner.org**, or call our office at (352)392-2273.*

Government in the Sunshine

A Citizen's Guide

Introduction

The public's right of access to information about its government is a fundamental constitutional right in Florida. In addition, Florida's open government laws are some of the strongest in the nation, and aside from specific and narrow exceptions, governmental bodies must keep their affairs open to the public.

Our government is based on the will of the people, and an open government is essential for a self-governing society. Therefore, citizens and the media must be able to monitor the activities of their elected representatives and their government.

Access to public meetings of governmental bodies and to governmental records provides citizens with the information they need to participate in the democratic process. An informed electorate is better able to evaluate and monitor officials' behavior — ensuring an honest, competent and responsive government.

In a democracy, the records belong to the people, not the government. The records are created by people on the public payroll, they are recorded on paper or computer disks paid for by tax money, and they are stored in public buildings.

Florida began its tradition of openness in 1909 when the Legislature passed the first Public Records Law, Chapter 119 of the Florida Statutes. The Public Records Law provides that citizens shall have virtually unlimited access to records made or received by any public agency in the course of its official business, unless specifically exempted by the Legislature. Chapter 119 mandates that custodians of these records shall permit them to be inspected and examined by any person desiring to do so, at any reasonable time. Over the years, the definition of a public record has expanded, so that not just traditional written documents are covered, but also included are tapes, photographs, film, sound recordings and computer records.

Thirty years ago, Florida enacted the Sunshine Law, Chapter 286 of the Florida Statutes. It established a basic right of access to most meetings of boards, commissions and other governing bodies of state and local governmental agencies.

Prior to 1990, there was a question as to whether the Sunshine Law covered the state Legislature, but in that year, the voters overwhelmingly passed a constitutional amendment providing for open meetings in the Legislative branch of the state government. In 1992, Florida voters overwhelmingly approved the Public Records and Meetings constitutional amendment. This amendment constitutionalized the right of access to government information and specifically includes the legislative, executive and judicial branches of government.

How the Laws Work

The Sunshine Law, Chapter 286 of the Florida Statutes, requires that government decision-making take place in public. The Sunshine Law prohibits elected officials from meeting behind closed doors to decide matters that affect the citizens they represent in the absence of a specific exemption approved by the Legislature. The basic requirements of the law are that meetings of any public decision-making body must be open to the public, reasonable notice of such meetings must be given and minutes of the meeting must be taken.

The Sunshine Law applies not only to the obvious meetings of elected bodies, but also to appointed and advisory boards. Florida courts have stated that the entire decision-making process is subject to the Sunshine Law, and not just at official meetings to vote on final decisions or actions. The statute extends to discussions and deliberations as well as to formal action taken by a public body.

Therefore, the law applies to any gathering where two or more members of a public board or commission discuss some matter on which foreseeable action will be taken by that board or commission. Public agencies may not circumvent the Sunshine Law by using an alter ego to conduct public business in secret. Anyone who carries messages about public business from one public official to another in an attempt to resolve an issue outside of the Sunshine violates the law. In addition, boards subject to the Sunshine Law must provide reasonable notice of all meetings.

Here's how the law works. Parents have a right to watch their local school board consider changes in the elementary school curriculum. Residents have a right to attend a city council meeting to discuss a proposal to rezone property in order to build a shopping mall in their neighborhood.

Residents also can review and photocopy the school curriculum materials or the detailed, formal request for zoning approval under the Public Records Law, Chapter 119 of the Florida Statutes. This companion to the Sunshine Law requires that all government records be open for public inspection and copying unless there is a specific exemption approved by the state Legislature.

The Public Records Law allows citizens to look at reports of crime in their areas or the professional backgrounds of the people teaching their children. Citizens can evaluate how much is being spent on emergency services at the local public hospital or how much state employees are getting paid.

In addition to being able to attend government meetings and review public records, citizens may attend most judicial proceedings in Florida and review many of the documents that are filed in court proceedings. State and federal courts have ruled that criminal and civil trials and hearings generally should be open to the public, along with any documents that are filed and transcripts of those proceedings.

The Constitutional Amendment

In 1992, Florida voters overwhelmingly approved a constitutional amendment that allows citizens improved access to government records. The constitutional amendment, Article 1, Section 24, specifically includes agencies of the legislative, executive and judicial branches of government and makes it more difficult for legislators to add exemptions to the law. Under the amendment, the legisla-

tive branch is authorized to adopt rules governing legislative records. The amendment requires the judicial branch to draft new rules providing access to administrative records.

In addition, the constitutional amendment provides that exemptions may be enacted only if the Legislature can prove that a public necessity exists justifying the exemption. New exemptions must be no broader than necessary to accomplish the stated purpose of the law. In November 2002, 75 percent of the voters supported Amendment IV, which amended Florida's constitutional Government-in-the-Sunshine Amendment. Now, two-thirds of state senators and representatives, rather than just a majority, must vote to approve new exemptions to Florida's Sunshine laws.

Open Meetings

The Sunshine Law requires that government boards and commissions meet in public when discussing public business. The law permits citizens to observe the decision-making process from initial deliberations to the final vote. The law also requires governmental bodies to provide reasonable prior notice of their meetings and to keep minutes of the proceedings.

Which Governmental Bodies are Covered?

The Sunshine Law applies to most state, county and municipal governmental bodies. Florida courts have ruled this includes all public boards, commissions and regional agencies under the “dominion and control” of the state Legislature, whether they are elected or appointed. The Sunshine Law applies to members-elect of boards or commissions as well.

The law applies to private bodies as well, if governmental decision-making duties have been delegated to it by a body otherwise covered by the Sunshine Law. Government may not avoid the law by simply delegating its decision-making authority to another entity. When decision-making authority is delegated to staff members, staff members also become subject to the Sunshine Law when discussing these matters.

The Sunshine Law does not ordinarily apply to administrative proceedings or meetings of government staff when the function of staff members is to inform and advise the decision-making body.

The law allows public bodies to meet with their attorneys in closed meetings to discuss pending litigation. The law provides specific conditions for these meetings. For example, the discussion must be confined to settlement negotiations or strategy sessions related to litigation expenditures, the session must be recorded by a certified court reporter and the transcript must be part of the public records when the litigation is concluded.

State and local governmental bodies covered by the Sunshine Law include, but are not limited to:

- County and city commissions;
- School boards;
- Planning and zoning boards;
- Appointed boards or commissions;
- Civil service boards;
- Regulatory boards, such as boards under the Department of Professional Regulation;

- University committees searching for presidents or deans;
- Private organizations providing services to public agencies, and
- Economic development boards.

Florida courts have ruled that most advisory boards — even those whose powers are limited to making recommendations to a public agency and that possess no decision-making authority — are still subject to the Sunshine Law. Courts have ruled that it is the type of action performed by the board or committee, and not its makeup, that determines whether an advisory committee is subject to the law.

The following types of advisory committees have been found by Florida courts to be subject to the Sunshine Law:

- Community advisory committees;
- Architectural review committees of a homeowners' association;
- A public hospital advisory board;
- A criminal justice commission created by county ordinance to make recommendations about criminal justice issues;
- A municipal planning commission;
- A committee appointed by a mayor to recommend legislation, and
- An ad hoc committee appointed to investigate charges against a local police chief.

Advisory committees that are established solely for the purpose of fact-finding and reporting to public bodies are exempt from the Sunshine Law.

The Sunshine Law does not apply to federal agencies within the state. In 1976, however, Congress passed the federal Sunshine Act, which requires about 60 federal agencies to meet in public. The Act generally applies to agencies subject to the Freedom of Information Act, discussed later.

Does the Sunshine Law Apply to the Governor and Cabinet?

State lawmakers have no power to require the governor or Cabinet members to meet in public when they are exercising their constitutional administrative duties or acting as a policy-making board created by the Legislature, such as the State Board of Education. For instance, the governor's deliberations with Cabinet members about whether to grant a pardon or clemency are not covered by the Sunshine Law because they involve constitutional duties, not statutory duties.

What Legislative Meetings are Covered?

The Sunshine Law does not specifically cover the Legislature. However, the Sunshine Amendment approved by voters in 1992 specifically includes the Legislature and states that “all meetings of the Legislature shall be open and noticed.”

Another constitutional amendment, approved by voters in 1990, requires legislators to adopt procedural rules ensuring that meetings of committees, subcommittees and joint-conference committees are open and the public is notified. Following the Sept. 11 terrorist attacks, the Florida Senate passed new rules that allow secret meetings to discuss terrorism prevention.

The constitutionally required rules also provide that informal, pre-arranged meetings of three or more legislators, or meetings involving legislative leaders and the governor, must be open where formal action is taken or agreed to be taken later. The amendment does not require notice of these informal meetings.

Legislators may adopt rules controlling admission to the floor of each chamber and providing for limited closure of committee meetings.

Are Private Organizations Covered?

The Sunshine Law does not usually cover private organizations, but there are exceptions. If a governmental body delegates its functions to a private organization, its actions regarding the delegated duties are subject to the Sunshine Law.

Private organizations that play an integral part in a public body’s decision-making process by acting in an advisory capacity must comply with the Sunshine Law. For example, if a county commission requests that a private, non-profit corporation hold a workshop to gather information relating to land development regulations and make recommendations, the workshop must be open to the public. If private organizations invite members of a public board or commission, these meetings should be open to the public if public business is discussed.

It is important to note that public funding alone does not bring the private body under the requirements of the Sunshine Law. For example, a private hospital that receives Medicare or Medicaid funds would not be subject to the Sunshine Law for that reason alone, but one governed by a legislatively created body would be.

A private corporation that is paid to perform services for a public agency, but is not delegated any governmental or legislative duties, would similarly not be subject to the Sunshine Law.

What Activities Are Covered?

The Sunshine Law covers “meetings” of public boards and commissions. That includes deliberations, discussions and workshops, as well as formal actions. Florida courts have ruled that whenever two or more members of a governmental body discuss matters on which foreseeable action could be taken by the body, that “meeting” is subject to the Sunshine Law. This would apply even if two members of a commission were having a casual dinner, and public business came up in the course of conversation.

There is no requirement that a quorum or majority be present for a discussion to be subject to the Sunshine Law.

Every step in the decision-making process, however preliminary, constitutes an action subject to the law. For example, board members may not use written memos, intermediaries or staff members to avoid a public meeting.

Examples of activities covered by the law include:

- Telephone conference calls;
- Deliberations of a regional planning council;
- Public board or commission meetings discussing personnel matters;
- Meetings to discuss confidential material;
- Workshop or conference sessions;
- Lunch meetings prior to formal meetings;
- Meetings at which personnel matters are discussed;
- Selection and screening committees;
- Purchasing or bid evaluation committees, and
- Negotiations by a public board or commission for the sale or purchase of property.

Exemptions

The Florida Supreme Court has ruled that the Sunshine Law has no exemptions except those provided by statute. The Government-in-the-Sunshine Amendment, Section 24 of the Florida Constitution, embodies this principle and limits exemptions to those listed in the Constitution and the Sunshine Law. The constitutional amendment requires the Legislature to specify the public necessity justifying a new exemption and requires new exemptions not be any broader than necessary to accomplish the stated purpose of the law.

The Legislature has enacted more than 200 exemptions to the Sunshine Law, passing new exemptions almost every year.

A few examples include:

- Meetings between city councils and city attorneys when discussing pending litigation involving the city;
- Advisory committees involved solely in fact-finding activities;
- Proceedings of peer review panels, committees and governing bodies of public hospitals or surgical centers relating to disciplinary actions;
- Certain meetings of Judicial Nominating Commissions and Judicial Qualifications Commissions;
- Some deliberations of the Public Employees Relations Commission;
- Certain meetings of the State Lottery Commission;
- Strategy discussions between a governmental body and its chief executive officer prior to collective bargaining negotiations, and
- Grand jury proceedings.

How Should Government Provide Access?

The public must be notified about public meetings. Notice should include the meeting's time, place and the agenda, if available. The notice should be prominently displayed in the agency's offices or meeting area.

The type of notice depends upon the facts of the situation and the board involved. The goal of the public official should always be to provide adequate notice to enable any interested citizen to find out about the meeting.

In some instances, posting of the notice in a public area may suffice. In others, publication in a local newspaper may be necessary.

Additional notice may be given in any reasonable fashion, including telephone calls to interested persons, press releases sent to local news media or advertisements placed in the media. Because methods of publishing vary widely among jurisdictions, persons interested in attending a government meeting should check with a government body to determine how it provides notice.

Emergency sessions should be announced through the most appropriate and effective channels under the circumstances. The public should have at least 24 hours notice of emergency meetings. The Sunshine Law does not specify where a public meeting may be held, but it does prohibit facilities that discriminate on the basis of sex, age, race, creed, color, origin or economic status, or which unreasonably restrict public access. Private buildings, even if open to the public, should be used only as a last resort. The goal, as always, should be maximum public attendance at the meeting.

Also, boards and commissions generally must meet at or near their headquarters, or within their jurisdiction. For example, a Florida court ruled that a local board attending an out-of-town conference could not meet at the conference site simply because it was convenient for the board.

Meetings of public boards or commissions must be open to the public at all time. If, at any time, the proceedings become covert, secret or outside the public's ability to see or hear what is going on, then that portion of the meeting violates the law.

While bodies may institute reasonable rules to ensure orderly conduct at meetings, they should take reasonable steps to ensure that the facility will accommodate the anticipated turnout. Attendance at the meeting cannot be restricted, and the public body cannot prohibit tape recorders or cameras unless they are disruptive.

Written minutes must be kept of all meetings and those minutes must be open for public inspection. Voting must be in the open and all members are required to cast votes unless they abstain because of a stated conflict of interest. The Sunshine Law does not allow the use of "secret ballots."

What if a Meeting is Improperly Closed?

If it is known in advance that a meeting will be closed in violation of the Sunshine Law, the chairperson of the public body or its attorney should be notified. If time permits, the notice should be in writing. The written request should inform the public body of its duties under the Sunshine Law and should ask the public body to cite the exemption it is relying upon to close the meeting. The written notice may be sent by certified mail to ensure proof of receipt by the public body.

If officials continue to refuse to open a meeting after receiving a formal request, or if closure is expected for other reasons, a circuit court may issue an injunction to prevent the closed meeting. Citizens may contact the State Attorney's office in the appropriate judicial circuit or a private attorney to request help with securing an injunction or other legal action.

If a court finds that a public board or commission failed to comply with the Sunshine Law, its members could be subject to criminal or civil penalties and may even be removed from office. In 2002, an Escambia County Commissioner was sentenced to 60 days in jail and served 49 days of the sentence for violating the law. Florida courts may also invalidate any votes or other actions taken by the public body in violation of the law.

If you seek entry to a meeting at which official matters are to be considered and you are prohibited from entry, you should inform the presiding official that: **“Florida Statute 286.011, the Government-in-the-Sunshine Law, requires that all meetings of state or local governmental boards or commissions be open to the public unless there is a specific statutory exemption. If I am ordered to leave (or forbidden to enter) this meeting, I ask that you advise me of the statutory authority for your action. Otherwise, I must insist on my right to attend this meeting.”**

The Sunshine Law provides for recovery of attorney's fees from governmental bodies if a court finds a violation. The law also permits a governmental body to recover attorney's fees from an individual if a court rules a suit was frivolous or filed in bad faith.

Examples of Public Records

- Most portions of arrest and crime reports;
- E-mail messages made or received by agency employees in connection with official business;
- Most personnel records of government employees, including applications for state or local employment;
- Agency documents circulated for review, comment or information;
- Private company records connected with governmental services where private business acts on behalf of government;
- Salaries and expense reports of most government employees;
- Written communications between a government agency and its attorney, except information prepared for a pending suit;
- Court orders or judgments dealing with public hazard;
- Tape recordings of incoming calls to a public agency, and
- County and municipal budgets.

What is Exempt from the Public Records Law?

The Florida Supreme Court has ruled that government agencies must provide access to public records unless the Legislature has specifically exempted them from disclosure. An agency claiming an exemption from disclosure bears the burden of proving a record is exempt by law. Before denying access, a public records custodian must specifically state — in writing if requested — which part of the law exempts a record.

There are more than 850 separate records exempted from the Public Records Law.

Examples of them include:

- Medical, birth and adoption records;
- Autopsy photographs, and video and audio recordings of an autopsy;
- Social Security numbers contained in official public records;
- Nursing home adverse incident reports, and risk-management records and meetings;
- Personal identifying and financial information contained in the Department of Health's records;
- Investigative and criminal intelligence records of law enforcement agencies that are related to active investigations;

- Law enforcement records identifying sexual abuse victims or confidential informants;
- Home addresses and phone numbers of Department of Children & Family Services investigators, law enforcement officers, state attorneys, judges, firefighters, code enforcement officers, human resource officers, guardians ad litem and lottery winners;
- Student educational records;
- Reports of diseases of “public health significance” to the state Department of Children & Family Services;
- Information “necessary to secure the integrity” of the lottery;
- Negotiation records of purchases of real property by state and local agencies, such as appraisals, offers and counteroffers, until a deal is final or will be considered within 30 days;
- Most tax information filed with the Department of Revenue;
- Security system plans, including building plans, blueprints, schematic drawings and diagrams depicting the internal layout and structural elements of any state owned or operated building, arena, stadium, water treatment facility or other structure, and
- Driver license and motor vehicle records unless driver consents to disclosure.

Juvenile offender records are generally confidential and exempt from the Public Records Law. However, if the juvenile is arrested for a crime that would be a felony if committed by an adult or if the juvenile has committed three or more “adult” misdemeanors, the records are not exempt.

If a federal statute requires a record to be closed and the state is clearly subject to the provisions of that statute, the state must keep the records confidential. However, a Florida court ruled that tenant records of a public housing authority are not exempt from the Public Records Law, despite the Federal Privacy Act.

Which Government Bodies Are Subject to the Public Records Law?

All units of state, county and local government are subject to the Public Records Law, as are advisory bodies, private organizations or independent contractors acting on behalf of any public agency. Thus, any publicly created advisory board would be an agency subject to the law unless a statutory exemption exists. When a private corporation not otherwise connected with government provides services to a governmental body, the key question is whether the private organization is acting on behalf of a public agency.

Neither public funding nor a government contract automatically makes the private organization subject to the law. The Florida Supreme Court developed a “totality of factors” approach as a guide for evaluating whether a private entity is subject to the Public Records Law.

Generally, if the private organization is involved in the decision-making process, it becomes an “agency” for the purposes of the Public Records Law. In addition, when a private organization enters negotiations with a public agency, records of those negotiations are public records.

For example, the Chicago White Sox professional baseball team and the city of St. Petersburg were found to have violated the Public Records Law by denying access to draft lease documents generated during the negotiations.

How To Get Access to Public Records

The Florida Public Records Law states that any person can inspect and copy public records. An individual does not need to state a purpose or special interest to obtain access to a record and does not need to present identification.

The first step toward seeing a record is identifying the agency holding it and the person within that agency who is the records custodian. A custodian is the person who either supervises or has control over the document, or has legal responsibility for its care, keeping or guardianship. Citizens can call or write the agency for this information.

The request for a public record should be as specific as possible. Although a verbal request is sufficient, a written request is often more effective. A request for a record should include the subject matter, location, date, agency in charge and the name or identification of the file, if known. Copies of all correspondence should be kept.

When a portion of the material requested is exempt from disclosure, a records custodian must provide the non-exempt material. For example, even though the name of the victim of a sexual assault is exempt from disclosure, the police report itself is not exempt. Once the identifying information is removed, the report must be released.

Remedies

If you are refused access to public records you should cite Chapter 119 of Florida Law, which states: **“It is the policy of this state that all state, county and municipal records shall at all times be open for a personal inspection by any person. Public records are defined as ‘all documents, papers, letters, maps, books, tapes, photographs, films, sound recordings or other material, regardless of physical form or characteristics, made or received...in connection with the transaction of official business by any agency.’ Section 119.10 provides that: Any person willfully and knowingly violating any of the provisions of this chapter shall be guilty of a misdemeanor of the first degree...”**

If a government agency violates the Public Records Law, it harms all citizens of the state of Florida. Therefore, any citizen of the state who reasonably believes that there has been a violation may seek an order from the circuit court to force disclosure. Penalties include fines, injunctive relief and, in extreme cases, incarceration of offenders.

The cost of bringing a justifiable suit against a government entity should not deter citizens from enforcing the law. Even though legal fees may become costly, if a citizen brings a suit under the Sunshine Law or the Public Records Law and the court finds that there was a violation, the person who filed the lawsuit is entitled to recover reasonable attorney’s fees from the agency. However, if the court finds that the suit was filed in bad faith, or on frivolous grounds, the agency may recover reasonable attorney’s fees from the person filing the suit.

Knowingly withholding public records can cause more than financial trouble for public officials who mishandle the public trust. In 1999, an Escambia County School Board member spent seven days in jail after being found guilty of violating the Public Records Law.

Fees

If you want a copy of a record, the custodian may charge only the actual cost of duplication. The law allows the records custodian to charge higher fees for certain records and when requests require extensive assistance.

For example, if a request requires extensive use of information technology resources or extensive clerical or supervisory assistance, or both, an agency may charge a reasonable service charge based on the actual cost incurred.

The Freedom of Information Act (FOIA)

Records of federal agencies in Florida are not covered by the Public Records Law. In 1966, Congress passed the Freedom of Information Act (FOIA) to increase public access to federal government documents. The FOIA generally applies to documents that serve the function of public records and can be reproduced. The FOIA does not apply to Congress, the White House, the federal courts or independent regulatory agencies.

Persons seeking records under the federal Freedom of Information Act should contact the agency in possession of the record to get the name of the agency information officer. If this informal contact is not successful, a formal written request should be filed (requests can be patterned on the request letter (illustrated in Appendix A). Each agency is required to publish in the Federal Register a description of its structure and a list of people to contact for an inquiry under the Act.

Once a formal request is made, the federal agency must release the document or advise the requester that it falls into one of the nine exempt categories. They are: national security, agency rules and practices, specific statutory exemptions, confidential business information, internal memoranda, personnel or medical files, law enforcement investigations, banking reports and information about oil and gas wells.

The Electronic Freedom of Information Act Amendments of 1996 (E-FOIA) guarantees that records maintained in computer form are as accessible as paper records under FOIA. Among other things, the law requires agencies make regulations, opinions, policy statements and similar information available online, on CD-ROM or computer disc. It also requires agencies to provide information in the format requested, whenever possible.

In addition to making electronic records accessible, the 1996 law amends other portions of the FOIA. For example, an important section of the new law allows expedited access for reporters who can demonstrate a “compelling need” for the federal records they request under FOIA. Expedited access is a faster processing of their requests than that of rank and file requesters.

Agencies are now required to respond faster in two situations. First, when failure to obtain records can pose an imminent threat to an individual’s life or physical safety. Second, and of particular interest to reporters, when a request is made by a person primarily engaged in disseminating information, and there is an urgency to inform the public concerning actual or alleged federal government activity.

According to the new law, expedited access requests must be processed within 10 days. In addition, the new law changes the time limit for other requests from 10 to 20 days.

If you file a FOIA request, you should know that it is not unusual to wait for months or even years for a response. Agencies say they do the best they can with their resources. For example, the FBI spends \$36 million a year and employs 300 people to process FOIA requests. As a whole, the federal government receives approximately 3 million FOIA requests per year and spends \$323 million processing them, according to Department of Justice figures.

Some agencies meet the time limits to respond to requests. Most do not. It is highly unlikely that response times will change much, even with the passage of the new law, so plan accordingly.

Appeals can be directed to an agency head and subsequently to a federal court. Unfortunately, information can seldom be obtained for free under the Act. Members of the press may obtain a waiver of all or at least part of the fees. Waivers are also available if the information will serve a public interest, as opposed to a commercial interest.

Open Courts

The public's right to attend government meetings and view public records is based on statutes enacted by legislative bodies. The right to attend judicial proceedings and view judicial records generally is controlled by courts based on traditional practices, court rules and constitutional law.

The U.S. Supreme Court has ruled the public has a qualified right of access to criminal trials, jury selection and pretrial hearings. The Supreme Court has not yet formally extended this right to civil proceedings, but traditionally the public is allowed to attend. Many lower courts have ruled that civil proceedings are presumptively open.

If a proceeding historically has been open, the U.S. Supreme Court has ruled judges can close it only if:

- Evidence shows access will abridge a constitutional right, such as the defendant's right to a fair trial;
- Alternatives to closure would not protect the right jeopardized by access, and
- Closure is limited in time and scope only to what is necessary to protect the right.

Judges also control the conduct of spectators in courtrooms, the use of cameras and recording equipment.

Florida Courts

The Florida Supreme Court has ruled that criminal and civil proceedings in state courts generally should be open to the public. Judges, however, may close courtrooms or seal certain judicial records if the party seeking closure has overcome the presumption of openness by proving that:

- Closure is necessary to prevent a serious and imminent threat to the administration of justice;
- No less restrictive measures are available, and
- Closure would be effective to protect the defendant's rights without being broader than necessary.

To close a civil proceeding, a judge must find closure is necessary to:

- Comply with the state's constitution, a statute or case law;
- Protect trade secrets;
- Protect a compelling interest, such as national security, or the identification of confidential informants;
- Obtain evidence to properly determine legal issues in a case;

- Avoid substantial injury to innocent third parties, such as children in a divorce proceeding, or
- Avoid substantial injury to a party by disclosure of matters protected by common law or privacy rights.

Before ordering closure in a civil proceeding, the judge must also find that no reasonable alternative is available and then use the least restrictive closure necessary to accomplish the stated purpose.

If you oppose closure, you should notify the court immediately of your objection. You might say something like this:

“I am _____, a reporter/citizen of this community. I object to the proposed closure of this proceeding. I am not an attorney, but I understand the public has a constitutional and common law right of access to this and all other court proceedings. I believe the law requires that a hearing be held, with the press and public having an opportunity to be heard through counsel, prior to closure. I, therefore, request such a hearing.”

Court decisions, procedural rules and the Florida Constitution provide for access to judicial records. Court records generally are open for inspection once they are filed with the clerk, unless specifically closed by court order or otherwise exempted.

A 1990 law prohibits a court from entering an order that conceals a public hazard or information that may help guard against injury from a public hazard. Known as the Sunshine in Litigation Act, the law enables the public to inspect judicial documents regarding public hazards, even if the parties agree to settle the litigation out of court.

Gag Orders

Judges may issue restrictive orders, often called “gag orders,” preventing parties and trial participants from talking about judicial proceedings. To issue a gag order, a judge must demonstrate that there is a substantial likelihood their statements would prejudice a criminal proceeding, that no viable alternative exists and that the order is no broader than necessary to protect the defendant’s rights.

Judges may not, however, impose prior restraints that prevent members of the media from publishing information they have already obtained, unless there is an immediate threat to the administration of justice. A party seeking a prior restraint has a heavy burden of proof because there is a presumption against its constitutionality.

Cameras in Florida Courts

For more than 25 years, cameras and recording equipment have been allowed in Florida courtrooms. There are, however, rules regulating the number of television and still cameras permitted. Also, photographers must use equipment that does not produce distracting light or sound. Cameras may not be excluded solely because they make participants nervous or self-conscious.

State judges may ban cameras from judicial proceedings only if the participant seeking the ban can prove the presence of cameras would have a “substantial effect” on a trial participant that would be “qualitatively different” from coverage by other media.

Judicial orders denying electronic or photographic recording of a judicial proceeding are reviewable directly by the Florida Supreme Court.

Camera Access to Federal Courts

Although cameras are allowed in 50 states, they are still banned from most federal courts and U.S. Supreme Court proceedings. However, the Judicial Conference of the United States, the policy-making body for the federal courts, passed a resolution that gave federal appellate judges the discretion to allow still photographs or radio or television coverage of appellate arguments.

INSTRUCTIONS FOR COMPLETING FORM 1:

INTRODUCTORY INFORMATION (Top of Form): If your name, mailing address, public agency, and position are already printed on the form, you do not need to provide this information unless it should be changed. To change any of this information, write the correct information on the form, and contact your agency's financial disclosure coordinator. You can find your coordinator on the Commission on Ethics website: www.ethics.state.fl.us.

NAME OF AGENCY: The name of the governmental unit which you serve or served, by which you are or were employed, or for which you are a candidate.

OFFICE OR POSITION HELD OR SOUGHT: The title of the office or position you hold, are seeking, or held during the disclosure period even if you have since left that position. If you are a candidate for office or are a new employee or appointee, check the appropriate box.

PUBLIC RECORD: The disclosure form and everything attached to it is a public record. Your Social Security Number is not required and you should redact it from any documents you file. If you are an active or former officer or employee listed in Section 119.071, F.S., whose home address is exempt from disclosure, the Commission will maintain that confidentiality if you submit a written request.

DISCLOSURE PERIOD: The tax year for most individuals is the calendar year (January 1 through December 31). If that is the case for you, then your financial interests should be reported for the calendar year 2018; check that box. If you file your IRS tax return based on a tax year that is not the calendar year, you should specify the dates of your tax year in this portion of the form and check the appropriate box. This is the "disclosure period" for your report.

MANNER OF CALCULATING REPORTABLE INTEREST

Filers have the option of reporting based on either thresholds that are comparative (usually, based on percentage values) or thresholds that are based on absolute dollar values. The instructions on the following pages specifically describe the different thresholds. Check the box that reflects the choice you have made. You must use the type of threshold you have chosen for each part of the form. In other words, if you choose to report based on absolute dollar value thresholds, you cannot use a percentage threshold on any part of the form.

IF YOU HAVE CHOSEN DOLLAR VALUE THRESHOLDS THE FOLLOWING INSTRUCTIONS APPLY

PART A — PRIMARY SOURCES OF INCOME

[Required by s. 112.3145(3)(b)1, F.S.]

Part A is intended to require the disclosure of your principal sources of income during the disclosure period. You do not have to disclose the amount of income received, and you need not list your public salary from serving in the position(s) which requires you to file this form. The income of your spouse need not be disclosed; however, if there is joint income to you and your spouse from property you own jointly (such as interest or dividends from a bank account or stocks), you should disclose the source of that income if it exceeded the threshold.

Please list in this part of the form the name, address, and principal business activity of each source of your income which exceeded \$2,500 of gross income received by you in your own name or by any other person for your use or benefit.

"Gross income" means the same as it does for income tax purposes, even if the income is not actually taxable, such as interest on tax-free bonds. Examples include: compensation for services, income from business, gains from property dealings, interest, rents, dividends, pensions, IRA distributions, social security, distributive share of partnership gross income, and alimony, but not child support.

Examples:

- If you were employed by a company that manufactures computers and received more than \$2,500, list the name of the company, its address, and its principal business activity (computer manufacturing).
- If you were a partner in a law firm and your distributive share of partnership gross income exceeded \$2,500, list the name of the firm, its address, and its principal business activity (practice of law).
- If you were the sole proprietor of a retail gift business and your gross income from the business exceeded \$2,500, list the name of the business, its address, and its principal business activity (retail gift sales).
- If you received income from investments in stocks and bonds, list each individual company from which you derived more than \$2,500. Do not aggregate all of your investment income.
- If more than \$2,500 of your gross income was gain from the sale of property (not just the selling price), list as a source of income the purchaser's name, address and principal business activity. If the purchaser's identity is unknown, such as where securities listed on an exchange are sold through a brokerage firm, the source of income should be listed as "sale of (name of company) stock," for example.
- If more than \$2,500 of your gross income was in the form of interest from one particular financial institution (aggregating interest from all CD's, accounts, etc., at that institution), list the name of the institution, its address, and its principal business activity.

PART B — SECONDARY SOURCES OF INCOME

[Required by s. 112.3145(3)(b)2, F.S.]

This part is intended to require the disclosure of major customers, clients, and other sources of income to businesses in which you own an interest. It is not for reporting income from second jobs. That kind of income should be reported in Part A "Primary Sources of Income," if it meets the reporting threshold. You will not have anything to report unless, during the disclosure period:

- (1) You owned (either directly or indirectly in the form of an equitable or beneficial interest) more than 5% of the total assets or capital stock of

a business entity (a corporation, partnership, LLC, limited partnership, proprietorship, joint venture, trust, firm, etc., doing business in Florida); **and,**

- (2) You received more than \$5,000 of your gross income during the disclosure period from that business entity.

If your interests and gross income exceeded these thresholds, then for that business entity you must list every source of income to the business entity which exceeded 10% of the business entity's gross income (computed on the basis of the business entity's most recently completed fiscal year), the source's address, and the source's principal business activity.

Examples:

- You are the sole proprietor of a dry cleaning business, from which you received more than \$5,000. If only one customer, a uniform rental company, provided more than 10% of your dry cleaning business, you must list the name of the uniform rental company, its address, and its principal business activity (uniform rentals).
- You are a 20% partner in a partnership that owns a shopping mall and your partnership income exceeded the above thresholds. List each tenant of the mall that provided more than 10% of the partnership's gross income and the tenant's address and principal business activity.

PART C — REAL PROPERTY

[Required by s. 112.3145(3)(b)3, F.S.]

In this part, list the location or description of all real property in Florida in which you owned directly or indirectly at any time during the disclosure period in excess of 5% of the property's value. You are not required to list your residences. You should list any vacation homes if you derive income from them.

Indirect ownership includes situations where you are a beneficiary of a trust that owns the property, as well as situations where you own more than 5% of a partnership or corporation that owns the property. The value of the property may be determined by the most recently assessed value for tax purposes, in the absence of a more current appraisal.

The location or description of the property should be sufficient to enable anyone who looks at the form to identify the property. A street address should be used, if one exists.

PART D — INTANGIBLE PERSONAL PROPERTY

[Required by s. 112.3145(3)(b)3, F.S.]

Describe any intangible personal property that, at any time during the disclosure period, was worth more than \$10,000 and state the business entity to which the property related. Intangible personal property includes things such as cash on hand, stocks, bonds, certificates of deposit, vehicle leases, interests in businesses, beneficial interests in trusts, money owed you, Deferred Retirement Option Program (DRO) accounts, the Florida Prepaid College Plan, and bank accounts. Intangible personal property also includes investment products held in IRAs, brokerage accounts, and the Florida College Investment Plan. Note that the product contained in a brokerage account, IRA, or the Florida College Investment Plan is your asset—not the account or plan itself. Things like automobiles and houses you own, jewelry, and paintings are not intangible property. Intangibles relating to the same business entity may be aggregated; for example, CDs and savings accounts with the same bank. Property owned as tenants by the entirety or as joint tenants with right of survivorship should be valued at 100%. The value of a leased vehicle is the vehicle's present value minus the lease residual (a number found on the lease document).

PART E — LIABILITIES

[Required by s. 112.3145(3)(b)4, F.S.]

List the name and address of each creditor to whom you owed more than \$10,000 at any time during the disclosure period. The amount of the liability of a vehicle lease is the sum of any past-due payments and all unpaid prospective lease payments. You are not required to list the amount of any debt. You do not have to disclose credit card and retail installment accounts, taxes owed (unless reduced to a judgment), indebtedness on a life insurance policy owed to the company of issuance, or contingent liabilities. A "contingent liability" is one that will become an actual liability only when one or more future events occur or fail to occur, such as where you are liable only as a guarantor, surety, or endorser on a promissory note. If you are a "co-maker" and are jointly liable or jointly and severally liable, then it is not a contingent liability.

PART F — INTERESTS IN SPECIFIED BUSINESSES

[Required by s. 112.3145(6), F.S.]

The types of businesses covered in this disclosure include: state and federally chartered banks; state and federal savings and loan associations; cemetery companies; insurance companies; mortgage companies; credit unions; small loan companies; alcoholic beverage licensees; pari-mutuel wagering companies, utility companies, entities controlled by the Public Service Commission; and entities granted a franchise to operate by either a city or a county government.

Disclose in this part the fact that you owned during the disclosure period an interest in, or held any of certain positions with the types of businesses listed above. You must make this disclosure if you own or owned (either directly or indirectly in the form of an equitable or beneficial interest) at any time during the disclosure period more than 5% of the total assets or capital stock of one of the types of business entities listed above. You also must complete this part of the form for each of these types of businesses for which you are, or were at any time during the disclosure period, an officer, director, partner, proprietor, or agent (other than a resident agent solely for service of process).

If you have or held such a position or ownership interest in one of these types of businesses, list the name of the business, its address and principal business activity, and the position held with the business (if any). If you own(ed) more than a 5% interest in the business, indicate that fact and describe the nature of your interest.

PART G — TRAINING CERTIFICATION

[Required by s. 112.3142, F.S.]

If you are a Constitutional or elected municipal officer whose service began before March 31 of the year for which you are filing, you are required to complete four hours of ethics training which addresses Article II, Section 8 of the Florida Constitution, the Code of Ethics for Public Officers and Employees, and the public records and open meetings laws of the state. You are required to certify on this form that you have taken such training.

(End of Dollar Value Thresholds Instructions.)

IF YOU HAVE CHOSEN COMPARATIVE (PERCENTAGE) THRESHOLDS THE FOLLOWING INSTRUCTIONS APPLY

PART A — PRIMARY SOURCES OF INCOME

[Required by s. 112.3145(3)(a)1, F.S.]

Part A is intended to require the disclosure of your principal sources of income during the disclosure period. You do not have to disclose the amount of income received, and you need not list your public salary received from serving in the position(s) which requires you to file this form, but this amount should be included when calculating your gross income for the disclosure period. The income of your spouse need not be disclosed; however, if there is joint income to you and your spouse from property you own jointly (such as interest or dividends from a bank account or stocks), you should include all of that income when calculating your gross income and disclose the source of that income if it exceeded the threshold.

Please list in this part of the form the name, address, and principal business activity of each source of your income which exceeded 5% of the gross income received by you in your own name or by any other person for your benefit or use during the disclosure period.

"Gross income" means the same as it does for income tax purposes, even if the income is not actually taxable, such as interest on tax-free bonds. Examples include: compensation for services, income from business, gains from property dealings, interest, rents, dividends, pensions, IRA distributions, social security, distributive share of partnership gross income, and alimony, but not child support.

Examples:

— If you were employed by a company that manufactures computers and received more than 5% of your gross income from the company, list the name of the company, its address, and its principal business activity (computer manufacturing).

— If you were a partner in a law firm and your distributive share of partnership gross income exceeded 5% of your gross income, then list the name of the firm, its address, and its principal business activity (practice of law).

— If you were the sole proprietor of a retail gift business and your gross income from the business exceeded 5% of your total gross income, list the name of the business, its address, and its principal business activity (retail gift sales).

— If you received income from investments in stocks and bonds, list each individual company from which you derived

more than 5% of your gross income. Do not aggregate all of your investment income.

— If more than 5% of your gross income was gain from the sale of property (not just the selling price), list as a source of income the purchaser's name, address, and principal business activity. If the purchaser's identity is unknown, such as where securities listed on an exchange are sold through a brokerage firm, the source of income should be listed as "sale of (name of company) stock," for example.

— If more than 5% of your gross income was in the form of interest from one particular financial institution (aggregating interest from all CD's, accounts, etc., at that institution), list the name of the institution, its address, and its principal business activity.

PART B — SECONDARY SOURCES OF INCOME

[Required by s. 112.3145(3)(a)2, F.S.]

This part is intended to require the disclosure of major customers, clients, and other sources of income to businesses in which you own an interest. It is not for reporting income from second jobs. That kind of income should be reported in Part A, "Primary Sources of Income," if it meets the reporting threshold. You will **not** have anything to report **unless** during the disclosure period:

(1) You owned (either directly or indirectly in the form of an equitable or beneficial interest) more than 5% of the total assets or capital stock of a business entity (a corporation, partnership, LLC, limited partnership, proprietorship, joint venture, trust, firm, etc., doing business in Florida); **and**,

(2) You received more than 10% of your gross income from that business entity; **and**,

(3) You received more than \$1,500 in gross income from that business entity.

If your interests and gross income exceeded these thresholds, then for that business entity you must list every source of income to the business entity which exceeded 10% of the business entity's gross income (computed on the basis of the business entity's most recently completed fiscal year), the source's address, and the source's principal business activity.

Examples:

— You are the sole proprietor of a dry cleaning business, from which you received more than 10% of your gross income—an amount that was more than \$1,500. If only one customer, a uniform rental company, provided more than 10% of your dry cleaning business, you must list the name of the uniform rental company, its address, and its principal business activity (uniform rentals).

— You are a 20% partner in a partnership that owns a shopping mall and your partnership income exceeded the thresholds listed above. You should list each tenant of the mall that provided more than 10% of the partnership's gross income, and the tenant's address and principal business activity.

PART C — REAL PROPERTY

[Required by s. 112.3145(3)(a)3, F.S.]

In this part, list the location or description of all real property in Florida in which you owned directly or indirectly at any time during the disclosure period in excess of 5% of the property's value. You are not required to list your residences. You should list any vacation homes, if you derive income from them.

Indirect ownership includes situations where you are a beneficiary of a trust that owns the property, as well as situations where you own more than 5% of a partnership or corporation that owns the property. The value of the property may be determined by the most recently assessed value for tax purposes, in the absence of a more current appraisal.

The location or description of the property should be sufficient to enable anyone who looks at the form to identify the property. A street address should be used, if one exists.

PART D — INTANGIBLE PERSONAL PROPERTY

[Required by s. 112.3145(3)(a)3, F.S.]

Describe any intangible personal property that, at any time during the disclosure period, was worth more than 10% of your total assets, and state the business entity to which the property related. Intangible personal property includes things such as cash on hand, stocks, bonds, certificates of deposit, vehicle leases, interests in businesses, beneficial interests in trusts, money owed you, Deferred Retirement Option Program (DROP) accounts, the Florida Prepaid College Plan, and bank accounts. Intangible personal property also includes investment products held in IRAs, brokerage accounts, and the Florida College Investment Plan. Note that the product contained in a brokerage account, IRA, or the Florida College Investment Plan is your asset—not the account or plan itself. Things like automobiles and houses you own, jewelry, and paintings are not intangible property. Intangibles relating to the same business entity may be aggregated; for example, CD's and savings accounts with the same bank.

Calculations: To determine whether the intangible property exceeds 10% of your total assets, total the fair market value of all of your assets (including real property, intangible property, and tangible personal property such as jewelry, furniture, etc.). When making this calculation, do not subtract any liabilities (debts) that may relate to the property. Multiply the total figure by 10% to arrive at the disclosure threshold. List only the intangibles that exceed this threshold amount. The value of a leased vehicle is the vehicle's present value minus the lease residual (a number which can be found on the lease document). Property that is only jointly owned property should be valued according to the percentage of your joint ownership. Property owned as tenants by the entirety or as joint tenants with right of survivorship should be valued at 100%. None of your calculations or the value of the property have to be disclosed on the form.

Example: You own 50% of the stock of a small corporation that is worth \$100,000, the estimated fair market value of your home and other property (bank accounts, automobile, furniture, etc.) is \$200,000. As your total assets are worth \$250,000, you must disclose intangibles worth over \$25,000. Since the value of the stock exceeds this threshold, you should list "stock" and the name of the corporation. If your accounts with a particular bank exceed \$25,000, you should list "bank accounts" and bank's name.

PART E — LIABILITIES

[Required by s. 112.3145(3)(b)4, F.S.]

List the name and address of each creditor to whom you owed any amount that, at any time during the disclosure period, exceeded your net worth. You are not required to list the amount of any debt or your net worth. You do not have to disclose: credit card and retail installment accounts, taxes owed (unless reduced to a judgment), indebtedness on a life insurance policy owed to the company of issuance, or contingent liabilities. A "contingent liability" is one that will become an actual liability only when one or more future events occur or fail to occur, such as where you are liable only as a guarantor, surety, or endorser on a promissory note. If you are a "co-maker" and are jointly liable or jointly and severally liable, it is not a contingent liability.

Calculations: To determine whether the debt exceeds your net worth, total all of your liabilities (including promissory notes, mortgages, credit card debts, judgments against you, etc.). The amount of the liability of a vehicle lease is the sum of any past-due payments and all unpaid prospective lease payments. Subtract the sum total of your liabilities from the value of all your assets as calculated above for Part D. This is your "net worth." List each creditor to whom your debt exceeded this amount unless it is one of the types of indebtedness listed in the paragraph above (credit card and retail installment accounts, etc.). Joint liabilities with others for which you are "jointly and severally liable," meaning that you may be liable for either your part or the whole of the obligation, should be included in your calculations at 100% of the amount owed.

Example: You owe \$15,000 to a bank for student loans, \$5,000 for credit card debts, and \$60,000 (with spouse) to a savings and loan for a home mortgage. Your home (owned by you and your spouse) is worth \$80,000 and your other property is worth \$20,000. Since your net worth is \$20,000 (\$100,000 minus \$80,000), you must report only the name and address of the savings and loan.

PART F — INTERESTS IN SPECIFIED BUSINESSES

[Required by s. 112.3145, F.S.]

The types of businesses covered in this disclosure include: state and federally chartered banks; state and federal savings and loan associations; cemetery companies; insurance companies; mortgage companies; credit unions; small loan companies; alcoholic beverage licensees; pari-mutuel wagering companies, utility companies, entities controlled by the Public Service Commission; and entities granted a franchise to operate by either a city or a county government.

Disclose in this part the fact that you owned during the disclosure period an interest in, or held any of certain positions with, the types of businesses listed above. You are required to make this disclosure if you own or owned (either directly or indirectly in the form of an equitable or beneficial interest) at any time during the disclosure period more than 5% of the total assets or capital stock of one of the types of business entities listed above. You also must complete this part of the form for each of these types of businesses for which you are, or were at any time during the disclosure period, an officer, director, partner, proprietor, or agent (other than a resident agent solely for service of process).

If you have or held such a position or ownership interest in one of these types of businesses, list the name of the business, its address and principal business activity, and the position held with the business (if any). If you own(ed) more than a 5% interest in the business, indicate that fact and describe the nature of your interest.

PART G — TRAINING CERTIFICATION

[Required by s. 112.3142, F.S.]

If you are a Constitutional or elected municipal officer whose service began before March 31 of the year for which you are filing, you are required to complete four hours of ethics training which addresses Article II, Section 8 of the Florida Constitution, the Code of Ethics for Public Officers and Employees, and the public records and open meetings laws of the state. You are required to certify on this form that you have taken such training.

BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE ESPLANADE LAKE CLUB COMMUNITY DEVELOPMENT DISTRICT:

SECTION 1. AUTHORITY FOR THIS RESOLUTION; DEFINITIONS. The Board of Supervisors (the “Board”) of the Esplanade Lake Club Community Development District (the “District” or the “Issuer”) is authorized to adopt this Resolution under the authority granted by the provisions of Chapter 190, Florida Statutes, as amended, its Charter (as set forth in Ordinance No. 18-21 enacted by Lee County, Florida, which became effective on September 19, 2019 [the “Ordinance”]) and other applicable provisions of law (collectively, the “Act”). All capitalized terms not otherwise defined herein shall have the meaning ascribed thereto in the Indenture (hereinafter defined).

SECTION 2. FINDINGS.

A. The Issuer is a community development district, a local unit of special purpose government organized and existing under and pursuant to the Act. The Issuer was established for the purpose, among other things, of delivering certain community development services and facilities as authorized by the Act, including planning, financing, constructing, acquiring, owning, operating and maintaining the “Series Projects” and “Additional Series Projects.”

B. The Issuer is empowered by the Act to provide projects such as the Series Projects and Additional Series Projects. Pursuant to Resolution No. 2019-21 adopted by the Board on May 15, 2019 (the “Authorizing Resolution”) the Issuer has found and determined that acquisition and construction of Series Projects and Additional Series Projects is and will be necessary and desirable in serving the Issuer’s goal of properly managing the acquisition, construction, and operation of portions of the infrastructure specially benefiting District Lands. Pursuant to the Authorizing Resolution, the Issuer, among other matters, authorized the issuance of the Issuer’s Capital Improvement Revenue Bonds (the “Bonds”) in an amount not exceeding \$31,030,000 to finance the Cost of Series Projects and Additional Series Projects, approved the form of a Master Trust Indenture (the “Master Indenture”) relating to such Bonds, and authorized the issuance of the Bonds in one or more Series and bond anticipation notes from time to time pursuant to the Master Indenture and a related Supplemental Indenture to be approved by subsequent resolution of the Board of the Issuer.

C. The Bonds have been validated by a final judgment of the Circuit Court in and for Lee County, Florida and the time for taking an appeal from such final judgment has expired without an appeal being taken.

D. The Issuer hereby determines that it is now necessary and desirable to issue its Capital Improvement Revenue Bonds, Series 2019A-1 (the “Series 2019A-1 Bonds”) and its Capital Improvement Revenue Bonds, Series 2019A-2 (the “Series 2019A-2 Bonds” and, collectively with the Series 2019A-1 Bonds, the “Series 2019 Bonds”) in an aggregate principal amount not exceeding \$31,030,000. Proceeds of the Series 2019A-1 Bonds will be applied to (i) finance the construction, acquisition, equipping and/or improvement of a portion of a Series Project (as more fully defined in the hereinafter defined First Supplemental Indenture, the “Series 2019 Project”); (ii) pay Capitalized Interest on the Series 2019A-1 Bonds; (iii) fund the account in the Reserve

Fund for the Series 2019A-1 Bonds; and (iv) pay costs of issuance of the Series 2019A-1 Bonds. Proceeds of the Series 2019A-2 Bonds will be applied to (i) finance the construction, acquisition, equipping and/or improvement of a portion of the Series 2019 Project not funded by the Series 2019A-1 Bonds; (ii) pay Capitalized Interest on the Series 2019A-2 Bonds; (iii) fund the account in the Reserve Fund for the Series 2019A-2 Bonds; and (iv) pay costs of issuance of the Series 2019A-2 Bonds. The Series 2019A-1 Bonds shall be issued as a Series of Bonds within the meaning of the Master Indenture, all as shall be more fully provided in the Master Indenture and in the First Supplemental Indenture to be executed and delivered by the Issuer and the Trustee prior to the issuance of the Series 2019A-1 Bonds (the Master Indenture, as supplemented by the First Supplemental Indenture, being referred to as the "Series 2019A-1 Indenture"). The Series 2019A-2 Bonds shall be issued as a Series of Bonds within the meaning of the Master Indenture, all as shall be more fully provided in the Master Indenture and in the hereinafter defined Second Supplemental Indenture to be executed and delivered by the Issuer and the Trustee prior to the issuance of the Series 2019A-2 Bonds (the Master Indenture, as supplemented by the Second Supplemental Indenture, being referred to as the "Series 2019A-2 Indenture"). A portion of the proceeds of the Series 2019A-1 Bonds and a portion of the proceeds of the Series 2019A-2 Bonds will be held in certain retainage subaccounts established under the First Supplemental Indenture and the Second Supplemental Indenture, respectively, to be applied, depending on the occurrence or non-occurrence of certain events specified in the First Supplemental Indenture and the Second Supplemental Indenture to either pay costs of the construction, acquisition, equipping and/or improvement of a portion of the Series 2019 Project or to the extraordinary mandatory redemption of a portion of the Series 2019 Bonds, all as more fully provided in the First Supplemental Indenture and the Second Supplemental Indenture.

E. Due to the present volatility of the market for tax-exempt obligations such as the Series 2019 Bonds and the complexity of the transactions relating to the Series 2019 Bonds, it is in the best interests of the Issuer to sell the Series 2019 Bonds by a delegated, negotiated sale, rather than at a specified advertised date, in order to permit the Issuer to enter the market at the most advantageous time and to obtain the best possible price and interest rate for the Series 2019 Bonds.

F. The Issuer now desires to authorize the application of the proceeds of the Series 2019 Bonds and to approve various instruments in connection therewith, including the First Supplemental Indenture and the Second Supplemental Indenture.

SECTION 3. AUTHORIZATION OF SERIES 2019 PROJECT AND SERIES 2019 BONDS.

Anything herein or in the Master Indenture to the contrary notwithstanding, amounts on deposit in the Series 2019A-1 Reserve Account shall, upon the occurrence and continuance of an Event of Default, be subject to a first charge by the Trustee for its fees and expenses, including fees and expenses of collection of Delinquent Assessments.

Section 406. Amortization Installments. (a) The Amortization Installments established for the Series 2019A-1 Bonds shall be as set forth in the form of the Series 2019A-1 Bonds attached hereto.

(b) Upon any redemption of Series 2019A-1 Bonds (other than (i) Series 2019A-1 Bonds redeemed in accordance with scheduled Amortization Installments or (ii) Series 2019A-1 Bonds redeemed at the direction of the District accompanied by a cash flow certificate as required by Section 506(b) of the Master Indenture), the Trustee shall cause Series 2019A-1 Bonds to be redeemed in such amounts and having such maturities so as to result in Amortization Installments recalculated by the District, in such manner as shall amortize all the Outstanding Series 2019A-1 Bonds of all of the terms in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining terms of all of the Series 2019A-1 Bonds.

Section 407. Tax Covenants and Rebate Account. The District shall comply with the tax regulatory covenants set forth in the District's tax certificate executed in connection with the issuance of the Series 2019A-1 Bonds.

Section 408. Establishment of Series 2019A-1 Revenue Account in Revenue Fund; Application of Revenues and Investment Earnings. (a) The Trustee is hereby authorized and directed to establish within the Revenue Fund a Series 2019A-1 Revenue Account into which the Trustee shall deposit any and all amounts required to be deposited therein by this Section 408 or by any other provision of the Master Indenture or this First Supplemental Indenture, and any other amounts or payments specifically designated by the District pursuant to a written direction or by a Supplemental Indenture for said purpose. The Series 2019A-1 Revenue Account shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee.

(b) The Trustee shall deposit into the Series 2019A-1 Revenue Account the Series 2019A-1 Assessment Revenues other than the Series 2019A-1 Prepayments, which shall be identified by the District to the Trustee as such in writing upon deposit and which shall be deposited into the Series 2019A-1 Prepayment Subaccount of the Series 2019A-1 Redemption Account, and any other revenues required by other provisions of the Indenture to be deposited therein.

(c) On the forty-fifth (45th) day preceding each Redemption Date with respect to the Series 2019A-1 Bonds (or if such forty-fifth (45th) day is not a Business Day, on the Business Day next preceding such forty-fifth (45th) day) (or such other date mutually determined by the Trustee and the District that is closer to a particular Redemption Date and will give the Trustee sufficient time to provide notice of the extraordinary mandatory redemption of Series 2019A-1 Bonds as herein provided), the Trustee shall determine the amount on deposit in the Series 2019A-1 Prepayment Subaccount of the Series 2019A-1 Redemption Account, and, if the balance therein is greater than zero, shall transfer, but only at the written direction of the District, from the Series 2019A-1 Revenue Account for deposit into the Series 2019A-1 Prepayment Subaccount, an amount sufficient to increase the amount on deposit therein to an integral multiple of \$5,000 (provided that there are sufficient funds remaining therein to pay Debt Service coming due on the Series 2019A-1 Bonds on the next Interest Payment Date), and, shall thereupon give notice and cause the extraordinary mandatory redemption of the Series 2019A-1 Bonds on the next succeeding Redemption Date in the maximum aggregate principal amount for which moneys are then on deposit in the Series 2019A-1 Prepayment Subaccount in accordance with the provisions for extraordinary mandatory redemption of the Series 2019A Bonds set forth in the form of Series 2019A-1 Bonds attached hereto, Section 301 hereof, and Article III of the Master Indenture.

(d) On May 1 and November 1 (or if such May 1 or November 1 is not a Business Day, on the Business Day preceding such May 1 or November 1), the Trustee shall transfer from the amounts on deposit in the Series 2019A-1 Revenue Account to the Funds and Accounts designated below the following amounts in the following order of priority:

FIRST, to the Series 2019A-1 Interest Account, an amount equal to the amount of interest payable on all Series 2019A-1 Bonds then Outstanding on such May 1 or November 1, less any amount already on deposit in the Series 2019A-1 Interest Account not previously credited;

SECOND, on each November 1, commencing November 1, 20___, to the Series 2019A-1 Sinking Fund Account, the amount, if any, equal to the difference between the Amortization Installments of all Series 2019A-1 Bonds subject to mandatory sinking fund redemption on such November 1, and the amount already on deposit in the Series 2019A-1 Sinking Fund Account not previously credited;

THIRD, to the Series 2019A-1 Reserve Account, the amount, if any, which is necessary to make the amount on deposit therein equal to the Series 2019A-1 Reserve Account Requirement with respect to the Series 2019A-1 Bonds; and

FOURTH, the balance shall be retained in the Series 2019A-1 Revenue Account subject to the following paragraph.

Anything in the Master Indenture or herein to the contrary notwithstanding, it shall not, in and of itself, constitute an Event of Default hereunder if the full amount of the foregoing deposits are not made due to an insufficiency of funds therefore. The Trustee shall within ten (10) Business Days after the last Interest Payment Date in any calendar year, at the direction of the District, withdraw any moneys held for the credit of the Series 2019A-1 Revenue Account as of November 2nd of such year which are not otherwise required to be deposited to other Funds and Accounts pursuant to this Section on such immediately preceding Interest Payment Date and deposit such moneys first to the credit of the Series 2019A-1 Rebate Account in the amount, and to the extent necessary, so the amount on deposit therein equals the accrued rebate obligation under Section 148(f) of the Code, if the Trustee has received a certification from the District by such date detailing the amount of such obligation which shall be deposited. Any remaining amounts in the Series 2019A-1 Revenue Account on November 2nd of any calendar year after making the payment, if any, required under the immediately preceding sentence, may next be transferred to the District, at its written request, to be used for any lawful purpose of the District; provided, however, that on the proposed payment date of any proposed transfer to the District, the amount on deposit in the Series 2019A-1 Reserve Account shall be equal to the Series 2019A-1 Reserve Requirement and, provided further, that the Trustee shall not have actual knowledge of an Event of Default hereunder, including, but not limited to, payment of Trustee's fees and expenses then due.

(e) On any date required by the Code, the District shall give the Trustee written direction to, and the Trustee shall, transfer from the Series 2019A-1 Revenue Account to the Series 2019A-1 Rebate Account established for the Series 2019A-1 Bonds in the Rebate Fund in accordance with the Master Indenture, the amount due and owing to the United States, which amount shall be paid to the United States, when due, in accordance with the Code.

(f) Anything herein or in the Master Indenture to the contrary notwithstanding, moneys on deposit in all of the Funds and Accounts held as security for the Series 2019A-1 Bonds shall be invested only in Series 2019A-1 Investment Obligations, and further, earnings on the Series 2019A-1 Acquisition and Construction Account (including the Series 2019A-1 Retainage Subaccount) and the Series 2019A-1 Interest Account shall be retained, as realized, in such Accounts or subaccounts and used for the purpose of such Accounts or subaccounts; provided, however, at the written direction of the District to the Trustee, such earnings may be deposited to the Series 2019A-2 Acquisition and Construction Account established under the Second Supplemental Indenture. Earnings on investments in the Funds and Accounts other than the Series 2019A-1 Reserve Account, and other than as set forth above, shall be deposited, as realized, to the credit of the Series 2019A-1 Revenue Account and used for the purpose of such Account.

Earnings on investments in the Series 2019A-1 Reserve Account shall be disposed of as follows:

(i) if there was no deficiency (as defined in Section 509 of the Master Indenture) in the Series 2019A-1 Reserve Account as of the most recent date on which amounts on deposit in the Series 2019A-1 Reserve Account were valued by the Trustee, and if no withdrawals have been made from the Series 2019A-1 Reserve Account since such date which have created a deficiency, then earnings on the Series 2019A-1 Reserve Account shall, prior to the date the Series 2019A-1 Acquisition and Construction Account is closed, be deposited into the

Series 2019A-1 Acquisition and Construction Account and used for the purpose of such Account or, at the written direction of the District to the Trustee, be deposited to the Series 2019A-2 Acquisition and Construction Account established under the Second Supplemental Indenture, and after such date, shall be deposited into the Series 2019A-1 Revenue Account and used for the purpose of such Account; and

(ii) if as of the last date on which amounts on deposit in the Series 2019A-1 Reserve Account were valued by the Trustee there was a deficiency (as defined in Section 509 of the Master Indenture), or if after such date withdrawals have been made from the Series 2019A-1 Reserve Account and have created such a deficiency, then earnings on investments in the Series 2019A-1 Reserve Account shall be deposited into the Series 2019A-1 Reserve Account until the amount on deposit therein is equal to the Series 2019A-1 Reserve Account Requirement, and thereafter earnings on the Series 2019A-1 Reserve Account shall, prior to the date the Series 2019A-1 Acquisition and Construction Account is closed, be deposited into the Series 2019A-1 Acquisition and Construction Account and used for the purpose of such Account or, at the written direction of the District to the Trustee, be deposited to the Series 2019A-2 Acquisition and Construction Account established under the Second Supplemental Indenture, and after such date, shall be deposited be deposited into the Series 2019A-1 Revenue Account and used for the purpose of such Account.

ARTICLE V CONCERNING THE TRUSTEE

Section 501. Acceptance by Trustee. The Trustee accepts the trusts declared and provided in this First Supplemental Indenture and agrees to perform such trusts upon the terms and conditions set forth in the Master Indenture.

Section 502. Limitation of Trustee's Responsibility. The Trustee shall not be responsible in any manner for the due execution of this First Supplemental Indenture by the District or for the recitals contained herein, all of which are made solely by the District.

Section 503. Trustee's Duties. Nothing contained herein shall limit the rights, benefits, privileges, protection and entitlements inuring to the Trustee under the Master Indenture, including, particularly, Article VI thereof.

ARTICLE VI ADDITIONAL BONDS

Section 601. Limitation on Parity Bonds. Other than Bonds issued to refund all of the then Outstanding Series 2019A-1 Bonds, the issuance of which results in net present value debt service savings, the District shall not, while any Series 2019A-1 Bonds are Outstanding, issue or incur any debt payable in whole or in part from the Series 2019A-1 Trust Estate. The District further covenants and agrees that so long as the Series 2019A-1 Bonds are Outstanding, it will not impose Assessments for capital projects on any lands subject to the Series 2019A-1 Assessments other than the Series 2019A-2 Assessments, unless the Series 2019A-1 Assessments and the Series 2019A-2 Assessments have been Substantially Absorbed. Notwithstanding the prior sentence, the

foregoing shall not preclude the imposition of capital Special Assessments on property subject to the Series 2019A-1 Assessments and the Series 2019A-2 Assessments which are necessary, as determined by the District, for health, safety or welfare reasons or to remediate a natural disaster or Operation and Maintenance Assessments. The Trustee is entitled to assume that the Series 2019A-1 Assessments and the Series 2019A-2 Assessments have not been Substantially Absorbed absent delivery to the Trustee of a certificate of the District Manager to the contrary on which the Trustee may conclusively rely.

ARTICLE VII MISCELLANEOUS

Section 701. Confirmation of Master Indenture. As supplemented by this First Supplemental Indenture, the Master Indenture is in all respects ratified and confirmed, and this First Supplemental Indenture shall be read, taken and construed as a part of the Master Indenture so that all of the rights, remedies, terms, conditions, covenants and agreements of the Master Indenture, except insofar as modified herein, shall apply and remain in full force and effect with respect to this First Supplemental Indenture and to the Series 2019A-1 Bonds issued hereunder. To the extent of any conflicts between the terms and provisions of the Master Indenture and this First Supplemental Indenture the terms and provisions hereof shall control.

Section 702. Continuing Disclosure Agreement. Contemporaneously with the execution and delivery hereof, the District has executed and delivered the Continuing Disclosure Agreement in order to comply with the requirements of Rule 15c2-12 promulgated under the Securities and Exchange Act of 1934. The District covenants and agrees to comply with the provisions of such Continuing Disclosure Agreement; however, as set forth therein, failure to so comply shall not constitute an Event of Default hereunder, but, instead shall be enforceable by mandamus, injunction or any other means of specific performance as provided in the Master Indenture and such Continuing Disclosure Agreement.

Section 703. Additional Covenants Regarding Assessments. In addition to, and not in limitation of, the covenants contained elsewhere in this First Supplemental Indenture and in the Master Indenture, the District covenants to comply with the terms of the proceedings heretofore adopted with respect to the Series 2019A-1 Assessments, including the Assessment Resolution and the Assessment Methodology, and to levy and collect the Series 2019A-1 Assessments as set forth in the Assessment Methodology, in such manner as will generate funds sufficient to pay the principal of and interest on the Series 2019A-1 Bonds, when due. The District covenants and agrees that upon the occurrence and continuance of an Event of Default with respect to the Series 2019A-1 Bonds, it will take such actions to enforce the remedial provisions of the Indenture, the provisions for the collection of Delinquent Assessments that are directly billed and collected by the District, and the provisions for the foreclosure of liens of Delinquent Assessments that are directly billed and collected by the District, all in a manner consistent with the Master Indenture and this First Supplemental Indenture.

Section 704. Collection of Assessments. Anything herein or in the Master Indenture to the contrary notwithstanding, subject to the next succeeding sentence, Series 2019A-1 Assessments shall be collected pursuant to the Uniform Method; provided that Series 2019A-1 Assessments levied on platted lots owned by the Developer and levied on unplatted lands may be billed and

collected directly by the District pursuant to the Act and Chapters 170 and 197, Florida Statutes, and not pursuant to the Uniform Method. Prior to an Event of Default, the election to collect and enforce Series 2019A-1 Assessments in any year pursuant to any one method shall not, to the extent permitted by law, preclude the District from electing to collect and enforce Series 2019A-1 Assessments pursuant to any other method permitted by law in any subsequent year. Following an Event of Default, Series 2019A-1 Assessments shall be collected pursuant to the Uniform Method; provided that Series 2019A-1 Assessments levied on platted lots owned by the Developer and levied on unplatted lands may be billed and collected directly by the District pursuant to the Act and Chapters 170 and 197, Florida Statutes, and not pursuant to the Uniform Method; provided, however, the Trustee, acting at the direction of the Majority Owners of the Series 2019A-1 Bonds Outstanding may deliver a notice to the District directing the District to collect the delinquent Series 2019A-1 Assessments in a different manner permitted by the Act and Chapters 170 and 197, Florida Statutes, provided that (i) such direction shall be in the form attached hereto as Exhibit E; (ii) the District shall not be required to comply with such direction until it is able to change the manner of collection in accordance with applicable Florida law; and (iii) the District shall not be required to comply with any direction that is not provided strictly in the form of Exhibit E. All Series 2019A-1 Assessments that are billed and collected directly by the District and not via the Uniform Method shall be due and payable by the landowner at such times as determined by the District, but no later than thirty-one (31) Business Days prior to each Interest Payment Date; provided, however, that such Series 2019A-1 Assessments shall not be deemed to be Delinquent Assessments unless and until same are not paid by the applicable Interest Payment Date with respect to which they have been billed.

Section 705. Foreclosure of Assessment Lien. (a) Notwithstanding Section 814 of the Master Indenture or any other provision of the Indenture to the contrary, the following provisions shall apply with respect to the Series 2019A-1 Assessments and Series 2019A-1 Bonds.

If any property shall be offered for sale for the nonpayment of any Series 2019A-1 Assessments and no person or persons shall purchase such property for an amount equal to the full amount due on the Series 2019A-1 Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), the District, after receiving the written direction of the Trustee, acting at the written direction of the Majority Owners of the Series 2019A-1 Bonds Outstanding, specifying whether the District is to take title to the property in its corporate name or in the name of a special purpose entity (each, an "SPE"), may purchase the property for an amount less than or equal to the balance due on the Series 2019A-1 Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), from any legally available funds of the District and the District shall receive in its corporate name or in the name of a special-purpose entity title to the property for the benefit of the Owners of the Series 2019A-1 Bonds. The District, either through its own actions, or actions caused to be taken by the District through the Trustee, acting at the written direction of the Majority Owners of the Series 2019A-1 Bonds Outstanding, shall have the power to and shall lease or sell such property, and deposit all of the net proceeds of any such lease or sale into the Series 2019A-1 Revenue Account. The District, either through its own actions, or actions caused to be taken by the District through the Trustee, acting at the written direction of the Majority Owners of the Series 2019A-1 Bonds Outstanding, agrees that the District shall, after being provided assurances satisfactory to it of payment of the District's fees, costs and expenses for doing so, be required to take the measures provided by law for listing for sale of property acquired by it as trustee for the Owners of the Series 2019A-1 Bonds within sixty (60)

days after the receipt of the request therefore signed by the Trustee, acting at the written direction of the Majority Owners of the Series 2019A-1 Bonds Outstanding. The District may pay costs associated with any actions taken by the District pursuant to this paragraph from any moneys legally available for such purpose held under the Indenture, provided such action does not adversely impact the tax-exempt status of the Series 2019A-1 Bonds. The District shall not be required to execute any documentation evidencing the extinguishment or release of the lien of the Series 2019A-1 Assessments and/or the Series 2019A-1 Bonds following the sale of property pursuant to the preceding sentence without receipt of written evidence satisfactory to the District that all of the Owners of the Series 2019A-1 Bonds concur with such extinguishment or release. With respect to any SPE: (i) the books and records of the SPE shall be deemed subject to the same public records laws, including, without limitation, Chapter 119, Florida Statutes, to which the District is subject; and (ii) in addition to the information to be provided to the District pursuant to Section 403(c), such SPE shall provide to the District Manager any information regarding the SPE and its activities requested by or on behalf of the District within five (5) Business Days following such request, and by purchasing the Series 2019A-1 Bonds, the Owners thereof are deemed to agree to cause any SPE not owned or controlled by the District to comply with the foregoing.

(b) Notwithstanding anything to the contrary herein or in the Master Indenture, the District acknowledges and agrees that (i) upon failure of any property owner to pay when due any installment of Series 2019A-1 Assessments that are billed directly by the District, that the entire Series 2019A-1 Assessments levied on the property for which such installment of Series 2019A-1 Assessments is due and unpaid, with interest and penalties thereon, shall immediately become due and payable as provided by applicable law and, with the written direction of the Trustee, acting at the direction of the Majority Owners of the Series 2019A-1 Bonds Outstanding, the District after being provided assurances satisfactory to it of payment, of its fees, costs and expenses for doing so, shall promptly, but in any event within sixty (60) days of the receipt of such direction, cause to be brought the necessary legal proceedings for the foreclosure of liens of Delinquent Assessments, including interest and penalties and (ii) the foreclosure proceedings shall be prosecuted to a sale and conveyance of the property involved in said proceedings as now provided by Florida law. Such direction shall be in the form of Exhibit F hereto and the District shall not be required to comply with any direction that is not provided strictly in the form of Exhibit F.

(c) Notwithstanding anything to the contrary herein or in the Master Indenture, the District and/or the Trustee, to the extent acting individually or jointly, in pursuing foreclosure proceedings with respect to any lot or parcel delinquent in the payment of any Series 2019A-1 Assessments, shall be entitled to first recover from any foreclosure, before such proceeds are applied to the payment of principal or interest on the Series 2019A-1 Bonds, all fees and costs expended in connection with such foreclosure, regardless whether such fees and costs could be construed as Series 2019A-1 Assessments or Series 2019A-1 Pledged Revenues. The District may also pay costs associated with any actions taken by the District pursuant to this paragraph from any moneys legally available for such purpose held under the Indenture, provided such action does not adversely impact the tax-exempt status of the Series 2019A-1 Bonds.

Section 706. Requisite Owners for Direction or Consent. Following an Event of Default any direction to the District permitted to be given by the Trustee and/or the Owners

hereby or by the Master Indenture must be in writing, signed by the Trustee and the Majority Owners and, with respect to the direction referenced in Sections 704 and 705(b) hereof, in the applicable forms attached hereto as exhibits.

Section 707. Assignment of District's Rights Under Collateral Assignment. Subject to the terms of the Collateral Assignment, and without intending to alter the same, the District hereby assigns its rights under the Collateral Assignment to the Trustee for the benefit of the Owners, from time to time, of the Series 2019A-1 Bonds. Such assignment shall not be considered an assumption by the Trustee of any obligations thereunder.

Section 708. Enforcement of Completion Agreement and Other Agreements. The District covenants that it shall strictly enforce all of the provisions of the Acquisition Agreement, the Completion Agreement and the True-Up Agreement.

Section 709. Interpretation of First Supplemental Indenture. This First Supplemental Indenture amends and supplements the Master Indenture with respect to the Series 2019A-1 Bonds, and all of the provisions of the Master Indenture, to the extent not inconsistent herewith, are incorporated in this First Supplemental Indenture by reference. To the maximum extent possible, the Master Indenture and the First Supplemental Indenture shall be read and construed as one document.

Section 710. Amendments. Any amendments to this First Supplemental Indenture shall be made pursuant to the provisions for amendment contained in the Master Indenture.

Section 711. Counterparts. This First Supplemental Indenture may be executed in any number of counterparts, each of which when so executed and delivered shall be an original; but such counterparts shall together constitute but one and the same instrument.

Section 712. Appendices and Exhibits. Any and all schedules, appendices or exhibits referred to in and attached to this First Supplemental Indenture are hereby incorporated herein and made a part of this First Supplemental Indenture for all purposes.

Section 713. Payment Dates. In any case in which an Interest Payment Date or the maturity date of the Series 2019A-1 Bonds or the date fixed for the redemption of any Series 2019A-1 Bonds shall be other than a Business Day, then payment of interest, principal or Redemption Price need not be made on such date but may be made on the next succeeding Business Day, with the same force and effect as if made on the due date, and no interest on such payment shall accrue for the period after such due date if payment is made on such next succeeding Business Day.

Section 714. No Rights Conferred on Others. Nothing herein contained shall confer any right upon any Person other than the parties hereto and the Holders of the Series 2019A-1 Bonds.

NEITHER THIS BOND NOR THE INTEREST AND PREMIUM, IF ANY, PAYABLE HEREON SHALL CONSTITUTE A GENERAL OBLIGATION OR GENERAL INDEBTEDNESS OF THE DISTRICT WITHIN THE MEANING OF THE CONSTITUTION AND LAWS OF FLORIDA. THIS BOND AND THE SERIES OF WHICH IT IS A PART AND THE INTEREST AND PREMIUM, IF ANY, PAYABLE HEREON AND THEREON DO NOT CONSTITUTE EITHER A PLEDGE OF THE FULL FAITH AND CREDIT OF THE DISTRICT OR A LIEN UPON ANY PROPERTY OF THE DISTRICT OTHER THAN AS PROVIDED IN THE MASTER INDENTURE OR IN THE SUPPLEMENTAL INDENTURE AUTHORIZING THE ISSUANCE OF THE SERIES 2019A-1 BONDS. NO OWNER OR ANY OTHER PERSON SHALL EVER HAVE THE RIGHT TO COMPEL THE EXERCISE OF ANY AD VALOREM TAXING POWER OF THE DISTRICT OR ANY OTHER PUBLIC AUTHORITY OR GOVERNMENTAL BODY TO PAY DEBT SERVICE OR TO PAY ANY OTHER AMOUNTS

REQUIRED TO BE PAID PURSUANT TO THE MASTER INDENTURE, THE SUPPLEMENTAL INDENTURE, OR THE SERIES 2019A-1 BONDS. RATHER, DEBT SERVICE AND ANY OTHER AMOUNTS REQUIRED TO BE PAID PURSUANT TO THE MASTER INDENTURE, THE SUPPLEMENTAL INDENTURE, OR THE SERIES 2019A-1 BONDS, SHALL BE PAYABLE SOLELY FROM, AND SHALL BE SECURED SOLELY BY, THE SERIES 2019A-1 TRUST ESTATE, INCLUDING THE SERIES 2019A-1 PLEDGED REVENUES AND THE SERIES 2019A-1 PLEDGED FUNDS, PLEDGED TO THE SERIES 2019A-1 BONDS, ALL AS PROVIDED HEREIN, IN THE MASTER INDENTURE AND IN THE SUPPLEMENTAL INDENTURE.

This Bond is issued under and pursuant to the Constitution and laws of the State of Florida, particularly Chapter 190, Florida Statutes (2019), and other applicable provisions of law and pursuant to the Indenture, executed counterparts of which Indenture are on file at the corporate trust office of the Trustee. Reference is hereby made to the Indenture for the provisions, among others, with respect to the custody and application of the proceeds of Series 2019A-1 Bonds issued under the Indenture, the collection and disposition of revenues and the funds charged with and pledged to the payment of the principal and Redemption Price of, and the interest on, the Series 2019A-1 Bonds, the nature and extent of the security thereby created, the covenants of the District with respect to the levy and collection of Assessments, the terms and conditions under which the Series 2019A-1 Bonds are or may be issued, the rights, duties, obligations and immunities of the District and the Trustee under the Indenture and the rights of the Owners of the Series 2019A-1 Bonds, and, by the acceptance of this Bond, the Owner hereof assents to all of the provisions of the Indenture. The Series 2019A-1 Bonds are equally and ratably secured by the Series 2019A-1 Trust Estate, without preference or priority of one Series 2019A-1 Bond over another.

The Series 2019A-1 Bonds are issuable only as registered bonds without coupons in current interest form in denominations of \$5,000 or any integral multiple thereof (an "Authorized Denomination"); provided, however, that the Series 2019A-1 Bonds shall be delivered to the initial purchasers thereof only in aggregate principal amounts of \$100,000 or integral multiples of Authorized Denominations in excess of \$100,000. This Bond is transferable by the registered Owner hereof or his duly authorized attorney at the designated corporate trust office of the Trustee in Fort Lauderdale, Florida, as Bond Registrar (the "Bond Registrar"), upon surrender of this Bond, accompanied by a duly executed instrument of transfer in form and with guaranty of signature reasonably satisfactory to the Bond Registrar, subject to such reasonable regulations as the District or the Bond Registrar may prescribe, and upon payment of any taxes or other governmental charges incident to such transfer. Upon any such transfer a new Series 2019A-1 Bond or Series 2019A-1 Bonds, in the same aggregate principal amount as the Series 2019A-1 Bond or Series 2019A-1 Bonds transferred, will be issued to the transferee. At the corporate trust office of the Bond Registrar in Fort Lauderdale, Florida, in the manner and subject to the limitations and conditions provided in the Master Indenture and without cost, except for any tax or other governmental charge, Series 2019A-1 Bonds may be exchanged for an equal aggregate principal amount of Series 2019A-1 Bonds of the same maturity, of Authorized Denominations and bearing interest at the same rate or rates.

The Series 2019A-1 Bonds are subject to redemption prior to maturity at the option of the District, in whole or part on any date, on or after November 1, 20__ at the Redemption Price of

the principal amount of the Series 2019A-1 Bonds or portions thereof to be redeemed together with accrued interest to the Redemption Date.

The Series 2019A-1 Bonds maturing November 1, 20__ are subject to mandatory redemption in part by the District by lot prior to their scheduled maturity from moneys in the Series 2019A-1 Sinking Fund Account established under the Supplemental Indenture in satisfaction of applicable Amortization Installments at the Redemption Price of the principal amount thereof, without premium, together with accrued interest to the Redemption Date on November 1 of the years and in the principal amounts set forth below:

<u>November 1 of the Year</u>	<u>Amortization Installment</u>	<u>November 1 of the Year</u>	<u>Amortization Installment</u>
------------------------------------------	--------------------------------------------	------------------------------------------	--------------------------------------------

*Maturity

As more particularly set forth in the Indenture, any Series 2019A-1 Bonds that are purchased by the District with amounts held to pay an Amortization Installment will be cancelled and the principal amount so purchased will be applied as a credit against the applicable Amortization Installment of Series 2019A-1 Bonds. Amortization Installments are also subject to recalculation, as provided in the Supplemental Indenture, as the result of the redemption of Series 2019A-1 Bonds (other than (i) Series 2019A-1 Bonds redeemed in accordance with scheduled Amortization Installments or (ii) Series 2019A-1 Bonds redeemed at the direction of the District accompanied by a cash flow certificate as required by Section 506(b) of the Master Indenture) so as to re-amortize the remaining Outstanding principal balance of the Series 2019A-1 Bonds as set forth in Section 406(b) of the Supplemental Indenture.

The Series 2019A-1 Bonds are subject to extraordinary mandatory redemption prior to maturity, in whole on any date or in part on any Redemption Date, in the manner determined by the Bond Registrar at the Redemption Price of 100% of the principal amount thereof, without premium, together with accrued interest to the Redemption Date, if and to the extent that any one or more of the following shall have occurred:

(a) on or after the Date of Completion of the Series 2019 Project, by application of moneys transferred from the Series 2019A-1 Acquisition and Construction Account in the Acquisition and Construction Fund established under the Indenture to the Series 2019A-1 Prepayment Subaccount of the Series 2019A-1 Redemption Account in accordance with the terms of the Indenture; or

(b) from amounts, including Series 2019A-1 Prepayments and transfers made pursuant to Section 403 of the Supplemental Indenture, required by the Indenture to be deposited into the Series 2019A-1 Prepayment Subaccount of the Series 2019A-1 Redemption Account; or

(c) from amounts transferred to the Series 2019A-1 Prepayment Subaccount of the Series 2019A-1 Redemption Account resulting from a reduction in the Series 2019A-1 Reserve Account Requirement as provided for in the Indenture; or

(d) on and after the date on which the amount on deposit in the Series 2019A-1 Reserve Account, together with other moneys available therefor, are sufficient to pay and redeem all of the Series 2019A-1 Bonds then Outstanding, including accrued interest thereon.

If less than all of the Series 2019A-1 Bonds shall be called for redemption, the particular Series 2019A-1 Bonds or portions of Series 2019A-1 Bonds to be redeemed shall be selected by lot by the Bond Registrar as provided in the Indenture, or as provided or directed by DTC.

Notice of each redemption of Series 2019A-1 Bonds is required to be mailed by the Bond Registrar, postage prepaid, not less than thirty (30) nor more than forty-five (45) days prior to the Redemption Date to each registered Owner of Series 2019A-1 Bonds to be redeemed at the address of such registered Owner recorded on the bond register maintained by the Bond Registrar. On the date designated for redemption, notice having been given and money for the payment of the Redemption Price being held by the Paying Agent, all as provided in the Indenture, the Series 2019A-1 Bonds or such portions thereof so called for redemption shall become and be due and payable at the Redemption Price provided for the redemption of such Series 2019A-1 Bonds or such portions thereof on such date, interest on such Series 2019A-1 Bonds or such portions thereof so called for redemption shall cease to accrue, such Series 2019A-1 Bonds or such portions thereof so called for redemption shall cease to be entitled to any benefit or security under the Indenture and the Owners thereof shall have no rights in respect of such Series 2019A-1 Bonds or such portions thereof so called for redemption except to receive payments of the Redemption Price thereof so held by the Paying Agent. Further notice of redemption shall be given by the Bond Registrar to certain registered securities depositories and information services as set forth in the Indenture, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed. As provided in the Indenture, notice of optional redemption may be conditioned upon the occurrence or non-occurrence of such event or events or upon the later deposit of moneys therefor as shall be specified in such notice of optional redemption and may also be subject to rescission by the District if expressly set forth in such notice.

The Owner of this Bond shall have no right to enforce the provisions of the Master Indenture or to institute any action to enforce the covenants therein, or to take any action with respect to any Event of Default under the Indenture, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture.

Modifications or alterations of the Indenture or of any indenture supplemental thereto may be made only to the extent and in the circumstances permitted by the Indenture.

Any moneys held by the Trustee or any Paying Agent in trust for the payment and discharge of any Bond which remain unclaimed for six (6) years after the date when such Bond has become due and payable, either at its stated maturity dates or by call for earlier redemption, if such moneys were held by the Trustee or any Paying Agent at such date, or for six (6) years after the date of deposit of such moneys if deposited with the Trustee or Paying Agent after the date when such Bond became due and payable, shall be paid to the District, and thereupon and thereafter no claimant shall have any rights against the Paying Agent to or in respect of such moneys.

If the District deposits or causes to be deposited with the Trustee cash or Defeasance Securities sufficient to pay the principal or Redemption Price of any Series 2019A-1 Bonds becoming due at maturity or by call for redemption in the manner set forth in the Indenture, together with the interest accrued to the due date, the lien of the Series 2019A-1 Bonds as to the Series 2019A-1 Trust Estate shall be discharged, except for the rights of the Owners thereof with respect to the funds so deposited as provided in the Indenture.

This Bond shall have all the qualities and incidents, including negotiability, of investment securities within the meaning and for all the purposes of the Uniform Commercial Code of the State of Florida. This Bond is issued with the intent that the laws of the State of Florida shall govern its construction.

All acts, conditions and things required by the Constitution and laws of the State of Florida and the ordinances and resolutions of the District to happen, exist and be performed precedent to and in the issuance of this Bond and the execution of the Indenture, have happened, exist and have been performed as so required. (a) (1) Amounts on deposit in the Series 2019A-2 Acquisition and Construction Account shall be applied to pay the Cost of the Series 2019 Project upon compliance with the requisition provisions set forth in Section 503(b) of the Master Indenture and upon receipt by the Trustee of a requisition in the form attached hereto as Exhibit C and executed by the District and the Consulting Engineers. Notwithstanding anything to the contrary herein, the amounts on deposit in the Series 2019A-2 Retainage Subaccount shall be retained therein and shall not be available to

pay the Cost of the Series 2019 Project except under the circumstances described herein. The District shall direct the Trustee in writing, no later than September 30, 2020 as to whether to immediately transfer the amounts on deposit in the Series 2019A-2 Retainage Subaccount to (i) the Series 2019A-2 Acquisition and Construction Account or (ii) the Series 2019A-2 Prepayment Subaccount to be applied to the extraordinary mandatory redemption of Series 2019A-2 Bonds as provided herein and in the Series 2019A-2 Bonds. If such written direction directs the Trustee to make a transfer to the Series 2019A-2 Acquisition and Construction Account, the direction shall be accompanied by a certificate of the Issuer stating that: (i) the boundaries of the Issuer have been amended to include approximately 18 acres of land as described in the Assessment Methodology; and (ii) the Series 2019A-2 Assessment Proceedings adopted prior to the date of issuance of the Series 2019A-2 Bonds have been supplemented as necessary to subject such land to the lien of the Series 2019A-2 Assessments. If the written direction directs the Trustee to make a transfer to the Series 2019A-2 Prepayment Subaccount, interest accrued on the Series 2019A-2 Bonds to be redeemed shall be paid from amounts transferred by the Issuer to the Trustee for deposit to the Series 2019A-2 Interest Account or, upon written direction by the Issuer to the Trustee, from amounts available for that purpose in the Series 2019A-2 Capitalized Interest Account.

Notwithstanding anything to the contrary in the Indenture, the District shall not present any requisition hereunder for Costs of the Series 2019 Project until all moneys on deposit in the Series 2019A-1 Acquisition and Construction Account created under the First Supplemental Indenture have been requisitioned therefrom; provided, that while amounts remain on deposit in the Series 2019A-1 Retainage Subaccount in the Series 2019A-1 Acquisition and Construction Account, the District may present a requisition hereunder for Costs of the Series 2019 Project, and once no amounts remain on deposit in such Series 2019A-1 Retainage Subaccount, shall again not present any requisition hereunder for Costs of the Series 2019 Project until all moneys on deposit in the Series 2019A-1 Acquisition and Construction Account have been requisitioned therefrom.

(2) Anything in the Master Indenture to the contrary notwithstanding, the Consulting Engineers shall establish a Date of Completion for the Series 2019 Project, and any balance remaining in the Series 2019A-2 Acquisition and Construction Account (taking into account the moneys currently on deposit therein to pay any accrued but unpaid Costs of the Series 2019 Project which are required to be reserved in the Series 2019A-2 Acquisition and Construction Account in accordance with the certificate of the Consulting Engineers delivered to the District and the Trustee establishing such Date of Completion), shall be deposited pursuant hereto to the Series 2019A-2 Prepayment Subaccount and applied to the extraordinary mandatory redemption of the Series 2019A-2 Bonds in accordance with Section 302 hereof and in the manner prescribed in the form of the Series 2019A-2 Bonds attached as Exhibit B hereto, whereupon the Series 2019A-2 Acquisition and Construction Account shall be closed. Notwithstanding the foregoing, the District shall not declare that the Date of Completion of the Series 2019 Project has occurred until such time as the Reserve Account Release Conditions have occurred and all moneys transferred from the Series 2019A-2 Reserve Account pursuant to Section 405 hereof to the Series 2019A-2 Acquisition and Construction Account have been expended or the Consulting Engineers have certified in writing to the District and the Trustee that such amount is in excess of what is needed to complete the Series 2019 Project. The Trustee shall have no obligation to inquire if the Reserve Account Release Conditions have occurred and, in the absence of notice from the District, the Trustee may assume that the Reserve Account Release Conditions have not occurred.

(b) Amounts on deposit in the Series 2019A-2 Capitalized Interest Account shall, until and including November 1, 2020, be transferred into the Series 2019A-2 Interest Account and applied to the payment of interest first coming due on the Series 2019A-2 Bonds. Any amounts remaining in the Series 2019A-2 Capitalized Interest Account after November 1, 2020 shall be transferred into the Series 2019A-2 Acquisition and Construction Account, whereupon the Series 2019A-2 Capitalized Interest Account shall be closed.

(c) Anything in the Master Indenture or herein to the contrary notwithstanding, the District hereby acknowledges that (i) the Series 2019A-2 Pledged Funds includes, without limitation, all amounts on deposit in the Series 2019A-2 Acquisition and Construction Account of the Acquisition and Construction Fund then held by the Trustee (which includes the Series 2019A-1 Retainage Subaccount), (ii) upon the occurrence of an Event of Default with respect to the Series 2019A-2 Bonds, the Series 2019A-2 Pledged Funds may not be used by the District (whether to pay costs of the Series 2019 Project or otherwise) without the consent of the Majority Owners, except to the extent that prior to the occurrence of the Event of Default the District had incurred a binding obligation with third parties for work on the Series 2019 Project and payment is for such work (and a certificate of an Authorized Officer as to whether such binding obligation has been incurred delivered to the Trustee in the form of Exhibit D shall be conclusive evidence of the same on which the Trustee may rely), and (iii) upon the occurrence of an Event of Default with respect to the Series 2019A-2 Bonds, the Series 2019A-2 Pledged Funds may be used by the Trustee and/or the District, to the extent acting individually or jointly, to pursue remedies, at the direction or with the approval of the Majority Owners, to pay costs and expenses incurred in connection with the pursuit of remedies under the Master Indenture, as supplemented hereby, provided such action does not adversely impact the tax-exempt status of the Series 2019A-2 Bonds and provided, further, that every use of Series 2019A-2 Pledged Revenues for such purpose shall be accompanied by detailed invoices delivered to the District Manager of the District indicating the purpose for which Series 2019A-2 Pledged Revenues are to be applied and such invoices shall be subject to the same public records laws, including, without limitation, Chapter 119, Florida Statutes, to which the District is subject. After the occurrence of an Event of Default, the District shall not enter into any binding agreement to expend any amounts included in the Series 2019A-2 Trust Estate unless authorized in writing by the Majority Owners.

Section 404. Series 2019A-2 Costs of Issuance Account. The amount deposited in the Series 2019A-2 Costs of Issuance Account shall, at the written direction of an Authorized Officer to the Trustee, be used to pay Costs of Issuance relating to the Series 2019A-2 Bonds. On the earlier to occur of: (x) the written direction of an Authorized Officer or (y) six (6) months from the date of issuance of the Series 2019A-2 Bonds, any amounts deposited in the Series 2019A-2 Costs of Issuance Account which have not been requisitioned shall be transferred over and deposited into the Series 2019A-2 Acquisition and Construction Account and used for the purposes permitted therefor, whereupon the Series 2019A-2 Costs of Issuance Account shall be closed.

Section 405. Series 2019A-2 Reserve Account . The Series 2019A-2 Reserve Account shall be funded and maintained at all times, subject to the provisions of this Second Supplemental Indenture, in an amount equal to the Series 2019A-2 Reserve Account Requirement. Except as otherwise provided herein or in the Master Indenture, amounts on deposit in the Series 2019A-2 Reserve Account shall be used only for the purpose of making payments into the Series 2019A-2 Interest Account and the Series 2019A-2 Sinking Fund Account to pay Debt Service on the Series

2019A-2 Bonds, when due, without distinction as to Series 2019A-2 Bonds and without privilege or priority of one Series 2019A-2 Bond over another, to the extent the moneys on deposit in such Accounts therein and available therefor are insufficient and for no other purpose. Such Accounts shall consist only of cash and Series 2019A-2 Investment Obligations.

Anything herein or in the Master Indenture to the contrary notwithstanding, on the forty-fifth (45th) day preceding each Redemption Date (or, if such forty-fifth (45th) day is not a Business Day, on the first Business Day preceding such forty-fifth (45th) day) (or such other date that corresponds to the date mutually determined by the Trustee and the District pursuant to Section 408(c) hereof), the Trustee is hereby authorized and directed to recalculate the Series 2019A-2 Reserve Account Requirement and to transfer any excess on deposit in the Series 2019A-2 Reserve Account (other than excess resulting from investment earnings which shall be applied as provided in Section 408(f) hereof) into the Series 2019A-2 Prepayment Subaccount of the Series 2019A-2 Redemption Account to be applied to the extraordinary mandatory redemption of the Series 2019A-2 Bonds.

Upon the transfer of amounts in the Series 2019A-2 Retainage Subaccount to the Series 2019A-2 Prepayment Subaccount pursuant to Section 403(a) and upon the occurrence of the Reserve Account Release Conditions, the Trustee is hereby authorized and directed to recalculate the Series 2019A-2 Reserve Account Requirement and to transfer any excess on deposit in the Series 2019A-2 Reserve Account (other than excess resulting from investment earnings which shall be applied as provided in Section 408(f) hereof), into the Series 2019A-2 Acquisition and Construction Account if the Date of Completion of the Series 2019 Project has not yet occurred, or if the Date of Completion of the Series 2019 Project has occurred, into the Series 2019A-2 Prepayment Subaccount of the Series 2019A-2 Redemption Account to be applied to the extraordinary mandatory redemption of the Series 2019A-2 Bonds as provided for herein and therein.

The District Manager, on behalf of the District, shall provide written notice to the Trustee when the Reserve Account Release Condition has occurred, upon which notice the Trustee may conclusively rely. Until the Trustee has received a certificate of the Consulting Engineers establishing the Date of Completion of the Series 2019 Project, the Trustee shall assume the Date of Completion of the Series 2019 Project has not yet occurred.

On the earliest date on which there is on deposit in the Series 2019A-2 Reserve Account sufficient monies, after taking into account other monies available therefor, to pay and redeem all of the Outstanding Series 2019A-2 Bonds, together with accrued interest on such Series 2019A-2 Bonds to the earliest Redemption Date permitted therein and herein, then the Trustee shall transfer the amount on deposit in the Series 2019A-2 Reserve Account into the Series 2019A-2 Prepayment Subaccount of the Series 2019A-2 Redemption Account to pay and redeem all of the Outstanding Series 2019A-2 Bonds on the earliest Redemption Date permitted therein and herein.

Anything herein or in the Master Indenture to the contrary notwithstanding, amounts on deposit in the Series 2019A-2 Reserve Account shall, upon the occurrence and continuance of an Event of Default, be subject to a first charge by the Trustee for its fees and expenses, including fees and expenses of collection of Delinquent Assessments.

Section 406. Amortization Installments. (a) The Amortization Installments established for the Series 2019A-2 Bonds shall be as set forth in the form of the Series 2019A-2 Bonds attached hereto.

(b) Upon any redemption of Series 2019A-2 Bonds (other than (i) Series 2019A-2 Bonds redeemed in accordance with scheduled Amortization Installments or (ii) Series 2019A-2 Bonds redeemed at the direction of the District accompanied by a cash flow certificate as required by Section 506(b) of the Master Indenture), the Trustee shall cause Series 2019A-2 Bonds to be redeemed in such amounts and having such maturities so as to result in Amortization Installments recalculated by the District, in such manner as shall amortize all the Outstanding Series 2019A-2 Bonds of all of the terms in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining terms of all of the Series 2019A-2 Bonds.

Section 407. Tax Covenants and Rebate Account. The District shall comply with the tax regulatory covenants set forth in the District's tax certificate executed in connection with the issuance of the Series 2019A-2 Bonds.

Section 408. Establishment of Series 2019A-2 Revenue Account in Revenue Fund; Application of Revenues and Investment Earnings. (a) The Trustee is hereby authorized and directed to establish within the Revenue Fund a Series 2019A-2 Revenue Account into which the Trustee shall deposit any and all amounts required to be deposited therein by this Section 408 or by any other provision of the Master Indenture or this Second Supplemental Indenture, and any other amounts or payments specifically designated by the District pursuant to a written direction or by a Supplemental Indenture for said purpose. The Series 2019A-2 Revenue Account shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee.

(b) The Trustee shall deposit into the Series 2019A-2 Revenue Account the Series 2019A-2 Assessment Revenues other than the Series 2019A-2 Prepayments, which shall be identified by the District to the Trustee as such in writing upon deposit and which shall be deposited into the Series 2019A-2 Prepayment Subaccount of the Series 2019A-2 Redemption Account, and any other revenues required by other provisions of the Indenture to be deposited therein.

(c) On the forty-fifth (45th) day preceding each Redemption Date with respect to the Series 2019A-2 Bonds (or if such forty-fifth (45th) day is not a Business Day, on the Business Day next preceding such forty-fifth (45th) day) (or such other date mutually determined by the Trustee and the District that is closer to a particular Redemption Date and will give the Trustee sufficient time to provide notice of the extraordinary mandatory redemption of Series 2019A-2 Bonds as herein provided), the Trustee shall determine the amount on deposit in the Series 2019A-2 Prepayment Subaccount of the Series 2019A-2 Redemption Account, and, if the balance therein is greater than zero, shall transfer, but only at the written direction of the District, from the Series 2019A-2 Revenue Account for deposit into the Series 2019A-2 Prepayment Subaccount, an amount sufficient to increase the amount on deposit therein to an integral multiple of \$5,000 (provided that there are sufficient funds remaining therein to pay Debt Service coming due on the Series 2019A-2 Bonds on the next Interest Payment Date), and, shall thereupon give notice and

cause the extraordinary mandatory redemption of the Series 2019A-2 Bonds on the next succeeding Redemption Date in the maximum aggregate principal amount for which moneys are then on deposit in the Series 2019A-2 Prepayment Subaccount in accordance with the provisions for extraordinary mandatory redemption of the Series 2019A Bonds set forth in the form of Series 2019A-2 Bonds attached hereto, Section 301 hereof, and Article III of the Master Indenture.

(d) On May 1 and November 1 (or if such May 1 or November 1 is not a Business Day, on the Business Day preceding such May 1 or November 1), the Trustee shall first transfer from the Series 2019A-2 Capitalized Interest Account to the Series 2019A-2 Interest Account the lesser of (x) the amount of interest coming due on the Series 2019A-2 Bonds on such May 1 or November 1, less the amount already on deposit therein, or (y) the amount remaining in the Series 2019A-2 Capitalized Interest Account.

Following the foregoing transfer, on such May 1 or November 1 (or if such May 1 or November 1 is not a Business Day, on the Business Day preceding such May 1 or November 1), the Trustee shall then transfer from the amounts on deposit in the Series 2019A-2 Revenue Account to the Funds and Accounts designated below the following amounts in the following order of priority:

FIRST, to the Series 2019A-2 Interest Account, an amount equal to the amount of interest payable on all Series 2019A-2 Bonds then Outstanding on such May 1 or November 1, less any amount transferred from the Series 2019A-2 Capitalized Interest Account in accordance with Section 403(b) hereof and less any other amount already on deposit in the Series 2019A-2 Interest Account not previously credited;

SECOND, on each November 1, commencing November 1, 20__, to the Series 2019A-2 Sinking Fund Account, the amount, if any, equal to the difference between the Amortization Installments of all Series 2019A-2 Bonds subject to mandatory sinking fund redemption on such November 1, and the amount already on deposit in the Series 2019A-2 Sinking Fund Account not previously credited;

THIRD, to the Series 2019A-2 Reserve Account, the amount, if any, which is necessary to make the amount on deposit therein equal to the Series 2019A-2 Reserve Account Requirement with respect to the Series 2019A-2 Bonds; and

FOURTH, the balance shall be retained in the Series 2019A-2 Revenue Account subject to the following paragraph.

Anything in the Master Indenture or herein to the contrary notwithstanding, it shall not, in and of itself, constitute an Event of Default hereunder if the full amount of the foregoing deposits are not made due to an insufficiency of funds therefore. The Trustee shall within ten (10) Business Days after the last Interest Payment Date in any calendar year, at the direction of the District, withdraw any moneys held for the credit of the Series 2019A-2 Revenue Account as of November 2nd of such year which are not otherwise required to be deposited to other Funds and Accounts pursuant to this Section on such immediately preceding Interest Payment Date and deposit such moneys first to the credit of the Series 2019A-2 Rebate Account in the amount, and to the extent necessary, so the amount on deposit therein equals the accrued rebate obligation under Section

148(f) of the Code, if the Trustee has received a certification from the District by such date detailing the amount of such obligation which shall be deposited. Any remaining amounts in the Series 2019A-2 Revenue Account on November 2nd of any calendar year after making the payment, if any, required under the immediately preceding sentence, may next be transferred to the District, at its written request, to be used for any lawful purpose of the District; provided, however, that on the proposed payment date of any proposed transfer to the District, the amount on deposit in the Series 2019A-2 Reserve Account shall be equal to the Series 2019A-2 Reserve Requirement and, provided further, that the Trustee shall not have actual knowledge of an Event of Default hereunder, including, but not limited to, payment of Trustee's fees and expenses then due.

(e) On any date required by the Code, the District shall give the Trustee written direction to, and the Trustee shall, transfer from the Series 2019A-2 Revenue Account to the Series 2019A-2 Rebate Account established for the Series 2019A-2 Bonds in the Rebate Fund in accordance with the Master Indenture, the amount due and owing to the United States, which amount shall be paid to the United States, when due, in accordance with the Code.

(f) Anything herein or in the Master Indenture to the contrary notwithstanding, moneys on deposit in all of the Funds and Accounts held as security for the Series 2019A-2 Bonds shall be invested only in Series 2019A-2 Investment Obligations, and further, earnings on the Series 2019A-2 Acquisition and Construction Account (including the Series 2019A-2 Retainage Subaccount), the Series 2019A-2 Interest Account, and the Series 2019A-2 Capitalized Interest Account shall be retained, as realized, in such Accounts or subaccounts and used for the purpose of such Accounts or subaccounts. Earnings on investments in the Funds and Accounts other than the Series 2019A-2 Reserve Account, and other than as set forth above, shall be deposited, as realized, to the credit of the Series 2019A-2 Revenue Account and used for the purpose of such Account.

Earnings on investments in the Series 2019A-2 Reserve Account shall be disposed of as follows:

(i) if there was no deficiency (as defined in Section 509 of the Master Indenture) in the Series 2019A-2 Reserve Account as of the most recent date on which amounts on deposit in the Series 2019A-2 Reserve Account were valued by the Trustee, and if no withdrawals have been made from the Series 2019A-2 Reserve Account since such date which have created a deficiency, then earnings on the Series 2019A-2 Reserve Account shall be deposited into the Series 2019A-2 Capitalized Interest Account through November 1, 2020, and, thereafter earnings on the Series 2019A-2 Reserve Account shall, prior to the date the Series 2019A-2 Acquisition and Construction Account is closed, be deposited into the Series 2019A-2 Acquisition and Construction Account and used for the purpose of such Account, and after such date, shall be deposited into the Series 2019A-2 Revenue Account and used for the purpose of such Account; and

(ii) if as of the last date on which amounts on deposit in the Series 2019A-2 Reserve Account were valued by the Trustee there was a deficiency (as defined in Section 509 of the Master Indenture), or if after such date withdrawals have been made from the Series 2019A-2 Reserve Account and have created such a deficiency, then earnings on investments in the Series

2019A-2 Reserve Account shall be deposited into the Series 2019A-2 Reserve Account until the amount on deposit therein is equal to the Series 2019A-2 Reserve Account Requirement, and then earnings on the Series 2019A-2 Reserve Account shall be deposited into the Series 2019A-2 Capitalized Interest Account through November 1, 2020, and, thereafter earnings on the Series 2019A-2 Reserve Account shall, prior to the date the Series 2019A-2 Acquisition and Construction Account is closed, be deposited into the Series 2019A-2 Acquisition and Construction Account and used for the purpose of such Account, and after such date, shall be deposited be deposited into the Series 2019A-2 Revenue Account and used for the purpose of such Account.

The District further covenants and agrees that so long as the Series 2019A-2 Bonds are Outstanding, it will not impose Assessments for capital projects on any lands subject to the Series 2019A-2 Assessments other than the Series 2019A-1 Assessments, unless the Series 2019A-1 Assessments and the Series 2019A-2 Assessments have been Substantially Absorbed. Notwithstanding the prior sentence, the foregoing shall not preclude the imposition of capital Special Assessments on property subject to the Series 2019A-1 Assessments and the Series 2019A-2 Assessments which are necessary, as determined by the District, for health, safety or welfare reasons or to remediate a natural disaster or Operation and Maintenance Assessments. ARTICLE VII

MISCELLANEOUS

Section 701. Confirmation of Master Indenture. As supplemented by this Second Supplemental Indenture, the Master Indenture is in all respects ratified and confirmed, and this Second Supplemental Indenture shall be read, taken and construed as a part of the Master Indenture so that all of the rights, remedies, terms, conditions, covenants and agreements of the Master Indenture, except insofar as modified herein, shall apply and remain in full force and effect with respect to this Second Supplemental Indenture and to the Series 2019A-2 Bonds issued hereunder. To the extent of any conflicts between the terms and provisions of the Master Indenture and this Second Supplemental Indenture the terms and provisions hereof shall control.

Section 702. Continuing Disclosure Agreement. Contemporaneously with the execution and delivery hereof, the District has executed and delivered the Continuing Disclosure Agreement in order to comply with the requirements of Rule 15c2-12 promulgated under the Securities and Exchange Act of 1934. The District covenants and agrees to comply with the provisions of such Continuing Disclosure Agreement; however, as set forth therein, failure to so comply shall not constitute an Event of Default hereunder, but, instead shall be enforceable by mandamus, injunction or any other means of specific performance as provided in the Master Indenture and such Continuing Disclosure Agreement.

Section 703. Additional Covenants Regarding Assessments. In addition to, and not in limitation of, the covenants contained elsewhere in this Second Supplemental Indenture and in the Master Indenture, the District covenants to comply with the terms of the proceedings heretofore adopted with respect to the Series 2019A-2 Assessments, including the Assessment Resolution and the Assessment Methodology, and to levy and collect the Series 2019A-2 Assessments as set forth in the Assessment Methodology, in such manner as will generate funds sufficient to pay the principal of and interest on the Series 2019A-2 Bonds, when due. The District covenants and agrees that upon the occurrence and continuance of an Event of Default with respect to the Series 2019A-2 Bonds, it will take such actions to enforce the remedial provisions of the Indenture, the provisions for the collection of Delinquent Assessments that are directly billed and collected by the District, and the provisions for the foreclosure of liens of Delinquent Assessments that are directly billed and collected by the District, all in a manner consistent with the Master Indenture and this Second Supplemental Indenture.

Prior to an Event of Default, the election to collect and enforce Series 2019A-2 Assessments in any year pursuant to any one method shall not, to the extent permitted by law, preclude the District from electing to collect and enforce Series 2019A-2 Assessments pursuant to any other method permitted by law in any subsequent year. Following an Event of Default, Series 2019A-2 Assessments shall be collected pursuant to the Uniform Method; provided that Series 2019A-2 Assessments levied on platted lots owned by the Developer and levied on unplatted lands may be billed and collected directly by the District pursuant to the Act and Chapters 170 and 197, Florida Statutes, and not pursuant to the Uniform Method; provided,

however, the Trustee, acting at the direction of the Majority Owners of the Series 2019A-2 Bonds Outstanding may deliver a notice to the District directing the District to collect the delinquent Series 2019A-2 Assessments in a different manner permitted by the Act and Chapters 170 and 197, Florida Statutes, provided that (i) such direction shall be in the form attached hereto as Exhibit E; (ii) the District shall not be required to comply with such direction until it is able to change the manner of collection in accordance with applicable Florida law; and (iii) the District shall not be required to comply with any direction that is not provided strictly in the form of Exhibit E. All Series 2019A-2 Assessments that are billed and collected directly by the District and not via the Uniform Method shall be due and payable by the landowner at such times as determined by the District, but no later than thirty-one (31) Business Days prior to each Interest Payment Date; provided, however, that such Series 2019A-2 Assessments shall not be deemed to be Delinquent Assessments unless and until same are not paid by the applicable Interest Payment Date with respect to which they have been billed.

Section 705. Foreclosure of Assessment Lien. (a) Notwithstanding Section 814 of the Master Indenture or any other provision of the Indenture to the contrary, the following provisions shall apply with respect to the Series 2019A-2 Assessments and Series 2019A-2 Bonds.

If any property shall be offered for sale for the nonpayment of any Series 2019A-2 Assessments and no person or persons shall purchase such property for an amount equal to the full amount due on the Series 2019A-2 Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), the District, after receiving the written direction of the Trustee, acting at the written direction of the Majority Owners of the Series 2019A-2 Bonds Outstanding, specifying whether the District is to take title to the property in its corporate name or in the name of a special purpose entity (each, an "SPE"), may purchase the property for an amount less than or equal to the balance due on the Series 2019A-2 Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), from any legally available funds of the District and the District shall receive in its corporate name or in the name of a special-purpose entity title to the property for the benefit of the Owners of the Series 2019A-2 Bonds. The District, either through its own actions, or actions caused to be taken by the District through the Trustee, acting at the written direction of the Majority Owners of the Series 2019A-2 Bonds Outstanding, shall have the power to and shall lease or sell such property, and deposit all of the net proceeds of any such lease or sale into the Series 2019A-2 Revenue Account. The District, either through its own actions, or actions caused to be taken by the District through the Trustee, acting at the written direction of the Majority Owners of the Series 2019A-2 Bonds Outstanding, agrees that the District shall, after being provided assurances satisfactory to it of payment of the District's fees, costs and expenses for doing so, be required to take the measures provided by law for listing for sale of property acquired by it as trustee for the Owners of the Series 2019A-2 Bonds within sixty (60) days after the receipt of the request therefore signed by the Trustee, acting at the written direction of the Majority Owners of the Series 2019A-2 Bonds Outstanding. The District may pay costs associated with any actions taken by the District pursuant to this paragraph from any moneys legally available for such purpose held under the Indenture, provided such action does not adversely impact the tax-exempt status of the Series 2019A-2 Bonds. The District shall not be required to execute any documentation evidencing the extinguishment or release of the lien of the Series 2019A-2 Assessments and/or the Series 2019A-2 Bonds following the sale of property pursuant to the preceding sentence without receipt of written evidence satisfactory to the District that all of the Owners of the Series 2019A-2 Bonds concur with such extinguishment or release.

With respect to any SPE: (i) the books and records of the SPE shall be deemed subject to the same public records laws, including, without limitation, Chapter 119, Florida Statutes, to which the District is subject; and (ii) in addition to the information to be provided to the District pursuant to Section 403(c), such SPE shall provide to the District Manager any information regarding the SPE and its activities requested by or on behalf of the District within five (5) Business Days following such request, and by purchasing the Series 2019A-2 Bonds, the Owners thereof are deemed to agree to cause any SPE not owned or controlled by the District to comply with the foregoing.

(b) Notwithstanding anything to the contrary herein or in the Master Indenture, the District acknowledges and agrees that (i) upon failure of any property owner to pay when due any installment of Series 2019A-2 Assessments that are billed directly by the District, that the entire Series 2019A-2 Assessments levied on the property for which such installment of Series 2019A-2 Assessments is due and unpaid, with interest and penalties thereon, shall immediately become due and payable as provided by applicable law and, with the written direction of the Trustee, acting at the direction of the Majority Owners of the Series 2019A-2 Bonds Outstanding, the District after being provided assurances satisfactory to it of payment, of its fees, costs and expenses for doing so, shall promptly, but in any event within sixty (60) days of the receipt of such direction, cause to be brought the necessary legal proceedings for the foreclosure of liens of Delinquent Assessments, including interest and penalties and (ii) the foreclosure proceedings shall be prosecuted to a sale and conveyance of the property involved in said proceedings as now provided by Florida law. Such direction shall be in the form of Exhibit F hereto and the District shall not be required to comply with any direction that is not provided strictly in the form of Exhibit F.

(c) Notwithstanding anything to the contrary herein or in the Master Indenture, the District and/or the Trustee, to the extent acting individually or jointly, in pursuing foreclosure proceedings with respect to any lot or parcel delinquent in the payment of any Series 2019A-2 Assessments, shall be entitled to first recover from any foreclosure, before such proceeds are applied to the payment of principal or interest on the Series 2019A-2 Bonds, all fees and costs expended in connection with such foreclosure, regardless whether such fees and costs could be construed as Series 2019A-2 Assessments or Series 2019A-2 Pledged Revenues. The District may also pay costs associated with any actions taken by the District pursuant to this paragraph from any moneys legally available for such purpose held under the Indenture, provided such action does not adversely impact the tax-exempt status of the Series 2019A-2 Bonds.

Section 706. Requisite Owners for Direction or Consent. Following an Event of Default any direction to the District permitted to be given by the Trustee and/or the Owners hereby or by the Master Indenture must be in writing, signed by the Trustee and the Majority Owners and, with respect to the direction referenced in Sections 704 and 705(b) hereof, in the applicable forms attached hereto as exhibits.

Section 707. Assignment of District's Rights Under Collateral Assignment. Subject to the terms of the Collateral Assignment, and without intending to alter the same, the District hereby assigns its rights under the Collateral Assignment to the Trustee for the benefit of the Owners, from time to time, of the Series 2019A-2 Bonds. Such assignment shall not be considered an assumption by the Trustee of any obligations thereunder.

Section 708. Enforcement of Completion Agreement and Other Agreements. The District covenants that it shall strictly enforce all of the provisions of the Acquisition Agreement, the Completion Agreement and the True-Up Agreement.

Section 709. Interpretation of Second Supplemental Indenture. This Second Supplemental Indenture amends and supplements the Master Indenture with respect to the Series 2019A-2 Bonds, and all of the provisions of the Master Indenture, to the extent not inconsistent herewith, are incorporated in this Second Supplemental Indenture by reference. To the maximum extent possible, the Master Indenture and the Second Supplemental Indenture shall be read and construed as one document.

Section 710. Amendments. Any amendments to this Second Supplemental Indenture shall be made pursuant to the provisions for amendment contained in the Master Indenture.

Section 711. Counterparts. This Second Supplemental Indenture may be executed in any number of counterparts, each of which when so executed and delivered shall be an original; but such counterparts shall together constitute but one and the same instrument.

Section 712. Appendices and Exhibits. Any and all schedules, appendices or exhibits referred to in and attached to this Second Supplemental Indenture are hereby incorporated herein and made a part of this Second Supplemental Indenture for all purposes.

Section 713. Payment Dates. In any case in which an Interest Payment Date or the maturity date of the Series 2019A-2 Bonds or the date fixed for the redemption of any Series 2019A-2 Bonds shall be other than a Business Day, then payment of interest, principal or Redemption Price need not be made on such date but may be made on the next succeeding Business Day, with the same force and effect as if made on the due date, and no interest on such payment shall accrue for the period after such due date if payment is made on such next succeeding Business Day.

Section 714. No Rights Conferred on Others. Nothing herein contained shall confer any right upon any Person other than the parties hereto and the Holders of the Series 2019A-2 Bonds.

Registered Owner: CEDE & CO.

Principal Amount: _____ THOUSAND DOLLARS

ESPLANADE LAKE CLUB COMMUNITY DEVELOPMENT DISTRICT, a community development district duly established and existing pursuant to Chapter 190, Florida Statutes (the “District”), for value received, hereby promises to pay (but only out of the sources hereinafter mentioned) to the registered Owner set forth above, or registered assigns, on the maturity date shown hereon, unless this Bond shall have been called for redemption in whole or in part and payment of the Redemption Price (as defined in the Indenture hereinafter mentioned) shall have been duly made or provided for, the principal amount shown above and to pay (but only out of the sources hereinafter mentioned) interest on the outstanding principal amount hereof from the most recent Interest Payment Date to which interest has been paid or provided for, or, if no interest has been paid, from the Dated Date shown above on May 1 and November 1 of each year (each, an “Interest Payment Date”), commencing on May 1, 2020, until payment of said principal sum has been made or provided for, at the rate per annum set forth above. Notwithstanding the foregoing, if any Interest Payment Date is not a Business Day (as defined in the Indenture hereinafter mentioned), then all amounts due on such Interest Payment Date shall be payable on the first Business Day succeeding such Interest Payment Date, but shall be deemed paid on such Interest Payment Date. The interest so payable, and punctually paid or duly provided for, on any Interest Payment Date will, as provided in the Indenture (as hereinafter defined), be paid to the registered Owner hereof at the close of business on the regular Record Date for such interest, which shall be the fifteenth (15th) day of the calendar month next preceding such Interest Payment Date, or, if such day is not a Business Day on the Business Day immediately preceding such day; provided, however, that on or after the occurrence and continuance of an Event of Default under clause (a) of Section 902 of the Master Indenture (hereinafter defined), the payment of interest and principal or Redemption Price or Amortization Installments shall be made by the Paying Agent

(hereinafter defined) to such person, who, on a special record date which is fixed by the Trustee, which shall be not more than fifteen (15) and not less than ten (10) days prior to the date of such proposed payment, appears on the registration books of the Bond Registrar as the registered Owner of this Bond. Any payment of principal, Maturity Amount or Redemption Price shall be made only upon presentation hereof at the designated corporate trust office of U.S. Bank National Association, located in Fort Lauderdale, Florida, or any alternate or successor paying agent (collectively, the “Paying Agent”), unless the Bonds are held in the book entry system in which case presentation shall not be required. Payment of interest shall be made by check or draft (or by wire transfer to a bank in the United States for the account of the registered Owner set forth above if such Owner requests such method of payment in writing on or prior to the regular Record Date for the respective interest payment to such account as shall be specified in such request, but only if the registered Owner set forth above owns not less than \$1,000,000 in aggregate principal amount of the Series 2019A-2 Bonds, as defined below). Interest on this Bond will be computed on the basis of a 360-day year composed of twelve 30-day months. Capitalized terms used herein and not otherwise defined shall have the same meaning as set forth in the hereinafter defined Indenture.

This Bond is one of a duly authorized issue of bonds of the District issued in two Series designated as “\$_____ Esplanade Lake Club Community Development District Capital Improvement Revenue Bonds, Series 2019A-2” (the “Series 2019A-2 Bonds”) issued under a Master Trust Indenture, dated as of _____ 1, 2019 (the “Master Indenture”), between the District and U.S. Bank National Association, located in Fort Lauderdale, Florida, as trustee (the “Trustee”), as amended and supplemented by a Second Supplemental Trust Indenture, dated as of _____ 1, 2019 (the “Supplemental Indenture”), between the District and the Trustee (the Master Indenture as amended and supplemented by the Supplemental Indenture is hereinafter referred to as the “Indenture”) (the Series 2019A-2 Bonds, together with any other Bonds issued under and governed by the terms of the Master Indenture, are hereinafter collectively referred to as the “Bonds”). The District will apply the proceeds of the Series 2019A-2 Bonds to: (i) finance the Cost of acquiring, constructing and equipping assessable improvements (as more particularly described in Exhibit A to the Supplemental Indenture, the “Series 2019 Project”); (ii) pay certain costs associated with the issuance of the Series 2019A-2 Bonds; (iii) make a deposit into the Series 2019A-2 Reserve Account without privilege or priority of one Series 2019A-2 Bond over another; and (iv) pay a portion of the interest to become due on the Series 2019A-2 Bonds.

NEITHER THIS BOND NOR THE INTEREST AND PREMIUM, IF ANY, PAYABLE HEREON SHALL CONSTITUTE A GENERAL OBLIGATION OR GENERAL INDEBTEDNESS OF THE DISTRICT WITHIN THE MEANING OF THE CONSTITUTION AND LAWS OF FLORIDA. THIS BOND AND THE SERIES OF WHICH IT IS A PART AND THE INTEREST AND PREMIUM, IF ANY, PAYABLE HEREON AND THEREON DO NOT CONSTITUTE EITHER A PLEDGE OF THE FULL FAITH AND CREDIT OF THE DISTRICT OR A LIEN UPON ANY PROPERTY OF THE DISTRICT OTHER THAN AS PROVIDED IN THE MASTER INDENTURE OR IN THE SUPPLEMENTAL INDENTURE AUTHORIZING THE ISSUANCE OF THE SERIES 2019A-2 BONDS. NO OWNER OR ANY OTHER PERSON SHALL EVER HAVE THE RIGHT TO COMPEL THE EXERCISE OF ANY AD VALOREM TAXING POWER OF THE DISTRICT OR ANY OTHER PUBLIC AUTHORITY OR GOVERNMENTAL BODY TO PAY DEBT SERVICE OR TO PAY ANY OTHER AMOUNTS

REQUIRED TO BE PAID PURSUANT TO THE MASTER INDENTURE, THE SUPPLEMENTAL INDENTURE, OR THE SERIES 2019A-2 BONDS. RATHER, DEBT SERVICE AND ANY OTHER AMOUNTS REQUIRED TO BE PAID PURSUANT TO THE MASTER INDENTURE, THE SUPPLEMENTAL INDENTURE, OR THE SERIES 2019A-2 BONDS, SHALL BE PAYABLE SOLELY FROM, AND SHALL BE SECURED SOLELY BY, THE SERIES 2019A-2 TRUST ESTATE, INCLUDING THE SERIES 2019A-2 PLEDGED REVENUES AND THE SERIES 2019A-2 PLEDGED FUNDS, PLEDGED TO THE SERIES 2019A-2 BONDS, ALL AS PROVIDED HEREIN, IN THE MASTER INDENTURE AND IN THE SUPPLEMENTAL INDENTURE.

This Bond is issued under and pursuant to the Constitution and laws of the State of Florida, particularly Chapter 190, Florida Statutes (2019), and other applicable provisions of law and pursuant to the Indenture, executed counterparts of which Indenture are on file at the corporate trust office of the Trustee. Reference is hereby made to the Indenture for the provisions, among others, with respect to the custody and application of the proceeds of Series 2019A-2 Bonds issued under the Indenture, the collection and disposition of revenues and the funds charged with and pledged to the payment of the principal and Redemption Price of, and the interest on, the Series 2019A-2 Bonds, the nature and extent of the security thereby created, the covenants of the District with respect to the levy and collection of Assessments, the terms and conditions under which the Series 2019A-2 Bonds are or may be issued, the rights, duties, obligations and immunities of the District and the Trustee under the Indenture and the rights of the Owners of the Series 2019A-2 Bonds, and, by the acceptance of this Bond, the Owner hereof assents to all of the provisions of the Indenture. The Series 2019A-2 Bonds are equally and ratably secured by the Series 2019A-2 Trust Estate, without preference or priority of one Series 2019A-2 Bond over another.

The Series 2019A-2 Bonds are issuable only as registered bonds without coupons in current interest form in denominations of \$5,000 or any integral multiple thereof (an "Authorized Denomination"); provided, however, that the Series 2019A-2 Bonds shall be delivered to the initial purchasers thereof only in aggregate principal amounts of \$100,000 or integral multiples of Authorized Denominations in excess of \$100,000. This Bond is transferable by the registered Owner hereof or his duly authorized attorney at the designated corporate trust office of the Trustee in Fort Lauderdale, Florida, as Bond Registrar (the "Bond Registrar"), upon surrender of this Bond, accompanied by a duly executed instrument of transfer in form and with guaranty of signature reasonably satisfactory to the Bond Registrar, subject to such reasonable regulations as the District or the Bond Registrar may prescribe, and upon payment of any taxes or other governmental charges incident to such transfer. Upon any such transfer a new Series 2019A-2 Bond or Series 2019A-2 Bonds, in the same aggregate principal amount as the Series 2019A-2 Bond or Series 2019A-2 Bonds transferred, will be issued to the transferee. At the corporate trust office of the Bond Registrar in Fort Lauderdale, Florida, in the manner and subject to the limitations and conditions provided in the Master Indenture and without cost, except for any tax or other governmental charge, Series 2019A-2 Bonds may be exchanged for an equal aggregate principal amount of Series 2019A-2 Bonds of the same maturity, of Authorized Denominations and bearing interest at the same rate or rates.

The Series 2019A-2 Bonds are subject to redemption prior to maturity at the option of the District, in whole or part on any date, on or after November 1, 20__ at the Redemption Price of

the principal amount of the Series 2019A-2 Bonds or portions thereof to be redeemed together with accrued interest to the Redemption Date.

The Series 2019A-2 Bonds maturing November 1, 20__ are subject to mandatory redemption in part by the District by lot prior to their scheduled maturity from moneys in the Series 2019A-2 Sinking Fund Account established under the Supplemental Indenture in satisfaction of applicable Amortization Installments at the Redemption Price of the principal amount thereof, without premium, together with accrued interest to the Redemption Date on November 1 of the years and in the principal amounts set forth below:

<u>November 1 of the Year</u>	<u>Amortization Installment</u>	<u>November 1 of the Year</u>	<u>Amortization Installment</u>
------------------------------------------	--------------------------------------------	------------------------------------------	--------------------------------------------

*Maturity

As more particularly set forth in the Indenture, any Series 2019A-2 Bonds that are purchased by the District with amounts held to pay an Amortization Installment will be cancelled and the principal amount so purchased will be applied as a credit against the applicable Amortization Installment of Series 2019A-2 Bonds. Amortization Installments are also subject to recalculation, as provided in the Supplemental Indenture, as the result of the redemption of Series 2019A-2 Bonds (other than (i) Series 2019A-2 Bonds redeemed in accordance with scheduled Amortization Installments or (ii) Series 2019A-2 Bonds redeemed at the direction of the District accompanied by a cash flow certificate as required by Section 506(b) of the Master Indenture) so as to re-amortize the remaining Outstanding principal balance of the Series 2019A-2 Bonds as set forth in Section 406(b) of the Supplemental Indenture.

The Series 2019A-2 Bonds are subject to extraordinary mandatory redemption prior to maturity, in whole on any date or in part on any Redemption Date, in the manner determined by the Bond Registrar at the Redemption Price of 100% of the principal amount thereof, without premium, together with accrued interest to the Redemption Date, if and to the extent that any one or more of the following shall have occurred:

(a) on or after the Date of Completion of the Series 2019 Project, by application of moneys transferred from the Series 2019A-2 Acquisition and Construction Account in the Acquisition and Construction Fund established under the Indenture to the Series 2019A-2 Prepayment Subaccount of the Series 2019A-2 Redemption Account in accordance with the terms of the Indenture; or

(b) from amounts, including Series 2019A-2 Prepayments and transfers made pursuant to Section 403 of the Supplemental Indenture, required by the Indenture to be deposited into the Series 2019A-2 Prepayment Subaccount of the Series 2019A-2 Redemption Account; or

(c) from amounts transferred to the Series 2019A-2 Prepayment Subaccount of the Series 2019A-2 Redemption Account resulting from a reduction in the Series 2019A-2 Reserve Account Requirement as provided for in the Indenture; or

(d) on and after the date on which the amount on deposit in the Series 2019A-2 Reserve Account, together with other moneys available therefor, are sufficient to pay and redeem all of the Series 2019A-2 Bonds then Outstanding, including accrued interest thereon.

If less than all of the Series 2019A-2 Bonds shall be called for redemption, the particular Series 2019A-2 Bonds or portions of Series 2019A-2 Bonds to be redeemed shall be selected by lot by the Bond Registrar as provided in the Indenture, or as provided or directed by DTC.

Notice of each redemption of Series 2019A-2 Bonds is required to be mailed by the Bond Registrar, postage prepaid, not less than thirty (30) nor more than forty-five (45) days prior to the Redemption Date to each registered Owner of Series 2019A-2 Bonds to be redeemed at the address of such registered Owner recorded on the bond register maintained by the Bond Registrar. On the date designated for redemption, notice having been given and money for the payment of the Redemption Price being held by the Paying Agent, all as provided in the Indenture, the Series 2019A-2 Bonds or such portions thereof so called for redemption shall become and be due and payable at the Redemption Price provided for the redemption of such Series 2019A-2 Bonds or such portions thereof on such date, interest on such Series 2019A-2 Bonds or such portions thereof so called for redemption shall cease to accrue, such Series 2019A-2 Bonds or such portions thereof so called for redemption shall cease to be entitled to any benefit or security under the Indenture and the Owners thereof shall have no rights in respect of such Series 2019A-2 Bonds or such portions thereof so called for redemption except to receive payments of the Redemption Price thereof so held by the Paying Agent. Further notice of redemption shall be given by the Bond Registrar to certain registered securities depositories and information services as set forth in the Indenture, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed. As provided in the Indenture, notice of optional redemption may be conditioned upon the occurrence or non-occurrence of such event or events or upon the later deposit of moneys therefor as shall be specified in such notice of optional redemption and may also be subject to rescission by the District if expressly set forth in such notice.

The Owner of this Bond shall have no right to enforce the provisions of the Master Indenture or to institute any action to enforce the covenants therein, or to take any action with respect to any Event of Default under the Indenture, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture.

Modifications or alterations of the Indenture or of any indenture supplemental thereto may be made only to the extent and in the circumstances permitted by the Indenture.

Any moneys held by the Trustee or any Paying Agent in trust for the payment and discharge of any Bond which remain unclaimed for six (6) years after the date when such Bond has become due and payable, either at its stated maturity dates or by call for earlier redemption, if such moneys were held by the Trustee or any Paying Agent at such date, or for six (6) years after the date of deposit of such moneys if deposited with the Trustee or Paying Agent after the date when such Bond became due and payable, shall be paid to the District, and thereupon and thereafter no claimant shall have any rights against the Paying Agent to or in respect of such moneys.

If the District deposits or causes to be deposited with the Trustee cash or Defeasance Securities sufficient to pay the principal or Redemption Price of any Series 2019A-2 Bonds becoming due at maturity or by call for redemption in the manner set forth in the Indenture, together with the interest accrued to the due date, the lien of the Series 2019A-2 Bonds as to the Series 2019A-2 Trust Estate shall be discharged, except for the rights of the Owners thereof with respect to the funds so deposited as provided in the Indenture.

This Bond shall have all the qualities and incidents, including negotiability, of investment securities within the meaning and for all the purposes of the Uniform Commercial Code of the State of Florida. This Bond is issued with the intent that the laws of the State of Florida shall govern its construction.

All acts, conditions and things required by the Constitution and laws of the State of Florida and the ordinances and resolutions of the District to happen, exist and be performed precedent to and in the issuance of this Bond and the execution of the Indenture, have happened, exist and have been performed as so required. This Bond shall not be valid or become obligatory for any purpose or be entitled to any benefit or security under the Indenture until it shall have been authenticated by the execution by the Trustee of the Certificate of Authentication endorsed hereon.

BOND PURCHASE CONTRACT

_____, 2019

Board of Supervisors
Esplanade Lake Club Community Development District
Lee County, Florida

Ladies and Gentlemen:

FMSbonds, Inc. (the "Underwriter") offers to enter into this Bond Purchase Contract (the "Purchase Contract") with the Esplanade Lake Club Community Development District (the "District"). The District is located entirely within the incorporated boundaries of the Lee County, Florida (the "County"). This offer of the Underwriter shall, unless accepted by the District, acting through its Board of Supervisors (the "Board"), expire at 10:00 [P.M.] prevailing time within the jurisdiction of the District on the date hereof, unless previously withdrawn or extended in writing by the Underwriter. This Purchase Contract shall be binding upon the District and the Underwriter upon execution and delivery. Any capitalized word not defined herein shall have the meaning ascribed thereto in the Preliminary Limited Offering Memorandum (as hereinafter defined). In conformance with Section 218.385, Florida Statutes, as amended, the Underwriter hereby delivers to the District the Disclosure and Truth-In-Bonding Statements attached hereto as Exhibit A.

1. Purchase and Sale. Upon the terms and conditions and upon the basis of the representations, warranties and agreements set forth herein, the Underwriter hereby agrees to purchase from the District, and the District hereby agrees to sell and deliver to the Underwriter, all (but not less than all) of the District's: (a) \$ _____ Esplanade Lake Club Community Development District Capital Improvement Revenue Bonds, Series 2019A-1 (the "Series 2019A-1 Bonds"), (b) \$ _____ Esplanade Lake Club Community Development District Capital Improvement Revenue Bonds, Series 2019A-2 (the "Series 2019A-2 Bonds" and, collectively with the Series 2019A-1 Bonds, the "Series 2019A Bonds"). The Series 2019A Bonds shall be dated their date of delivery and shall mature on the dates, shall bear interest at the rates, and shall be subject to redemption prior to maturity, all as provided in Exhibit B attached hereto.

The purchase price for the Series 2019A-1 Bonds shall be \$ _____ (representing the \$ _____ aggregate principal amount of the Series 2019A-1 Bonds, [plus/less net original issue premium/discount of \$ _____ and] less an underwriter's discount of \$ _____). The purchase price for the Series 2019A-2 Bonds shall be \$ _____ (representing the \$ _____ aggregate principal amount of the Series 2019A-2 Bonds, [plus/less net original issue premium/discount of \$ _____ and]less an underwriter's discount of \$ _____). Payment of the purchase price and delivery of the Series 2019A Bonds and the other actions contemplated hereby to take place at the time of such payment and delivery are hereinafter referred to as the "Closing."

2. The Series 2019A Bonds. The Series 2019A Bonds are to be issued by the District, a local unit of special-purpose government of the State of Florida (the "State") created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended, any successor statute thereto, the Florida Constitution, and other applicable provisions of law (collectively, the "Act"), by Ordinance No. 18-21 enacted by the Lee County Board of County Commissioners (the "County"), on September 19, 2018 (the "Ordinance"). The Series 2019A Bonds are being issued pursuant to the Act and secured pursuant to the provisions of a Master Trust Indenture dated as of _____ 1, 2019 (the "Master Indenture"), as ~~amended and~~ supplemented, by a First Supplemental Trust Indenture dated as of _____ 1, 2019 (the "First Supplemental Indenture" and, together with the Master Indenture, the "Series 2019A-1 Indenture"), and as supplemented with respect to the Series 2019A-2 Bonds by a Second Supplemental Trust Indenture dated as of _____ 1, 2019 (the "Second Supplemental Indenture" and, together with the Master Indenture, the "Series 2019A-2 Indenture") (the Series 2019A-1 Indenture and the Series 2019A-2 Indenture being collectively referred to herein as the "Indentures"), each by and between the District and U.S. Bank National Association, as trustee (the "Trustee"), and by Resolution No. 2019-21, adopted by the Board of Supervisors of the District (the "Board") on May 29, 2018 and Resolution No. 2019-____, adopted by the Board on _____, 2019 (collectively, the "Bond Resolution").

3. Limited Offering; Establishment of Issue Price. It shall be a condition to the District's obligation to sell and to deliver the Series 2019A Bonds to the Underwriter, and to the Underwriter's obligation to purchase, accept delivery of and pay for the Series 2019A Bonds, that the entire principal amount of the Series 2019A Bonds be issued, sold and delivered by the District and purchased, accepted and paid for by the Underwriter at the Closing and that the District and the Underwriter receive the opinions, documents and certificates described in Section 8(c) hereof.

(a) The Underwriter agrees to assist the District in establishing the issue price of the Series 2019A Bonds and shall execute and deliver to the District at Closing an "issue price" or similar certificate, together with the supporting pricing wires or equivalent communications, in the form reasonably satisfactory to Bond Counsel, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the District and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Series 2019A Bonds.

(b) Except as otherwise set forth in Exhibit B attached hereto, the District will treat the first price at which 10% of each maturity of the Series 2019A Bonds (the "10% test") is sold to the public as the issue price of that maturity (if different interest rates apply within a maturity, each separate CUSIP number within that maturity will be subject to the 10% test). At or promptly after the execution of this Purchase Contract, the Underwriter shall report to the District the price or prices at which it has sold to the public each maturity of the Series 2019A Bonds. If at that time the 10% test has not been satisfied as to any maturity of the Series 2019A Bonds, the Underwriter agrees to promptly report to the District the prices at which it sells the unsold Series 2019A Bonds of that maturity to the public. That reporting obligation shall continue, whether or not the Closing Date (as defined below) has occurred, until the 10% test has been satisfied as to the Series 2019A Bonds of that maturity or until all Series 2019A Bonds of that maturity have been sold to the public.

(c) The Underwriter confirms that it has offered the Series 2019A Bonds to the public on or before the date of this Purchase Contract at the offering price or prices (the "initial offering price"), or at the corresponding yield or yields, set forth in Exhibit B attached hereto, except as otherwise set forth therein. Exhibit B also sets forth, as of the date of this Purchase Contract, the maturities, if any, of the Series 2019A Bonds for which the 10% test has not been satisfied and for which the District and the Underwriter agree that the restrictions set forth in the next sentence shall apply, which will allow the District to treat the initial offering price to the public of each such

maturity as of the sale date as the issue price of that maturity (the "hold-the-offering-price rule"). So long as the hold-the-offering-price rule remains applicable to any maturity of the Series 2019A Bonds, the Underwriter will neither offer nor sell unsold Series 2019A Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

(1) the close of the fifth (5th) business day after the sale date; or

(2) the date on which the Underwriter has sold at least 10% of that maturity of the Series 2019A Bonds to the public at a price that is no higher than the initial offering price to the public.

The Underwriter shall promptly advise the District when it has sold 10% of that maturity of the Series 2019A Bonds to the public at a price that is no higher than the initial offering price to the public, if that occurs prior to the close of the fifth (5th) business day after the sale date.

(d) The Underwriter acknowledges that sales of any Series 2019A Bonds to any person that is a related party to the Underwriter shall not constitute sales to the public for purposes of this Section. Further, for purposes of this Section:

(1) "public" means any person other than an underwriter or a related party, and

(2) a purchaser of any of the Series 2019A Bonds is a "related party" to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

(3) "sale date" means the date of execution of this Purchase Contract is executed by all parties.

4. Use of Documents. Prior to the date hereof, the District has caused to be prepared and has provided to the Underwriter a Preliminary Limited Offering Memorandum dated _____, 2019 (such Preliminary Limited Offering Memorandum, including the cover pages and all appendices thereto, and any amendments and supplements thereto that may be authorized by the District for use with respect to the Series 2019A Bonds, being herein collectively called the "Preliminary Limited Offering Memorandum") of the District related to the Series 2019A Bonds that the District has deemed final as of its date, except for certain permitted omissions (the "permitted omissions"), as contemplated by Rule 15c2-12 of the Securities and Exchange Commission ("Rule 15c2-12" or the "Rule") in connection with the limited offering of the Series 2019A Bonds. The Underwriter has reviewed the Preliminary Limited Offering Memorandum prior to the execution of this Purchase Contract. The District has, prior to the date hereof, authorized the Preliminary Limited Offering Memorandum to be circulated and used by the Underwriter in connection with the limited offering of the Series 2019A Bonds. The District shall deliver or cause to be delivered, at its expense, to the Underwriter within seven (7) business days after the date hereof but not later than three (3) days prior to the Closing Date (as defined below) and in sufficient time to allow the Underwriter to

comply with all requirements of the Rule and all applicable securities laws and the rules of the Municipal Securities Rulemaking Board (the "MSRB"), a final Limited Offering Memorandum dated _____, 2019 (such Limited Offering Memorandum, including the cover pages and all appendices thereto, and any amendments and supplements thereto that may be authorized by the District for use with respect to the Series 2019A Bonds being herein collectively called the "Limited Offering Memorandum" and, together with the Preliminary Limited Offering Memorandum, the "Limited Offering Memoranda"). The District hereby ratifies and approves the circulation and use of the Limited Offering Memoranda by the Underwriter.

5. Definitions. For purposes hereof, (a) this Purchase Contract, the Indentures, the Series 2019A Bonds, the Continuing Disclosure Agreement to be dated as of the Closing Date, by and among the District, Taylor Morrison of Florida, Inc., a Florida corporation (the "Developer"), and JP Ward and Associates, LLC, as dissemination agent (the "Dissemination Agent"), in substantially the form attached to the Preliminary Limited Offering Memorandum as APPENDIX F thereto (the "Disclosure Agreement") and the DTC Blanket Issuer Letter of Representations entered into by the District, are referred to herein collectively as the "Financing Documents," and (b) [the Completion Agreement (Series 2019 Project) by and between the District and the Developer dated as of the Closing Date (the "Completion Agreement"), the Acquisition Agreement (Series 2019 Project) by and between the District and the Developer dated as of the Closing Date (the "Acquisition Agreement"), the Collateral Assignment Agreement (Series 2019 Project), in recordable form, by and between the District and the Developer dated as of the Closing Date, (the "Collateral Assignment"), the True-Up Agreement (Series 2019 Project) in recordable form by and between the District and the Developer dated as of the Closing Date (the "True-Up Agreement") and the Declaration of Consent in recordable form and executed by the Developer dated as of the Closing Date (the "Declaration"), are collectively referred to herein as the "Ancillary Agreements."]

6. Representations, Warranties and Agreements. The District hereby represents, warrants and agrees as follows:

(a) The Board is the governing body of the District and the District is and will be on the Closing Date duly organized and validly existing as a unit of special-purpose government created pursuant to the Constitution and laws of the State, including, without limitation, the Act;

(b) The District has full legal right, power and authority to: (i) adopt the Bond Resolution and the Assessment Resolutions; (ii) enter into the Financing Documents and Ancillary Agreements to which it is a party; (iii) sell, issue and deliver the Series 2019A Bonds to the Underwriter as provided herein; (iv) apply the proceeds of the sale of the Series 2019A Bonds for the purposes described in the Preliminary Limited Offering Memorandum; (v) acknowledge and authorize the use of the Preliminary Limited Offering Memorandum and acknowledge and authorize the use and execution of the Limited Offering Memorandum; and (vi) carry out and consummate the transactions contemplated by the Bond Resolution, the Assessment Resolutions, the Financing Documents, the Ancillary Agreements and the Limited Offering Memoranda, including but not limited to entering into the agreements with the Tax Collector and Property Appraiser to provide for the collection of the Series 2019A-1 Assessments and the Series 2019A-2 Assessments, using the Uniform Method of collection in accordance with the Indentures. The District has complied, and on the Closing Date will be in compliance in all material respects, with the terms of the Act and with the obligations on its part contained in the Bond Resolution, the Assessment Resolutions, the Financing Documents, the Ancillary Agreements to which it is a party and the Series 2019A Bonds;

(c) At meetings of the Board that were duly called and noticed and at which a quorum was present and acting throughout, the Board duly adopted and/or by the Closing Date will have adopted the Bond Resolution and the Assessment Resolutions, and the same are in full force and

Upon execution and delivery by the District and the Trustee (and assuming the due authorization, execution and delivery of the Indentures by the Trustee), the Indentures will constitute legal, valid and binding obligations of the District, enforceable in accordance with their terms, subject only to applicable bankruptcy, insolvency, and similar laws affecting creditors' rights and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law). Upon execution by the District and the other parties thereto (and assuming the due authorization, execution and delivery of such agreements by the other parties thereto), the Financing Documents and the Ancillary Agreements will constitute the legal, valid and binding obligations of the District, enforceable in accordance with their respective terms, subject only to applicable bankruptcy, insolvency and similar laws affecting creditors' rights and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law);

(d) The District is not in material breach of or material default under any applicable provision of the Act or any applicable constitutional provision or statute or, to the best of its knowledge, administrative regulation of the State or the United States of America or any applicable judgment or decree, or any loan agreement, indenture, bond, note, resolution, agreement, or other material instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, and to the best of its knowledge, no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute a material default or material event of default under any such instrument; and the execution and delivery of the Series 2019A Bonds, the Financing Documents, the Ancillary Agreements and the Limited Offering Memorandum, the delivery of the Preliminary Limited Offering Memorandum and the adoption of the Bond Resolution and the Assessment Resolutions, and compliance with the provisions on the District's part contained therein, will not conflict with or constitute a material breach of or material default under any applicable constitutional provision, or law, or, to the best of its knowledge, any administrative regulation, judgment, decree, loan agreement, indenture, bond, note, resolution, agreement, or other instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, nor will any such execution, delivery, adoption, or compliance result in the creation or imposition of any lien, charge, or other security interest or encumbrance of any nature whatsoever upon any of the property or assets of the District or under the terms of any such law, regulation or instrument, except as provided by the Assessment Resolutions, the Series 2019A Bonds and the Indentures. To the best of its knowledge, no event has occurred which, with the lapse of time or the giving of notice, or both, would constitute an event of default (as therein defined) under the Series 2019A Bonds, the Ancillary Agreements or the Financing Documents;

(e) All authorizations, approvals, licenses, permits, consents and orders of any governmental authority, legislative body, board, agency or commission having jurisdiction of the matters which are required for the due authorization by, or which would constitute a condition precedent to, or the absence of which would materially adversely affect, the due performance by the District of its obligations, to issue the Series 2019A Bonds, or under the Series 2019A Bonds,

the Bond Resolution, the Assessment Resolutions, the Financing Documents or the Ancillary Agreements have been duly obtained, except for such approvals, consents and orders as may be required under the Blue Sky or securities laws of any state in connection with the offering and sale of the Series 2019A Bonds;

(f) The descriptions of the Series 2019A Bonds, the Financing Documents, the Ancillary Agreements, the Series 2019 Project, to the extent referred to in the Preliminary Limited Offering Memorandum, conform in all material respects to the Series 2019A Bonds, the Financing Documents, the Ancillary Agreements and the Series 2019 Project, respectively;

(g) The Series 2019A Bonds, when issued, executed and delivered in accordance with the Indentures and when delivered to and paid for by the Underwriter at the Closing in accordance with the provisions of this Purchase Contract, will be validly issued and outstanding obligations of the District, entitled to the benefits of the Indentures and upon such issuance, execution and delivery of the Series 2019A Bonds, the Indentures will provide, for the benefit of the holders from time to time of each Series of the Series 2019A Bonds, a legally valid and binding pledge of and first lien on the respective Series of Pledged Revenues. On the Closing Date, all conditions precedent to the issuance of the Series 2019A Bonds set forth in the respective Indentures will have been complied with or fulfilled;

(h) There is no claim, action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, government agency, public board or body, pending or, to its best knowledge, threatened against the District: (i) contesting the corporate existence or powers of the Board or the titles of the respective officers of the Board to their respective offices; (ii) affecting or seeking to prohibit, restrain or enjoin the sale, issuance or delivery of the Series 2019A Bonds or the application of the proceeds of the sale thereof for the purposes described in the Preliminary Limited Offering Memorandum, or the collection of the Series 2019 Special Assessments, or the pledge of and lien on the respective Pledged Revenues pursuant to the Indentures; (iii) contesting or affecting specifically as to the District the validity or enforceability of the Act or any action of the District in any respect relating to the authorization for the issuance of the Series 2019A Bonds, or the authorization of the Series 2019 Project, the Bond Resolution, the Assessment Resolutions, the Financing Documents and the Ancillary Agreements to which the District is a party, or the application of the proceeds of the Series 2019A Bonds for the purposes set forth in the Preliminary Limited Offering Memorandum; (iv) contesting the federal tax status of the Series 2019A Bonds; or (v) contesting the completeness or accuracy of the Preliminary Limited Offering Memorandum or any supplement or amendment thereto;

(i) To the extent applicable, the District will furnish such information, execute such instruments and take such other action in cooperation with the Underwriter as the Underwriter may reasonably request in order to: (i) qualify the Series 2019A Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and other jurisdictions of the United States as the Underwriter may designate; and (ii) determine the eligibility of the Series 2019A Bonds for investment under the laws of such states and other jurisdictions, and the District will use its best efforts to continue such qualifications in effect so long as required for the initial limited offering and distribution of the Series 2019A Bonds; provided, however, that the District shall not be required to execute a general or special consent to service of process or to qualify to do business in connection with any such qualification or determination in any jurisdiction or register as a broker/dealer;

(j) As of its date (unless an event occurs of the nature described in paragraph (1) of this Section 6) and at all times subsequent thereto, up to and including the Closing Date, the

statements and information contained in the Preliminary Limited Offering Memorandum (other than "Permitted Omissions") and in the Limited Offering Memorandum are and will be accurate in all material respects for the purposes for which their use is authorized and do not and will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made therein, in the light of the circumstances under which they were made, not misleading; provided, however, that no representation is made concerning information contained or to be contained in the Limited Offering Memoranda under the captions "DESCRIPTION OF THE SERIES 2019A BONDS – Book-Entry Only System," "THE DEVELOPMENT," "THE DEVELOPER," "TAX EXEMPTION," "SUITABILITY FOR INVESTMENT," "LITIGATION – The Developer" and "UNDERWRITING";

(k) If the Limited Offering Memorandum is supplemented or amended pursuant to subsection (1) of this Section 6, at the time of each supplement or amendment thereto and (unless subsequently again supplemented or amended pursuant to such paragraph) at all times subsequent thereto up to and including the Closing Date, the Limited Offering Memorandum as so supplemented or amended will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, however, that no representation is made concerning information contained or to be contained in the Limited Offering Memoranda Memorandum under the captions "DESCRIPTION OF THE SERIES 2019A BONDS – Book-Entry Only System," "THE DEVELOPMENT," "THE DEVELOPER," "TAX EXEMPTION," "SUITABILITY FOR INVESTMENT," "LITIGATION – The Developer" and "UNDERWRITING";

(l) If between the date of this Purchase Contract and the earlier of (i) date that is ninety (90) days from the end of the "Underwriting Period" as defined in Rule 15c2-12 or (ii) the time when the Limited Offering Memorandum is available to any person from the Municipal Securities Rulemaking Board's Electronic Municipal Market Access System (but in no event less than twenty-five (25) days following the end of the Underwriting Period), any event shall occur, of which the District has actual knowledge, which might or would cause the Limited Offering Memorandum, as then supplemented or amended, to contain any untrue statement of a material fact or to omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, the District shall notify the Underwriter thereof, and, if in the opinion of the Underwriter such event requires the preparation and publication of a supplement or amendment to the Limited Offering Memorandum, the District will at its expense supplement or amend the Limited Offering Memorandum in a form and in a manner approved by the Underwriter. The end of the Underwriting Period shall be the next business day after the Closing Date;

B. RELIANCE

This opinion is solely for the benefit of (i) the District; (ii) the Underwriter; and (iii) the Trustee; however, the Trustee may only rely on this opinion for the limited purposes of the opinions stated in

Sections C.1 and C.3. This opinion may not be relied on by any other party or for any other purpose without our prior written consent. . That said, this opinion may be relied upon Greenspoon Marder LLP, serving as bond counsel to the District, for the limited purposes of the following opinions: (1) that under the Florida Constitution and laws of the State, the District has been duly established and validly exists as a local unit of special purpose government, and (2) that each member of the Board has taken and subscribed to the oath of affirmation required by the laws of the State of Florida.

C. OPINIONS

Based on the foregoing, and subject to the qualifications and assumptions set forth herein, we are of the opinion that:

1. **Authority** – Under the Florida Constitution and laws of the State, the District has been duly established and validly exists as a local unit of special purpose government and a community development district under Chapter 190, *Florida Statutes* ("Act"), with such powers as set forth in the Act, and with good, right and lawful authority: (a) to enter into and to consummate the transactions contemplated by the Bond Resolution, the Assessment Resolution, the Indentures, the Bonds and the Bond Agreements; (b) to issue the Bonds for the purposes for which they are issued; (c) to impose, levy, collect and enforce the Debt Assessments and pledge the Pledged Revenues to secure the Bonds as provided in the Indentures; (d) to adopt the Bond Resolution and the Assessment Resolution; and (e) to perform its obligations under the terms and conditions of the Bond Resolution, the Assessment Resolution, the Bond Agreements, the Bonds and the Indentures.

2. **Assessments** – The proceedings by the District with respect to the Debt Assessments have been in accordance with Florida law. The District has taken all action necessary to levy and impose the Debt Assessments as set forth in the Assessment Resolution, Assessment Methodology, and/or other applicable documents. The Debt Assessments constitute legal, valid, binding and enforceable first liens upon the property against which such Debt Assessments are assessed, co-equal with the lien of all state, county, district and municipal taxes and assessments, and superior in dignity to all other liens, titles and claims, until paid.

3. **Agreements** – The (a) Bond Resolution, (b) Assessment Resolution, (c) Bonds, (d) Indentures, and (e) Bond Agreements (assuming due authorization, execution and delivery of documents (c) – (e) listed herein by any parties thereto other than the District) have been duly and validly authorized, executed and delivered by the District, have been duly approved and adopted and/or issued by the District, are in full force and effect, constitute legal, valid and binding obligations of the District, and are enforceable against the District in accordance with their respective terms. All conditions prescribed in the Indentures as precedent to the issuance of the Bonds have been fulfilled.

4. **Validation** – The Bonds have been validated by a final judgment of the Circuit Court in and for Lee County, Florida, of which no timely appeal was filed.

5. **Governmental Approvals** – As of the date hereof, all necessary consents, approvals, waivers or other actions by or filings with any governmental authority or other entity that are required for: (a) the adoption of the Bond Resolution and the Assessment Resolution; (b) the issuance, sale, execution and delivery of the Bonds upon the terms set forth in the BPA, PLOM, and the LOM; (c) the execution and delivery of the Indentures and Bond Agreements; and (d) the performance by the District of the transactions required hereby, have been duly obtained or made and are in full force and effect.

6. **PLOM and LOM** – The District has duly authorized the execution, delivery and distribution by the Underwriter of the PLOM and LOM. To our knowledge, and based upon our review of

the PLOM and LOM and without having undertaken to determine independently the accuracy, completeness or fairness of the statements contained in the PLOM and LOM, and as of the date of their respective issuances, and with respect to the PLOM the date of the BPA, and with respect to the LOM, the date hereof, nothing has come to our attention which would lead us to believe that the PLOM and LOM contain an untrue statement of a material fact or omit to state a material fact necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading, provided however that the opinions stated herein extend only to the following provisions of the PLOM and LOM: "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2019A BONDS – Prepayment of Series 2019 Special Assessments," "ENFORCEMENT OF ASSESSMENT COLLECTIONS," "THE DISTRICT" (excluding the subcaptions "District Manager and Other Consultants"), "THE DEVELOPMENT – Developer Agreements" (solely as to the description of the agreements), "AGREEMENT BY THE STATE," "LEGALITY FOR INVESTMENT," "LITIGATION – The District," "CONTINUING DISCLOSURE" (as it relates to the District only), "VALIDATION," and "AUTHORIZATION AND APPROVAL," and further provided however that the opinions stated herein do not extend to any statements that constitute descriptions of the Bonds or the Indentures. No information or opinion is offered as to any remaining provisions of the PLOM or LOM.

7. ***Litigation*** – Based on inquiry of the District's Registered Agent and the fact that we have not been served with notice, there is no litigation pending or, to the best of our knowledge, threatened against the District: (a) seeking to restrain or enjoin the issuance or delivery of the Bonds or the application of the proceeds thereof, or the imposition, levy or collection of the Debt Assessments or the Pledged Revenues pledged for the payment of the debt service on the Bonds; (b) contesting or affecting the authority for the Debt Assessments, the authority for the issuance of the Bonds or the validity or enforceability of the Bonds, the Indentures, the Bond Agreements or the transactions contemplated thereunder; (c) contesting or affecting the establishment or existence of the District or any of its Supervisors, officers or employees, its assets, property or condition, financial or otherwise, or contesting or affecting any of the powers of the District, including its power to enter into the Indentures or the Bond Agreements, or its power to determine, assess, levy, collect and pledge the Debt Assessments for the payment of the debt service on the Bonds; or (d) specifically contesting the exclusion from federal gross income of interest on the Bonds.

8. ***Compliance with Laws*** – To the best of our knowledge, the District is not, in any manner material to the issuance of the Bonds or the Debt Assessments, in breach of or default under any applicable provision of the Act or constitutional provision, statute, or administrative regulation of the State of Florida, or any applicable judgment or decree, any loan agreement, indenture, bond, note, resolution, agreement (including the Bond Agreements and Indentures), or any other material instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, and to the best of our knowledge, no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute a material default or event of default by the District under any such instrument; provided, however, that no opinion is expressed as to compliance with any state or federal tax or securities laws.

9. ***Authority to Undertake the Project*** - The District has good right and lawful authority under the Act to undertake, finance, acquire, construct, own, and operate the Project, subject to obtaining such licenses, orders or other authorizations as are, at the date of such opinion, required to be obtained from any agency or regulatory body.

D. CERTAIN ASSUMPTIONS

that copies of such public records, certifications, agreements, and other documents furnished to us are authentic and conform to the originals; (3) that all signatures on executed public records, certifications, agreements and other documents are genuine; and (4) that all public records, certifications, agreements and other documents have been properly authorized and are binding on each of the other parties thereto. Such assumptions do not apply to District documents.

E. CERTAIN QUALIFICATIONS

The foregoing opinions are subject to the following qualifications:

1. The opinions or statements expressed above are based solely on the laws of Florida in effect at the time of issuance of the Bonds. Accordingly, we express no opinion nor make any statement regarding the effect or application of the laws of the federal government (including but not limited to the Internal Revenue Code or any proposed changes thereto), or any other state or other jurisdiction.
2. 3. Nothing herein shall be construed as an opinion regarding the possible applicability of state securities or "blue sky" laws or federal securities laws, as to which no opinion is expressed.
4. We further express no opinion as to the necessity for an interest rate waiver under Florida law, or the applicability of any provision or section of the Internal Revenue Code.
5. We express no opinion and make no representations with regard to financial, project, statistical or other similar information or data. We express no opinion as to compliance with any state or federal tax laws.
6. We have not reviewed, and therefore express no opinion, regarding any land use, real property or other related items, including but not limited to whether the Developer is able to convey good and marketable title to any particular real property or interest therein and related to the Project.
7. With respect to any of the opinions set forth in this letter which are based on or qualified by the phrase "to our knowledge," the words "to our knowledge" signify that, in the course of our representation of the District, no facts have come to our attention that would give us actual knowledge that any such opinions or other matters are not accurate. Except to the extent expressly set forth herein, we have not undertaken any independent investigation to determine the existence or absence of any such facts, and no inference as to our knowledge of the existence of such facts should be drawn from the fact of our representation of District.
8. The opinions set forth herein are based on factual representations made to us as of the date hereof. We assume no duty to update or supplement our opinions to reflect any facts or circumstances that may thereafter come to our attention, or to reflect any changes in law that may thereafter occur or become effective. **Capital Improvement Revenue Bonds,
Series 2019A-2**

Dated: Date of Delivery

Due: As set forth herein

The Esplanade Lake Club Community Development District Capital Improvement Revenue Bonds, Series 2019A-1 (the "Series 2019A-1 Bonds") and the Esplanade Lake Club Community Development District Capital Improvement Revenue Bonds, Series 2019A-2 (the "Series 2019A-2 Bonds" and, together with the Series 2019A-1 Bonds, the "Series 2019A Bonds") are being issued by the Esplanade Lake Club Community Development District (the "District" or "Issuer") only in fully registered form, without coupons, in denominations of \$5,000 and any integral multiple thereof.

Any purchaser of a beneficial interest in a Series 2019 Bond must maintain an account with a broker or dealer who is, or acts through, a DTC Participant to receive payment of the principal of and interest on such Series 2019 Bond. See "DESCRIPTION OF THE SERIES 2019A BONDS – Book-Entry Only System" herein.

The Series 2019A Bonds are being issued by the District pursuant to the Act, Resolution No. 2019-21, adopted by the Board of Supervisors of the District (the "Board") on May 15, 2019 and Resolution No. 2019-[____], adopted by the Board on September [11], 2019 (collectively, the "Bond Resolution"), and a Master Trust Indenture dated as of _____ 1, 2019 (the "Master Indenture"), as supplemented with respect to the Series 2019A-1 Bonds by a First Supplemental Trust Indenture dated as of _____ 1, 2019 (the "First Supplemental Indenture" and, together with the Master Indenture, the "Series 2019A-1 Indenture"), and as supplemented with respect to the Series 2019A-2 Bonds by a Second Supplemental Trust Indenture dated as of _____ 1, 2019 (the "Second Supplemental Indenture" and, together with the Master Indenture, the "Series 2019A-2 Indenture") (the Series 2019A-1 Indenture and the Series 2019A-2 Indenture being collectively referred to herein as the "Indentures"), each by and between the District and the Trustee. Capitalized terms not defined herein shall have the meanings assigned to them in the respective Indentures. See "APPENDIX A: PROPOSED FORMS OF INDENTURES" herein.

See "PURPOSE OF THE SERIES 2019A-1 BONDS" and "ESTIMATED SOURCES AND USES OF FUNDS" herein.

Proceeds of the Series 2019A-2 Bonds will be used to: (i) finance a portion of the Cost of acquiring, constructing and equipping public assessable infrastructure and improvements (as more particularly described herein, the "Series 2019 Project"); (ii) pay certain costs associated with the issuance of the Series 2019A-2 Bonds; (iii) make a deposit into the Series 2019A-2 Reserve Account; and (iv) pay a portion of the interest to become due on the Series 2019A-2 Bonds. See "PURPOSE OF THE SERIES 2019A-2 BONDS" and "ESTIMATED SOURCES AND USES OF FUNDS" herein.

This Preliminary Offering Memorandum and the information contained herein are subject to completion or amendment. Under no circumstances shall this Preliminary Limited Offering Memorandum constitute an offer to sell or a solicitation of an offer to buy, nor shall there be any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration, qualification or exemption under the securities laws of such jurisdiction. The District has deemed this Preliminary Limited Offering Memorandum "final," except for permitted omissions, within the contemplation of Rule 15c2-12 promulgated by the Securities and Exchange Commission.

The Series 2019A-1 Bonds will be secured by a pledge of the Series 2019A-1 Trust Estate, which includes the Series 2019A-1 Pledged Revenues and the Series 2019A-1 Pledged Funds. The Series 2019A-1 Pledged Revenues consist of the revenues derived by the District from non-ad valorem special assessments levied to pay debt service on the Series 2019A-1 Bonds against the District Lands (as further described herein). The Series 2019A-1 Pledged Funds consist of the Funds and Accounts (except for the Series 2019A-1 Rebate Account) established by the Series 2019A-1 Indenture. See "SECURITY FOR AND SOURCE OF PAYMENT OF SERIES 2019A BONDS."

The Series 2019A-2 Bonds will be secured by a pledge of the Series 2019A-2 Trust Estate, which includes the Series 2019A-2 Pledged Revenues and the Series 2019A-2 Pledged Funds. The Series 2019A-2 Pledged Revenues consist of the revenues derived by the District from non-ad valorem special assessments levied to pay debt service on the Series 2019A-2 Bonds against the District Lands (as further described herein). The Series 2019A-2 Pledged Funds consist of the Funds and Accounts (except for the Series 2019A-2 Rebate Account) established by the Series 2019A-2 Indenture. See "SECURITY FOR AND SOURCE OF PAYMENT OF SERIES 2019A BONDS."

While the Series 2019A-1 Bonds and Series 2019A-2 Bonds are being issued simultaneously, each Series of Series 2019A Bonds is separately secured under a separate supplemental indenture as previously noted herein. Notwithstanding the foregoing, however, the Series 2019A-1 Special Assessments (as defined herein) which secure the Series 2019A-1 Bonds and the Series 2019A-2 Special Assessments (as defined herein) which secure the Series 2019A-2 Bonds are initially being levied on the same lands within the District, so that an Event of Default (as defined herein) under, or the exercise of remedies against, one Series of the Series 2019A Bonds could adversely affect the other Series of Series 2019A Bonds.

Each Series of Series 2019A Bonds is subject to optional, mandatory sinking fund and extraordinary mandatory redemption at the times, in the amounts and at the redemption prices as more fully described herein. See "DESCRIPTION OF THE SERIES 2019A BONDS – Redemption Provisions" herein.

NEITHER THE SERIES 2019A BONDS NOR THE INTEREST AND PREMIUM, IF ANY, PAYABLE THEREON SHALL CONSTITUTE A GENERAL OBLIGATION OR GENERAL INDEBTEDNESS OF THE DISTRICT WITHIN THE MEANING OF THE CONSTITUTION AND LAWS OF FLORIDA. THE SERIES 2019A BONDS AND THE INTEREST AND PREMIUM, IF ANY, PAYABLE THEREON DO NOT CONSTITUTE EITHER A PLEDGE OF THE FULL FAITH AND CREDIT OF THE DISTRICT OR A LIEN UPON ANY PROPERTY OF THE DISTRICT OTHER THAN AS PROVIDED IN THE INDENTURES AUTHORIZING THE ISSUANCE OF THE SERIES 2019A BONDS. NO OWNER OR ANY OTHER PERSON SHALL EVER HAVE THE RIGHT TO COMPEL THE EXERCISE OF ANY AD VALOREM TAXING POWER OF THE DISTRICT OR ANY OTHER PUBLIC AUTHORITY OR GOVERNMENTAL BODY TO PAY DEBT SERVICE OR TO PAY ANY OTHER AMOUNTS REQUIRED TO BE PAID PURSUANT TO THE INDENTURES OR THE SERIES 2019A BONDS. RATHER, DEBT SERVICE AND ANY OTHER AMOUNTS REQUIRED TO BE PAID PURSUANT TO THE INDENTURES, OR THE SERIES 2019A BONDS, SHALL BE PAYABLE SOLELY FROM, AND SHALL BE SECURED SOLELY BY, THE APPLICABLE SERIES 2019 TRUST ESTATE, INCLUDING THE APPLICABLE SERIES 2019 PLEDGED REVENUES AND THE APPLICABLE SERIES 2019 PLEDGED FUNDS, PLEDGED TO A SERIES OF THE SERIES 2019A BONDS, ALL AS PROVIDED HEREIN, IN THE MASTER INDENTURE AND IN THE RESPECTIVE SUPPLEMENTAL INDENTURES.

The Series 2019A Bonds involve a degree of risk (see "BONDOWNERS' RISKS" herein) and are not suitable for all investors (see "SUITABILITY FOR INVESTMENT" herein). The Underwriter named below is limiting this offering to "accredited investors" within the meaning of Chapter 517, Florida Statutes, and the rules of the Florida Department of Financial Services promulgated thereunder. The limitation of the initial offering to accredited investors does not denote restrictions on transfer in any secondary market for the Series 2019A Bonds. The Series 2019A Bonds are not credit enhanced or rated and no application has been made for a rating with respect to the Series 2019A Bonds.

This cover page contains information for quick reference only. It is not a summary of the Series 2019A Bonds. Investors must read the entire Limited Offering Memorandum to obtain information essential to the making of an informed investment decision.

INTRODUCTION

The purpose of this Limited Offering Memorandum is to set forth certain information in connection with the offering for sale by the Esplanade Lake Club Community Development District (the "District" or "Issuer") of its \$ _____* Capital Improvement Revenue Bonds, Series 2019A-1 (the "Series 2019A-1 Bonds") and its \$ _____* Capital Improvement Revenue Bonds, Series 2019A-2 (the "Series 2019A-2 Bonds" and, together with the Series 2019A-1 Bonds, the "Series 2019A Bonds").

THE SERIES 2019A BONDS ARE NOT A SUITABLE INVESTMENT FOR ALL INVESTORS. PURSUANT TO APPLICABLE STATE LAW, THE UNDERWRITER IS LIMITING THIS INITIAL OFFERING OF THE SERIES 2019A BONDS TO ONLY ACCREDITED INVESTORS WITHIN THE MEANING OF THE RULES OF THE FLORIDA DEPARTMENT OF FINANCIAL SERVICES. THE LIMITATION OF THE INITIAL OFFERING TO ACCREDITED INVESTORS DOES NOT DENOTE RESTRICTIONS ON TRANSFER IN ANY SECONDARY MARKET FOR THE SERIES 2019A BONDS. POTENTIAL INVESTORS ARE SOLELY RESPONSIBLE FOR EVALUATING THE MERITS AND RISKS OF AN INVESTMENT IN THE SERIES 2019A BONDS. SEE "BONDOWNERS' RISKS" AND "SUITABILITY FOR INVESTMENT" HEREIN.

The District was created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the "Act"), and Ordinance No. 18-21 enacted by the Lee County Board of County Commissioners (the "County"), on September 19, 2018 (the "Ordinance"). The District was created for the purpose of delivering certain community development services and facilities for the benefit of District Lands (as hereinafter defined) and has previously determined to undertake in one or more stages, the acquisition and/or construction of public improvements and community facilities as set forth in the Act for the special benefit of certain District Lands. The Act authorizes the District to issue bonds for the purpose of, among others, financing, funding, planning, establishing, acquiring, constructing or reconstructing, enlarging or extending, equipping water management, water supply, sewer and wastewater management, bridges or culverts, public roads, street lights and other basic infrastructure projects within or without the boundaries of the District as provided in the Act.

The boundaries of the District include approximately 779 gross acres of land (the "District Lands"). The District is generally located at the intersection of the Ben Hill Griffin Parkway and Alico Road in unincorporated Lee County, Florida (the "County"). The District Lands are being developed as part of a larger master-planned residential community known as "Esplanade Lake Club" (the "Development"). The Development is being developed in multiple phases and is currently planned for a total of approximately 653 residential units, consisting of 186 villas and 467 single-family homes and associated amenity facilities, as well as approximately 38.37 developable acres of commercial uses. See "THE DEVELOPMENT" herein.

Taylor Morrison of Florida, Inc., a Florida corporation (the "Developer"), is serving as the developer and one of the homebuilders for the Development. See "THE DEVELOPER" herein for more information.

The Series 2019A Bonds are being issued by the District pursuant to the Act, Resolution No. 2019-21, adopted by the Board of Supervisors of the District (the "Board") on May 15, 2019 and Resolution No. 2019-[___], adopted by the Board on September [11], 2019 (collectively, the "Bond Resolution"), and a Master Trust Indenture dated as of _____ 1, 2019 (the "Master Indenture"), as supplemented by a First Supplemental Trust Indenture dated as of _____ 1, 2019 (the "First Supplemental Indenture" and, together with the Master Indenture, the "Series 2019A-1 Indenture"), and as supplemented with respect to the Series 2019A-2 Bonds by a Second Supplemental Trust Indenture dated as of _____ 1, 2019 (the "Second Supplemental Indenture" and, together with the Master Indenture, the "Series 2019A-2 Indenture") (the Series 2019A-1 Indenture and the Series 2019A-2 Indenture being collectively referred to herein as the "Indentures"), each by and between the District and U.S. Bank National Association, as trustee (the "Trustee"). Capitalized terms not defined herein shall have the meanings assigned to them in the respective Indentures. See "APPENDIX A: PROPOSED FORMS OF INDENTURES" herein.

The Series 2019A-1 Bonds will be secured by a pledge of the Series 2019A-1 Pledged Revenues (as defined herein), which consist primarily of the revenues received by the District from the Series 2019A-1 Assessments (as defined herein) levied and collected on the assessable lands within the District. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2019A BONDS" herein.

The Series 2019A-2 Bonds will be secured by a pledge of the Series 2019A-2 Pledged Revenues (defined herein), which consist primarily of the revenues received by the District from the Series 2019A-2 Assessments (as defined herein) levied and collected on certain assessable lands within the District. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2019A BONDS" herein.

While the Series 2019A-1 Bonds and Series 2019A-2 Bonds are being issued simultaneously, each Series of Series 2019A Bonds is separately secured under a separate supplemental indenture as previously noted herein. Notwithstanding the foregoing, however, the Series 2019A-1 Special Assessments (as defined herein) which secure the Series 2019A-1 Bonds and the Series 2019A-2 Special Assessments (as defined herein) which secure the Series 2019A-2 Bonds are initially being levied on the same lands within the District, so that an Event of Default (as defined herein) under, or the exercise of remedies against, one Series of the Series 2019A Bonds could adversely affect the other Series of Series 2019A Bonds. [Discuss - Pursuant to the terms of the Second Supplemental Indenture, the Trustee shall not pay any requisition presented under the Second Supplemental Indenture until all moneys on deposit in the Series 2019A-1 Acquisition and Construction Account created under the First Supplemental Indenture has been requisitioned.]

There follows in this Limited Offering Memorandum a brief description of the District, the Developer, the Builders (as defined herein), the Development, the Series 2019 Project (as defined herein) and summaries of the terms of the Series 2019A Bonds, the Indentures and certain provisions of the Act. All references herein to the Indentures and the Act are qualified in their entirety by reference to such documents and statute, and all references to the Series 2019A-1 Bonds and the Series 2019A-2 are qualified by reference to the respective definitive form thereof and the information with respect thereto contained in the Indentures. The proposed forms of the Master Indenture, First Supplemental Indenture, and Second Supplemental Indenture appear in APPENDIX A attached hereto.

This Limited Offering Memorandum speaks only as of its date and the information contained herein is subject to change.

PURPOSE OF THE SERIES 2019A BONDS

Proceeds of the Series 2019A-1 Bonds will be used to: (i) finance a portion of the Cost of acquiring, constructing and equipping public assessable infrastructure and improvements (as more particularly described herein, the "Series 2019 Project"); (ii) pay certain costs associated with the issuance of the Series 2019A-1 Bonds; (iii) make a deposit into the Series 2019A-1 Reserve Account; and (iv) pay a portion of the interest to become due on the Series 2019A-1 Bonds. See "PURPOSE OF THE SERIES 2019A BONDS" and "ESTIMATED SOURCES AND USES OF FUNDS" herein.

Proceeds of the Series 2019A-2 Bonds will be used to: (i) finance a portion of the Cost of acquiring, constructing and equipping public assessable infrastructure and improvements (as more particularly described herein, the "Series 2019 Project"); (ii) pay certain costs associated with the issuance of the Series 2019A-2 Bonds; (iii) make a deposit into the Series 2019A-2 Reserve Account; and (iv) pay a portion of the interest to become due on the Series 2019A-2 Bonds. See "PURPOSE OF THE SERIES 2019A BONDS" and "ESTIMATED SOURCES AND USES OF FUNDS" herein.

DESCRIPTION OF THE SERIES 2019A BONDS

General Description

The Series 2019A Bonds are issuable only as fully registered bonds, without coupons, in the denominations of \$5,000 and any integral multiple thereof except as otherwise provided in the Indentures. The Series 2019A Bonds will mature, subject to the redemption provisions set forth herein, on the dates and in the amounts set forth on the inside cover page hereof.

The Series 2019A Bonds shall be dated as of the date of initial delivery. Each Series 2019A Bond shall bear interest from the Interest Payment Date to which interest has been paid next preceding the date of its authentication, unless the date of its authentication: (i) is an Interest Payment Date to which interest on such Series 2019A Bond has been paid, in which event such Series 2019A Bond shall bear interest from its date of authentication; or (ii) is prior to the first Interest Payment Date for the Series 2019A Bonds, in which event, such Series 2019A Bond shall bear interest from its date. "Interest Payment Date" means May 1 and November 1 of each year, commencing [_____ 1, 20__]. Interest on the Series 2019A Bonds will be computed in all cases on the basis of a 360-day year consisting of twelve 30-day months.

Upon initial issuance, the ownership of each Series of Series 2019A Bonds will be registered in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York ("DTC"), and purchases of beneficial interests in each Series of Series 2019A Bonds will be made in book-entry only form. As long as any Series of the Series 2019A Bonds is held in book-entry-only form, Cede & Co. shall be considered the registered owner for all purposes under the applicable Indenture. DTC shall be responsible for maintaining a book-entry-only system for recording the ownership interest of its participants ("DTC Participants") and other institutions that clear through or maintain a custodial relationship with a DTC Participant, either directly or indirectly ("Indirect Participants"). The DTC Participants and Indirect Participants will be responsible for maintaining records with respect to the beneficial ownership interests of individual purchasers of each Series of Series 2019A Bonds ("Beneficial Owners"). Principal of and interest on any Series of Series 2019A Bonds registered in the name of Cede & Co. prior to and at maturity shall be payable directly to Cede & Co. in care of DTC. Disbursal of such amounts to DTC Participants shall be the responsibility of DTC. Payments by DTC Participants to Indirect Participants, and by DTC Participants and Indirect Participants to Beneficial Owners shall be the responsibility of DTC Participants and Indirect Participants and not of DTC, the Trustee or the District. Individuals may purchase beneficial interests in Authorized Denominations in book-entry-only form, without certificated Series 2019A Bonds, through DTC Participants and Indirect Participants. During the period for which Cede & Co. is registered

owner of any Series of Series 2019A Bonds, any notices to be provided to any Beneficial Owner of such Series will be provided to Cede & Co. DTC shall be responsible for notices to DTC Participants, and DTC Participants shall be responsible for notices to Indirect Participants, and DTC Participants and Indirect Participants shall be responsible for notices to Beneficial Owners. In the event DTC, any successor of DTC or the District, but only in accordance with the procedures of DTC, elects to discontinue the book-entry only system, the Trustee shall deliver bond certificates in accordance with the instructions from DTC or its successor and after such time. See "DESCRIPTION OF THE SERIES 2019A BONDS – Book-Entry Only System" below.

The Series 2019A Bonds will initially be sold only to "accredited investors" within the meaning under Chapter 517, Florida Statutes, as amended, and the rules of the Florida Department of Financial Services promulgated thereunder, although there is no limitation on resales of the Series 2019A Bonds. See "SUITABILITY FOR INVESTMENT" below.

U.S. Bank National Association is initially serving as the Trustee, Registrar and Paying Agent for the Series 2019A Bonds.

(b) from amounts, including Series 2019A-1 Prepayments and transfers made pursuant to the First Supplemental Indenture, required by the Series 2019A-1 Indenture to be deposited into the Series 2019A-1 Prepayment Subaccount of the Series 2019A-1 Redemption Account; or

(c) from amounts transferred to the Series 2019A-1 Prepayment Subaccount of the Series 2019A-1 Redemption Account resulting from a reduction in the Series 2019A-1 Reserve Account Requirement as provided for in the Series 2019A-1 Indenture; or

(d) on and after the date on which the amount on deposit in the Series 2019A-1 Reserve Account, together with other moneys available therefor, are sufficient to pay and redeem all of the Series 2019A-1 Bonds then Outstanding, including accrued interest thereon.

Series 2019A-2 Bonds

The Series 2019A-2 Bonds are subject to extraordinary mandatory redemption prior to maturity, in whole on any date or in part on any Redemption Date, in the manner determined by the Bond Registrar at the Redemption Price of 100% of the principal amount thereof, without premium, together with accrued interest to the Redemption Date, if and to the extent that any one or more of the following shall have occurred:

(a) on or after the Date of Completion of the Series 2019 Project, by application of moneys transferred from the Series 2019A-2 Acquisition and Construction Account in the Acquisition and Construction Fund established under the Series 2019A-2 Indenture to the Series 2019A-2 Prepayment Subaccount of the Series 2019 Redemption Account in accordance with the terms of the Series 2019A-2 Indenture; or

(b) from amounts, including Series 2019A-2 Prepayments and transfers made pursuant to the Second Supplemental Indenture, required by the Series 2019A-2 Indenture to be deposited into the Series 2019A-2 Prepayment Subaccount of the Series 2019A-2 Redemption Account; or

Notice of Redemption and of Purchase

Notice of each redemption of Series 2019A Bonds is required to be mailed by the Bond Registrar, postage prepaid, not less than thirty (30) nor more than forty-five (45) days prior to the Redemption Date to each registered Owner of Series 2019A Bonds to be redeemed at the address of such registered Owner recorded on the bond register maintained by the Bond Registrar. On the date designated for redemption, notice having been given and money for the payment of the Redemption Price being held by the Paying Agent, all as provided in the Indentures, the Series 2019A Bonds or such portions thereof so called for redemption shall become and be due and payable at the Redemption Price provided for the redemption of such Series 2019A Bonds or such portions thereof on such date, interest on such Series 2019A Bonds or such portions thereof so called for redemption shall cease to accrue, such Series 2019A Bonds or such portions thereof so called for redemption shall cease to be entitled to any benefit or security under the applicable Indenture and the Owners thereof shall have no rights in respect of such Series 2019A Bonds or such portions thereof so called for redemption except to receive payments of the Redemption Price thereof so held by the Paying Agent. Further notice of redemption shall be given by the Bond Registrar to certain registered securities depositories and information services as set forth in the applicable Indenture, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed. As provided in the Indentures, notice of optional redemption may be conditioned upon the occurrence or non-occurrence of such event or events as shall be specified in such notice of optional redemption and may also be subject to rescission by the District if expressly set forth in such notice.

Purchase of Series 2019A Bonds

The District may purchase the Series 2019A Bonds then Outstanding at any time, whether or not such Bonds shall then be subject to redemption, at the most advantageous price obtainable with reasonable diligence, having regard to maturity, option to redeem, rate and price, such price not to exceed the principal of such Series 2019A Bonds plus the amount of the premium, if any, which would be payable on the next redemption date to the Owners of such Series 2019A Bonds under the provisions of the applicable Indenture if such Series 2019A Bonds were called for redemption on such date.

Book-Entry Only System

The information in this caption concerning DTC and DTC's book-entry system has been obtained from DTC and neither the District nor the Underwriter make any representation or warranty or take any responsibility for the accuracy or completeness of such information.

The Depository Trust Company ("DTC"), New York, NY, will act as securities depository for the Series 2019A Bonds. The Series 2019A Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Series 2019 Bond certificate will be issued for each maturity of each Series of the Series 2019A Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York

Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Series 2019A Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2019A Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2019 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2019A Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2019A Bonds, except in the event that use of the book-entry system for the Series 2019A Bonds is discontinued.

To facilitate subsequent transfers, all Series 2019A Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Series 2019A Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2019A Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2019A Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2019A Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2019A Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Series 2019 Bond documents. For example, Beneficial Owners of Series 2019A Bonds may wish to ascertain that the nominee holding the Series 2019A Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2019A Bonds of a Series are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such Series 2019A Bonds to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2019A Bonds unless authorized by a Direct Participant in accordance with DTC's MMI procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2019A Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions,* and interest payments on the Series 2019A Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the District or the Paying Agent on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC nor its nominee, the Trustee, or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions,* and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District and/or the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Series 2019A Bonds at any time by giving reasonable notice to the District or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Series 2019 Bond certificates are required to be printed and delivered.

The District may decide to discontinue use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, Series 2019 Bond certificates will be printed and delivered to DTC.

THE SERIES 2019A BONDS AND THE INTEREST AND PREMIUM, IF ANY, PAYABLE THEREON DO NOT CONSTITUTE EITHER A PLEDGE OF THE FULL FAITH AND CREDIT OF THE DISTRICT OR A LIEN UPON ANY PROPERTY OF THE DISTRICT OTHER THAN AS PROVIDED IN THE INDENTURES AUTHORIZING THE ISSUANCE OF THE SERIES 2019A BONDS. NO OWNER OR ANY OTHER PERSON SHALL EVER HAVE THE RIGHT TO COMPEL THE EXERCISE OF ANY AD VALOREM TAXING POWER OF THE DISTRICT OR ANY OTHER PUBLIC AUTHORITY OR GOVERNMENTAL BODY TO PAY DEBT SERVICE OR TO PAY ANY OTHER AMOUNTS REQUIRED TO BE PAID PURSUANT TO THE INDENTURES OR THE SERIES

* Not applicable to the Series 2019A Bonds.

2019A BONDS. RATHER, DEBT SERVICE AND ANY OTHER AMOUNTS REQUIRED TO BE PAID PURSUANT TO THE INDENTURES, OR THE SERIES 2019A BONDS, SHALL BE PAYABLE SOLELY FROM, AND SHALL BE SECURED SOLELY BY, THE APPLICABLE SERIES 2019 TRUST ESTATE, INCLUDING THE APPLICABLE SERIES 2019 PLEDGED REVENUES AND THE APPLICABLE SERIES 2019 PLEDGED FUNDS, PLEDGED TO A SERIES OF THE SERIES 2019A BONDS, ALL AS PROVIDED HEREIN, IN THE MASTER INDENTURE AND IN THE RESPECTIVE SUPPLEMENTAL INDENTURES.

The Series 2019A-1 Bonds will be secured by a pledge of the Series 2019A-1 Trust Estate, which includes the Series 2019A-1 Pledged Revenues and the Series 2019A-1 Pledged Funds. The Series 2019A-1 Pledged Revenues consist of the revenues derived by the District from non-ad valorem special assessments levied to pay debt service on the Series 2019A-1 Bonds against the District Lands (as further described herein). The Series 2019A-1 Pledged Funds consist of the Funds and Accounts (except for the Series 2019A-1 Rebate Account) established by the Series 2019A-1 Indenture. See "SECURITY FOR AND SOURCE OF PAYMENT OF SERIES 2019A BONDS."

The Series 2019A-2 Bonds will be secured by a pledge of the Series 2019A-2 Trust Estate, which includes the Series 2019A-2 Pledged Revenues and the Series 2019A-2 Pledged Funds. The Series 2019A-2 Pledged Revenues consist of the revenues derived by the District from non-ad valorem special assessments levied to pay debt service on the Series 2019A-2 Bonds against the District Lands (as further described herein). The Series 2019A-2 Pledged Funds consist of the Funds and Accounts (except for the Series 2019A-2 Rebate Account) established by the Series 2019 A-2 Indenture. See "SECURITY FOR AND SOURCE OF PAYMENT OF SERIES 2019A BONDS."

While the Series 2019A-1 Bonds and Series 2019A-2 Bonds are being issued simultaneously, each Series of Series 2019A Bonds is separately secured under a separate supplemental indenture as previously noted herein. Notwithstanding the foregoing, however, the Series 2019A-1 Special Assessments (as defined herein) which secure the Series 2019A-1 Bonds and the Series 2019A-2 Special Assessments (as defined herein) which secure the Series 2019A-2 Bonds are initially being levied on the same lands within the District, so that an Event of Default (as defined herein) under, or the exercise of remedies against, one Series of the Series 2019A Bonds could adversely affect the other Series of Series 2019A Bonds. [Discuss - Pursuant to the terms of the Second Supplemental Indenture, the Trustee shall not pay any requisition presented under the Second Supplemental Indenture until all moneys on deposit in the Series 2019A-1 Acquisition and Construction Account created under the First Supplemental Indenture has been requisitioned.]

"Series 2019A-1 Assessments" shall mean the Assessments imposed, levied and collected by the District in respect of the Series 2019A-1 Bonds and the portion of the Series 2019 Project financed with the proceeds thereof.

"Series 2019A-2 Assessments" shall mean the Assessments imposed, levied and collected by the District in respect of the Series 2019A-2 Bonds and the portion of the Series 2019 Project financed with the proceeds thereof.

The Series 2019A-1 Assessments and the Series 2019A-2 Assessments are collectively referred to herein as the "Series 2019 Assessments."

The Series 2019 Assessments are non-ad valorem Assessments imposed and levied by the District pursuant to Section 190.022 of the Act and the Assessment Resolutions (as defined in the Indentures) and assessment proceedings conducted by the District (together with the Assessment Resolutions, the "Assessment Proceedings"). Non-ad valorem assessments are not based on millage and are not taxes, but

are a lien against the homestead as permitted in Section 4, Article X of the Florida State Constitution. The Series 2019A-1 Assessments and the Series 2019A-2 Assessments will constitute separate liens against the land as to which the Series 2019A-1 Assessments and the Series 2019A-2 Assessments, respectively, are imposed. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein. The Assessment Methodology, which describes the methodology for allocating the Series 2019 Assessments to the lands within the District, is included as APPENDIX D attached hereto.

In the Master Indenture, the District will covenant that, if any Series 2019 Special Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the District shall be satisfied that any such Series 2019 Assessment is so irregular or defective that the same cannot be enforced or collected, or if the District shall have omitted to make such Series 2019 Special Assessment when it might have done so, the District shall either (i) take all necessary steps to cause a new Series 2019 Special Assessment to be made for the whole or any part of said improvement or against any property benefited by said improvement, or (ii) in its sole discretion, make up the amount of such Series 2019 Special Assessment from any legally available moneys, which moneys shall be deposited into the Series 2019 Revenue Account. In case such second Series 2019 Special Assessment shall be annulled, the District shall obtain and make other Series 2019 Assessments until a valid Series 2019 Special Assessment shall be made.

Prepayment of Series 2019 Assessments

[Pursuant to the Assessment Proceedings, an owner of property subject to the Series 2019A-1 Assessments or the Series 2019A-2 Assessments, as applicable, may, at its option, prepay the entire principal balance of such Special Assessment at any time or a portion of the amount such Special Assessment up to two times, plus accrued interest to the next succeeding interest payment date on the related Series of Series 2019A Bonds (or the second succeeding interest payment date if such prepayment is made within forty-five (45) calendar days before an interest payment date). Prepayment of such Special Assessment does not entitle the property owner to any discounts for early payment.

Pursuant to the Act, an owner of property subject to the levy of Series 2019 Assessments may pay the entire balance of the Series 2019 Assessments remaining due, without interest, within thirty (30) days after the related Series Project has been completed or acquired by the District and the Board has adopted a resolution accepting such Project pursuant to Chapter 170.09, Florida Statutes. The Developer, as the sole owners of the property within the District, will covenant to waive this right on behalf of themselves and their respective successors and assigns in connection with the issuance of the Series 2019A Bonds.]

Each Series of the Series 2019A Bonds are subject to extraordinary redemption as indicated under "DESCRIPTION OF THE SERIES 2019A BONDS – Redemption Provisions – Extraordinary Mandatory Redemption" from optional or required Prepayments of applicable Series 2019 Assessments by property owners. Pursuant to the respective Indentures, a credit against the full amount of a Prepayment of a Series 2019 Special Assessment may be available from certain moneys in the related Series Reserve Account in excess of the applicable Reserve Requirement as a result of such Prepayment. See "–Series 2019 Reserve Accounts – Reserve Accounts Generally" herein for more information.

Covenant Against Sale or Encumbrance

In the Master Indenture, the District will covenant that (a) except for those improvements comprising any Project that are to be conveyed by the District to the County, the State Department of Transportation or another governmental entity and (b) except as otherwise permitted in the Master Indenture, it will not sell, lease or otherwise dispose of or encumber any Project or any part thereof. See "APPENDIX A: PROPOSED FORMS OF INDENTURES" attached hereto for more information.

Additional Bonds

Series 2019A-1 Bonds

Other than Bonds issued to refund all of the then Outstanding Series 2019A-1 Bonds, the issuance of which results in net present value debt service savings, the District shall not, while any Series 2019A-1 Bonds are Outstanding, issue or incur any debt payable in whole or in part from the Series 2019A-1 Trust Estate. The District will further covenant and agree that so long as the Series 2019A-1 Bonds are Outstanding, it will not impose Assessments for capital projects on any lands subject to the Series 2019A-1 Assessments other than the Series 2019A-2 Assessments, unless the Series 2019A-1 Assessments and the Series 2019A-2 Assessments have been Substantially Absorbed. "Substantially Absorbed" shall mean the date when at least ninety percent (90%) of the principal portion of the Series 2019A-1 Assessments and the Series 2019A-2 Assessments have been assigned to residential units within the District that have each received a certificate of occupancy. The Trustee and the District may conclusively rely on a certificate from the District Manager regarding such status of the residential units and the Series 2019A-1 Assessments and the Series 2019A-2 Assessments, and in the absence of such certification, may assume the Series 2019A-1 Assessments and the Series 2019A-2 Assessments have not been Substantially Absorbed. Notwithstanding the previous sentences herein, the foregoing shall not preclude the imposition of capital Assessments on property subject to the Series 2019A-1 Assessments and the Series 2019A-2 Assessments which are necessary, as determined by the District, for health, safety or welfare reasons or to remediate a natural disaster or Operation and Maintenance Assessments. The Trustee is entitled to assume that the Series 2019A-1 Assessments and the Series 2019A-2 Assessments have not been Substantially Absorbed absent delivery to the Trustee of a certificate of the District Manager to the contrary on which the Trustee may conclusively rely.

Series 2019A-2 Bonds

Other than Bonds issued to refund the then Outstanding Series 2019A-2 Bonds, the issuance of which results in net present value debt service savings, the District shall not, while any Series 2019A-2 Bonds are Outstanding, issue or incur any debt payable in whole or in part from the Series 2019A-2 Trust Estate. The District will further covenant and agree that so long as the Series 2019A-2 Bonds are Outstanding, it will not impose Assessments for capital projects on any lands subject to the Series 2019A-2 Assessments other than the Series 2019A-1 Assessments, unless the Series 2019A-2 Assessments have been Substantially Absorbed. The Trustee and the District may conclusively rely on a certificate from the District Manager regarding such status of the residential units and the Series 2019A-1 Assessments and the Series 2019A-2 Assessments, and in the absence of such certification, may assume the Series 2019A-1 Assessments and the Series 2019A-2 Assessments have not been Substantially Absorbed. Notwithstanding the previous sentences herein, the foregoing shall not preclude the imposition of capital Assessments on property subject to the Series 2019A-1 Assessments and the Series 2019A-2 Assessments which are necessary, as determined by the District, for health, safety or welfare reasons or to remediate a natural disaster or Operation and Maintenance Assessments. The Trustee is entitled to assume that the Series 2019A-1 Assessments and the Series 2019A-2 Assessments have not been Substantially Absorbed absent delivery to the Trustee of a certificate of the District Manager to the contrary on which the Trustee may conclusively rely.

Additional Considerations

The District and/or other public entities may impose taxes or other Assessments on the same properties encumbered by the Series 2019 Assessments without the consent of the Owners of the related Series of Series 2019A Bonds. The District expects to impose certain non-ad valorem Assessments called maintenance assessments, which are of equal dignity with the Series 2019 Assessments, on the same lands

upon which the Series 2019 Assessments are imposed, to fund the maintenance and operation of the District. See "THE DEVELOPMENT – Taxes, Fees and Assessments" and "BONDOWNERS' RISKS" herein for more information.

Anything in the Series 2019A-2 Indenture to the contrary notwithstanding, the Consulting Engineers shall establish a Date of Completion for the Series 2019 Project, and any balance remaining in the Series 2019A-2 Acquisition and Construction Account (taking into account the moneys currently on deposit therein to pay any accrued but unpaid Costs of the Series 2019 Project which are required to be reserved in the Series 2019A-2 Acquisition and Construction Account in accordance with the certificate of the Consulting Engineers delivered to the District and the Trustee establishing such Date of Completion), shall be deposited pursuant to the Second Supplemental Indenture to the Series 2019A-2 Prepayment Subaccount and applied to the extraordinary mandatory redemption of the Series 2019A-2 Bonds in accordance with the Second Supplemental Indenture and applied to the extraordinary mandatory redemption of the Series 2019A-2 Bonds in accordance with the Second Supplemental Indenture and in the manner prescribed in the respective forms of the Series 2019A-2 Bonds attached as an exhibit to the Second Supplemental Indenture, whereupon the Series 2019A-2 Acquisition and Construction Account shall be closed.

See "APPENDIX A: PROPOSED FORMS OF INDENTURES" attached hereto for more information.

Series 2019 Reserve Accounts

Series 2019A-1 Reserve Account

The First Supplemental Indenture establishes a "Series 2019A-1 Reserve Account" within the Debt Service Reserve Fund for the Series 2019A-1 Bonds (referred to herein as the "Series 2019A-1 Reserve Account"). The Series 2019A-1 Reserve Account shall be funded and maintained at all times, subject to the provisions of the First Supplemental Indenture, in an amount equal to the Series 2019A-1 Reserve Account Requirement. The "Series 2019A-1 Reserve Account Requirement" shall mean an amount equal to the Maximum Annual Debt Service Requirement for the Outstanding Series 2019A-1 Bonds (as hereinafter determined) as of the time of any such calculation; provided, however, upon the occurrence of the Reserve Account Release Conditions, the Series 2019A-1 Reserve Account Requirement shall be reduced to an amount equal to fifty percent (50%) of the Maximum Annual Debt Service Requirement for the Outstanding Series 2019A-1 Bonds (as hereinafter determined) as of the time of any such calculation. [TO BE DISCUSSED]. For purposes of the foregoing calculations, notwithstanding anything to the contrary in the Master Indenture, the determination of the "Outstanding Series 2019A-1 Bonds" shall take into account any redemptions of Series 2019A-1 Bonds to be made on the next succeeding Redemption Date immediately following the calculation date. The Series 2019A-1 Reserve Requirement shall initially be equal to \$_____, which does not exceed the lesser of (a) 125% of the average annual Debt Service for all Outstanding Series 2019A-1 Bonds calculated as of the date of original issuance thereof or (b) 10% of the proceeds of the Series 2019A-1 Bonds calculated as of the date of original issuance thereof.

"Reserve Account Release Conditions" shall mean (i) all of the residential lots planned for the land within the District as reflected in the Assessment Methodology are developed and platted as certified in writing by the Consulting Engineers and (ii) no Event of Default has occurred and is continuing with respect to any Outstanding Series 2019A-1 Bonds or Series 2019A-2 Bonds, as applicable.

Except as otherwise provided in the Indenture, amounts on deposit in the Series 2019A-1 Reserve Account shall be used only for the purpose of making payments into the Series 2019A-1 Interest Account and the Series 2019A-1 Sinking Fund Account to pay Debt Service on the Series 2019A-1 Bonds, when due, without distinction as to Series 2019A-1 Bonds and without privilege or priority of one Series 2019A-1 Bond over another, to the extent the moneys on deposit in such Accounts therein and available therefor are insufficient and for no other purpose. Such Accounts shall consist only of cash and Series 2019A-1 Investment Obligations.

Anything in the Series 2019A-1 Indenture to the contrary notwithstanding, on the forty-fifth (45th) day preceding each Redemption Date (or, if such forty-fifth (45th) day is not a Business Day, on the first Business Day preceding such forty-fifth (45th) day) (or such other date that corresponds to the date mutually determined by the Trustee and the District pursuant to the First Supplemental Indenture), the Trustee is hereby authorized and directed to recalculate the Series 2019A-1 Reserve Account Requirement and to transfer any excess on deposit in the Series 2019A-1 Reserve Account (other than excess resulting from investment earnings which shall be applied as provided in the First Supplemental Indenture) into the respective Prepayment Subaccount of the Series 2019 Redemption Account to be applied to the extraordinary mandatory redemption such Series 2019A-1 2019 Bonds.

Upon the occurrence of the Reserve Account Release Conditions, the Trustee is hereby authorized and directed to recalculate (i) the Series 2019A-1 Reserve Account Requirement and to transfer any excess on deposit in the Series 2019A-1 Reserve Account (other than excess resulting from investment earnings

which shall be applied as provided in the First Supplemental Indenture), into the Series 2019A-1 Acquisition and Construction Account if the Date of Completion of the Series 2019 Project has not yet occurred, or if the Date of Completion of the Series 2019 Project has occurred, into the Series 2019A-1 Prepayment Subaccount of the Series 2019A-1 Redemption Account to be applied to the extraordinary mandatory redemption of the Series 2019A-1 Bonds as provided for in the Series 2019A-1 Indenture.

The District Manager, on behalf of the District, shall provide written notice to the Trustee when the Reserve Account Release Condition has occurred, upon which notice the Trustee may conclusively rely. Until the Trustee has received a certificate of the Consulting Engineers establishing the Date of Completion of the Series 2019 Project, the Trustee shall assume the Date of Completion of the Series 2019 Project has not yet occurred.

On the earliest date on which there is on deposit in the Series 2019A-1 Reserve Account sufficient monies, after taking into account other monies available therefor, to pay and redeem all of the Outstanding Series 2019A-1 Bonds, together with accrued interest on such Series 2019A-1 Bonds to the earliest Redemption Date permitted therein and herein, then the Trustee shall transfer the amount on deposit in the Series 2019A-1 Reserve Account into the applicable Prepayment Subaccount of the Series 2019 Redemption Account to pay and redeem all of the Outstanding Series 2019A-1 Bonds on the earliest Redemption Date permitted in the Series 2019A-1 Indenture.

Anything in the Series 2019A-1 Indenture to the contrary notwithstanding, amounts on deposit in the Series 2019A-1 Reserve Account shall, upon the occurrence and continuance of an Event of Default, be subject to a first charge by the Trustee for its fees and expenses, including fees and expenses of collection of Delinquent Assessments.

Series 2019A-2 Reserve Account

The Second Supplemental Indenture establishes a "Series 2019A-2 Reserve Account" within the Debt Service Reserve Fund for the Series 2019A-2 Bonds (referred to herein as the "Series 2019A-2 Reserve Account"). The Series 2019A-2 Reserve Account shall be funded and maintained at all times, subject to the provisions of the Second Supplemental Indenture, in an amount equal to the Series 2019A-2 Reserve Account Requirement. The "Series 2019A-2 Reserve Account Requirement" shall mean an amount equal to the Maximum Annual Debt Service Requirement for the Outstanding Series 2019A-2 Bonds (as hereinafter determined) as of the time of any such calculation; provided, however, upon the occurrence of the Reserve Account Release Conditions (as defined above), the Series 2019A-2 Reserve Account Requirement shall be reduced to an amount equal to fifty percent (50%) of the Maximum Annual Debt Service Requirement for the Outstanding Series 2019A-2 Bonds (as hereinafter determined) as of the time of any such calculation. [TO BE DISCUSSED] For purposes of the foregoing calculations, notwithstanding anything to the contrary in the Master Indenture, the determination of the "Outstanding Series 2019A-2 Bonds" shall take into account any redemptions of Series 2019A-2 Bonds to be made on the next succeeding Redemption Date immediately following the calculation date. The Series 2019A-2 Reserve Account Requirement shall initially be equal to \$_____, which does not exceed the lesser of (a) 125% of the average annual Debt Service for all Outstanding Series 2019A-2 Bonds calculated as of the date of original issuance thereof or (b) 10% of the proceeds of the Series 2019A-2 Bonds calculated as of the date of original issuance thereof.

Except as otherwise provided in the Series 2019A-2 Indenture, amounts on deposit in the Series 2019A-2 Reserve Account shall be used only for the purpose of making payments into the Series 2019A-2 Interest Account and the Series 2019A-2 Sinking Fund Account to pay Debt Service on the Series 2019A-2 Bonds, when due, without distinction as to Series 2019A-2 Bonds and without privilege or priority of one Series 2019A-2 Bond over another, to the extent the moneys on deposit in such Accounts therein and

available therefor are insufficient and for no other purpose. Such Account shall consist only of cash and Series 2019A-2 Investment Obligations.

Anything in the Series 2019A-2 Indenture to the contrary notwithstanding, on the forty-fifth (45th) day preceding each Redemption Date (or, if such forty-fifth (45th) day is not a Business Day, on the first Business Day preceding such forty-fifth (45th) day) (or such other date that corresponds to the date mutually determined by the Trustee and the District pursuant to the Second Supplemental Indenture), the Trustee is hereby authorized and directed to recalculate the Series 2019A-2 Reserve Account Requirement and to transfer any excess on deposit in the Series 2019A-2 Reserve Account (other than excess resulting from investment earnings which shall be applied as provided in the Second Supplemental Indenture) into the Series 2019A-2 Prepayment Subaccount of the Series 2019 Redemption Account to be applied to the extraordinary mandatory redemption of such Series 2019A-2 Bonds.

Upon the occurrence of the Reserve Account Release Conditions, the Trustee is hereby authorized and directed to recalculate (i) the Series 2019A-2 Reserve Account Requirement and to transfer any excess on deposit in the Series 2019A-2 Reserve Account (other than excess resulting from investment earnings which shall be applied as provided in the Second Supplemental Indenture), into the Series 2019A-2 Acquisition and Construction Account if the Date of Completion of the Series 2019 Project has not yet occurred, or if the Date of Completion of the Series 2019 Project has occurred, into the Series 2019A-2 Prepayment Subaccount of the Series 2019A-1 Redemption Account to be applied to the extraordinary mandatory redemption of the Series 2019A-1 Bonds as provided for in the Series 2019A-2 Indenture.

The District Manager, on behalf of the District, shall provide written notice to the Trustee when the Reserve Account Release Condition has occurred, upon which notice the Trustee may conclusively rely. Until the Trustee has received a certificate of the Consulting Engineers establishing the Date of Completion of the Series 2019 Project, the Trustee shall assume the Date of Completion of the Series 2019 Project has not yet occurred.

On the earliest date on which there is on deposit in the Series 2019A-2 Reserve Account sufficient monies, after taking into account other monies available therefor, to pay and redeem all of the Outstanding Series 2019A-2 Bonds, together with accrued interest on such Series 2019A-2 Bonds to the earliest Redemption Date permitted therein and herein, then the Trustee shall transfer the amount on deposit in the applicable Reserve Account into the Series 2019A-2 Prepayment Subaccount of the Series 2019 Redemption Account to pay and redeem all of the Outstanding Series 2019A-2 Bonds on the earliest Redemption Date permitted therein and herein.

Anything in the Series 2019A-2 Indenture to the contrary notwithstanding, amounts on deposit in the Series 2019A-2 Reserve Account shall, upon the occurrence and continuance of an Event of Default, be subject to a first charge by the Trustee for its fees and expenses, including fees and expenses of collection of Delinquent Assessments.

Deposit and Application of the Pledged Revenues

Series 2019A-1 Pledged Revenues

The First Supplemental Indenture establishes a "Series 2019 Revenue Account" within the Revenue Fund for the Series 2019A Bonds. All Funds and Accounts described under this heading are those created and established pursuant to the First Supplemental Indenture.

The Trustee shall deposit into the Series 2019 Revenue Account the Series 2019A-1 Assessment Revenues other than the Series 2019A-1 Prepayments, which shall be identified by the District to the

Trustee as such in writing upon deposit and which shall be deposited into the Series 2019A-1 Prepayment Subaccount of the Series 2019A-1 Redemption Account, and any other revenues required by other provisions of the Series 2019A-1 Indenture to be deposited therein.

On the forty-fifth (45th) day preceding each Redemption Date with respect to each Series 2019A-1 Bonds (or if such forty-fifth (45th) day is not a Business Day, on the Business Day next preceding such forty-fifth (45th) day) (or such other date mutually determined by the Trustee and the District that is closer to a particular Redemption Date and will give the Trustee sufficient time to provide notice of the extraordinary mandatory redemption the Series 2019A-1 Bonds as herein provided), the Trustee shall determine the amount on deposit in the Series 2019A-1 Prepayment Subaccount of the Series 2019A-1 Redemption Account, and, if the balance therein is greater than zero, shall transfer, but only at the written direction of the District, from the Series 2019A-1 Revenue Account for deposit into the Series 2019A-1 Prepayment Subaccount, an amount sufficient to increase the amount on deposit therein to an integral multiple of \$5,000 (provided that there are sufficient funds remaining therein to pay Debt Service coming due on the Series 2019A-1 Bonds on the next Interest Payment Date), and, shall thereupon give notice and cause the extraordinary mandatory redemption of the Series 2019A-1 Bonds on the next succeeding Redemption Date in the maximum aggregate principal amount for which moneys are then on deposit in the Series 2019A-1 Prepayment Subaccount in accordance with the provisions for extraordinary mandatory redemption of the Series 2019A-1 Bonds set forth in the form of Series 2019A-1 Bonds attached to the Series 2019A-1 Indenture.

On May 1 and November 1 (or if such May 1 or November 1 is not a Business Day, on the Business Day preceding such May 1 or November 1), the Trustee shall first transfer from the Series 2019A-1 Capitalized Interest Account to the Series 2019A-1 Interest Account the lesser of (x) the amount of interest coming due on the Series 2019A-1 Bonds on such May 1 or November 1, less the amount already on deposit therein, or (y) the amount remaining in the Series 2019A-1 Capitalized Interest Account.

Following the foregoing transfer, on such May 1 or November 1 (or if such May 1 or November 1 is not a Business Day, on the Business Day preceding such May 1 or November 1), the Trustee shall then transfer from the amounts on deposit in the Series 2019A-1 Revenue Account to the Funds and Accounts designated below the following amounts in the following order of priority:

FIRST, to the Series 2019A-1 Interest Account, an amount equal to the amount of interest payable on all Series 2019A-1 Bonds then Outstanding on such May 1 or November 1, less any amount transferred from the Series 2019A-1 Capitalized Interest Account in accordance with the First Supplemental Indenture and less any other amount already on deposit in the Series 2019A-1 Interest Account not previously credited;

SECOND, on each [May] 1, commencing [May] 1, 20__, to the Series 2019A-1 Sinking Fund Account, the amount, if any, equal to the difference between the Amortization Installments of all Series 2019A-1 Bonds subject to mandatory sinking fund redemption on such [May] 1, and the amount already on deposit in the Series 2019A-1 Sinking Fund Account not previously credited;

THIRD, to the Series 2019A-1 Reserve Account, the amount, if any, which is necessary to make the amount on deposit therein equal to the Series 2019A-1 Reserve Account Requirement with respect to the Series 2019A-1 Bonds; and

FOURTH, the balance shall be retained in the Series 2019A-1 Revenue Account subject to the following paragraph.

Anything in the Master Indenture or herein to the contrary notwithstanding, it shall not, in and of itself, constitute an Event of Default hereunder if the full amount of the foregoing deposits are not made due to an insufficiency of funds therefore. The Trustee shall within ten (10) Business Days after the last Interest Payment Date in any calendar year, at the direction of the District, withdraw any moneys held for the credit of the Series 2019A-1 Revenue Account as of November 2nd of such year which are not otherwise required to be deposited to other Funds and Accounts pursuant to this Section on such immediately preceding Interest Payment Date and deposit such moneys first to the credit of the Series 2019A-1 Rebate Account in the amount, and to the extent necessary, so the amount on deposit therein equals the accrued rebate obligation under Section 148(f) of the Code, if the Trustee has received a certification from the District by such date detailing the amount of such obligation which shall be deposited. Any remaining amounts in the Series 2019 Revenue Account on November 2nd of any calendar year after making the payment, if any, required under the immediately preceding sentence, may next be transferred to the District, at its written request, to be used for any lawful purpose of the District; provided, however, that on the proposed payment date of any proposed transfer to the District, the amount on deposit in the Series 2019A-1 Reserve Account shall be equal to the Series 2019A-1 Reserve Requirement and provided further, that the Trustee shall not have actual knowledge of an Event of Default hereunder, including payment of Trustee's fees and expenses then due.

Series 2019A-2 Pledged Revenues

The Second Supplemental Indenture establishes a "Series 2019 Revenue Account" within the Revenue Fund for the Series 2019A Bonds. All Funds and Accounts described under this heading are those created and established pursuant to the Second Supplemental Indenture.

The Trustee shall deposit into the Series 2019 Revenue Account the Series 2019A-2 Assessment Revenues other than the Series 2019A-2 Prepayments, which shall be identified by the District to the Trustee as such in writing upon deposit and which shall be deposited into the Series 2019A-2 Prepayment Subaccount of the Series 2019A-2 Redemption Account, and any other revenues required by other provisions of the Series 2019A-2 Indenture to be deposited therein.

On the forty-fifth (45th) day preceding each Redemption Date with respect to each Series 2019A-2 Bonds (or if such forty-fifth (45th) day is not a Business Day, on the Business Day next preceding such forty-fifth (45th) day) (or such other date mutually determined by the Trustee and the District that is closer to a particular Redemption Date and will give the Trustee sufficient time to provide notice of the extraordinary mandatory redemption the Series 2019A-2 Bonds as herein provided), the Trustee shall determine the amount on deposit in the Series 2019A-2 Prepayment Subaccount of the Series 2019A-2 Redemption Account, and, if the balance therein is greater than zero, shall transfer, but only at the written direction of the District, from the Series 2019A-2 Revenue Account for deposit into the Series 2019A-2 Prepayment Subaccount, an amount sufficient to increase the amount on deposit therein to an integral multiple of \$5,000 (provided that there are sufficient funds remaining therein to pay Debt Service coming due on the Series 2019A-2 Bonds on the next Interest Payment Date), and, shall thereupon give notice and cause the extraordinary mandatory redemption of the Series 2019A-1 Bonds on the next succeeding Redemption Date in the maximum aggregate principal amount for which moneys are then on deposit in the Series 2019A-2 Prepayment Subaccount in accordance with the provisions for extraordinary mandatory redemption of the Series 2019A-2 Bonds set forth in the form of Series 2019A-2 Bonds attached to the Series 2019A-2 Indenture.

On May 1 and November 1 (or if such May 1 or November 1 is not a Business Day, on the Business Day preceding such May 1 or November 1), the Trustee shall first transfer from the Series 2019A-2 Capitalized Interest Account to the Series 2019A-2 Interest Account the lesser of (x) the amount of interest

coming due on the Series 2019A-2 Bonds on such May 1 or November 1, less the amount already on deposit therein, or (y) the amount remaining in the Series 2019A-2 Capitalized Interest Account.

Following the foregoing transfer, on such May 1 or November 1 (or if such May 1 or November 1 is not a Business Day, on the Business Day preceding such May 1 or November 1), the Trustee shall then transfer from the amounts on deposit in the Series 2019A-2 Revenue Account to the Funds and Accounts designated below the following amounts in the following order of priority:

FIRST, to the Series 2019A-2 Interest Account, an amount equal to the amount of interest payable on all Series 2019A-2 Bonds then Outstanding on such May 1 or November 1, less any amount transferred from the Series 2019A-2 Capitalized Interest Account in accordance with the Second Supplemental Indenture and less any other amount already on deposit in the Series 2019A-2 Interest Account not previously credited;

SECOND, on each [May] 1, commencing [May] 1, 20__, to the Series 2019A-2 Sinking Fund Account, the amount, if any, equal to the difference between the Amortization Installments of all Series 2019A-2 Bonds subject to mandatory sinking fund redemption on such [May] 1, and the amount already on deposit in the Series 2019A-2 Sinking Fund Account not previously credited;

THIRD, to the Series 2019A-2 Reserve Account, the amount, if any, which is necessary to make the amount on deposit therein equal to the Series 2019A-2 Reserve Account Requirement with respect to the Series 2019A-2 Bonds; and

FOURTH, the balance shall be retained in the Series 2019A-2 Revenue Account subject to the following paragraph.

Anything in the Master Indenture or herein to the contrary notwithstanding, it shall not, in and of itself, constitute an Event of Default hereunder if the full amount of the foregoing deposits are not made due to an insufficiency of funds therefore. The Trustee shall within ten (10) Business Days after the last Interest Payment Date in any calendar year, at the direction of the District, withdraw any moneys held for the credit of the Series 2019A-2 Revenue Account as of November 2nd of such year which are not otherwise required to be deposited to other Funds and Accounts pursuant to this Section on such immediately preceding Interest Payment Date and deposit such moneys first to the credit of the Series 2019A-2 Rebate Account in the amount, and to the extent necessary, so the amount on deposit therein equals the accrued rebate obligation under Section 148(f) of the Code, if the Trustee has received a certification from the District by such date detailing the amount of such obligation which shall be deposited. Any remaining amounts in the Series 2019 Revenue Account on November 2nd of any calendar year after making the payment, if any, required under the immediately preceding sentence, may next be transferred to the District, at its written request, to be used for any lawful purpose of the District; provided, however, that on the proposed payment date of any proposed transfer to the District, the amount on deposit in the Series 2019A-2 Reserve Account shall be equal to the Series 2019A-2 Reserve Requirement and provided further, that the Trustee shall not have actual knowledge of an Event of Default hereunder, including payment of Trustee's fees and expenses then due.

For the purpose of determining the amount on deposit to the credit of any Fund or Account established under the Indentures, obligations in which money in such Fund or Account shall have been invested shall be valued at the market value or the amortized cost thereof, whichever is lower, or at the redemption price thereof, to the extent that any such obligation is then redeemable at the option of the holder. See "APPENDIX A: PROPOSED FORMS OF INDENTURES" attached hereto for more information.

Master Indenture Provision Relating to Bankruptcy or Insolvency of Landowner

The Master Indenture will contain the following provisions which, pursuant to the Master Indenture, shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any parcel or parcels which are in the aggregate subject to at least three percent (3%) of the Assessments pledged to the Series 2019A Bonds Outstanding (an "Insolvent Taxpayer") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding"). If the District becomes aware of such Proceeding, it shall provide written notice thereof to the Trustee.

The District will acknowledge and agree that, although the Series 2019A Bonds will be issued by the District, the Owners of such Series 2019A Bonds are categorically the party with a financial stake in the transaction and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving any Insolvent Taxpayer: (a) the District will agree that it shall seek to secure the written consent of the Trustee, acting at the direction of the Majority Owners of the Series 2019A Bonds Outstanding, prior to making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Assessments relating to the Series 2019A Bonds Outstanding, the Outstanding Bonds of a Series the Series 2019A Bonds or any rights of the Trustee under the Indentures (provided, however, Trustee shall be deemed to have consented, on behalf of the Majority Owners of the Series 2019A Bonds Outstanding, to the proposed action if the District does not receive a written response from the Trustee within thirty (30) days following request for consent); (b) the District will agree that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the applicable Series 2019 Assessments, the applicable Series of Series 2019A Bonds or any rights of the Trustee or applicable Series of Series 2019A Bondholders under the Master Indenture or the applicable Supplemental Indentures that is inconsistent with any direction from the Trustee; (c) the District will agree agrees that it shall seek the written consent of the Trustee prior to filing and voting in any such Proceeding (provided, however, Trustee shall be deemed to have consented, on behalf of the Majority Owners of the Series 2019A Bonds Outstanding, to the proposed action if the District does not receive a written response from the Trustee within thirty (30) days following request for consent); (d) the Trustee shall have the right, by interpleader or otherwise, to seek or oppose any relief in any such Proceeding that the District, as claimant

with respect to the Series 2019 Assessments relating to the Series 2019A Bonds Outstanding would have the right to pursue, and, if the Trustee chooses to exercise any such rights, the District shall not oppose the Trustee in seeking to exercise any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Insolvent Taxpayer, including without limitation, the right to file and/or prosecute and/or defend any claims and proofs of claims, to vote to accept or reject a plan, to seek dismissal of the Proceeding, to seek stay relief to commence or continue foreclosure or pursue any other available remedies as to the Assessments relating to the Bonds of a Series Outstanding, to seek substantive consolidation, to seek to shorten the Insolvent Taxpayer's exclusivity periods or to oppose any motion to extend such exclusivity periods, to oppose any motion for use of cash collateral or for authority to obtain financing, to oppose any sale procedures motion or any sale motion, to propose a competing plan of reorganization or liquidation, or to make any election under Section 1111(b) of the Bankruptcy Code; and the District shall not challenge the validity or amount of any claim submitted in good faith in such Proceeding by the Trustee or any valuations of the lands owned by any Insolvent Taxpayer submitted in good faith by the Trustee in such Proceeding or take any other action in such Proceeding, which is adverse to Trustee's enforcement of the District's claim and rights with respect to the Assessments relating to the Bonds of a Series Outstanding or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District agrees that the Trustee shall have the right (i) to file a proof of claim with respect to the Assessments pledged to the Bonds of a Series Outstanding, (ii) to deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) to defend any objection filed to said proof of claim. See "BONDOWNERS' RISKS – Bankruptcy Risks" herein for more information.

Events of Default

The Master Indenture provides that each of the following shall be an "Event of Default" under the Indentures, with respect to a Series of the Series 2019A Bonds:

- (a) Any payment of Debt Service on such Series of Bonds is not made when due; or
- (b) The District shall for any reason be rendered incapable of fulfilling its obligations hereunder or under the Supplemental Indenture relating to such Series of Bonds; or
- (c) The District admits in writing its inability to pay its debts generally as they become due, or files a petition in bankruptcy or makes an assignment for the benefit of its creditors or consents to the appointment of a receiver or trustee for itself or for the whole or any part of a related Series Project; or
- (d) The District is adjudged insolvent by a court of competent jurisdiction, or is adjudged a bankrupt on a petition in bankruptcy filed against the District, or an order, judgment or decree be entered by any court of competent jurisdiction appointing, without the consent of the District, a receiver or trustee of the District or of the whole or any part of its property and if the aforesaid adjudications, orders, judgments or decrees shall not be vacated or set aside or stayed within ninety (90) days from the date of entry thereof; or
- (e) The District shall file a petition or answer seeking reorganization or any arrangement under the Federal bankruptcy laws or any other applicable law or statute of the United States of America or any state thereof; or
- (f) Under the provisions of any other law for the relief or aid of debtors, any court of competent jurisdiction shall assume custody or control of the District's assets or any part thereof, and such custody or control shall not be terminated within ninety (90) days from the date of assumption of such custody or control; or

(g) Any portion of the Assessments pledged to a Series shall have become Delinquent Assessments and, as the result thereof, the applicable Indenture provides for the Trustee to withdraw funds in an amount greater than twenty-five percent (25%) of the amount on deposit in a Series Reserve Account to pay Debt Service on the corresponding Series of Bonds (regardless of whether the Trustee does or does not, per the direction of the Majority Owners, actually withdraw such funds from the Series Reserve Account to pay Debt Service on the corresponding Series of Bonds) (each, a "Reserve Account Event") unless within sixty (60) days from the applicable Reserve Account Event the District has either (i) replenished the amounts, if any, withdrawn from the applicable Reserve Account, or (ii) the portion of the Delinquent Assessments giving rise to the applicable Reserve Account Event are paid and are no longer Delinquent Assessments; or

(h) Material breach by the District of any material covenant made by it in the Indenture securing a Series of Bonds, and such default continues for sixty (60) days after written notice requiring the same to be remedied shall have been given to the District by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Majority Owners of such Series; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such sixty (60) day period, no Event of Default shall be deemed to have occurred or exist if, and so long as the District shall commence such performance within such sixty (60) day period and shall diligently and continuously prosecute the same to completion; and

(i) More than twenty-five percent (25%) of the Operation and Maintenance Assessments that are directly billed by the District and levied by the District on tax parcels subject to the Assessments the revenues from which are pledged to pay a Series of Bonds are not paid by the date such are due and payable and such default continues for sixty (60) days after the date when due

[Anything in the Indentures to the contrary notwithstanding, the District will acknowledge in the Indentures that, (i) the Series 2019 Pledged Funds includes, without limitation, all amounts on deposit in the applicable Series 2019 Acquisition and Construction Account of the Acquisition and Construction Fund then held by the Trustee, (ii) upon the occurrence of an Event of Default with respect to either Series of the Series 2019A Bonds, the applicable Series 2019 Pledged Funds may not be used by the District (whether to pay costs of the Series 2019 Project or otherwise) without the consent of the Majority Owners of such Series, except to the extent that prior to the occurrence of the Event of Default the District had incurred a binding obligation with third parties for work on the applicable Series 2019 Project and payment is for such work (and a certificate of an Authorized Officer as to whether such binding obligation has been incurred delivered to the Trustee in the form of Exhibit D to the applicable Supplemental Indenture shall be conclusive evidence of the same on which the Trustee may rely), and (iii) upon the occurrence of an Event of Default with respect to a Series of the Series 2019A Bonds, the applicable Series 2019 Pledged Funds may be used by the Trustee and/or the District, to the extent acting individually or jointly, to pursue remedies, at the direction or with the approval of the Majority Owners of such Series, to pay costs and expenses incurred in connection with the pursuit of remedies under the Master Indenture, as supplemented hereby, provided such action does not adversely impact the tax-exempt status of the Series 2019A Bonds and provided, further, that every use of Series 2019 Pledged Revenues for such purpose shall be accompanied by detailed invoices delivered to the District Manager of the District indicating the purpose for which Series 2019 Pledged Revenues are to be applied and such invoices shall be subject to the same public records laws, including, without limitation, Chapter 119, Florida Statutes, to which the District is subject. After the occurrence of an Event of Default, the District shall not enter into any binding agreement to expend any amounts included in the Series 2019 Trust Estate unless authorized in writing by the Majority Owners.

Following an Event of Default, any direction to the District permitted to be given by the Trustee and/or Owners in accordance with the applicable Indenture must be in writing, signed by the Trustee and the Majority Owners and, with respect to certain directions, in the applicable forms attached to the Indentures.]

ENFORCEMENT OF ASSESSMENT COLLECTIONS

General

The primary source of payment for each Series of the Series 2019A Bonds is the collection of the related Series 2019 Assessments imposed on certain lands in the District specially benefited by the related Series Project pursuant to the Assessment Proceedings. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein and "APPENDIX D: ASSESSMENT METHODOLOGY."

The imposition, levy, and collection of Series 2019 Assessments must be done in compliance with the provisions of Florida law. Failure by the District, the Lee County Tax Collector ("Tax Collector") or the Lee County Property Appraiser ("Property Appraiser") to comply with such requirements could result in delay in the collection of, or the complete inability to collect, Series 2019 Assessments during any year. Such delays in the collection of Series 2019 Assessments, or complete inability to collect any Series of the Assessments, would have a material adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the Series 2019A Bonds. See "BONDOWNERS' RISKS." To the extent that landowners fail to pay the Series 2019 Assessments, delay payments, or are unable to pay the same, the successful pursuance of collection procedures available to the District is essential to continued payment of principal of and interest on the Series 2019A Bonds.

For the Series 2019 Assessments to be valid, the Series 2019 Assessments must meet two requirements: (1) the benefit from the related Project to the lands subject to such Series 2019 Assessments must exceed or equal the amount of such Series 2019 Assessments, and (2) the Series 2019 Assessments must be fairly and reasonably allocated across all such benefitted properties. The Methodology Consultant will certify at closing that these requirements have been met with respect to the Series 2019 Assessments, which are comprised of three separately enforceable and distinct assessment liens each securing the repayment of the related Series of the Series 2019A Bonds. In the event that the Series 2019 Assessments are levied based on the assumptions that future contributions will be made, or that future assessments may be levied to secure future bond issuances, the Series 2019 Assessments may need to be reallocated to other platted and sold lots within the District in the event such contributions are not made and/or future assessments and bonds are not levied and issued.

Pursuant to the Act and the Assessment Proceedings, the District may collect the Series 2019 Assessments through a variety of methods. Initially, the District will directly collect the Series 2019 Assessments, unless the Trustee at the direction of the Majority Holders for a particular Series of Series 2019A Bonds directs the District otherwise. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein and "APPENDIX D: ASSESSMENT METHODOLOGY." As lands are platted and sold, the Series 2019 Assessments (other than the Series 2019A-2 Assessments, which shall be directly collected unless the Trustee at the direction of the Majority Holders directs the District otherwise, in accordance with the Series 2019A-2 Indenture) will be added to the County tax roll and collected pursuant to the Uniform Method unless the timing for using the Uniform Method will not yet allow for using such method. The following is a description of certain statutory provisions relating to each of these collection methods. Such description is not intended to be exhaustive and is qualified in its entirety by reference to such statutes.

Direct Billing & Foreclosure Procedure

As noted above, and pursuant to Chapters 170 and 190 of the Florida Statutes, the District may directly levy, collect and enforce the Series 2019 Assessments. In this context, Section 170.10 of the Florida Statutes provides that upon the failure of any property owner to timely pay all or any part of the annual installment of principal and/or interest of a special assessment due, including the Series 2019 Assessments, the whole assessment, with the interest and penalties thereon, shall immediately become due and payable and subject to foreclosure. Generally stated, the governing body of the entity levying the special assessment, in this case the District, may foreclose by commencing a foreclosure proceeding in the same manner as the foreclosure of a real estate mortgage, or, alternatively, by commencing an action under Chapter 173, Florida Statutes, which relates to foreclosure of municipal tax and special assessment liens. Such proceedings are in rem, meaning that the action would be brought against the land, and not against the landowner. In light of the one year tolling period required before the District may commence a foreclosure action under Chapter 173, Florida Statutes, it is likely the District would commence an action to foreclose in the same manner as the foreclosure of a real estate mortgage rather than proceeding under Chapter 173, Florida Statutes.

Enforcement of the obligation to pay Series 2019 Assessments and the ability to foreclose the lien of such Series 2019 Assessments upon the failure to pay such Series 2019 Assessments may not be readily available or may be limited because enforcement is dependent upon judicial action which is often subject to discretion and delay. Additionally, there is no guarantee that there will be demand for any foreclosed lands sufficient to repay the Series 2019 Assessments. See "BONDOWNERS' RISKS."

Uniform Method Procedure

Subject to certain conditions, and for developed lands (as described above), the District may alternatively elect to collect the Series 2019 Assessments using the Uniform Method. The Uniform Method of collection is available only in the event the District complies with statutory and regulatory requirements and enters into agreements with the Tax Collector and Property Appraiser providing for the Series 2019 Assessments to be levied and then collected in this manner.

If the Uniform Method of collection is used, the Series 2019 Assessments will be collected together with City, County, school, special district, and other ad valorem taxes and non-ad valorem assessments (together, "Taxes and Assessments"), all of which will appear on the tax bill (also referred to as a "tax notice") issued to each landowner in the District. The statutes relating to enforcement of Taxes and Assessments provide that such Taxes and Assessments become due and payable on November 1 of the year when assessed, or as soon thereafter as the certified tax roll is received by the Tax Collector, and constitute a lien upon the land from January 1 of such year until paid or barred by operation of law. Such taxes and assessments – including the Series 2019 Assessments – are to be billed, and landowners in the District are required to pay, all Taxes and Assessments without preference in payment of any particular increment of the tax bill, such as the increment owing for the Series 2019 Assessments.

All Taxes and Assessments are payable at one time, except for partial payment schedules as may be provided by Florida law such as Sections 197.374 and 197.222, Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. If a taxpayer does not make complete payment of the total amount, he or she cannot designate specific line items on his or her tax bill as deemed paid in full. Therefore, in the event the Series 2019 Assessments are to be collected pursuant to the Uniform Method, any failure to pay any one line item, would cause the Series 2019 Assessments to not be collected to that extent, which could have a significant adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the Series 2019A Bonds.

Under the Uniform Method, if the Series 2019 Assessments are paid during November when due or during the following three months, the taxpayer is granted a variable discount equal to 4% in November and decreasing one percentage point per month to 1% in February. All unpaid Taxes and Assessments become delinquent on April 1 of the year following assessment.

The Tax Collector is required to collect the Taxes and Assessments on the tax bill prior to April 1 and, after that date, to institute statutory procedures upon delinquency to collect such Taxes and Assessments through the sale of "tax certificates," as discussed below. Delay in the mailing of tax notices to taxpayers may result in a delay throughout this process. Neither the District nor the Underwriter can give any assurance to the holders of the Series 2019A Bonds (1) that the past experience of the Tax Collector with regard to tax and special assessment delinquencies is applicable in any way to the Series 2019 Assessments, (2) that future landowners and taxpayers in the District will pay such Series 2019 Assessments, (3) that a market may exist in the future for tax certificates in the event of sale of such certificates for taxable units within the District, and (4) that the eventual sale of tax certificates for real property within the District, if any, will be for an amount sufficient to pay amounts due under the Assessment Proceedings to discharge the lien of the Series 2019 Assessments and all other liens that are coequal therewith.

Collection of delinquent Series 2019 Assessments under the Uniform Method is, in essence, based upon the sale by the Tax Collector of "tax certificates" and remittance of the proceeds of such sale to the District for payment of the Series 2019 Assessments due. Prior to the sale of tax certificates, the landowner may bring current the delinquent Taxes and Assessments and cancel the tax certificate process by paying the total amount of delinquent Taxes and Assessments plus all applicable interest, costs and charges. If the landowner does not act, the Tax Collector is required to attempt to sell tax certificates by public bid to the person who pays the delinquent Taxes and Assessments owing and any applicable interest and charges, and who accepts the lowest interest rate per annum to be borne by the certificates (but not more than 18%).

If there are no bidders, the tax certificate is issued to the County. The County is to hold, but not pay for, the tax certificate with respect to the property, bearing interest at the maximum legal rate of interest, which is currently 18%. The Tax Collector does not collect any money if tax certificates are issued, or "struck off," to the County. The County may sell such certificates to the public at any time after issuance, but before a tax deed application is made, at the face amount thereof plus interest at the rate of not more than 18% per annum, costs and charges. Proceeds from the sale of tax certificates are required to be used to pay Taxes and Assessments (including the Series 2019 Assessments), interest, costs and charges on the real property described in the certificate.

Any tax certificate in the hands of a person other than the County may be redeemed and canceled, in whole or in part (under certain circumstances), at any time before a tax deed is issued (unless full payment for a tax deed is made to the clerk of court, including documentary stamps and recording fees), at a price equal to the face amount of the certificate or portion thereof together with all interest, costs, and charges due. Regardless of the interest rate actually borne by the certificates, persons redeeming tax certificates must pay a minimum interest rate of 5%, unless the rate borne by the certificates is zero percent. The proceeds of such a redemption are paid to the Tax Collector who transmits to the holder of the tax certificate such proceeds less service charges, and the certificate is canceled. Redemption of tax certificates held by the County is effected by purchase of such certificates from the County, as described above.

Any holder, other than the County, of a tax certificate that has not been redeemed has seven years from the date of issuance of the tax certificate during which to act against the land that is the subject of the tax certificate. After an initial period ending two years from April 1 of the year of issuance of a certificate, during which period actions against the land are held in abeyance to allow for sales and redemptions of tax certificates, and before the expiration of seven years from the date of issuance, the holder of a certificate

may apply for a tax deed to the subject land. The applicant is required to pay to the Tax Collector at the time of application all amounts required to redeem or purchase all other outstanding tax certificates covering the land, plus interest, any omitted taxes or delinquent taxes and interest, and current taxes, if due (as well as any costs of resale, if applicable). If the County holds a tax certificate on property valued at \$5,000 or more and has not succeeded in selling it, the County must apply for a tax deed two years after April 1 of the year of issuance of the certificate or as soon thereafter as is reasonable. The County pays costs and fees to the Tax Collector but not any amount to redeem any other outstanding certificates covering the land. Thereafter, the property is advertised for public sale.

In any such public sale conducted by the Clerk of the Circuit Court, the private holder of the tax certificate who is seeking a tax deed for non-homestead property is deemed to submit a minimum bid equal to the amount required to redeem the tax certificate, charges for the cost of sale, including costs incurred for the service of notice required by statute, redemption of other tax certificates on the land, and all other costs to the applicant for the tax deed, plus interest thereon. In the case of homestead property, the minimum bid is also deemed to include, in addition to the amount of money required for the minimum bid on non-homestead property, an amount equal to one-half of the latest assessed value of the homestead. If there are no higher bids, the holder receives title to the land, and the amounts paid for the certificate and in applying for a tax deed are credited toward the purchase price. The holder is also responsible for payment of any amounts included in the bid not already paid, including but not limited to, documentary stamp tax, recording fees, and, if property is homestead property, the moneys to cover the one-half value of the homestead. If there are other bids, the holder may enter the bidding. The highest bidder is awarded title to the land. The portion of proceeds of such sale needed to redeem the tax certificate, together with all subsequent unpaid taxes plus the costs and expenses of the application for deed, with interest on the total of such sums, are forwarded to the holder thereof or credited to such holder if such holder is the successful bidder. Excess proceeds are distributed first to satisfy governmental liens against the land and then to the former title holder of the property (less service charges), lienholder of record, mortgagees of record, vendees of recorded contracts for deeds, and other lienholders and any other person to whom the land was last assessed on the tax roll for the year in which the land was assessed, all as their interest may appear. If the property is purchased for an amount in excess of the statutory bid of the certificate holder, but such excess is not sufficient to pay all governmental liens of record, the excess shall be paid to each governmental unit pro rata.

Except for certain governmental liens and certain restrictive covenants and restrictions, no right, interest, restriction or other covenant survives the issuance of a tax deed. Thus, for example, outstanding mortgages on property subject to a tax deed would be extinguished.

If there are no bidders at the public sale, the County Clerk shall enter the land on a list entitled "lands available for taxes" and shall immediately notify the County Commission that the property is available. At any time within ninety (90) days from the date the property is placed on the list, the County may purchase the land for the opening bid, or may waive its rights to purchase the property. Thereafter, and without further notice or advertising, any person, the County or any other governmental unit may purchase the land by paying the amount of the opening bid. Ad valorem taxes and non-ad valorem assessments accruing after the date of public sale do not require repetition of the bidding process but are added to the minimum bid. Three years from the date the property was offered for sale, unsold lands escheat to the County in which they are located, free and clear, and all tax certificates and liens against the property are canceled and a deed is executed vesting title in the governing board of such County.

There can be no guarantee that the Uniform Method will result in the payment of Series 2019 Assessments. For example, the demand for tax certificates is dependent upon various factors, which include the rate of interest that can be earned by ownership of such certificates and the underlying value of the land that is the subject of such certificates and which may be subject to sale at the demand of the certificate

holder. Therefore, the underlying market value of the property within the District may affect the demand for certificates and the successful collection of the Series 2019 Assessments, which are the primary source of payment of the Series 2019A Bonds. Additionally, legal proceedings under Federal bankruptcy law brought by or against a landowner who has not yet paid his or her property taxes or assessments would likely result in a delay in the sale of tax certificates. See "BONDOWNERS' RISKS."

BONDOWNERS' RISKS

There are certain risks inherent in an investment in bonds issued by a public authority or governmental body in the State and secured by Assessments. Certain of these risks are described in other sections of this Limited Offering Memorandum. Certain additional risks are associated with the Series 2019A Bonds offered hereby and are set forth below. Prospective investors in the Series 2019A Bonds should have such knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of an investment in the Series 2019A Bonds and have the ability to bear the economic risks of such prospective investment, including a complete loss of such investment. This section does not purport to summarize all risks that may be associated with purchasing or owning the Series 2019A Bonds, and prospective purchasers are advised to read this Limited Offering Memorandum in its entirety for a more complete description of investment considerations relating to the Series 2019A Bonds.

Concentration of Land Ownership

As of the date of delivery of the Series 2019A Bonds, the Developer owns [all of the assessable lands] within District, which are the lands that will be subject to the Series 2019 Assessments securing the Series 2019A Bonds. Payment of the Series 2019 Assessments is primarily dependent upon their timely payment by the Developer and the other future landowners in District. Non-payment of the Series 2019 Assessments by any of the landowners would have a substantial adverse impact upon the District's ability to pay debt service on the related Series of the Series 2019A Bonds. See "THE DEVELOPER" and "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2019A BONDS" herein.

Bankruptcy and Related Risks

In the event of the institution of bankruptcy or similar proceedings with respect to the Developer or any other owner of benefited property, delays could occur in the payment of debt service on the Series 2019A Bonds, as such bankruptcy could negatively impact the ability of: (i) the Developer and any other landowner to pay the Series 2019 Assessments; (ii) the Tax Collector to sell tax certificates in relation to such property with respect to the Series 2019 Assessments being collected pursuant to the Uniform Method; and (iii) the District to foreclose the lien of the Series 2019 Assessments not being collected pursuant to the Uniform Method. In addition, the remedies available to the Owners of each Series of the Series 2019A Bonds under the Indentures are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, the remedies specified by federal, state and local law and in the Indentures and the Series 2019A Bonds, including, without limitation, enforcement of the obligation to pay Series 2019 Assessments and the ability of the District to foreclose the lien of the Series 2019 Assessments if not being collected pursuant to the Uniform Method, may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2019A Bonds (including Bond Counsel's approving opinion) will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery. The inability, either partially or fully, to enforce remedies available with respect to a Series of the Series 2019A Bonds could have a material adverse impact on the interest of the Owners thereof.

A 2011 bankruptcy court decision in Florida held that the governing body of a community development district, and not the bondholders or indenture trustee, was the creditor of the landowners/debtors in bankruptcy with respect to claims for Assessments, and thus only the district could vote to approve or disapprove a reorganization plan submitted by the debtors in the case. The district voted in favor of the plan. The governing body of the district was at that time elected by the landowners rather than qualified electors. Under the reorganization plan that was approved, a two-year moratorium was placed on the debtor landowners' payment of Assessments. As a result of this non-payment of assessments, debt service payments on the district's bonds were delayed for two years or longer. The Master Indenture provides for the delegation of certain rights from the District to the Trustee in the event of a bankruptcy or similar proceeding with respect to an "Insolvent Taxpayer" (as previously defined). See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2019A BONDS – Master Indenture Provision Relating to Bankruptcy or Insolvency of Landowner." The District cannot express any view whether such delegation would be enforceable.

The Series 2019A-1 Bonds and the Series 2019A-2 bonds are separately secured by the Series 2019A-1 Indenture and the Series 2019A-2 Indenture, respectively. Notwithstanding the foregoing, however, the Series 2019A-1 Special Assessments which secure the Series 2019A-1 Bonds and the Series 2019A-2 Special Assessments which secure the Series 2019A-2 Bonds are initially being levied on the same lands within the District, so that an Event of Default under, or the exercise of remedies against, one Series of the Series 2019A Bonds could adversely affect the other Series of Series 2019A Bonds.

Series 2019 Assessments Are Non-Recourse

The principal security for the payment of the principal and interest on each Series of the Series 2019A Bonds is the timely collection of the [related] Series 2019 Assessments. The Series 2019 Assessments do not constitute a personal indebtedness of the landowners of the land subject thereto, but are secured by a lien on such land. There is no assurance that the Developer or subsequent landowners will be able to pay the Series 2019 Assessments or that they will pay such Series 2019 Assessments even though financially able to do so. Neither the Developer nor any other subsequent landowners have any personal obligation to pay the Series 2019 Assessments. Neither the Developer nor any subsequent landowners are guarantors of payment of any Series 2019 Assessments, and the recourse for the failure of the Developer or any subsequent landowner to pay the Series 2019 Assessments is limited to the collection proceedings against the land subject to such unpaid Series 2019 Assessments, as described herein. Therefore the likelihood of collection of the Series 2019 Assessments may ultimately depend on the market value of the land subject to the Series 2019 Assessments. While the ability of the Developer or subsequent landowners to pay the Series 2019 Assessments is a relevant factor, the willingness of the Developer or subsequent landowners to pay the Series 2019 Assessments, which may also be affected by the value of the land subject to the Series 2019 Assessments, is also an important factor in the collection of Series 2019 Assessments. The failure of the Developer or subsequent landowners to pay the Series 2019 Assessments could render the District unable to collect delinquent Series 2019 Assessments, if any, and provided such delinquencies are significant, could negatively impact the ability of the District to make the full or punctual payment of debt service on the corresponding Series of Series 2019A Bonds.

Regulatory and Environmental Risks

The development of the District Lands is subject to comprehensive federal, state and local regulations and future changes to such regulations. Approval is required from various public agencies in connection with, among other things, the design, nature and extent of planned improvements, both public and private, and construction of the infrastructure in accordance with applicable zoning, land use and environmental regulations. Although all such approvals required to date have been received and any further approvals are anticipated to be received as needed, failure to obtain any such approvals in a timely manner

could delay or adversely affect the completion of the development of the District Lands. See "THE DEVELOPMENT – Development Approvals," herein for more information.

The value of the land within the District, the success of the Development, the development of the District and the likelihood of timely payment of principal and interest on the Series 2019A Bonds could be affected by environmental factors with respect to the land in the District. Should the land be contaminated by hazardous materials, this could materially and adversely affect the value of the land in the District, which could materially and adversely affect the success of the development of the lands within the District and the likelihood of the timely payment of the Series 2019A Bonds. The District has not performed, nor has the District requested that there be performed on its behalf, any independent assessment of the environmental conditions within the District. See "THE DEVELOPMENT – Environmental" for information on environmental site assessments obtained or received. Nevertheless, it is possible that hazardous environmental conditions could exist within the District or in the vicinity of the District and that such conditions could have a material and adverse impact upon the value of the benefited lands within the District. No assurance can be given that unknown hazardous materials, protected animals or vegetative species, etc., do not currently exist or may not develop in the future, whether originating within the District or from surrounding property, and what effect such may have on the development or sale of the lands in the District.

The value of the lands subject to the Series 2019 Assessments could also be adversely impacted by flooding or wind damage caused by hurricanes, tropical storms, or other catastrophic events. In addition to potential damage or destruction to any existing development or construction in or near the District, such catastrophic events could potentially render the District Lands unable to support future development. The occurrence of any such events could materially adversely impact the District's ability to pay principal and interest on the Series 2019A Bonds. The Series 2019A Bonds are not insured, and the District's casualty insurance policies do not insure against losses incurred on private lands within its boundaries.

Economic Conditions and Changes in Development Plans

The successful development of the District and the sale of residential units therein, once such homes are built, may be affected by unforeseen changes in general economic conditions, fluctuations in the real estate market and other factors beyond the control of the Developer. Moreover, the Developer has the right to modify or change plans for development of the Development from time to time, including, without limitation, land use changes, changes in the overall land and phasing plans, and changes to the type, mix, size and number of units to be developed, and may seek in the future, in accordance with and subject to the provisions of the Act, to contract or expand the boundaries of the District.

Other Taxes and Assessments

The willingness and/or ability of an owner of benefited land to pay the Series 2019 Assessments could be affected by the existence of other taxes and assessments imposed upon such property by the District, the County or any other local special purpose or general purpose governmental entities. County, school, special district taxes and Assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on debt, including the Series 2019 Assessments, collected pursuant to the Uniform Method are payable at one time. Public entities whose boundaries overlap those of the District could, without the consent of the owners of the land within the District, impose additional taxes on the property within the District. The District anticipates imposing operation and maintenance assessments encumbering the same property encumbered by the Series 2019 Assessments. In addition, lands within the District may also be subject to assessments by property owners' and homeowners' associations. See "THE DEVELOPMENT – Taxes, Fees and Assessments" for additional information.

Under Florida law, a landowner may contest the assessed valuation determined for its property that forms the basis of ad-valorem taxes such landowner must pay. During this contest period, the sale of a tax certificate under the Uniform Method will be suspended. If the Series 2019 Assessments are being collected along with ad valorem taxes pursuant to the Uniform Method, tax certificates will not be sold with respect to such Series 2019 Assessment, even though the landowner is not contesting the amount of the Series 2019 Assessment. However, Section 194.014, Florida Statutes, requires taxpayers challenging the assessed value of their property to pay all non-ad valorem taxes and at least 75% of their ad valorem taxes before they become delinquent. Likewise, taxpayers who challenge the denial of an exemption or classification or a determination that their improvements were substantially complete must pay all non-ad valorem assessments and the amount of ad valorem taxes that they admit in good faith to be owing. If a taxpayer fails to pay property taxes as set forth above, the Value Adjustment Board considering the taxpayer's challenge is required to deny such petition by written decision by April 20 of such year.

Limited Secondary Market for Series 2019A Bonds

The Series 2019A Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Series 2019A Bonds in the event an Owner thereof determines to solicit purchasers for the Series 2019A Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Series 2019A Bonds may be sold. Such price may be lower than that paid by the current Owners of each Series of the Series 2019A Bonds, depending on the progress of development of the Development and the lands within the District, as applicable, existing real estate and financial market conditions and other factors.

Inadequacy of Reserve Accounts

Some of the risk factors discussed herein, which, if materialized, would result in a delay in the collection of the Series 2019 Assessments, may not adversely affect the timely payment of debt service on a Series of the Series 2019A Bonds because of the Reserve Accounts corresponding to such Series. The ability of the Reserve Accounts to fund deficiencies caused by delinquencies in the corresponding Series 2019 Assessments is dependent on the amount, duration and frequency of such deficiencies. Moneys on deposit in each Reserve Account may be invested in certain obligations permitted under the Indentures. Fluctuations in interest rates and other market factors could affect the amount of moneys in such Reserve Account to make up deficiencies. If the District has difficulty in collecting the Series 2019 Assessments, the Reserve Accounts would be rapidly depleted and the ability of the District to pay debt service on the corresponding Series of Series 2019A Bonds could be materially adversely affected. In addition, during an Event of Default under an Indenture, the Trustee may withdraw moneys from the applicable Reserve Account and such other Funds, Accounts and subaccounts created under the applicable Indenture to pay its extraordinary fees and expenses incurred in connection with such Event of Default. If in fact a Reserve Account is accessed for any purpose, the District does not have a designated revenue source for replenishing such account. Moreover, the District may not be permitted to re-assess real property then burdened by the corresponding Series 2019 Assessments in order to provide for the replenishment of the applicable Reserve Account. THE SERIES 2019A-1 RESERVE ACCOUNT IS NOT AVAILABLE TO PAY DEBT SERVICE ON THE SERIES 2019A-2 BONDS, AND THE SERIES 2019A-2 RESERVE ACCOUNT IS NOT AVAILABLE TO PAY DEBT SERVICE ON THE SERIES 2019A-1 BONDS. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2019A BONDS – Reserve Accounts" herein for more information about the Reserve Accounts.

Legal Delays

If the District should commence a foreclosure action against a landowner for nonpayment of Series 2019 Assessments that are not being collected pursuant to the Uniform Method, such landowner and/or its

mortgagee(s) may raise affirmative defenses to such foreclosure action. Although the District expects that such affirmative defenses would likely be proven to be without merit, they could result in delays in completing the foreclosure action. In addition, the District is required under the Indentures to fund the costs of such foreclosure. It is possible that the District will not have sufficient funds and will be compelled to request the Holders of the corresponding Series of Series 2019A Bonds to allow funds on deposit under the applicable Indenture to be used to pay the costs of the foreclosure action. Under the Code, there are limitations on the amounts of proceeds from each Series of the Series 2019A Bonds that can be used for such purpose.

IRS Examination and Audit Risk

The Internal Revenue Service (the "IRS") routinely examines bonds issued by state and local governments, including bonds issued by community development districts. In 2016, the IRS concluded its lengthy examination of certain issues of bonds (for purposes of this subsection, the "Audited Bonds") issued by Village Center Community Development District (the "Village Center CDD"). During the course of the audit of the Audited Bonds, Village Center CDD received a ruling dated May 30, 2013, in the form of a non-precedential technical advice memorandum ("TAM") concluding that Village Center CDD is not a political subdivision for purposes of Section 103(a) of the Code because Village Center CDD was organized and operated to perpetuate private control and avoid indefinitely responsibility to an electorate, either directly or through another elected state or local government body. Such a conclusion could lead to the further conclusion that the interest on the Audited Bonds was not excludable from gross income of the owners of such bonds for federal income tax purposes. Village Center CDD received a second TAM dated June 17, 2015, which granted relief to Village Center CDD from retroactive application of the IRS's conclusion regarding its failure to qualify as a political subdivision. Prior to the conclusion of the audits, the Audited Bonds were all refunded with taxable bonds. The audit of the Audited Bonds that were issued for utility improvements were closed without change to the tax exempt status of those Audited Bonds on April 25, 2016, and the audit of the remainder of the Audited Bonds (which funded recreational amenity acquisitions from entities related to the principal landowner in the Village Center CDD) was closed on July 14, 2016, without the IRS making a final determination that the interest on the Audited Bonds in question was required to be included in gross income. However, the IRS letter to the Village Center CDD with respect to this second set of Audited Bonds noted that the IRS found that the Village Center CDD was not a "proper issuer of tax-exempt bonds" and that those Audited Bonds were private-activity bonds that did not fall in any of the categories that qualify for tax-exemption. Although the TAMs and the letters to the Village Center CDD from the IRS referred to above are addressed to, and binding only on, the IRS and Village Center CDD in connection with the Audited Bonds, they reflect the audit position of the IRS, and there can be no assurance that the IRS would not commence additional audits of bonds issued by other community development districts raising issues similar to the issues raised in the case of the Audited Bonds based on the analysis set forth in the first TAM or on the related concerns addressed in the July 14, 2016 letter to the Village Center CDD.

On February 23, 2016, the IRS published proposed regulations designed to provide prospective guidance with respect to potential private business control of issuers by providing a new definition of political subdivision for purposes of determining whether an entity is an appropriate issuer of bonds the interest on which is excluded from gross income for federal tax purposes. The proposed regulations require that a political subdivision (i) have the power to exercise at least one sovereign power, (ii) be formed and operated for a governmental purpose, and (iii) have a governing body controlled by or have significant uses of its funds or assets otherwise controlled by a government unit with all three sovereign powers or by an electorate that is not controlled by an unreasonably small number of unrelated electors. On October 4, 2017, the Treasury Department ("Treasury") announced that it would withdraw the proposed regulations, stating that, "while Treasury and the IRS continue to study the legal issues relating to political subdivisions, Treasury and the IRS currently believe that these proposed regulations should be withdrawn in their

entirety, and plan to publish a withdrawal of the proposed regulations shortly in the Federal Register. Treasury and the IRS may propose more targeted guidance in the future after further study of the relevant legal issues." Notice of withdrawal of the proposed regulations was published in the Federal Register on October 20, 2017.

It has been reported that the IRS has closed audits of other community development districts in Florida with no change to such districts' bonds' tax-exempt status, but has advised such districts that such districts must have public electors within the timeframe established by the applicable state law or their bonds may be determined to be taxable retroactive to the date of issuance. Pursuant to the Act, general elections are not held until the later of six years from the date of establishment of the community development district or the time at which there are at least 250 qualified electors in the district. The District, unlike Village Center CDD, was formed with the intent that it will contain a sufficient number of residents to allow for a transition to control by a general electorate. Currently, all of the members of the Board of the District were elected by the Developer and none were elected by qualified electors. The Developer will certify as to its expectations as to the timing of the transition of control of the Board of the District to qualified electors pursuant to the Act, and its expectations as to compliance with the Act by any members of the Board that it elects. Such certification by the Developer does not ensure that such certification shall be determinative of, or may influence the outcome of any audit by the IRS, or any appeal from such audit, that may result in an adverse ruling that the District is not a political subdivision for purposes of Section 103(a) of the Code. Further, there can be no assurance that an audit by the IRS of either Series of the Series 2019A Bonds will not be commenced. The District has no reason to believe that any such audit will be commenced, or that any such audit, if commenced, would result in a conclusion of noncompliance with any applicable state or federal law.

Owners of the Series 2019A Bonds are advised that, if the IRS does audit the Series 2019A Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the Owners of the Series 2019A Bonds may have limited rights to participate in those proceedings. The commencement of such an audit could adversely affect the market value and liquidity of the Series 2019A Bonds until the audit is concluded, regardless of the ultimate outcome. In addition, in the event of an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2019A Bonds, it is unlikely the District will have available revenues to enable it to contest such determination or enter into a voluntary financial settlement with the IRS. Further, an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2019A Bonds would adversely affect the availability of any secondary market for the Series 2019A Bonds. Should interest on the Series 2019A Bonds become includable in gross income for federal income tax purposes, not only will Owners of Series 2019A Bonds be required to pay income taxes on the interest received on such Series 2019A Bonds and related penalties, but because the interest rate on such Series 2019A Bonds will not be adequate to compensate Owners of the Series 2019A Bonds for the income taxes due on such interest, the value of the Series 2019A Bonds may decline.

THE INDENTURES DO NOT PROVIDE FOR ANY ADJUSTMENT IN THE INTEREST RATES ON THE SERIES 2019A BONDS IN THE EVENT OF AN ADVERSE DETERMINATION BY THE IRS WITH RESPECT TO THE TAX-EXEMPT STATUS OF INTEREST ON THE SERIES 2019A BONDS. PROSPECTIVE PURCHASERS OF THE SERIES 2019A BONDS SHOULD EVALUATE WHETHER THEY CAN OWN THE SERIES 2019A BONDS IN THE EVENT THAT THE INTEREST ON THE SERIES 2019A BONDS BECOMES TAXABLE AND/OR THE DISTRICT IS EVER DETERMINED TO NOT BE A POLITICAL SUBDIVISION FOR PURPOSES OF THE CODE AND/OR SECURITIES ACT (AS HEREINAFTER DEFINED).

Loss of Exemption from Securities Registration

Since the Series 2019A Bonds have not been and will not be registered under the Securities Act of 1933, as amended (the "Securities Act"), or any state securities laws, because of the exemption for political subdivisions, if the District is ever deemed by the IRS, judicially or otherwise, not to be a political subdivision for purposes of the Code, it is possible that federal or state regulatory authorities could also determine that the District is not a political subdivision for purposes of federal and state securities laws. Accordingly, the District and purchasers of Series 2019A Bonds may not be able to rely on the exemption from registration under the Securities Act relating to securities issued by political subdivisions. In that event, the Owners of the Series 2019A Bonds would need to ensure that subsequent transfers of the Series 2019A Bonds are made pursuant to a transaction that is not subject to the registration requirements of the Securities Act and applicable state securities laws.

Federal Tax Reform

During recent years, legislative proposals have been introduced in Congress, and in some cases enacted, that altered certain federal tax consequences resulting from the ownership of obligations that are similar to the Series 2019A Bonds. In some cases these proposals have contained provisions that altered these consequences on a retroactive basis. Such alteration of federal tax consequences may have affected the market value of obligations similar to the Series 2019A Bonds. From time to time, legislative proposals are pending which could have an effect on both the federal tax consequences resulting from ownership of the Series 2019A Bonds and their market value. No assurance can be given that additional legislative proposals will not be introduced or enacted that would or might apply to, or have an adverse effect upon, the Series 2019A Bonds. Prospective purchasers of the Series 2019A Bonds should consult their tax advisors as to the impact of any proposed or pending legislation as well as the impact of federal legislation enacted in December 2017. See also "TAX MATTERS."

State Tax Reform

It is impossible to predict what new proposals may be presented regarding tax reform and/or community development districts during upcoming legislative sessions, whether such new proposals or any previous proposals regarding the same will be adopted by the Florida Senate and House of Representatives and signed by the Governor, and, if adopted, the form thereof. On October 31, 2014, the Auditor General of the State released a 31-page report which requests legislative action to establish parameters on the amount of bonds a community development district may issue and provide additional oversight for community development district bonds. This report renews requests made by the Auditor General in 2011 that led to the Governor of the State issuing an Executive Order on January 11, 2012 (the "Executive Order") directing the Office of Policy and Budget in the Executive Office of the Governor ("OPB") to examine the role of special districts in the State. As of the date hereof, the OPB has not made any recommendations pursuant to the Executive Order nor has the Florida legislature passed any related legislation. It is impossible to predict with certainty the impact that any existing or future legislation will or may have on the security for the Series 2019A Bonds. It should be noted that Section 190.16(14) of the Act provides in pertinent part that "The state pledges to the holders of any bonds issued under the Act that it will not limit or alter the rights of the district to levy and collect the ... assessments... and to fulfill the terms of any agreement made with the holders of such bonds ... and that it will not impair the rights or remedies of such holders."

Insufficient Resources or Other Factors Causing Failure to Complete the Series 2019 Project or the Construction of Homes within the District

The cost to finish the Series 2019 Project [may/will] exceed the net proceeds from the Series 2019A Bonds. There can be no assurance, in the event the District does not have sufficient moneys on hand to

complete the Series 2019 Project, that the District will be able to raise, through the issuance of additional bonds or otherwise, the moneys necessary to complete the Series 2019 Project. Further, pursuant to the Indentures, the District covenants and agrees that the District shall not to issue any other Bonds or other debt obligations secured by Assessments on assessable lands within the District for any capital project until the Series 2019 Assessments are Substantially Absorbed. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2019A BONDS – Additional Bonds" for more information.

Although the Developer will agree to fund or cause to be funded the completion of the Series 2019 Project regardless of the insufficiency of proceeds from the Series 2019A Bonds and will enter into a completion agreement with the District as evidence thereof, there can be no assurance that the Developer will have sufficient resources to do so. Such obligation of the Developer is an unsecured obligation. See "THE DEVELOPER" herein for more information.

Further, there is a possibility that, even if the District is developed, the Builders may not close on all or any of the lots therein, and such failure to close could negatively impact the construction of a sufficient number of homes in the District. The Builder Contracts may also be terminated by the Builders upon the occurrence or failure to occur of certain conditions set forth therein. See "THE DEVELOPMENT – Builder Contracts and the Builders" herein for more information about the Builders and the Builder Contracts.

Payment of Series 2019 Assessments after Bank Foreclosure

In the event a bank forecloses on property because of a default on a mortgage in favor of such bank on any of the assessable lands within the District, and then the bank itself fails, the Federal Deposit Insurance Corporation (the "FDIC"), as receiver, will then become the fee owner of such property. In such event, the FDIC will not, pursuant to its own rules and regulations, likely be liable to pay the Series 2019 Assessments levied on such property. In addition, the District would require the consent of the FDIC prior to commencing a foreclosure action.

THE DISTRICT

General Information

The District was established by Ordinance No. 18-21 enacted by the Lee County Board of County Commissioners on September 19, 2018 under the provisions of the Act. The boundaries of the District include approximately 153.59 gross acres of land (the "District Lands") located east of C.R. 462 and north of C.R. 466A in the northern portion of Lee County, within the boundaries of the County. The District Lands are being developed as part of a master-planned, mixed-use community known as "Esplanade Lake Club." See "THE DEVELOPMENT" herein for more information.

Legal Powers and Authority

The District is an independent unit of local government created pursuant to, and established in accordance with, the Act. The Act was enacted in 1980 to provide a uniform method for the establishment of independent districts to manage and finance basic community development services, including capital infrastructure required for community developments throughout the State of Florida. The Act provides legal authority for community development districts (such as the District) to finance the acquisition, construction, operation and maintenance of the major infrastructure for community development pursuant to its general law charter.

Among other provisions, the Act gives the District's Board of Supervisors the authority to, among other things, (a) finance, fund, plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate and maintain systems, facilities, and basic infrastructure for, among other things: (i) water management and control for lands within the District and to connect any of such facilities with roads and bridges; (ii) water supply, sewer and waste-water management, reclamation and reuse systems or any combination thereof and to construct and operate connecting intercept or outlet sewers and sewer mains and pipes and water mains, conduits, or pipelines in, along, and under any street, alley, highway, or other public place or ways, and to dispose of any effluent, residue, or other byproducts of such system or sewer system; (iii) District roads equal to or exceeding the specifications of the county in which such District roads are located and street lights, landscaping, hardscaping and undergrounding of electric utility lines; (iv) conservation areas, mitigation areas, and wildlife habitat; (v) any other project, facility, or service required by a development approval, interlocal agreement, zoning condition, or permit issued by a governmental authority with jurisdiction in the District, and (vi) with the consent of the local general-purpose government within the jurisdiction of which the power is to be exercised, parks and facilities for indoor and outdoor recreational uses, and security; (b) borrow money and issue bonds of the District; (c) impose and foreclose Assessments liens as provided in the Act; and (d) exercise all other powers, necessary, convenient, incidental or proper in connection with any of the powers or duties of the District stated in the Act.

The Act does not empower the District to adopt and enforce any land use plans or zoning ordinances and the Act does not empower the District to grant building permits. These functions are to be performed by general purpose local governments having jurisdiction over the lands within the District.

The Act exempts all property owned by the District from levy and sale by virtue of an execution and from judgment liens.

Board of Supervisors

The Act provides that a five-member Board of Supervisors (the "Board") serves as the governing body of the District. Members of the Board (the "Supervisors") must be residents of the State and citizens

of the United States. Initially, the Supervisors were appointed in the Ordinance. Within 90 days after formation of the District, an election was held pursuant to which new Supervisors were elected on an at-large basis by the owners of the property within the District. Ownership of land within the District entitles the owner to one vote per acre (with fractions thereof rounded upward to the nearest whole number). A Supervisor serves until expiration of his or her term and until his or her successor is chosen and qualified. If, during a term of office, a vacancy occurs, the remaining Supervisors may fill the vacancy by an appointment of an interim Supervisor for the remainder of the unexpired term.

At the initial election held within 90 days after formation of the District, the landowners in the District elected two Supervisors to four-year terms and three Supervisors to two-year terms. Thereafter, the elections have taken place and will take place every two years, with the first such election being held on the first Tuesday in November, and subsequent elections being held on a date in November established by the Board. Upon the later of six years after the initial appointment of Supervisors and the year when the District next attains at least 250 qualified electors, Supervisors whose terms are expiring will begin to be elected (as their terms expire) by qualified electors of the District. A qualified elector is a registered voter who is at least eighteen years of age, a resident of the District and the State and a citizen of the United States. At the election where Supervisors are first elected by qualified electors, two Supervisors must be qualified electors and be elected by qualified electors, each elected to four-year terms. The seat of the remaining Supervisor whose term is expiring at such election shall be filled by a Supervisor who is elected by the landowners for a four-year term and who is not required to be a qualified elector. Thereafter, as terms expire, all Supervisors must be qualified electors and must be elected by qualified electors to serve staggered four-year terms.

Notwithstanding the foregoing, if at any time the Board proposes to exercise its ad valorem taxing power, prior to the exercise of such power, it shall call an election at which all Supervisors shall be elected by qualified electors in the District. Elections subsequent to such decision shall be held in a manner such that the Supervisors will serve four-year terms with staggered expiration dates in the manner set forth in the Act.

The Act provides that it shall not be an impermissible conflict of interest under Florida law governing public officials for a Supervisor to be a stockholder, officer or employee of a landowner or of any entity affiliated with a landowner.

The current members of the Board and the expiration of the term of each member are set forth below:

<u>Name</u>	<u>Title</u>	<u>Term Expires</u>
John Wollard*	Chairman	November 2022
Rob Price*	Vice Chairman	November 2022
Tim Martin*	Assistant Secretary	November 2020
Ryan Futch*	Assistant Secretary	November 2020
Andrew Miller *	Assistant Secretary	November 2020

* Employee of, or affiliated with, the Developer.

A majority of the members of the Board constitutes a quorum for the purposes of conducting its business and exercising its powers and for all other purposes. Action taken by the District shall be upon a vote of a majority of the members present unless general law or a rule of the District requires a greater number. All meetings of the Board are open to the public under Florida's open meeting or "Sunshine" law.

The District Manager and Other Consultants

The chief administrative official of the District is the District Manager (as hereinafter defined). The Act provides that a district manager has charge and supervision of the works of the District and is responsible for preserving and maintaining any improvement or facility constructed or erected pursuant to the provisions of the Act, for maintaining and operating the equipment owned by the District, and for performing such other duties as may be prescribed by the Board.

The District has retained JPWard and Associates, LLC to serve as its district manager ("District Manager"). The District Manager's office is located at 2900 NE 12 Terrace, #1, Oakland Park, Florida 33334.

The Act further authorizes the Board to hire such employees and agents as it deems necessary. Thus, the District has employed the services of Greenspoon Marder LLP, Boca Raton, Florida, as Bond Counsel; Waldrop Engineering, P.A., Bonita Springs, Florida, as District Engineer; and Hopping Green & Sams P.A., Tallahassee, Florida, as District Counsel. The Board has also retained the District Manager to serve as Methodology Consultant and to prepare the Assessment Methodology and to serve as Dissemination Agent for the Series 2019A Bonds.

No Outstanding Indebtedness

The District has not previously issued any Bonds or other debt obligations.

CAPITAL IMPROVEMENT PLAN AND THE SERIES 2019 PROJECT

Overview

The infrastructure to be designed, constructed and/or acquired by the District consists of the acquisition, construction, installation and equipping of a stormwater management system, water and wastewater systems, environmental mitigation, off-site improvements including roadways, and professional fees and permitting costs. Detailed information concerning the District's Capital Improvement Plan (collectively, the "Series 2019 Project") is contained in the Master Engineer's Report dated April, 2019 and attached hereto as APPENDIX C (the "Engineer's Report"). The land will be developed in phases. See "THE DEVELOPMENT – Development Plan and Status" for more information on the phases of development in the District.

The Series 2019 Project consists of certain public infrastructure for the 653 single- and multi-family homes planned within the District. The estimated total cost of the Series 2019 Project is approximately \$25 million. Private infrastructure, which is not included in the Series 2019 Project, includes landscaping, irrigation, internal roadways, excavation and grading, and the various amenity centers serving the Development. A summary of the estimated costs of the Series 2019 Project is set forth in the following table:

Infrastructure	Cost
Exterior Landscaping & Hardscape	\$3,250,000.00
Subdivision Potable Water System	\$1,820,000.00
Subdivision Wastewater System	\$4,240,000.00
Stormwater Facilities	\$4,410,000.00
Ground Improvement	\$1,810,000.00
Excavation	\$1,634,000.00
Environmental Preservation & Mitigation	\$540,000.00
Off-Site Improvements	\$1,973,000.00
Contingency (15%)	\$2,951,550.00
Professional Fees	<u>\$2,440,000.00</u>
Total	\$25,068,550.00

Net proceeds of the Series 2019 Bonds in the amount of approximately [\$26 million] will be deposited into the Acquisition and Construction Account and such proceeds will be used by the District to provide funds for the District's construction of the Series 2019 Project. Land development commenced in October 2018 and is being developed in phases. Development is completed for approximately 20 lots with an additional 252 lots expected to be completed by January 2020. The Developer will enter into a completion agreement to fund the completion of the Series 2019 Project to the extent that net proceeds of the Series 2019 Bonds are not sufficient to pay for the entire Series 2019 Project. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete the Series 2019 Project or the Construction of Homes within the District."

The District Engineer has indicated that all permits necessary to construct the Series 2019 Project have either been obtained or are expected to be obtained in the ordinary course of business. In addition to the Engineer's Report, please refer to "THE DEVELOPMENT – Development Approvals" for a more detailed description of the entitlement and permitting status of the District.

ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS

General

The Master Special Assessment Methodology Report dated April 29, 2019 (the "Master Methodology"), and as supplemented by the Preliminary Special Assessment Methodology Report dated June 10, 2019 (the "Supplemental Methodology" and together with the Master Methodology, the "Assessment Methodology"), included herein as APPENDIX D. The Assessment Methodology sets forth an overall method for allotting the Series 2019 Assessments to be levied against the lands within the District benefitted by the Series 2019 Project and collected by the District as a result thereof. Once the final terms of the Series 2019A Bonds are determined, the Assessment Methodology will be revised to reflect such final terms. Once levied and imposed, the Series 2019A Assessments are a first lien on those certain lands within the District against which they are assessed until paid or barred by operation of law, co-equal with one another and with other taxes and assessments levied by the District and other units of government. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein.

The Series 2019A-1 Bonds and the Series 2019A-2 Bonds are payable from and secured by a pledge of Series 2019A-1 Pledged Revenues and Series 2019A-2 Pledged Revenues, respectively, which are comprised primarily of the Series 2019A-1 Assessments and the Series 2019A-2 Assessments, respectively. The Series 2019A-1 Assessments and the Series 2019A-2 Assessments will initially be levied on an equal acreage basis across the gross acreage in the the District and will be allocated to individual lots upon platting on an equivalent assessment units ("EAU") basis, in accordance with the Assessment Methodology. See "APPENDIX D: ASSESSMENT METHODOLOGY." The District is expected to consist of approximately 778.93 acres planned for 653 residential homes, consisting of 186 villas and 467 single-family homes.

Upon platting of all of the planned residential units within the Development, the Series 2019 Special Assessments levied and allocated to platted units to pay debt service on the Series 2019 Bonds and the par per unit are expected to be as follows:

Product Type	# of Units Planned	2019A-1 Total Par Per Unit⁽¹⁾	2019A-2 Total Par Per Unit⁽²⁾	Total 2019 Par Per Unit⁽¹⁾⁽²⁾	Annual 2019A-1 Assessments Per Unit⁽¹⁾	Annual 2019A-2 Assessments Per Unit⁽²⁾	Total Annual Assessments Per Unit⁽¹⁾⁽²⁾

- (1) Preliminary, subject to change. Annual Series 2019A-1 Special Assessment levels include estimated County collection costs/payment discounts.
- (2) Preliminary, subject to change. The Series 2019A-2 Special Assessments are interest only until final maturity. [At the time of closing on lots with a Builder, the Developer is obligated under the Builder Contracts to prepay in full the Series 2019A-2 Special Assessments levied on such lots; however, the numbers set forth here reflect the estimated par per unit and annual assessment levels without such prepayment taking place.]

Each landowner within the District will pay annual taxes, assessment and fees on an ongoing basis as a result of its ownership of property within the District, including local ad valorem property taxes, the maintenance and operating assessments to be levied by the District, and the property owners' association assessments to be levied by the applicable property owners' association. The District anticipates levying assessments to cover its operation and administrative costs that are initially expected to be \$ ___ per single-family unit annually, but such amounts are subject to change. In addition, residents will be required to pay

homeowners association fees, which are currently estimated to be \$___ per residential lot monthly, which amounts are subject to change. The District Lands have been and will continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate applicable to lands within the Development in 2018 was approximately _____ mills. These taxes would be payable in addition to the Series 2019 Special Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the County and the School Board of Lee County each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in 2018. See "BONDOWNERS RISKS" and "THE DEVELOPMENT – Taxes, Fees and Assessments" for more information.

The information appearing below under the captions "THE DEVELOPMENT" and "THE DEVELOPER" has been furnished by the Developer for inclusion in this Limited Offering Memorandum and, although believed to be reliable, such information has not been independently verified by Bond Counsel, the District or its counsel, or the Underwriter or its counsel, and no persons other than the Developer make any representation or warranty as to the accuracy or completeness of such information supplied by them. The following information is provided by the Developer as a means for the prospective bondholders to understand the anticipated development plan and risks associated with the Development. The Developer is not guaranteeing payment of the Series 2019 Bonds or the Series 2019 Special Assessments.

THE DEVELOPMENT

General Overview

The District, which was created on September 19, 2018, encompasses approximately 779 acres (the "District Lands") located in unincorporated Lee County, Florida (the "County"). The District Lands are being developed as part of a [larger] master-planned residential community under the name "Esplanade Lake Club" (the "Development"). The Development is located at the intersection of the Ben Hill Griffin Parkway and Alico Road in the County, adjacent to the Miromar Lakes development.

Development residents will be in close proximity to the Southwest Florida International Airport, Florida Gulf Coast University, and several big box retailers such as Costco and Target, in addition to area attractions such as the Stoneybrook Golf Course and Regal Gulf Coast & IMAX Florida, each located within ten minutes from the Development.

The District Lands are being developed in multiple phases and are planned to contain 653 residential homes, consisting of 186 villas and 467 single-family homes, recreation and amenity areas at buildout. See "THE DEVELOPMENT – Development Plan and Status" for more information. The Development will be highly amenitized around a large lake with two main public recreation areas, which include clubhouses, pools, parks, and sport courts. Taylor Morrison of Florida, Inc., a Florida corporation (the "Developer"), is serving as the developer and one of the homebuilders for the Development. See "THE DEVELOPER" herein for more information.

Land Acquisition and Development Finance Plan

The Developer acquired title to District Lands on May 24, 2018 for a purchase price of \$33,800,000. The land was acquired with Developer equity. There are no mortgages on the Developer's lands in the District.

It is expected that total land development costs for the Development will be approximately \$71.9 million, including the cost of the Series 2019 Project as well as private improvements. Costs of the Series 2019 Project in the amount of approximately \$26 million will be funded with proceeds from the Series 2019 Bonds. Costs not funded with bond proceeds will be funded by the Developer. The Developer will enter into a completion agreement at closing on the Series 2019 Bonds agreeing to fund the completion of the Series 2019 Project in the event that the net proceeds of the Series 2019 Bonds are not sufficient. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete the Series 2019 Project or the Construction of Homes within the District Lands" herein.

As of August 6, 2019, the Developer has spent approximately \$20,491,909 in hard and soft costs developing the land in the District.

Development Plan and Status

The District is being developed in phases, which are described below:

Phase I is planned for ___ single-family units. Development of Phase I commenced in October 2018 and is expected to be complete by November 2019.

Phase II is planned for ___ single-family units. Development of Phase II is expected to begin in the ___ calendar quarter of 20__ and be completed by the ___ calendar quarter 2020.

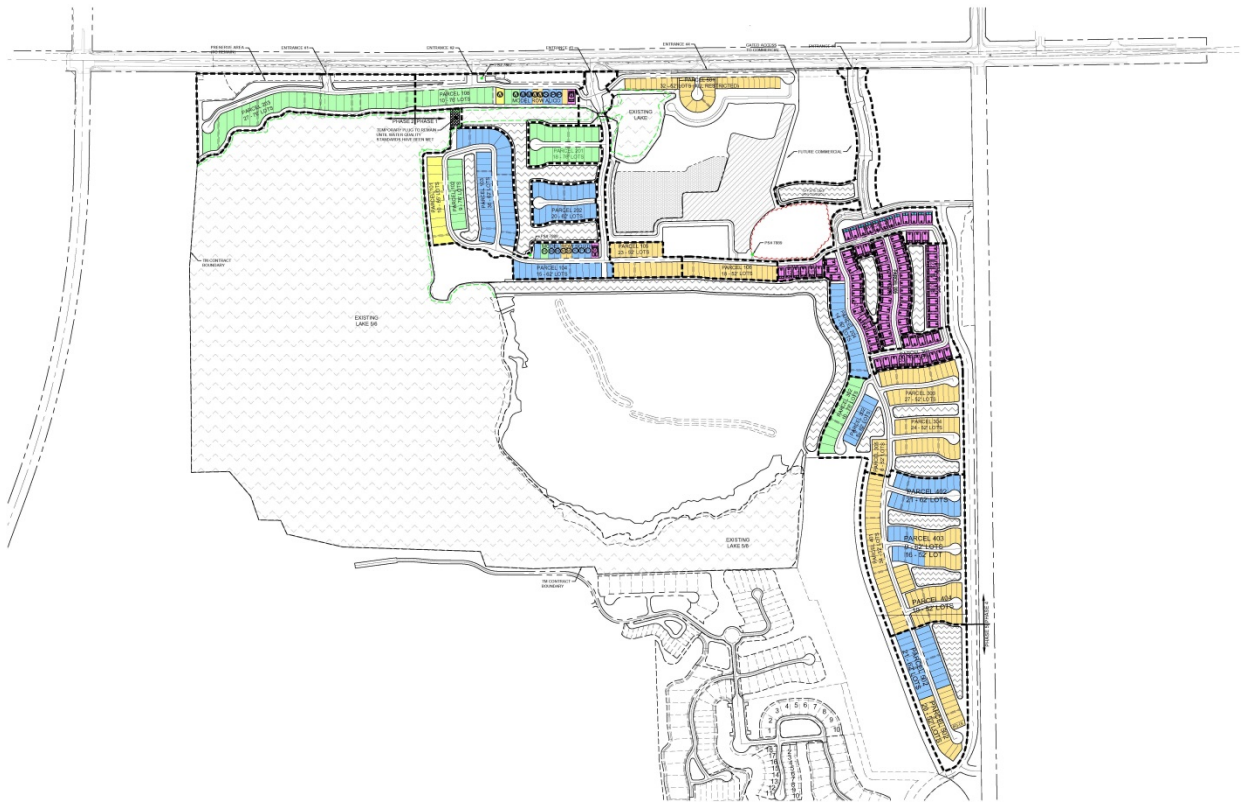

Phase III is planned for ___ single-family units. Development of Phase III is expected to begin in the ___ calendar quarter of 20__ and be completed by the ___ calendar quarter 2022.

Phase IV is planned for ___ single-family units. Development of Phase IV is expected to begin in the ___ calendar quarter of 20__ and be completed by the ___ calendar quarter 2024.

Phase V is planned for ___ single-family units. Development of Phase V is expected to begin in the ___ calendar quarter of 20__ and be completed by the ___ calendar quarter of 2026.

Home sales will commence in the fourth quarter of 2019, with deliveries commencing in the second quarter of 2020. The Developer expects that it will deliver approximately 117 homes per year until buildout. These anticipated absorption rates are based upon estimates and assumptions made by the Developer that are inherently uncertain, though considered reasonable, and are subject to significant business, economic, and competitive uncertainties and contingencies, all of which are difficult to predict and many of which are beyond the control of the Developer. As a result, there can be no assurance such absorption rates will occur or be realized in the time frames anticipated.

Set forth below is the proposed development plan for the District:

Builder Contracts and the Builders

The Developer has entered into Purchase and Sale Agreements for Platted Lots (collectively, the "Builder Contracts") with Pulte Home Company, a Michigan limited liability company ("Pulte") and Seagate Development Group, LLC, a Florida limited liability company ("Seagate" and together with Pulte, the "Builders") for 184 lots and 11 lots, respectively.

Pursuant to a Purchase and Sale Agreement for Platted Lots dated August 31, 2018, as amended (collectively, the "Pulte Contract") between the Developer and Pulte, Pulte has agreed to purchase 184 platted lots in five takedowns with an initial base purchase price per lot of \$94,900 subject to adjustment and escalation as set forth in the Pulte Contract. The initial closing on two lots [occurred on _____, 2019]. The second closing on 34 lots is expected to occur in March 2020, but no later than September 15, 2020. The third, fourth and fifth closings on 50 lots each are expected to occur in March 2021, March 2022 and March 2023, respectively. Pulte has made a deposit of \$1,231,612 which is nonrefundable except in the event of Developer's failure to perform under the Pulte Contract. There is a risk that Pulte may not close on any [additional] lots. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors causing Failure to Complete the Series 2019 Project or the Construction of Homes in the District" herein.

Pulte is the successor by conversion to Pulte Home Corporation, a Michigan corporation formed on January 24, 1985 and is wholly owned by PulteGroup, Inc., a Michigan corporation ("PulteGroup"). PulteGroup stock trades on the New York Stock Exchange under the symbol PHM. PulteGroup is subject to the informational requirements of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and in accordance therewith files reports, proxy statements, and other information with the Securities and Exchange Commission (the "SEC"). The file number for PulteGroup is No. 1-9804. Such reports, proxy statements, and other information can be inspected and copied at the Public Reference Section of the SEC,

Room 1024, 450 Fifth Street NW, Judiciary Plaza, Washington, DC, and at the SEC's internet website at <http://www.sec.gov>. Copies of such materials can be obtained by mail from the Public Reference Section of the SEC at prescribed rates. All documents subsequently filed by PulteGroup pursuant to the requirements of the Exchange Act after the date of this Limited Offering Memorandum will be available for inspection in the same manner as described above.

Pursuant to a Purchase and Sale Agreement for Platted Lots dated October 15, 2018, as amended (collectively, the "Seagate Contract") between the Developer and Seagate, Seagate has agreed to purchase 11 platted lots in two takedowns with an initial base purchase price per lot of \$425,000 subject to adjustment as set forth in the Seagate Contract. The initial closing on one lot [occurred on _____, 2019]. The second closing on 10 lots is expected to occur in [October 2019]. Seagate has made a deposit of \$371,250 which is nonrefundable except in the event of Developer's failure to perform under the Seagate Contract. There is a risk that Seagate may not close on any lots. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors causing Failure to Complete the Series 2019 Project or the Construction of Homes in the District" herein.

[Insert info on Seagate.]

Public Schools

School age residents of the Development will attend Three Oaks Elementary School, Three Oaks Middle School, and South Fort Myers High School which are located approximately 4.5 miles, 5.3 miles, and 6.4 miles away from the Development, respectively, and which were rated by the State as A, A and C, respectively, for the 2019 school year (the most recent for which grades are available). The Lee County School Board may change school boundaries from time to time, and there is no requirement that students residing in the Development be permitted to attend the schools which are closest to the Development.

Taxes, Fees and Assessments

The District initially will impose the Series 2019 Special Assessments across all of the lands within Development in each case on an equal acre basis. At the time parcels are platted within the Development, the debt levied on the lands will be transferred from the acres to platted lots in accordance with the Assessment Methodology. See "ASSESSMENT METHODOLOGY AND ALLOCATION OF ASSESSMENTS" herein and "APPENDIX E: ASSESSMENT METHODOLOGY" hereto for more information.

Upon platting of all of the planned residential units within the Development, the Series 2019 Special Assessments levied and allocated to platted units to pay debt service on the Series 2019 Bonds and the par per unit are expected to be as follows:

<u>Product Type</u>	<u># of Units Planned</u>	<u>2019A-1 Total Par Per Unit⁽¹⁾</u>	<u>2019A-2 Total Par Per Unit⁽²⁾</u>	<u>Total 2019 Par Per Unit⁽¹⁾⁽²⁾</u>	<u>Annual 2019A-1 Assessments Per Unit⁽¹⁾</u>	<u>Annual 2019A-2 Assessments Per Unit⁽²⁾</u>	<u>Total Annual Assessments Per Unit⁽¹⁾⁽²⁾</u>

The District anticipates levying assessments to cover its operation and administrative costs that are initially expected to be \$ ___ per single-family unit annually, but such amounts are subject to change. In addition, residents will be required to pay homeowners association fees, which are currently estimated to be \$ ___ per residential lot monthly, which amounts are subject to change. The District Lands have been and will continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate applicable to lands within the Development in 2018 was approximately _____ mills. These taxes would be payable in addition to the Series 2019 Special Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the County and the School Board of Lee County each levy

ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in 2018.

Amenities

The Development will have two main recreational amenities for the exclusive use by its residents. All amenity facilities will be funded by the Developer and will be owned and maintained by the homeowners' association. The amenities locations will include clubhouses, pools, parks and sport courts. In addition to these facilities, the amenities will accommodate boating access to the large recreational lake within and adjacent to the District boundary. This lake is shared by the residents of the adjacent Miromar Lakes development and the Florida Gulf Coast University. Development for the amenities began in June 2019 and are anticipated to be completed by October 2020. The total cost of the amenities is expected to be approximately \$8,272,925.

Competition

The Development is expected to compete with projects in the County market generally, which include Miromar Lakes, Wild Blue, and Blue Lake. The foregoing does not purport to summarize all of the existing or planned communities in the area of the Development.

Developer Agreements

As previously noted, the Developer will enter into a completion agreement that will obligate the Developer to complete any portions of the Series 2019 Project not funded with proceeds of the Series 2019 Bonds.

In addition, the Developer will execute and deliver to the District a Collateral Assignment and Assumption of Development Rights (the "Collateral Assignment"), pursuant to which the Developer will collaterally assign to the District, to the extent assignable and to the extent that they are solely owned or controlled by the Developer, development rights relating the Series 2019 Project and the development of the District Lands. Notwithstanding such Collateral Assignment, in the event the District forecloses on the lands subject to the Series 2019 Special Assessments as a result of a Developer's or subsequent landowners' failure to pay such assessments, there is a risk that the District will not have all permits and entitlements necessary to complete the Series 2019 Project or the development of the District Lands.

Finally, the Developer will also enter into a True-Up Agreement in connection with its obligations to pay true-up payments in the event that debt levels remaining on unplatted lands in the District increase above the maximum debt levels set forth in the Assessment Methodology. See "APPENDIX D: ASSESSMENT METHODOLOGY" herein for additional information regarding the "true-up mechanism."

Such obligations of the Developer are unsecured obligations. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete the Series 2019 Project or the Construction of Homes within the District" and "THE DEVELOPER" herein for more information regarding the Developer.

THE DEVELOPER

Taylor Morrison of Florida, Inc., a Florida corporation (the "Developer"), owns [all of the developable land in the District] and was incorporated on March 26, 1982. The ultimate parent of the Developer is Taylor Morrison Home Corp. ("Taylor Morrison"). Taylor Morrison's principal business is

residential homebuilding throughout the United States, with operations focused in Arizona, California, Colorado, Florida and Texas. Taylor Morrison's common shares trade on the New York Stock Exchange under the symbol THMC. Taylor Morrison is subject to the informational requirements of the Securities and Exchange Commission Act of 1934, as amended, and in accordance therewith files reports, proxy statements, and other information with the Securities and Exchange Commission (the "SEC"). The file number for Taylor Morrison is No. 0001-562476. Such reports, proxy statements, and other information can be inspected and copied at the Public Reference Section of the SEC, Room 1024, 450 Fifth Street NW, Judiciary Plaza, Washington, DC, and at the SEC's regional offices in Chicago (Northwestern Atrium Center, 500 West Madison Street, Suite 1400, Chicago, Illinois). Copies of such materials can be obtained by mail from the Public Reference Section of the SEC at prescribed rates. All documents subsequently filed by Taylor Morrison pursuant to the requirements of the Securities and Exchange Commission Act of 1934 after the date of this Limited Offering Memorandum will be available for inspection in the same manner as described above.

Neither the Developer nor any other entity listed above is guaranteeing payment of the Series 2019A Bonds or the Series 2019 Assessments. None of the entities listed herein, other than the Developer, has entered into any agreements in connection with the issuance of the Series 2019A Bonds.

TAX MATTERS

PROSPECTIVE PURCHASERS OF THE SERIES 2019A BONDS ARE ADVISED TO CONSULT THEIR OWN TAX ADVISORS PRIOR TO ANY PURCHASE OF THE SERIES 2019A BONDS AS TO THE IMPACT OF THE CODE UPON THEIR ACQUISITION, HOLDING OR DISPOSITION OF THE SERIES 2019A BONDS.

General

The Internal Revenue Code of 1986, as amended (the "Code"), imposes certain requirements that must be met on a continuing basis subsequent to the issuance of the Series 2019A Bonds in order to assure that interest on the Series 2019A Bonds will be excluded from gross income for federal income tax purposes under Section 103 of the Code. The District's failure to comply with these requirements may cause interest on the Series 2019A Bonds to be included in gross income for federal income tax purposes retroactive to their date of issuance. The District has covenanted in the Indentures to take all actions required by the Code in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Series 2019A Bonds. The opinion of Bond Counsel with respect to the Series 2019A Bonds, the form of which is attached hereto as "APPENDIX B," will be based upon and assume the accuracy of certain representations and certifications and are conditioned on compliance by the District with such requirements, and Bond Counsel has not been retained to monitor compliance with requirements such as described above subsequent to the issuance of the Series 2019A Bonds. The Indentures do not require the District to redeem the Series 2019A Bonds or to pay any additional interest or penalty in the event the interest on the Series 2019A Bonds becomes taxable.

In the opinion of Bond Counsel, assuming continuing compliance by the District with the tax covenants referred to above, under existing law, interest on the Series 2019A Bonds is excluded from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax. Bond Counsel is further of the opinion that, pursuant to the Special Act, the Series 2019A Bonds and the interest thereon are exempt from taxation under the laws of the State, except as to estate taxes and taxes imposed by Chapter 220, Florida Statutes, on interest, income and profits on debt obligations owned by corporations as defined therein.

Except as described above, Bond Counsel will express no opinion regarding the federal income tax consequences resulting from the ownership of, receipt or accrual of interest on, or disposition of the Series 2019A Bonds.

Bond Counsel will render its opinions as of the issue date, and will assume no obligation to update the opinions after the issue date to reflect any future facts or circumstances, or any future changes in law or interpretation, or otherwise. The opinions of Bond Counsel are based on existing law, which is subject to change. As to questions of fact material to such opinions, Bond Counsel will rely upon representations and covenants made on behalf of the District, certificates of appropriate officers and others (including certifications as to the use of proceeds of the Series 2019A Bonds and of the property financed thereby), without undertaking to verify the same by independent investigation. Bond Counsel assumes no duty to update or supplement its opinion to reflect any facts or circumstances that may thereafter come to Bond Counsel's attention or to reflect any changes in law that may thereafter occur or become effective. Moreover, the opinions of Bond Counsel are only opinions and not a warranty or guaranty of the matters discussed or of a particular result, and are not binding on the Internal Revenue Service or the courts; rather such opinions represent Bond Counsel's professional judgment based on its review of existing law, and in reliance on the representations and covenants that it deems relevant to such opinions.

Additional Federal Income Tax Consequences

Prospective purchasers of the Series 2019A Bonds should be aware that ownership of, accrual or receipt of interest on, or disposition of tax-exempt obligations, such as the Series 2019A Bonds, may have additional federal income tax consequences for certain taxpayers, including, without limitation, taxpayers eligible for the earned income credit, recipients of certain Social Security and certain Railroad Retirement benefits, taxpayers that may be deemed to have incurred or continued indebtedness to purchase or carry tax-exempt obligations, financial institutions, property and casualty companies, foreign corporations and certain S corporations. Prospective purchasers of the Series 2019A Bonds should also consult with their tax advisors with respect to the need to furnish certain taxpayer information in order to avoid backup withholding.

PURCHASE, OWNERSHIP, SALE OR DISPOSITION OF THE SERIES 2019A BONDS AND THE RECEIPT OR ACCRUAL OF THE INTEREST THEREON MAY HAVE ADVERSE FEDERAL TAX CONSEQUENCES FOR CERTAIN INDIVIDUAL AND CORPORATE BONDHOLDERS, INCLUDING, BUT NOT LIMITED TO, THE CONSEQUENCES DESCRIBED ABOVE. PROSPECTIVE BONDHOLDERS SHOULD CONSULT WITH THEIR TAX SPECIALISTS FOR INFORMATION IN THAT REGARD.

Purchasers of the Series 2019A Bonds at other than their original issuance at the respective prices indicated on the inside cover of this Limited Offering Memorandum should consult their own tax advisors regarding other tax considerations such as the consequences of market discount.

Changes in Tax Law

Federal, state or local legislation, administrative pronouncements or court decisions may affect the tax-exempt status of interest on the Series 2019A Bonds, gain from the sale or other disposition of the Series 2019A Bonds, the market value of the Series 2019A Bonds, or the marketability of the Series 2019A Bonds. It is not possible to predict whether any legislative or administrative actions or court decisions having an adverse impact on the federal or state income tax treatment of holders of the Series 2019A Bonds may occur. Prospective purchasers of the Series 2019A Bonds should consult their own tax advisors regarding the impact of any change in law on the Series 2019A Bonds.

Tax Treatment of Original Issue Discount

The Series 2019A Bonds maturing on November 1, 20__ through November 1, 20__, inclusive collectively, the "Discount Bonds"), were sold at prices less than the stated principal amounts thereof. The difference between the principal amount of the Discount Bonds and the initial offering price to the public, excluding bond houses and brokers, at which price a substantial amount of such Discount Bonds of the same maturity was sold, is "original issue discount." Original issue discount represents interest which is excluded from gross income for federal income tax purposes to the same extent and subject to the same considerations discussed above as to stated interest on the Series 2019A Bonds. Such interest is taken into account for purposes of determining the alternative minimum tax liability, and other collateral tax consequences, although the owner of such Discount Bonds may not have received cash in such year. Original issue discount will accrue over the term of a Discount Bond at a constant interest rate compounded on interest payment dates. A purchaser who acquires a Discount Bond in the initial offering at a price equal to the initial offering price thereof will be treated as receiving an amount of interest excludable from gross income for federal income tax purposes equal to the original issue discount accruing during the period such purchaser holds such Discount Bond and will increase its adjusted basis in such Discount Bond by the amount of such accruing discount for purposes of determining taxable gain or loss on the sale or other disposition of such Discount Bond. The federal income tax consequences of the purchase, ownership and redemption, sale or other disposition of Discount Bonds which are not purchased in the initial offering may be determined according to rules which differ from those described above. Prospective purchasers of Discount Bonds should consult their own tax advisors with respect to the precise determination for federal income tax purposes of interest accrued upon sale, redemption or the disposition of Discount Bonds and with respect to the state and local tax consequences of owning and disposing of Discount Bonds.

Tax Treatment of Original Issue Premium

The Series 2019A Bonds maturing on November 1, 20__ through November 1, 20__, inclusive (collectively, the "Premium Bonds"), were offered and sold to the public at a price in excess of their stated redemption price (the principal amount) at maturity. That excess constitutes bond premium. For federal income tax purposes, bond premium is amortized over the period to maturity of a Premium Bond, based on the yield to maturity of that Premium Bond (or, in the case of a Premium Bond callable prior to its stated maturity, the amortization period and yield may be required to be determined on the basis of an earlier call date that results in the lowest yield on that Premium Bond), compounded semiannually. No portion of that bond premium is deductible by the owner of a Premium Bond. For purposes of determining the owner's gain or loss on the sale, redemption (including redemption at maturity) or other disposition of a Premium Bond, the owner's tax basis in the Premium Bond is reduced by the amount of bond premium that accrues during the period of ownership. As a result, an owner may realize taxable gain for federal income tax purposes from the sale or other disposition of a Premium Bond for an amount equal to or less than the amount paid by the owner for that Premium Bond. A purchaser of a Premium Bond in the initial public offering at the price for that Premium Bond stated on the inside cover of this Limited Offering Memorandum who holds that Premium Bond to maturity (or, in the case of a callable Premium Bond, to its earlier call date that results in the lowest yield on that Premium Bond) will realize no gain or loss upon the retirement of that Premium Bond. Purchasers of Premium Bonds should consult their own tax advisors with respect to the precise determination for federal income tax purposes of the treatment of bond premium upon sale, redemption or other disposition of Premium Bonds and with respect to the state and local consequences of owning and disposing of Premium Bonds.

Additional Matters Relating to On-going IRS Audit Program and Special Districts

The Internal Revenue Service (the "IRS") has established an on-going program to audit tax-exempt obligations to determine whether interest on such obligations is includible in gross income for federal

income tax purposes. In addition, reference is made to "BONDOWNERS' RISKS—'IRS Audit and Examination Risk' and 'Federal Tax Reform'" herein regarding recent developments with respect to certain special district financings.

Bond Counsel cannot predict whether the IRS will commence an audit of the Series 2019A Bonds. Owners of the Series 2019A Bonds are advised that, if the IRS does audit the Series 2019A Bonds, under current IRS procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the owners of the Series 2019A Bonds may have limited rights to participate in such procedure. The commencement of audit could adversely affect the market value and liquidity of the Series 2019A Bonds until the audit is concluded, regardless of the ultimate outcome. As noted above, the Indentures do not require the District to redeem the Series 2019A Bonds or to pay any additional interest or penalty in the event the interest on the Series 2019A Bonds becomes taxable.

AGREEMENT BY THE STATE

Under the Act, the State of Florida pledges to the holders of any bonds issued thereunder, including the Series 2019A Bonds, that it will not limit or alter the rights of the District to own, acquire, construct, reconstruct, improve, maintain, operate or furnish the projects subject to the Act or to levy and collect taxes, assessments, rentals, rates, fees, and other charges provided for in the Act and to fulfill the terms of any agreement made with the holders of such bonds and that it will not in any way impair the rights or remedies of such holders.

LEGALITY FOR INVESTMENT

The Act provides that the Series 2019A Bonds are legal investments for savings banks, banks, trust companies, insurance companies, executors, administrators, trustees, guardians, and other fiduciaries, and for any board, body, agency, instrumentality, county, municipality or other political subdivision of the State of Florida, and constitute securities which may be deposited by banks or trust companies as security for deposits of state, county, municipal or other public funds, or by insurance companies as required or voluntary statutory deposits.

SUITABILITY FOR INVESTMENT

In accordance with applicable provisions of Florida law, the Series 2019A Bonds may initially be sold by the District only to "accredited investors" within the meaning of Chapter 517, Florida Statutes and the rules promulgated thereunder. The limitation of the initial offering to accredited investors does not denote restrictions on transfer in any secondary market for the Series 2019A Bonds. Investment in the Series 2019A Bonds poses certain economic risks. No dealer, broker, salesperson or other person has been authorized by the District or the Underwriter to give any information or make any representations, other than those contained in this Limited Offering Memorandum, and, if given or made, such other information or representations must not be relied upon as having been authorized by either of the foregoing.

ENFORCEABILITY OF REMEDIES

The remedies available to the Owners of the respective Series of the Series 2019A Bonds upon an event of default under the applicable Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including the federal bankruptcy code, the remedies specified by the Indentures and the Series 2019A Bonds may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2019A Bonds will be qualified as to the enforceability of the

remedies provided in the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery.

LITIGATION

The District

There is no litigation of any nature now pending or, to the knowledge of the District threatened, against the District seeking to restrain or enjoin the issuance, sale, execution or delivery of the Series 2019A Bonds, or in any way contesting or affecting (i) the validity of the Series 2019A Bonds or any proceedings of the District taken with respect to the issuance or sale thereof, (ii) the pledge or application of any moneys or security provided for the payment of the Series 2019A Bonds, (iii) the existence or powers of the District or (iv) the validity of the Assessment Proceedings.

The Developer

The Developer will represent that there is no litigation of any nature now pending or, to the knowledge of the Developer, threatened, which could reasonably be expected to have a material and adverse effect upon the completion of the Series 2019 Project or the development of the lands in the District as described herein, materially and adversely affect the ability of such Landowner to pay the related Series 2019 Assessments imposed against the land within the District owned by the Developer or materially and adversely affect the ability of the Developer to perform its various obligations described in this Limited Offering Memorandum.

CONTINGENT FEES

The District has retained Bond Counsel, District Counsel, the District Engineer, the Methodology Consultant, the Underwriter (who has retained Underwriter's Counsel) and the Trustee (who has retained Trustee's Counsel), with respect to the authorization, sale, execution and delivery of the Series 2019A Bonds. Except for the payment of certain fees to [District Counsel, District Engineer and the Methodology Consultant], the payment of fees of the other professionals is each contingent upon the issuance of the Series 2019A Bonds.

NO RATING

No application for a rating for the Series 2019A Bonds has been made to any rating agency, nor is there any reason to believe that an investment grade rating for the Series 2019A Bonds would have been obtained if application had been made.

EXPERTS

The Engineer's Report attached as APPENDIX C to this Limited Offering Memorandum has been prepared by Waldrop Engineering, P.A., Bonita Springs, Florida, the District Engineer. APPENDIX C should be read in its entirety for complete information with respect to the subjects discussed therein. JP Ward and Associates, LLC, Oakland Park, Florida, as Methodology Consultant, has prepared the Assessment Methodology set forth as APPENDIX D attached hereto. APPENDIX D should be read in its entirety for complete information with respect to the subjects discussed therein. As a condition to closing on the Series 2019A Bonds, both the District Engineer and the Methodology Consultant have consented to the inclusion of their reports in this Limited Offering Memorandum.

FINANCIAL INFORMATION

This District will covenant in a Continuing Disclosure Agreement, the proposed form of which is set forth in APPENDIX F attached hereto, to provide its annual audited financial statements to certain information repositories as described in APPENDIX F, commencing with the audit for the District fiscal year ending September 30, 2019. Attached hereto as APPENDIX E is a copy of the District's monthly unaudited financial statements for the period ended [July 31, 2019]. The District does not have audited financial statements because the District was only recently established. The Series 2019A Bonds are not general obligation bonds of the District and are payable solely from the respective Series Pledged Revenues, as set forth in the Indentures.

Beginning October 1, 2015, or by the end of the first full fiscal year after its creation, each community development district in Florida must have a separate website with certain information as set forth in Section 189.069, F.S., including, without limitation, the district's proposed and final budgets and audit. Additional information regarding the District's website is available from the District Manager at the address set forth under "THE DISTRICT – The District Manager and Other Consultants."

DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS

Section 517.051, Florida Statutes, and the regulations promulgated thereunder requires that the District make a full and fair disclosure of any bonds or other debt obligations that it has issued or guaranteed and that are or have been in default as to principal or interest at any time after December 31, 1975 (including bonds or other debt obligations for which it has served only as a conduit issuer such as industrial development or private activity bonds issued on behalf of private business). The District is not and has never been in default as to principal or interest on its bonds or other debt obligations since December 31, 1975.

CONTINUING DISCLOSURE

The District and the Developer will enter into a Continuing Disclosure Agreement (the "Disclosure Agreement"), the proposed form of which is set forth in the attached APPENDIX F, for the benefit of the Series 2019 Bondholders (including owners of beneficial interests in such Series 2019A Bonds), to provide certain financial information and operating data relating to the District and the Development by certain dates prescribed in the Disclosure Agreement (the "Reports") with the Municipal Securities Rulemaking Board ("MSRB") through the MSRB's Electronic Municipal Market Access system ("EMMA"). The specific nature of the information to be contained in the Reports is set forth in "APPENDIX F: PROPOSED FORM OF CONTINUING DISCLOSURE AGREEMENT." Under certain circumstances, the failure of the District or the Developer or any other future obligated party to comply with their obligations under the Disclosure Agreement constitutes an event of default thereunder. Such a default will not constitute an event of default under the Indentures, but such event of default under the Disclosure Agreement would allow the Series 2019A-1 Bondholders and the Series 2019A-2 Bondholders (including owners of beneficial interests in such Series 2019A Bonds), as applicable, to bring an action for specific performance.

[Developer history to come.] The District has not previously entered into any continuing disclosure agreements in connection with Rule 15c2-12 (the "Rule") promulgated under the Securities Exchange Act of 1934, as amended. The District will appoint the District Manager to serve as dissemination agent under the Disclosure Agreements for the Series 2019A Bonds.

The period of time during which an appeal can be taken from such judgment has expired without an appeal having been taken.
