NOTICE OF PUBLIC HEARING TO CONSIDER THE ADOPTION OF THE FISCAL YEAR 2023 BUDGETS; AND NOTICE OF PUBLIC HEARING TO CONSIDER THE IMPOSITION AND LEVY OF MAINTENANCE AND OPERATION SPECIAL ASSESSMENTS; ADOPTION OF AN ASSESSMENT ROLL, AND THE USE OF THE UNIFORM COLLECTION, AND ENFORCEMENT OF THE SAME; AND NOTICE OF REGULAR BOARD OF SUPERVISORS' MEETING.

The Board of Supervisors for Esplanade Lake Club Community Development District will hold two public hearings and a regular meeting on August 4, 2022, at 11:00 a.m. at the offices of ATWELL LLC, 28100 Bonita Grande Drive, Suite 304, Bonita Springs, Florida 34135. The meeting is being held for the necessary public purpose of considering such business as more fully identified in the meeting agenda, a copy of which will be posted on the District's website at www.esplanadelakeclubcdd.org.

The purpose of the first public hearing is to receive public comment and objections on the Fiscal Year 2023 Proposed Budgets. The first public hearing is being conducted pursuant to Chapter 190, Florida Statutes. The purpose of the second public hearing is to consider the imposition of special assessments to fund the District's proposed operation and maintenance budget for Fiscal Year 2023 upon the lands located within the District, a depiction of which lands is shown below, and to consider the adoption of an assessment roll, for the uniform collection, and enforcement of the assessments. The second public hearing is being conducted pursuant to Florida law including Chapters 190 and 197, Florida Statutes. At the conclusion of the public hearings, the Board will, by resolution, adopt the budgets and levy assessments to fund the operation and maintenance budget as finally approved by the Board.

A regular board meeting of the District will also be held where the Board may consider any other business that may properly come before it.

A copy of the proposed budgets, preliminary assessment roll, and the agenda for the hearings and meeting may be obtained at the offices of the District Manager, Ph: (954) 658-4900, during normal business hours or on the District's web site www.esplanadelakeclubcdd.org, at least seven (7) days in advance of the meeting.

The special assessments are annually recurring assessments and are in addition to previously levied capital debt assessments. The table below presents the proposed schedule of operation and maintenance assessments for Fiscal Year 2023. Amounts are preliminary and subject to change at the hearing and in any future year. The amounts are subject to early payment discount as afforded by the uniform collection law. Note that the operations and maintenance assessments stated below do not include any debt service assessments previously levied by the District and due to be collected for Fiscal Year 2023.

Proposed Schedule of Assessments

Product Type	FY 2023
Single Family 30' - 39'	\$652.47
Single Family 50' - 59'	\$853.23
Single Family 60' - 69'	\$1,003.80
Single Family 70' - 79'	\$1,104.17
Single Family 80' & up	\$1,154.36

The tax collector will collect the assessments pursuant to the uniform method. The District may choose to collect the assessments for developer owned land not pursuant to the uniform method.

Failure to pay the assessments collected by the Tax Collector using the uniform method will cause a tax certificate to be issued against the property which may result in a tax deed and loss of title. For delinquent assessments that were initially directly billed by the District, the District may initiate a foreclosure action or may place the delinquent assessments on the next year's county tax bill. All affected property owners have the right to appear at the public hearings and the right to file written objections with the District within twenty (20) days of publication of this notice.

The public hearings and meeting are open to the public and will be conducted in accordance with the provisions of Florida Law for Community Development Districts. The public hearings and meeting may be continued to a date, time, and place to be specified on the record at the hearings or meeting.

Any person requiring special accommodations at this meeting because of a disability or physical impairment should contact the District Office at (954) 658-4900 at least forty-eight (48) hours prior to the meeting. If you are hearing or speech impaired, please contact the Florida Relay Service by dialing 7-1-1, or 1-800-955-8771 (TTY) / 1-800-955-8770 (Voice), for aid in contacting the District Office.

Each person who decides to appeal any decision made by the Board with respect to any matter considered at the public hearings or meeting is advised that person will need a record of proceedings and that accordingly, the person may need to ensure that a verbatim record of the proceedings is made, including the testimony and evidence upon which such appeal is to be based.

SPECIAL ASSESSMENT METHODOLOGY

1.0 PURPOSE

This report is intended to introduce to the Esplanade Lake Club Community Development District an operations methodology to fund the annual operations and maintenance requirements for the District. The methodology will outline the properties within the District that are subject to the Assessment and the benefit conferred on each property by the services and projects provided by the Districts' operational and maintenance activities. This report covers the District Fiscal Year 2023, which begins on October 1, 2022 and ends on September 30, 2023.

The Methodology will have two (2) primary objectives: (1) to determine the special and peculiar benefits that flow to the assessable properties in the District; and (2) apportioning the proportionate benefits on a basis that is fair and reasonable. The Methodology herein is intended to set forth a framework to apportion the costs associated with the operations and maintenance expenditures benefiting properties on a fair and equitable apportionment. The report is designed to conform to the requirements of Chapter's 189, 190 and 197, Florida Statutes and is consistent with the District's understanding of the case law on this subject.

2.0 BACKGROUND

A Community Development District ("CDD,") is an independent unit of special purpose local government created and chartered by Chapter 190, Florida Statutes, to plan, finance, construct, operate and maintain community-wide infrastructure in large, planned community developments. It may be established on the proposed property by ordinance and this SERC is related only to the petition to establish. CDD's provide a "solution to the state's planning, management and financing needs for delivery of capital infrastructure to service projected growth without overburdening other governments and their taxpayers." Section 190.002(1)(a), F.S.

A CDD is not a substitute for the local, general purpose, government unit, i.e., the County in which the CDD lies. A CDD does not have the permitting, zoning or police powers possessed by general purpose governments. A CDD is an alternative means of financing, constructing, operating, and maintaining community infrastructure for planned developments, such as Esplanade Lake Club.

The District serves land that comprises 570.93 acres in size and in the master planned residential development, currently planned to be made up of an estimated 653 residential dwelling units .

3.0 REQUIREMENTS FOR A VALID ASSESSMENT METHODOLOGY

Valid assessments under Florida Law have two (2) requirements. First, the properties assessed must receive a special and peculiar benefit as a logical connection from the systems and services constituting improvements. The courts recognize the special benefits that flow as a logical connection peculiar to the property which in turn may result in decreased insurance premiums, increased value and marketability. Second, the assessments must be fairly and reasonably apportioned in relation to the benefit received by the various properties being assessed.

If these two tests for lienability are determined in a manner that is informed and non-arbitrary by the Board of Supervisors of the District, as a legislative determination, then the special assessments may be levied, imposed and collected as a first lien on the property. Florida courts have found that it is not necessary to calculate benefit with mathematical precision at the time of imposition and levy so long as the levying and imposition process is not arbitrary, capricious or unfair.

4.0 ASSESSMENT ALLOCATION STRUCTURE

Special and peculiar benefits flow as a logical connection to the property from the operation and maintenance related services provided as a logical consequence to the property within the boundary of the District. These special benefits are peculiar to the acreage and later down to the actual platted units or parcels. The special benefits that justify imposing the assessment on the acreage include enhanced enjoyment and increased use, which may result in such positive consequences as increased value and marketability and decreased insurance premiums when levied on the various platted units or parcels of property.

5.0 ASSIGNMENT OF ASSESSMENTS

The apportionment of benefit in such a methodology report is based on accepted practices for the fair and equitable apportionment of special benefits in accordance with applicable laws and the procedure for the imposition, levy and collection of non ad valorem special assessments as set forth in the District Act and in conformity with State Laws applicable to such assessments.

The standard assessment analysis utilizes an allocation based upon the benefit that a property receives from each separate component of the District's O&M activities. The Fiscal Year 2023 General Fund Budget is financial, administrative and operational in nature so the assessments should be based equally and ratably on an equivalent number of residential units assigned to

the property. It is hereby determined that the allocation of the assessments will be to the various product types planned for the development based on the following factors.

6.0 ASSESSMENT ROLL

As described above, the allocation associated with the District's General Fund Activities are distributed across all assessable units within the boundaries of the District. Table 1 provides the assessment roll based on updated parcel account information provided by the Lee County Property Appraiser's office in July 2022 assigning the appropriate parcel identification numbers for the lands currently platted within the boundaries of the District.

INTERLOCAL COST-SHARING AGREEMENT

THIS INTERLOCAL COST-SHARING AGREEMENT (this “**Agreement**”) is made as of this _____ day of _____, 2022 (the “**Effective Date**”), by and between **MIROMAR LAKES COMMUNITY DEVELOPMENT DISTRICT**, an independent special district established pursuant to Chapter 190, Florida Statutes (“**ML**”) and **ESPLANADE LAKE CLUB COMMUNITY DEVELOPMENT DISTRICT**, an independent special district established pursuant to Chapter 190, Florida Statutes (“**ELC**”). ML and ELC are sometimes collectively referred to herein as the “**Parties**” and individually as a “**Party**”.

WITNESSETH:

WHEREAS, Section 163.01, Florida Statutes, permits local governmental units to make the most efficient use of their powers by enabling them to cooperate with each other to provide services in a manner that will accord best with geographic, economic, population and other factors influencing the needs and development of local communities; and

WHEREAS, ML and ELC are each a local unit of special purpose government organized and existing in accordance with the Uniform Community Development District Act, Chapter 190, Florida Statutes, as amended, and established pursuant to ordinances of Lee County, Florida; and

WHEREAS, ML was established for the purpose of planning, financing, constructing, operating and/or maintaining certain public infrastructure improvements, including surface water management systems and other infrastructure benefitting the Miromar Lakes community; and

WHEREAS, ELC was established for the purpose of planning, financing, constructing, operating and/or maintaining certain public infrastructure improvements, including surface water management systems and other infrastructure benefitting the Esplanade Lake Club community; and

WHEREAS, ELC generally includes the substantial portion of a large lake, commonly known as Lake 5 as reflected on Exhibit “A”; and

WHEREAS, ML generally includes the substantial portion of a large lake commonly known as Lake 6 as reflected on Exhibit “A”; and

WHEREAS, Lake 5 and Lake 6 are interconnected and are commonly referred to jointly in various permits as Lakes 5/6. Lake 5 is also sometimes referred to as Lake 5/6 North (“**Lake 5/6 North**”) and Lake 6 is also sometimes referred to as Lake 5/6 South (“**Lake 5/6 South**”) (Lake 5/6 North and Lake 5/6 South will sometimes be collectively referred to herein as the “**Lakes 5/6**”); and

WHEREAS, Lake 5/6 North is a component of ELC’s master stormwater management system and Lake 5/6 South is a component of ML’s master stormwater management system; and

WHEREAS, ML and ELC and their respective property owners and residents within their boundaries share certain rights to Lakes 5/6; and

WHEREAS, as a result of the interconnected nature of Lakes 5/6, the parties are experiencing common issues relating to Lakes 5/6 including the need to manage exotic aquatic vegetation and controlling invasive species, which issues necessitate collaboration between ML and ELC in order to sufficiently resolve or address the issues. (For reference, however, each Party is individually undertaking aquatic spraying of exotic vegetation of the portions of Lakes 5/6 it owns.); and

WHEREAS, ML and ELC desire to enter into this Agreement as a means to jointly and expeditiously address issues relating to Lakes 5/6 on an annual basis when they arise and define certain cost-sharing responsibilities; and

WHEREAS, the Parties have the authority to enter into this Interlocal Agreement pursuant to Section 163.01, Florida Statutes to provide for the mutual benefit of each community development district.

NOW, THEREFORE, in consideration of the mutual covenants and provisions herein contained, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. Recitals. The foregoing recitals are true and correct and are incorporated herein by this reference.

2. Annual Projects.

a. Proposing a Project. The Parties shall work cooperatively to determine any joint projects to propose pursuant to this Agreement that will be submitted to each Party’s Board of Supervisors on or before June 15th of each year (each, a “**Project**”) relating to Lakes 5/6 for the upcoming fiscal year of each Party. The proposals to each Board of Supervisors shall include an estimated budget and proposed plan for the costs associated with the Project. It is specifically acknowledged that no Project will be approved for any fiscal year unless the Project is agreed to by the Board of Supervisors of each Party and confirmed in writing to the other Party. Neither Party has an obligation to undertake or agree to any proposed Project and each proposed Project will be subject to an annual review and approval. Any Project agreed to by the Parties for any fiscal year shall be referred to herein as an “**Approved Project**”. As to any Approved Project, the Parties shall agree upon which Party will have the primary responsibility for monitoring the contractor(s) selected for the work.

b. Engaging a Contractor. With respect to any Approved Project, the Parties will solicit, select and engage one or more third-party contractors in accordance with Chapter 190, Florida Statutes to perform the work on the Approved Project. Each Party will enter into a separate contract with such contractor(s) selected by the Parties for its portion of the Approved Project based upon its Allocation (defined below). Each Party will have the sole obligation to pay to the applicable contractor all costs and expenses required under its contract with the contractor. Neither Party will have the responsibility or obligation to pay any costs or expenses under the other Party’s contract with a contractor; provided, however, that in the event that either Party is delinquent in the payment of any costs and expenses under its contract with the applicable contractor (the “**Delinquent Party**”), the non-delinquent Party (the “**Non-Delinquent Party**”) shall have the right, but not the obligation, to advance and pay such delinquent costs

and expenses to the contractor to satisfy the delinquency and the Delinquent Party shall thereafter reimburse the Non-Delinquent Party within fifteen (15) days after written notice from the Non-Delinquent Party of such payment and the amount paid on the Delinquent Party's behalf (a "**Delinquent Bill**"). If any such Delinquent Bill is not paid within said fifteen (15) day period to the Non-Delinquent Party by the Delinquent Party, then the amount of such Delinquent Bill shall accrue interest at the maximum interest rate allowed by law until paid, and the Non-Delinquent Party may bring legal action against the Delinquent Party for the amount of the Delinquent Bill plus interest and attorney's fees and costs of any such action.

c. Allocation of Costs. Unless otherwise agreed to in writing by the Parties for an Approved Project, the Parties agree to allocate the proposed cost and expense of any Approved Project on a proportional basis based upon the units that each Party intends to assess within its boundaries in its upcoming fiscal year for annual operation and maintenance assessments as compared to the total number of units that the Parties intend to collectively assess for annual operation and maintenance assessments in the upcoming fiscal year. As it is acknowledged that there is on-going development within both ML and ELC the number of units for annual operation and maintenance assessments in either could fluctuate over time until finally fixed. The intended allocation for each party for an Approved Project for any fiscal year will be memorialized as part of an Approved Project and will be referred to herein as each Party's "**Allocation**".

d. Permitting. In the event any permit, application, or license from any applicable governmental entity having jurisdiction over Lakes 5/6 is required to perform or undertake any Approved Project (each, a "**Permit**"), the Parties agree that ML and ELC shall each be listed as co-permittees on said Permit, unless prohibited by the governmental entity in which case the rules of the governmental entity shall control. Costs and expenses of any permitting shall be split according to the Allocation for the Approved Project. As to any Permit received for an Approved Project, no Party shall submit any application to modify, alter, or amend a Permit without first submitting a copy of any proposed amendment to the other Party not less than sixty (60) days prior to submittal to the applicable governmental agency for the other Party's approval, which approval shall not be unreasonably withheld, conditioned or delayed.

3. Initial Approved Project. The initial Project relating to Lakes 5/6 to be addressed under this Agreement for the fiscal year commencing October 1, 2022 through September 30, 2023 ("**Fiscal Year 2022-23**") relates to the restoration of the fish ecosystem of Lake 5/6 North based upon Fishery Analysis prepared by Solitude Lake Management, LLC, a Virginia limited liability company dated May 2, 2022 (the "**Fisheries Plan**"). The Parties agree to undertake the program outlined as "Year 1" of the Fisheries Plan as the Approved Project in Fiscal Year 2022-23. Subsequent years of the Fisheries Plan will need to be approved on an annual basis by the Parties pursuant to Section 2, above. The Allocation of the cost of such "Year 1" of the Fisheries Plan will be 71.23% for ML (based upon 1,617 total units, which are the total number of units ML intends to assess for operation and maintenance assessments for Fiscal Year 2022-23) and 28.77% for ELC (based upon 653 total units, which are the total number of units ELC intends to assess for operation and maintenance assessments for Fiscal Year 2022-23). The Parties will individually enter into separate contracts with the applicable contractor for the "Year 1" work pursuant to Section 2, above.

4. Term/Termination.

a. This Agreement shall become effective and commence as of the Effective Date and shall continue through September 30, 2027 ("**Initial Term**"), unless otherwise terminated or not renewed as provided herein. Following the Initial Term, this Agreement shall automatically renew for additional successive five-year terms (each, a "**Renewal Term**") commencing on October 1, 2027 (and each fifth-year anniversary thereof), unless either Party provides written notice of its intent not to renew this Agreement no later than ninety (90) days prior to the expiration of the Initial Term or Renewal Term, as applicable.

b. Notwithstanding the provisions of subsection a., above, either Party may terminate this Agreement for any or no reason by providing no less than ninety (90) days' advance written notice to the other Party. All obligations arising under this Agreement shall be null and void as of the termination date, except for each Party's obligations to pay for its Allocation of the costs and expenses of an Approved Project agreed to by the Parties prior to such Party's termination hereunder.

5. Default. In the event of a violation of any of the terms or conditions of this Agreement by any Party hereto ("**Defaulting Party**"), then the non-defaulting Party (a "**Non-Defaulting Party**") shall provide written notice of such violation to the Defaulting Party at the address set forth herein. If, within fifteen (15) days following notice, such violation has not been cured or the Defaulting Party is not using reasonable diligence to cure such violation, then the Defaulting Party shall be in default hereunder and the Non-Defaulting Party shall have any and all rights and remedies permitted under the laws of the State of Florida.

6. Books and Records; Budget. Each Party shall keep complete, accurate, and reasonably detailed books and records of each and every item of cost and expense paid or incurred for maintenance of the applicable items that are the subject of this Agreement. Each Party shall make such books and records available at reasonable times, upon prior written notice during normal business hours for inspection, review, and copying by each other Party and its designated representatives, including accountants and attorneys. Each Party shall keep and maintain all such books and records for a period of at least seven (7) years from the end of the year to which they apply, or such longer period as otherwise required pursuant to Florida law.

7. Notices. Any notice, request, demand, instruction, or other communication to be given to any party hereunder shall be in writing and either hand delivered, delivered by next business day commercial courier (such as FedEx or UPS), sent by first class mail, postage prepaid, or sent electronically via email. Any notice demand, request, or other communication shall be deemed to be given upon actual receipt in the case of hand delivery, delivery by next business day commercial courier or email transmittal, or three (3) business days after depositing the same in a letter box or by other means placed within the possession of the United States Postal Service, properly addressed to the party in accordance with the foregoing and with the proper amount of postage affixed thereto. Management Summary

- Observations and Action Items:

- The perimeter of 5/6N was mostly clean with the exception of the perimeter in the south which corresponds to photo point 4. The area of the large lake near the main entrance to the east of the bridge where the cattails were present have been treated successfully. The NE cove requires re-treatment for cattail regrowth.
- 5/6N-1 corresponds to photo point 1.
- 5/6N-2 corresponds to photo point 2.
- 5/6N-3 corresponds to photo point 3.
- 5/6N-4 corresponds to photo point 4.
- Debris seems to be a on-going issue even with routine removal. The debris reaccumulates faster than it can be removed. This will likely remain the case as long as the site is under construction.
- No major issues with submersed weeds were found. Monitor chara and southern naiad growth at all sites.
- Conservation areas 1-3: no issues to report.
- The next quality control report will be due October 2022.
