CONSTRUCTION**

BOARDWALK 03 2021

A wooden boardwalk with a railing runs along the edge of a body of water. The boardwalk is made of light-colored wood and has a railing with vertical posts. The water is visible on the left side of the boardwalk. The foreground is dominated by tall, dry, yellowish-brown grasses. In the background, there is a dense forest of tall, thin trees, possibly cypresses, with some green foliage. The sky is not visible.
