I. HISTORY OF FLORIDA'S ETHICS LAWS

Florida has been a leader among the states in establishing ethics standards for public officials and recognizing the right of citizens to protect the public trust against abuse. Our state Constitution was revised in 1968 to require a code of ethics, prescribed by law, for all state employees and non-judicial officers prohibiting conflict between public duty and private interests.

Florida's first successful constitutional initiative resulted in the adoption of the Sunshine Amendment in 1976, providing additional constitutional guarantees concerning ethics in government. In the area of enforcement, the Sunshine Amendment requires that there be an independent commission (the Commission on Ethics) to investigate complaints concerning breaches of public trust by public officers and employees other than judges.

The Code of Ethics for Public Officers and Employees is found in Chapter 112 (Part III) of the Florida Statutes. Foremost among the goals of the Code is to promote the public interest and maintain the respect of the people for their government. The Code is also intended to ensure that public officials conduct themselves independently and impartially, not using their offices for private gain other than compensation provided by law. While seeking to protect the integrity of government, the Code also seeks to avoid the creation of unnecessary barriers to public service.

Criminal penalties, which initially applied to violations of the Code, were eliminated in 1974 in favor of administrative enforcement. The Legislature created the Commission on Ethics that year "to serve as guardian of the standards of conduct" for public officials, state and local. Five of the Commission's nine members are appointed by the Governor, and two each are appointed by the President of the Senate and Speaker of the House of Representatives. No more than five Commission members may be members of the same political party, and none may be lobbyists, or hold any public employment during their two-year terms of office. A chair is selected from among the members to serve a one-year term and may not succeed himself or herself.

In 2018, Florida's Constitutional Revision Commission proposed, and the voters adopted, changes to Article II, Section 8. The earliest of the changes will take effect December 31, 2020, and will prohibit officials from abusing their position to obtain a disproportionate benefit for themselves or their spouse, child, or employer, or for a business with which the official contracts or is an officer, partner, director, sole proprietor, or in which the official owns an interest. Other changes made to the Constitution place restrictions on lobbying by certain officeholders and employees, and put additional limits on lobbying by former public officers and employees. These changes will become effective December 31, 2022.

II. ROLE OF THE COMMISSION ON ETHICS

In addition to its constitutional duties regarding the investigation of complaints, the Commission:

- Renders advisory opinions to public officials;
- Prescribes forms for public disclosure;
- Prepares mailing lists of public officials subject to financial disclosure for use by Supervisors of Elections and the Commission in distributing forms and notifying delinquent filers;
- Makes recommendations to disciplinary officials when appropriate for violations of ethics and disclosure laws, since it does not impose penalties;
- Administers the Executive Branch Lobbyist Registration and Reporting Law;
- Maintains financial disclosure filings of constitutional officers and state officers and employees; and,
- Administers automatic fines for public officers and employees who fail to timely file required annual financial disclosure.

III. THE ETHICS LAWS

The ethics laws generally consist of two types of provisions, those prohibiting certain actions or conduct and those requiring that certain disclosures be made to the public. The following descriptions of these laws have been simplified in an effort to provide notice of their requirements. Therefore, we suggest that you also review the wording of the actual law. Citations to the appropriate laws are in brackets.

The laws summarized below apply generally to all public officers and employees, state and local, including members of advisory bodies. The principal exception to this broad coverage is the exclusion of judges, as they fall within the jurisdiction of the Judicial Qualifications Commission.

Public Service Commission (PSC) members and employees, as well as members of the PSC Nominating Council, are subject to additional ethics standards that are enforced by the Commission on Ethics under Chapter 350, Florida Statutes. Further, members of the governing boards of charter schools are subject to some of the provisions of the Code of Ethics [Sec. 1002.33(26), Fla. Stat.], as are the officers, directors, chief executive officers and some employees of business entities that serve as the chief administrative or executive officer or employee of a political subdivision. [Sec. 112.3136, Fla. Stat.].

A. PROHIBITED ACTIONS OR CONDUCT

1. *Solicitation and Acceptance of Gifts*

Public officers, employees, local government attorneys, and candidates are prohibited from soliciting or accepting anything of value, such as a gift, loan, reward, promise of future employment, favor, or service, that is based on an understanding that their vote, official action, or judgment would be influenced by such gift. [Sec. 112.313(2), Fla. Stat.]

Persons required to file financial disclosure FORM 1 or FORM 6 (see Part III F of this brochure), and state procurement employees, are prohibited from **soliciting** any gift from a political committee, lobbyist who has lobbied the official or his or her agency within the past 12 months, or the partner, firm, employer, or principal of such a lobbyist or from a vendor doing business with the official's agency. [Sec. 112.3148, Fla. Stat.]

Persons required to file FORM 1 or FORM 6, and state procurement employees are prohibited from directly or indirectly **accepting** a gift worth more than \$100 from such a lobbyist, from a partner, firm, employer, or principal of the lobbyist, or from a political committee or vendor doing business with their agency. [Sec.112.3148, Fla. Stat.]

However, notwithstanding Sec. 112.3148, Fla. Stat., no Executive Branch lobbyist or principal shall make, directly or indirectly, and no Executive Branch agency official who files FORM 1 or FORM 6 shall knowingly accept, directly or indirectly, **any expenditure** made for the purpose of lobbying. [Sec. 112.3215, Fla. Stat.] Typically, this would include gifts valued at less than \$100 that formerly were permitted under Section 112.3148, Fla. Stat. Similar rules apply to members and employees of the Legislature. However, these laws are not administered by the Commission on Ethics. [Sec. 11.045, Fla. Stat.]

Also, persons required to file Form 1 or Form 6, and state procurement employees and members of their immediate families, are prohibited from accepting any gift from a political committee. [Sec. 112.31485, Fla. Stat.]

2. *Unauthorized Compensation*

Public officers or employees, local government attorneys, and their spouses and minor children are prohibited from accepting any compensation, payment, or thing of value when they know, or with the exercise of reasonable care should know, that it is given to influence a vote or other official action. [Sec. 112.313(4), Fla. Stat.]

3. *Misuse of Public Position*

Public officers and employees, and local government attorneys are prohibited from corruptly using or attempting to use their official positions or the resources thereof to obtain a special privilege or benefit for themselves or others. [Sec. 112.313(6), Fla. Stat.]

4. *Abuse of Public Position*

Public officers and employees are prohibited from abusing their public positions in order to obtain a disproportionate benefit for themselves or certain others. [Article II, Section 8(h), Florida Constitution.]

5. *Disclosure or Use of Certain Information*

Public officers and employees and local government attorneys are prohibited from disclosing or using information not available to the public and obtained by reason of their public position, for the personal benefit of themselves or others. [Sec. 112.313(8), Fla. Stat.]

6. *Solicitation or Acceptance of Honoraria*

Persons required to file financial disclosure FORM 1 or FORM 6 (see Part III F of this brochure), and state procurement employees, are prohibited from **soliciting** honoraria related to their public offices or duties. [Sec. 112.3149, Fla. Stat.]

Persons required to file FORM 1 or FORM 6, and state procurement employees, are prohibited from knowingly **accepting** an honorarium from a political committee, lobbyist who has lobbied the person's agency within the past 12 months, or the partner, firm, employer, or principal of such a lobbyist, or from a vendor doing business with the official's agency. However, they may accept the payment of expenses related to an honorarium event from such individuals or entities, provided that the expenses are disclosed. See Part III F of this brochure. [Sec. 112.3149, Fla. Stat.]

Lobbyists and their partners, firms, employers, and principals, as well as political committees and vendors, are prohibited from **giving** an honorarium to persons required to file FORM 1 or FORM 6 and to state procurement employees. Violations of this law may result in fines of up to \$5,000 and prohibitions against lobbying for up to two years. [Sec. 112.3149, Fla. Stat.]

However, notwithstanding Sec. 112.3149, Fla. Stat., no Executive Branch or legislative lobbyist or principal shall make, directly or indirectly, and no Executive Branch agency official who files FORM 1 or FORM 6 shall knowingly accept, directly or indirectly, **any expenditure** made for the purpose of lobbying. [Sec. 112.3215, Fla. Stat.] This may include honorarium event related expenses that formerly

were permitted under Sec. 112.3149, Fla. Stat. Similar rules apply to members and employees of the Legislature. However, these laws are not administered by the Commission on Ethics. [Sec. 11.045, Fla. Stat.]

B. PROHIBITED EMPLOYMENT AND BUSINESS RELATIONSHIPS

1. Doing Business With One's Agency

(a) A public employee acting as a purchasing agent, or public officer acting in an official capacity, is prohibited from purchasing, renting, or leasing any realty, goods, or services for his or her agency from a business entity in which the officer or employee or his or her spouse or child owns more than a 5% interest. [Sec. 112.313(3), Fla. Stat.]

(b) A public officer or employee, acting in a private capacity, also is prohibited from renting, leasing, or selling any realty, goods, or services to his or her own agency if the officer or employee is a state officer or employee, or, if he or she is an officer or employee of a political subdivision, to that subdivision or any of its agencies. [Sec. 112.313(3), Fla. Stat.]

2. Conflicting Employment or Contractual Relationship

(a) A public officer or employee is prohibited from holding any employment or contract with any business entity or agency regulated by or doing business with his or her public agency. [Sec. 112.313(7), Fla. Stat.]

(b) A public officer or employee also is prohibited from holding any employment or having a contractual relationship which will pose a frequently recurring conflict between the official's private interests and public duties or which will impede the full and faithful discharge of the official's public duties. [Sec. 112.313(7), Fla. Stat.]

(c) Limited exceptions to this prohibition have been created in the law for legislative bodies, certain special tax districts, drainage districts, and persons whose professions or occupations qualify them to hold their public positions. [Sec. 112.313(7)(a) and (b), Fla. Stat.]

3. Exemptions—Pursuant to Sec. 112.313(12), Fla. Stat., the prohibitions against doing business with one's agency and having conflicting employment may not apply:

(a) When the business is rotated among all qualified suppliers in a city or county.

(b) When the business is awarded by sealed, competitive bidding and neither the official nor his or her spouse or child have attempted to persuade agency personnel to enter the contract. NOTE:

Disclosure of the interest of the official, spouse, or child and the nature of the business must be filed prior to or at the time of submission of the bid on Commission FORM 3A with the Commission on Ethics or Supervisor of Elections, depending on whether the official serves at the state or local level.

(c) When the purchase or sale is for legal advertising, utilities service, or for passage on a common carrier.

(d) When an emergency purchase must be made to protect the public health, safety, or welfare.

(e) When the business entity is the only source of supply within the political subdivision and there is full disclosure of the official's interest to the governing body on Commission FORM 4A.

(f) When the aggregate of any such transactions does not exceed \$500 in a calendar year.

(g) When the business transacted is the deposit of agency funds in a bank of which a county, city, or district official is an officer, director, or stockholder, so long as agency records show that the governing body has determined that the member did not favor his or her bank over other qualified banks.

(h) When the prohibitions are waived in the case of ADVISORY BOARD MEMBERS by the appointing person or by a two-thirds vote of the appointing body (after disclosure on Commission FORM 4A).

(i) When the public officer or employee purchases in a private capacity goods or services, at a price and upon terms available to similarly situated members of the general public, from a business entity which is doing business with his or her agency.

(j) When the public officer or employee in a private capacity purchases goods or services from a business entity which is subject to the regulation of his or her agency where the price and terms of the transaction are available to similarly situated members of the general public and the officer or employee makes full disclosure of the relationship to the agency head or governing body prior to the transaction.

4. Additional Exemptions

No elected public officer is in violation of the conflicting employment prohibition when employed by a tax exempt organization contracting with his or her agency so long as the officer is not directly or indirectly compensated as a result of the contract, does not participate in any way in the decision to enter into the contract, abstains from voting on any matter involving the employer, and makes certain disclosures. [Sec. 112.313(15), Fla. Stat.]

5. Legislators Lobbying State Agencies

A member of the Legislature is prohibited from representing another person or entity for compensation during his or her term of office before any state agency other than judicial tribunals. [Art. II, Sec. 8(e), Fla. Const., and Sec. 112.313(9), Fla. Stat.]

6. Employees Holding Office

A public employee is prohibited from being a member of the governing body which serves as his or her employer. [Sec. 112.313(10), Fla. Stat.]

7. Professional and Occupational Licensing Board Members

An officer, director, or administrator of a state, county, or regional professional or occupational organization or association, while holding such position, may not serve as a member of a state examining or licensing board for the profession or occupation. [Sec. 112.313(11), Fla. Stat.]

8. Contractual Services: Prohibited Employment

A state employee of the executive or judicial branch who participates in the decision-making process involving a purchase request, who influences the content of any specification or procurement standard, or who renders advice, investigation, or auditing, regarding his or her agency's contract for services, is prohibited from being employed with a person holding such a contract with his or her agency. [Sec. 112.3185(2), Fla. Stat.]

9. Local Government Attorneys

Local government attorneys, such as the city attorney or county attorney, and their law firms are prohibited from representing private individuals and entities before the unit of local government which they serve. A local government attorney cannot recommend or otherwise refer to his or her firm legal work involving the local government unit unless the attorney's contract authorizes or mandates the use of that firm. [Sec. 112.313(16), Fla. Stat.]

10. Dual Public Employment

Candidates and elected officers are prohibited from accepting public employment if they know or should know it is being offered for the purpose of influence. Further, public employment may not be accepted unless the position was already in existence or was created without the anticipation of the official's interest, was publicly advertised, and the officer had to meet the same qualifications and go through the same hiring process as other applicants. For elected public officers already holding public

employment, no promotion given for the purpose of influence may be accepted, nor may promotions that are inconsistent with those given other similarly situated employees. [Sec. 112.3125, Fla. Stat.]

C. RESTRICTIONS ON APPOINTING, EMPLOYING, AND CONTRACTING WITH RELATIVES

1. Anti-Nepotism Law

A public official is prohibited from seeking for a relative any appointment, employment, promotion, or advancement in the agency in which he or she is serving or over which the official exercises jurisdiction or control. No person may be appointed, employed, promoted, or advanced in or to a position in an agency if such action has been advocated by a related public official who is serving in or exercising jurisdiction or control over the agency; this includes relatives of members of collegial government bodies. NOTE: This prohibition does not apply to school districts (except as provided in Sec. 1012.23, Fla. Stat.), community colleges and state universities, or to appointments of boards, other than those with land-planning or zoning responsibilities, in municipalities of fewer than 35,000 residents. Also, the approval of budgets does not constitute “jurisdiction or control” for the purposes of this prohibition. This provision does not apply to volunteer emergency medical, firefighting, or police service providers. [Sec. 112.3135, Fla. Stat.]

2. Additional Restrictions

A state employee of the executive or judicial branch or the PSC is prohibited from directly or indirectly procuring contractual services for his or her agency from a business entity of which a relative is an officer, partner, director, or proprietor, or in which the employee, or his or her spouse, or children own more than a 5% interest. [Sec. 112.3185(6), Fla. Stat.]

D. POST OFFICE HOLDING AND EMPLOYMENT (REVOLVING DOOR) RESTRICTIONS

1. Lobbying by Former Legislators, Statewide Elected Officers, and Appointed State Officers

A member of the Legislature or a statewide elected or appointed state official is prohibited for two years following vacation of office from representing another person or entity for compensation before the government body or agency of which the individual was an officer or member. Former members of the Legislature are also prohibited for two years from lobbying the executive branch. [Art. II, Sec. 8(e), Fla. Const. and Sec. 112.313(9), Fla. Stat.]

2. Lobbying by Former State Employees

Certain employees of the executive and legislative branches of state government are prohibited from personally representing another person or entity for compensation before the

agency with which they were employed for a period of two years after leaving their positions, unless employed by another agency of state government. [Sec. 112.313(9), Fla. Stat.] These employees include the following:

(a) Executive and legislative branch employees serving in the Senior Management Service and Selected Exempt Service, as well as any person employed by the Department of the Lottery having authority over policy or procurement.

(b) Persons serving in the following position classifications: the Auditor General; the director of the Office of Program Policy Analysis and Government Accountability (OPPAGA); the Sergeant at Arms and Secretary of the Senate; the Sergeant at Arms and Clerk of the House of Representatives; the executive director and deputy executive director of the Commission on Ethics; an executive director, staff director, or deputy staff director of each joint committee, standing committee, or select committee of the Legislature; an executive director, staff director, executive assistant, legislative analyst, or attorney serving in the Office of the President of the Senate, the Office of the Speaker of the House of Representatives, the Senate Majority Party Office, the Senate Minority Party Office, the House Majority Party Office, or the House Minority Party Office; the Chancellor and Vice-Chancellors of the State University System; the general counsel to the Board of Regents; the president, vice presidents, and deans of each state university; any person hired on a contractual basis and having the power normally conferred upon such persons, by whatever title; and any person having the power normally conferred upon the above positions.

This prohibition does not apply to a person who was employed by the Legislature or other agency prior to July 1, 1989; who was a defined employee of the State University System or the Public Service Commission who held such employment on December 31, 1994; or who reached normal retirement age and retired by July 1, 1991. It does apply to OPS employees.

PENALTIES: Persons found in violation of this section are subject to the penalties contained in the Code (see PENALTIES, Part V) as well as a civil penalty in an amount equal to the compensation which the person received for the prohibited conduct. [Sec. 112.313(9)(a)5, Fla. Stat.]

3. Additional Restrictions on Former State Employees

A former executive or judicial branch employee or PSC employee is prohibited from having employment or a contractual relationship, at any time after retirement or termination of employment, with any business entity (other than a public agency) in connection with a contract in which the employee participated personally and substantially by recommendation or decision while a public employee. [Sec. 112.3185(3), Fla. Stat.]

A former executive or judicial branch employee or PSC employee who has retired or terminated employment is prohibited from having any employment or contractual relationship for two years with any business entity (other than a public agency) in connection with a contract for services which was within his or her responsibility while serving as a state employee. [Sec.112.3185(4), Fla. Stat.]

Unless waived by the agency head, a former executive or judicial branch employee or PSC employee may not be paid more for contractual services provided by him or her to the former agency during the first year after leaving the agency than his or her annual salary before leaving. [Sec. 112.3185(5), Fla. Stat.]

These prohibitions do not apply to PSC employees who were so employed on or before Dec. 31, 1994.

4. Lobbying by Former Local Government Officers and Employees

A person elected to county, municipal, school district, or special district office is prohibited from representing another person or entity for compensation before the government body or agency of which he or she was an officer for two years after leaving office. Appointed officers and employees of counties, municipalities, school districts, and special districts may be subject to a similar restriction by local ordinance or resolution. [Sec. 112.313(13) and (14), Fla. Stat.]

E. VOTING CONFLICTS OF INTEREST

State public officers are prohibited from voting in an official capacity on any measure which they know would inure to their own special private gain or loss. A state public officer who abstains, or who votes on a measure which the officer knows would inure to the special private gain or loss of any principal by whom he or she is retained, of the parent organization or subsidiary or sibling of a corporate principal by which he or she is retained, of a relative, or of a business associate, must make every reasonable effort to file a memorandum of voting conflict with the recording secretary in advance of the vote. If that is not possible, it must be filed within 15 days after the vote occurs. The memorandum must disclose the nature of the officer's interest in the matter.

No county, municipal, or other local public officer shall vote in an official capacity upon any measure which would inure to his or her special private gain or loss, or which the officer knows would inure to the special private gain or loss of any principal by whom he or she is retained, of the parent organization or subsidiary or sibling of a corporate principal by which he or she is retained, of a relative, or of a business associate. The officer must publicly announce the nature of his or her interest before the vote and must file a memorandum of voting conflict on Commission Form 8B with the meeting's recording officer within 15 days after the vote occurs disclosing the nature of his or her interest in the matter. However, members of

community redevelopment agencies and district officers elected on a one-acre, one-vote basis are not required to abstain when voting in that capacity.

No appointed state or local officer shall participate in any matter which would inure to the officer's special private gain or loss, the special private gain or loss of any principal by whom he or she is retained, of the parent organization or subsidiary or sibling of a corporate principal by which he or she is retained, of a relative, or of a business associate, without first disclosing the nature of his or her interest in the matter. The memorandum of voting conflict (Commission Form 8A or 8B) must be filed with the meeting's recording officer, be provided to the other members of the agency, and be read publicly at the next meeting.

If the conflict is unknown or not disclosed prior to the meeting, the appointed official must orally disclose the conflict at the meeting when the conflict becomes known. Also, a written memorandum of voting conflict must be filed with the meeting's recording officer within 15 days of the disclosure being made and must be provided to the other members of the agency, with the disclosure being read publicly at the next scheduled meeting. [Sec. 112.3143, Fla. Stat.]

F. DISCLOSURES

Conflicts of interest may occur when public officials are in a position to make decisions that affect their personal financial interests. This is why public officers and employees, as well as candidates who run for public office, are required to publicly disclose their financial interests. The disclosure process serves to remind officials of their obligation to put the public interest above personal considerations. It also helps citizens to monitor the considerations of those who spend their tax dollars and participate in public policy decisions or administration.

All public officials and candidates do not file the same degree of disclosure; nor do they all file at the same time or place. Thus, care must be taken to determine which disclosure forms a particular official or candidate is required to file.

The following forms are described below to set forth the requirements of the various disclosures and the steps for correctly providing the information in a timely manner.

Each person required to file FORM 1 or FORM 6, and each state procurement employee, must file a FORM 9, Quarterly Gift Disclosure, with the Commission on Ethics on the last day of any calendar quarter following the calendar quarter in which he or she received a gift worth more than \$100, other than gifts

from relatives, gifts prohibited from being accepted, gifts primarily associated with his or her business or employment, and gifts otherwise required to be disclosed. FORM 9 NEED NOT BE FILED if no such gift was received during the calendar quarter.

Information to be disclosed includes a description of the gift and its value, the name and address of the donor, the date of the gift, and a copy of any receipt for the gift provided by the donor. [Sec. 112.3148, Fla. Stat.]

7. FORM 10 - *Annual Disclosure of Gifts from Government Agencies and Direct-Support Organizations and Honorarium Event Related Expenses*

State government entities, airport authorities, counties, municipalities, school boards, water management districts, and the South Florida Regional Transportation Authority, may give a gift worth more than \$100 to a person required to file FORM 1 or FORM 6, and to state procurement employees, if a public purpose can be shown for the gift. Also, a direct-support organization for a governmental entity may give such a gift to a person who is an officer or employee of that entity. These gifts are to be reported on FORM 10, to be filed by July 1.

The governmental entity or direct-support organization giving the gift must provide the officer or employee with a statement about the gift no later than March 1 of the following year. The officer or employee then must disclose this information by filing a statement by July 1 with his or her annual financial disclosure that describes the gift and lists the donor, the date of the gift, and the value of the total gifts provided during the calendar year. State procurement employees file their statements with the Commission on Ethics. [Sec. 112.3148, Fla. Stat.]

In addition, a person required to file FORM 1 or FORM 6, or a state procurement employee, who receives expenses or payment of expenses related to an honorarium event from someone who is prohibited from giving him or her an honorarium, must disclose annually the name, address, and affiliation of the donor, the amount of the expenses, the date of the event, a description of the expenses paid or provided, and the total value of the expenses on FORM 10. The donor paying the expenses must provide the officer or employee with a statement about the expenses within 60 days of the honorarium event.

The disclosure must be filed by July 1, for expenses received during the previous calendar year, with the officer's or employee's FORM 1 or FORM 6. State procurement employees file their statements with the Commission on Ethics. [Sec. 112.3149, Fla. Stat.]

However, notwithstanding Sec. 112.3149, Fla. Stat., no executive branch or legislative lobbyist or principal shall make, directly or indirectly, and no executive branch agency official or employee who files FORM 1 or FORM 6 shall knowingly accept, directly or indirectly, **any expenditure** made for the

purpose of lobbying. This may include gifts or honorarium event related expenses that formerly were permitted under Sections 112.3148 and 112.3149. [Sec. 112.3215, Fla. Stat.] Similar prohibitions apply to legislative officials and employees. However, these laws are not administered by the Commission on Ethics. [Sec. 11.045, Fla. Stat.] In addition, gifts, which include anything not primarily related to political activities authorized under ch. 106, are prohibited from political committees. [Sec. 112.31485 Fla. Stat.]

8. *FORM 30 - Donor's Quarterly Gift Disclosure*

If such person or entity makes a gift worth between \$25 and \$100 to a reporting individual or state procurement employee (that is not accepted in behalf of a governmental entity or charitable organization), the gift should be reported on FORM 30. The donor also must notify the recipient at the time the gift is made that it will be reported.

The FORM 30 should be filed by the last day of the calendar quarter following the calendar quarter in which the gift was made. If the gift was made to an individual in the legislative branch, FORM 30 should be filed with the Lobbyist Registrar. [See page 35 for address.] If the gift was to any other reporting individual or state procurement employee, FORM 30 should be filed with the Commission on Ethics.

However, notwithstanding Section 112.3148, Fla. Stat., no executive branch lobbyist or principal shall make, directly or indirectly, and no executive branch agency official or employee who files FORM 1 or FORM 6 shall knowingly accept, directly or indirectly, **any expenditure** made for the purpose of lobbying. This may include gifts that formerly were permitted under Section 112.3148. [Sec. 112.3215, Fla. Stat.] Similar prohibitions apply to legislative officials and employees. However, these laws are not administered by the Commission on Ethics. [Sec. 11.045, Fla. Stat.] In addition, gifts from political committees are prohibited. [Sec. 112.31485, Fla. Stat.]

VI. ADVISORY OPINIONS

Conflicts of interest may be avoided by greater awareness of the ethics laws on the part of public officials and employees through advisory assistance from the Commission on Ethics.

A. Who Can Request an Opinion

Any public officer, candidate for public office, or public employee in Florida who is in doubt about the applicability of the standards of conduct or disclosure laws to himself or herself, or anyone who has the power to hire or terminate another public employee, may seek an advisory opinion from the Commission about himself or herself or that employee.

B. How to Request an Opinion

Opinions may be requested by letter presenting a question based on a real situation and including a detailed description of the situation. Opinions are issued by the Commission and are binding on the conduct of the person who is the subject of the opinion, unless material facts were omitted or misstated in the request for the opinion. Published opinions will not bear the name of the persons involved unless they consent to the use of their names; however, the request and all information pertaining to it is a public record, made available to the Commission and to members of the public in advance of the Commission's consideration of the question.

C. How to Obtain Published Opinions

All of the Commission's opinions are available for viewing or download at its website:
www.ethics.state.fl.us.

VII. COMPLAINTS

A. Citizen Involvement

The Commission on Ethics cannot conduct investigations of alleged violations of the Sunshine Amendment or the Code of Ethics unless a person files a sworn complaint with the Commission alleging such violation has occurred, or a referral is received, as discussed below.

If you have knowledge that a person in government has violated the standards of conduct or disclosure laws described above, you may report these violations to the Commission by filing a sworn complaint on the form prescribed by the Commission and available for download at

www.ethics.state.fl.us. The Commission is unable to take action based on learning of such misdeeds through newspaper reports, telephone calls, or letters.

You can obtain a complaint form (FORM 50), by contacting the Commission office at the address or phone number shown on the inside front cover of this booklet, or you can download it from the Commission's website:
www.ethics.state.fl.us.

B. Referrals

The Commission may accept referrals from: the Governor, the Florida Department of Law Enforcement, a State Attorney, or a U.S. Attorney. A vote of six of the Commission's nine members is required to proceed on such a referral.

C. Confidentiality

The complaint or referral, as well as all proceedings and records relating thereto, is confidential until the accused requests that such records be made public or until the matter reaches a stage in the Commission's proceedings where it becomes public. This means that unless the Commission receives a written waiver of confidentiality from the accused, the Commission is not free to release any documents or to comment on a complaint or referral to members of the public or press, so long as the complaint or referral remains in a confidential stage.

A COMPLAINT OR REFERRAL MAY NOT BE FILED WITH RESPECT TO A CANDIDATE ON THE DAY OF THE ELECTION, OR WITHIN THE 30 CALENDAR DAYS PRECEDING THE ELECTION DATE, UNLESS IT IS BASED ON PERSONAL INFORMATION OR INFORMATION OTHER THAN HEARSAY.

D. How the Complaint Process Works

Complaints which allege a matter within the Commission's jurisdiction are assigned a tracking number and Commission staff forwards a copy of the original sworn complaint to the accused within five working days of its receipt. Any subsequent sworn amendments to the complaint also are transmitted within five working days of their receipt.

Once a complaint is filed, it goes through three procedural stages under the Commission's rules. The first stage is a determination of whether the allegations of the complaint are legally sufficient: that is, whether they indicate a possible violation of any law over which the Commission has jurisdiction. If the complaint is found not to be legally sufficient, the Commission will order that the complaint be dismissed without investigation, and all records relating to the complaint will become public at that time.

In cases of very minor financial disclosure violations, the official will be allowed an opportunity to correct or amend his or her disclosure form. Otherwise, if the complaint is found to be legally sufficient, a preliminary investigation will be undertaken by the investigative staff of the Commission. The second stage of the Commission's proceedings involves this preliminary investigation and a decision by the Commission as to whether there is probable cause to believe that there has been a violation of any of the ethics laws. If the Commission finds no probable cause to believe there has been a violation of the ethics laws, the complaint will be dismissed and will become a matter of public record. If the Commission finds probable cause to believe there has been a violation of the ethics laws, the complaint becomes public and usually enters the third stage of proceedings. This stage requires the Commission to decide whether the law was actually violated and, if so, whether a penalty should be recommended. At this stage, the accused has the right to request a public hearing (trial) at which evidence is presented, or the Commission may order that such a hearing be held. Public hearings usually are held in or near the area where the alleged violation occurred.

When the Commission concludes that a violation has been committed, it issues a public report of its findings and may recommend one or more penalties to the appropriate disciplinary body or official.

When the Commission determines that a person has filed a complaint with knowledge that the complaint contains one or more false allegations or with reckless disregard for whether the complaint contains false allegations, the complainant will be liable for costs plus reasonable attorney's fees incurred by the person complained against. The Department of Legal Affairs may bring a civil action to recover such fees and costs, if they are not paid voluntarily within 30 days.

E. Dismissal of Complaints At Any Stage of Disposition

The Commission may, at its discretion, dismiss any complaint at any stage of disposition should it determine that the public interest would not be served by proceeding further, in which case the Commission will issue a public report stating with particularity its reasons for the dismissal. [Sec. 112.324(12), Fla. Stat.]

F. Statute of Limitations

All sworn complaints alleging a violation of the Sunshine Amendment or the Code of Ethics must be filed with the Commission within five years of the alleged violation or other breach of the public trust. Time starts to run on the day AFTER the violation or breach of public trust is committed. The statute of limitations is tolled on the day a sworn complaint is filed with the Commission. If a complaint is filed and the statute of limitations has run, the complaint will be dismissed. [Sec. 112.3231, Fla. Stat.]

VIII. EXECUTIVE BRANCH LOBBYING

Any person who, for compensation and on behalf of another, lobbies an agency of the executive branch of state government with respect to a decision in the area of policy or procurement may be required to register as an executive branch lobbyist. Registration is required before lobbying an agency and is renewable annually. In addition, each lobbying firm must file a compensation report with the Commission for each calendar quarter during any portion of which one or more of the firm's lobbyists were registered to represent a principal. As noted above, no executive branch lobbyist or principal can make, directly or indirectly, and no executive branch agency official or employee who files FORM 1 or FORM 6 can knowingly accept, directly or indirectly, **any expenditure** made for the purpose of lobbying. [Sec. 112.3215, Fla. Stat.]

Paying an executive branch lobbyist a contingency fee based upon the outcome of any specific executive branch action, and receiving such a fee, is prohibited. A violation of this prohibition is a first degree misdemeanor, and the amount received is subject to forfeiture. This does not prohibit sales people from receiving a commission. [Sec. 112.3217, Fla. Stat.]

Executive branch departments, state universities, community colleges, and water management districts are prohibited from using public funds to retain an executive branch (or legislative branch) lobbyist, although these agencies may use full-time employees as lobbyists. [Sec. 11.062, Fla. Stat.]

Online registration and filing is available at www.floridalobbyist.gov. Additional information about the executive branch lobbyist registration system may be obtained by contacting the Lobbyist Registrar at the following address:

IX. WHISTLE-BLOWER'S ACT

In 1986, the Legislature enacted a "Whistle-blower's Act" to protect employees of agencies and government contractors from adverse personnel actions in retaliation for disclosing information in a sworn complaint alleging certain types of improper activities. Since then, the Legislature has revised this law to afford greater protection to these employees.

While this language is contained within the Code of Ethics, the Commission has no jurisdiction or authority to proceed against persons who violate this Act. Therefore, a person who has disclosed

information alleging improper conduct governed by this law and who may suffer adverse consequences as a result should contact one or more of the following: the Office of the Chief Inspector General in the Executive Office of the Governor; the Department of Legal Affairs; the Florida Commission on Human Relations; or a private attorney. [Sec. 112.3187 - 112.31895, Fla. Stat.]

X. ADDITIONAL INFORMATION

As mentioned above, we suggest that you review the language used in each law for a more detailed understanding of Florida's ethics laws. The "Sunshine Amendment" is Article II, Section 8, of the Florida Constitution. The Code of Ethics for Public Officers and Employees is contained in Part III of Chapter 112, Florida Statutes.

Additional information about the Commission's functions and interpretations of these laws may be found in Chapter 34 of the Florida Administrative Code, where the Commission's rules are published, and in The Florida Administrative Law Reports, which until 2005 published many of the Commission's final orders. The Commission's rules, orders, and opinions also are available at www.ethics.state.fl.us.

If you are a public officer or employee concerned about your obligations under these laws, the staff of the Commission will be happy to respond to oral and written inquiries by providing information about the law, the Commission's interpretations of the law, and the Commission's procedures.

XI. TRAINING

Constitutional officers, elected municipal officers, and commissioners of community redevelopment agencies (CRAs) are required to receive a total of four hours training, per calendar year, in the area of ethics, public records, and open meetings. The Commission on Ethics does not track compliance or certify providers.

Visit the training page on the Commission's website for up-to-date rules, opinions, audio/video training, and opportunities for live training conducted by Commission staff. A comprehensive online training course addressing Florida's Code of Ethics, as well as Sunshine Law, and Public Records Act is available via a link on the Commission's homepage.

FILING INSTRUCTIONS:

If you were mailed the form by the Commission on Ethics or a County Supervisor of Elections for your annual disclosure filing, return the form to that location. To determine what category your position falls under, see page 3 of instructions.

Local officers/employees file with the Supervisor of Elections of the county in which they permanently reside. (If you do not permanently reside in Florida, file with the Supervisor of the county where your agency has its headquarters.) Form 1 filers who file with the Supervisor of Elections may file by mail or email. Contact your Supervisor of Elections for the mailing address or email address to use. Do not email your form to the Commission on Ethics, it will be returned.

State officers or specified state employees who file with the Commission on Ethics may file by mail or email. To file by mail, send the completed form to P.O. Drawer 15709, Tallahassee, FL 32317-5709; physical address: 325 John Knox Rd, Bldg E, Ste 200, Tallahassee, FL 32303. To file with the Commission by email, scan your completed form and any attachments as a pdf (do not use any other format), send it to CEForm1@leg.state.fl.us and retain a copy for your records. Do not file by both mail and email. Choose only one filing method. Form 6s will not be accepted via email.

Candidates file this form together with their filing papers.

MULTIPLE FILING UNNECESSARY: A candidate who files a Form 1 with a qualifying officer is not required to file with the Commission or Supervisor of Elections.

WHEN TO FILE: Initially, each local officer/employee, state officer, and specified state employee must file **within 30 days** of the date of his or her appointment or of the beginning of employment. Appointees who must be confirmed by the Senate must file prior to confirmation, even if that is less than 30 days from the date of their appointment.

Candidates must file at the same time they file their qualifying papers.

Thereafter, file by July 1 following each calendar year in which they hold their positions.

Finally, file a final disclosure form (Form 1F) within 60 days of leaving office or employment. Filing a CE Form 1F (Final Statement of Financial Interests) does not relieve the filer of filing a CE Form 1 if the filer was in his or her position on December 31, 2021.

NOTICE

Annual Statements of Financial Interests are due July 1. If the annual form is not filed or postmarked by September 1, an automatic fine of \$25 for each day late will be imposed, up to a maximum penalty of \$1,500. In addition, failure to make any required disclosure constitutes grounds for and may be punished by one or more of the following: disqualification from being on the ballot, impeachment, removal or suspension from office or employment, demotion, reduction in salary, reprimand, or a civil penalty not exceeding \$10,000. MANNER OF CALCULATING REPORTABLE INTEREST

Filers have the option of reporting based on either thresholds that are comparative (usually, based on percentage values) or thresholds that are based on absolute dollar values. The instructions on the following pages specifically describe the different thresholds. Check the box that reflects the choice you have made. You must use the type of threshold you have chosen for each part of the form. In other words, if you choose to report based on absolute dollar value thresholds, you cannot use a percentage threshold on any part of the form.

IF YOU HAVE CHOSEN DOLLAR VALUE THRESHOLDS THE FOLLOWING INSTRUCTIONS APPLY

PART A — PRIMARY SOURCES OF INCOME

[Required by s. 112.3145(3)(b)1, F.S.]

Part A is intended to require the disclosure of your principal sources of income during the disclosure period. You do not have to disclose any public salary or public position(s). The income of your spouse need not be disclosed; however, if there is joint income to you and your spouse from property you own jointly (such as interest or dividends from a bank account or stocks), you should disclose the source of that income if it exceeded the threshold.

Please list in this part of the form the name, address, and principal business activity of each source of your income which exceeded \$2,500 of gross income received by you in your own name or by any other person for your use or benefit.

"Gross income" means the same as it does for income tax purposes, even if the income is not actually taxable, such as interest on tax-free bonds. Examples include: compensation for services, income from business, gains from property dealings, interest, rents, dividends, pensions, IRA distributions, social security, distributive share of partnership gross income, and alimony if considered gross income under federal law, but not child support.

Examples:

- If you were employed by a company that manufactures computers and received more than \$2,500, list the name of the company, its address, and its principal business activity (computer manufacturing).
- If you were a partner in a law firm and your distributive share of partnership gross income exceeded \$2,500, list the name of the firm, its address, and its principal business activity (practice of law).
- If you were the sole proprietor of a retail gift business and your gross income from the business exceeded \$2,500, list the name of the business, its address, and its principal business activity (retail gift sales).
- If you received income from investments in stocks and bonds, list each individual company from which you derived more than \$2,500. Do not aggregate all of your investment income.
- If more than \$2,500 of your gross income was gain from the sale of property (not just the selling price), list as a source of income the purchaser's name, address and principal business activity. If the purchaser's identity is unknown, such as where securities listed on an exchange are sold through a brokerage firm, the source of income should be listed as "sale of (name of company) stock," for example.
- If more than \$2,500 of your gross income was in the form of interest from one particular financial institution (aggregating interest from all CD's, accounts, etc., at that institution), list the name of the institution, its address, and its principal business activity.

PART B — SECONDARY SOURCES OF INCOME

[Required by s. 112.3145(3)(b)2, F.S.]

This part is intended to require the disclosure of major customers, clients, and other sources of income to businesses in which you own an interest. It is not for reporting income from second jobs. That kind of income should be reported in Part A "Primary Sources of Income," if it meets the reporting threshold. You will not have anything to report unless, during the disclosure period:

- (1) You owned (either directly or indirectly in the form of an equitable

or beneficial interest) more than 5% of the total assets or capital stock of a business entity (a corporation, partnership, LLC, limited partnership, proprietorship, joint venture, trust, firm, etc., doing business in Florida); **and,**

- (2) You received more than \$5,000 of your gross income during the disclosure period from that business entity.

If your interests and gross income exceeded these thresholds, then for that business entity you must list every source of income to the business entity which exceeded 10% of the business entity's gross income (computed on the basis of the business entity's most recently completed fiscal year), the source's address, and the source's principal business activity.

Examples:

- You are the sole proprietor of a dry cleaning business, from which you received more than \$5,000. If only one customer, a uniform rental company, provided more than 10% of your dry cleaning business, you must list the name of the uniform rental company, its address, and its principal business activity (uniform rentals).
- You are a 20% partner in a partnership that owns a shopping mall and your partnership income exceeded the above thresholds. List each tenant of the mall that provided more than 10% of the partnership's gross income and the tenant's address and principal business activity.

PART C — REAL PROPERTY

[Required by s. 112.3145(3)(b)3, F.S.]

In this part, list the location or description of all real property in Florida in which you owned directly or indirectly at any time during the disclosure period in excess of 5% of the property's value. You are not required to list your residences. You should list any vacation homes if you derive income from them.

Indirect ownership includes situations where you are a beneficiary of a trust that owns the property, as well as situations where you own more than 5% of a partnership or corporation that owns the property. The value of the property may be determined by the most recently assessed value for tax purposes, in the absence of a more accurate fair market value.

The location or description of the property should be sufficient to enable anyone who looks at the form to identify the property. A street address should be used, if one exists.

PART D — INTANGIBLE PERSONAL PROPERTY

[Required by s. 112.3145(3)(b)3, F.S.]

Describe any intangible personal property that, at any time during the disclosure period, was worth more than \$10,000 and state the business entity to which the property related. Intangible personal property includes things such as cash on hand, stocks, bonds, certificates of deposit, vehicle leases, interests in businesses, beneficial interests in trusts, money owed you (including, but not limited to, loans made as a candidate to your own campaign), Deferred Retirement Option Program (DROP) accounts, the Florida Prepaid College Plan, and bank accounts in which you have an ownership interest. Intangible personal property also includes investment products held in IRAs, brokerage accounts, and the Florida College Investment Plan. Note that the product contained in a brokerage account, IRA, or the Florida College Investment Plan is your asset—not the account or plan itself. Things like automobiles and houses you own, jewelry, and paintings are not intangible property. Intangibles relating to the same business entity may be aggregated; for example, CDs and savings accounts with the same bank. Property owned as tenants by the entirety or as joint tenants with right of survivorship, including bank accounts owned in such a manner, should be valued at 100%. The value of a leased vehicle is the vehicle's present value minus the lease residual (a number found on the lease document).

PART E — LIABILITIES

[Required by s. 112.3145(3)(b)4, F.S.]

List the name and address of each creditor to whom you owed more than \$10,000 at any time during the disclosure period. The amount of the liability of a vehicle lease is the sum of any past-due payments and all unpaid prospective lease payments. You are not required to list the amount of any debt. You do not have to disclose credit card and retail installment accounts, taxes owed (unless reduced to a judgment), indebtedness on a life insurance policy owed to the company of issuance, or contingent liabilities. A "contingent liability" is one that will become an actual liability only when one or more future events occur or fail to occur, such as where you are liable only as a guarantor, surety, or endorser on a promissory note. If you are a "co-maker" and are jointly liable or jointly and severally liable, then it is not a contingent liability.

PART F — INTERESTS IN SPECIFIED BUSINESSES

[Required by s. 112.3145(7), F.S.]

The types of businesses covered in this disclosure include: state and federally chartered banks; state and federal savings and loan associations; cemetery companies; insurance companies; mortgage companies; credit unions; small loan companies; alcoholic beverage licensees; pari-mutuel wagering companies, utility companies, entities controlled by the Public Service Commission; and entities granted a franchise to operate by either a city or a county government.

Disclose in this part the fact that you owned during the disclosure

period an interest in, or held any of certain positions with the types of businesses listed above. You must make this disclosure if you own or owned (either directly or indirectly in the form of an equitable or beneficial interest) at any time during the disclosure period more than 5% of the total assets or capital stock of one of the types of business entities listed above. You also must complete this part of the form for each of these types of businesses for which you are, or were at any time during the disclosure period, an officer, director, partner, proprietor, or agent (other than a resident agent solely for service of process).

If you have or held such a position or ownership interest in one of these types of businesses, list the name of the business, its address and principal business activity, and the position held with the business (if any). If you own(ed) more than a 5% interest in the business, indicate that fact and describe the nature of your interest.

PART G — TRAINING CERTIFICATION

[Required by s. 112.3142, F.S.]

If you are a Constitutional or elected municipal officer, appointed school superintendent, or a commissioner of a community redevelopment agency created under Part III, Chapter 163 whose service began before March 31 of the year for which you are filing, you are required to complete four hours of ethics training which addresses Article II, Section 8 of the Florida Constitution, the Code of Ethics for Public Officers and Employees, and the public records and open meetings laws of the state. You are required to certify on this form that you have taken such training.

IF YOU HAVE CHOSEN COMPARATIVE (PERCENTAGE) THRESHOLDS THE FOLLOWING INSTRUCTIONS APPLY

PART A — PRIMARY SOURCES OF INCOME

[Required by s. 112.3145(3)(a)1, F.S.]

Part A is intended to require the disclosure of your principal sources of income during the disclosure period. You do not have to disclose any public salary or public position(s), but income from these public sources should be included when calculating your gross income for the disclosure period. The income of your spouse need not be disclosed; however, if there is joint income to you and your spouse from property you own jointly (such as interest or dividends from a bank account or stocks), you should include all of that income when calculating your gross income and disclose the source of that income if it exceeded the threshold.

Please list in this part of the form the name, address, and principal business activity of each source of your income which exceeded 5% of the gross income received by you in your own name or by any other person for your benefit or use during the disclosure period.

"Gross income" means the same as it does for income tax purposes, even if the income is not actually taxable, such as interest on tax-free bonds. Examples include: compensation for services, income from business, gains from property dealings, interest, rents, dividends, pensions, IRA distributions, social security, distributive share of partnership gross income, and alimony if considered gross income under federal law, but not child support.

Examples:

— If you were employed by a company that manufactures computers and received more than 5% of your gross income from the company, list the name of the company, its address, and its principal business activity (computer manufacturing).

— If you were a partner in a law firm and your distributive share of partnership gross income exceeded 5% of your gross income, then list the name of the firm, its address, and its principal business activity (practice of law).

— If you were the sole proprietor of a retail gift business and your gross income from the business exceeded 5% of your total gross income, list the name of the business, its address, and its principal business activity (retail gift sales).

— If you received income from investments in stocks and

bonds, list each individual company from which you derived more than 5% of your gross income. Do not aggregate all of your investment income.

— If more than 5% of your gross income was gain from the sale of property (not just the selling price), list as a source of income the purchaser's name, address, and principal business activity. If the purchaser's identity is unknown, such as where securities listed on an exchange are sold through a brokerage firm, the source of income should be listed as "sale of (name of company) stock," for example.

— If more than 5% of your gross income was in the form of interest from one particular financial institution (aggregating interest from all CD's, accounts, etc., at that institution), list the name of the institution, its address, and its principal business activity.

PART B — SECONDARY SOURCES OF INCOME

[Required by s. 112.3145(3)(a)2, F.S.]

This part is intended to require the disclosure of major customers, clients, and other sources of income to businesses in which you own an interest. It is not for reporting income from second jobs. That kind of income should be reported in Part A, "Primary Sources of Income," if it meets the reporting threshold. You will **not** have anything to report **unless** during the disclosure period:

(1) You owned (either directly or indirectly in the form of an equitable or beneficial interest) more than 5% of the total assets or capital stock of a business entity (a corporation, partnership, LLC, limited partnership, proprietorship, joint venture, trust, firm, etc., doing business in Florida); **and**,

(2) You received more than 10% of your gross income from that business entity; **and**,

(3) You received more than \$1,500 in gross income from that business entity.

If your interests and gross income exceeded these thresholds, then for that business entity you must list every source of income to the business entity which exceeded 10% of the business entity's gross income (computed on the basis of the business entity's most recently completed fiscal year), the source's address, and the source's principal business activity.

Examples:

— You are the sole proprietor of a dry cleaning business, from which you received more than 10% of your gross income—an amount that was more than \$1,500. If only one customer, a uniform rental company, provided more than 10% of your dry cleaning business, you must list the name of the uniform rental company, its address, and its principal business activity (uniform rentals).

— You are a 20% partner in a partnership that owns a shopping mall and your partnership income exceeded the thresholds listed above. You should list each tenant of the mall that provided more than 10% of the partnership's gross income, and the tenant's address and principal business activity.

PART C — REAL PROPERTY

[Required by s. 112.3145(3)(a)3, F.S.]

In this part, list the location or description of all real property in Florida in which you owned directly or indirectly at any time during the disclosure period in excess of 5% of the property's value. You are not required to list your residences. You should list any vacation homes, if you derive income from them.

Indirect ownership includes situations where you are a beneficiary of a trust that owns the property, as well as situations where you own more than 5% of a partnership or corporation that owns the property. The value of the property may be determined by the most recently assessed value for tax purposes, in the absence of a more accurate fair market value.

The location or description of the property should be sufficient to enable anyone who looks at the form to identify the property. A street address should be used, if one exists.

PART D — INTANGIBLE PERSONAL PROPERTY

[Required by s. 112.3145(3)(a)3, F.S.]

Describe any intangible personal property that, at any time during the disclosure period, was worth more than 10% of your total assets, and state the business entity to which the property related. Intangible personal property includes things such as cash on hand, stocks, bonds, certificates of deposit, vehicle leases, interests in businesses, beneficial interests in trusts, money owed you (including, but not limited to, loans made as a candidate to your own campaign), Deferred Retirement Option Program (DROP) accounts, the Florida Prepaid College Plan, and bank accounts in which you have an ownership interest. Intangible personal property also includes investment products held in IRAs, brokerage accounts, and the Florida College Investment Plan. Note that the product contained in a brokerage account, IRA, or the Florida College Investment Plan is your asset—not the account or plan itself. Things like automobiles and houses you own, jewelry, and paintings are not intangible property. Intangibles relating to the same business entity may be aggregated; for example, CD's and savings accounts with the same bank.

Calculations: To determine whether the intangible property exceeds 10% of your total assets, total the fair market value of all of your assets (including real property, intangible property, and tangible personal property such as jewelry, furniture, etc.). When making this calculation, do not subtract any liabilities (debts) that may relate to the property. Multiply the total figure by 10% to arrive at the disclosure threshold. List only the intangibles that exceed this threshold amount. The value of a leased vehicle is the vehicle's present value minus the lease residual (a number which can be found on the lease document). Property that is only jointly owned property should be valued according to the percentage of your joint ownership. Property owned as tenants by the entirety or as joint tenants with right of survivorship, including bank accounts owned in such a manner, should be valued at 100%. None of your calculations or the value of the property have to be disclosed on the form.

Example: You own 50% of the stock of a small corporation that is worth \$100,000, the estimated fair market value of your home and other property (bank accounts, automobile, furniture, etc.) is \$200,000. As your total assets are worth \$250,000, you must disclose intangibles worth over \$25,000. Since the value of the stock exceeds this threshold, you should list "stock" and the name of the corporation. If your accounts with a particular bank exceed \$25,000, you should list "bank accounts" and bank's name.

PART E — LIABILITIES

[Required by s. 112.3145(3)(b)4, F.S.]

List the name and address of each creditor to whom you owed any amount that, at any time during the disclosure period, exceeded your net worth. You are not required to list the amount of any debt or your net worth. You do not have to disclose: credit card and retail installment accounts, taxes owed (unless reduced to a judgment), indebtedness on a life insurance policy owed to the company of issuance, or contingent liabilities. A "contingent liability" is one that will become an actual liability only when one or more future events occur or fail to occur, such as where you are liable only as a guarantor, surety, or endorser on a promissory note. If you are a "co-maker" and are jointly liable or jointly and severally liable, it is not a contingent liability.

Calculations: To determine whether the debt exceeds your net worth, total all of your liabilities (including promissory notes, mortgages, credit card debts, judgments against you, etc.). The amount of the liability of a vehicle lease is the sum of any past-due payments and all unpaid prospective lease payments. Subtract the sum total of your liabilities from the value of all your assets as calculated above for Part D. This is your "net worth." List each creditor to whom your debt exceeded this amount unless it is one of the types of indebtedness listed in the paragraph above (credit card and retail installment accounts, etc.). Joint liabilities with others for which you are "jointly and severally liable," meaning that you may be liable for either your part or the whole of the obligation, should be included in your calculations at 100% of the amount owed.

Example: You owe \$15,000 to a bank for student loans, \$5,000 for credit card debts, and \$60,000 (with spouse) to a savings and loan for a home mortgage. Your home (owned by you and your spouse) is worth \$80,000 and your other property is worth \$20,000. Since your net worth is \$20,000 (\$100,000 minus \$80,000), you must report only the name and address of the savings and loan.

PART F — INTERESTS IN SPECIFIED BUSINESSES

[Required by s. 112.3145(7), F.S.]

The types of businesses covered in this disclosure include: state and federally chartered banks; state and federal savings and loan associations; cemetery companies; insurance companies; mortgage companies; credit unions; small loan companies; alcoholic beverage licensees; pari-mutuel wagering companies, utility companies, entities controlled by the Public Service Commission; and entities granted a franchise to operate by either a city or a county government.

Disclose in this part the fact that you owned during the disclosure period an interest in, or held any of certain positions with, the types of businesses listed above. You are required to make this disclosure if you own or owned (either directly or indirectly in the form of an equitable or beneficial interest) at any time during the disclosure period more than 5% of the total assets or capital stock of one of the types of business entities listed above. You also must complete this part of the form for each of these types of businesses for which you are, or were at any time during the disclosure period, an officer, director, partner, proprietor, or agent (other than a resident agent solely for service of process).

If you have or held such a position or ownership interest in one of these types of businesses, list the name of the business, its address and principal business activity, and the position held with the business (if any). If you own(ed) more than a 5% interest in the business, indicate that fact and describe the nature of your interest.

PART G — TRAINING CERTIFICATION

[Required by s. 112.3142, F.S.]

If you are a Constitutional or elected municipal officer, appointed school superintendent, or a commissioner of a community redevelopment agency created under Part III, Chapter 163 whose service began before March 31 of the year for which you are filing, you are required to complete four hours of ethics training which addresses Article II, Section 8 of the Florida Constitution, the Code of Ethics for Public Officers and Employees, and the public records and open meetings laws of the state. You are required to certify on this form that you have taken such training.

THIRD ORDER OF BUSINESS

Consideration of Auditor Proposals

Consideration of Auditor Proposals for Fiscal years 2022 through 2027

Mr. Gill: We only received one proposal from Grau and Associates which was included in your packet. We also included a ranking sheet which is used if there are multiple proposals received. We have ranked Grau for you and listed them. Since there is only one, we would ask that you rank them as number one as the auditor non-price based. We have also included a form of auditor agreement to speed things up to engage them for the fiscal years 2022 through 2027.

Mr. Scott Edwards: Their pricing has been consistent with all the other --?

Mr. Gill: Yes. I compared their pricing to all the other Districts, and it is about the same. It ratchets up \$100 dollars each year starting at \$3,800 for a total \$20,000 dollars over the five years. We have worked with them in a number of other Districts. I am going to ask for two motions: one motion to accept the ranking sheet, ranking Grau as number one, and then I will ask for a motion to allow the District to negotiate the auditor agreement and make any non-substantive changes, as necessary.

On MOTION made by Mr. Dalton Drake, seconded by Mr. Scott Edwards, and with all in favor, the ranking sheet ranking Grau as number one was accepted.

On MOTION made by Mr. Dalton Drake, seconded by Mr. Scott Edwards, and with all in favor, the District was authorized to negotiate the auditor agreement.

FOURTH ORDER OF BUSINESS

Mr. Gill asked if there were any questions; hearing none, he called for a motion.

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of the Palermo Community Development District (the “Board”), as follows:

Section 1. Negotiated Limited Offering of 2023 Bonds. The District hereby finds that because of the complex nature of assessment bond financings in order to better time the sale of the 2023 Bonds and secure better interest rates, it is necessary and in the best interest of the District that the 2023 Bonds, in the aggregate principal amount of not exceeding \$14,000,000 be sold on a negotiated limited offering basis. The District hereby further finds that it will not be adversely affected if the 2023 Bonds are not sold pursuant to competitive sales.

Section 2. Purpose. The District has authorized its capital improvement plan for the development of the District, as set forth in the Engineer’s Report, and hereby authorizes the financing of a portion of the acquisition and construction of certain public infrastructure benefiting the assessable lands within the District by issuing the 2023 Bonds to finance a portion of such public infrastructure described in the Engineer’s Report and constituting the 2023 Project. The 2023 Project includes, but is not limited to, public roadway improvements, stormwater drainage facilities including related earthwork, water and sewer facilities, landscaping, hardscaping and irrigation in public rights of way, on-site mitigation, all as more particularly described in the Engineer’s Report.

Section 3. Sale of the 2023 Bonds. Except as otherwise provided in the last sentence of this Section 3, the proposal submitted by the Underwriter offering to purchase the 2023 Bonds at the purchase price established pursuant to the parameters set forth below and on the terms and conditions set forth in the Bond Purchase Contract (attached hereto as Exhibit A), are hereby approved and adopted by the District in substantially the form presented. Subject to the last sentence of this Section 3, the Chairperson (or, in the absence of the Chairperson, any other member of the Board) is hereby authorized to execute and deliver on behalf of the District, and the Secretary of the District is hereby authorized (if so required) to affix the seal of the District and attest to the execution of the Bond Purchase Contract in substantially the form presented at this meeting. The disclosure statements of the Underwriter, as required by Section 218.385, Florida Statutes, to be delivered to the District prior to the execution of the Bond Purchase Contract, a copy of which is attached as an exhibit to the Bond Purchase Contract, will be entered into the official records of the District. The Bond Purchase Contract, in final form as determined by counsel to the District and the Chairperson, may be executed by the District without further action provided that (i) the 2023 Bonds mature not later than the statutory permitted period; (ii) the principal amount of the 2023 Bonds issued does not exceed \$14,000,000; (iii) the interest rate on the 2023 Bonds shall not exceed the maximum rate permitted under Florida law; (iv) if the 2023 Bonds are subject to optional redemption which determination will be made on or before the sale date of the 2023 Bonds, the first optional call date and the redemption price shall be determined on or before the execution of the Bond Purchase Contract; and (v) the purchase price to be paid by the Underwriter for the 2023 Bonds is not less than 98% of the par amount of the 2023 Bonds issued (exclusive of any original issuance discount).

Section 4. The Limited Offering Memorandum. The Limited Offering Memorandum, in substantially the form of the Preliminary Limited Offering Memorandum (subject to the other conditions set forth herein) attached hereto as Exhibit B, with such changes as are necessary to conform to the details of the 2023 Bonds and the requirements of the Bond Purchase Contract, is hereby approved. The District hereby authorizes the execution of the Limited Offering Memorandum and the District hereby authorizes the Limited Offering Memorandum, when in final form, to be used in connection with the limited offering and sale of the 2023 Bonds. The District hereby authorizes and consents to the use by the Underwriter of a Preliminary Limited Offering Memorandum substantially in the form attached hereto as Exhibit B, in connection with the limited offering of the 2023 Bonds. The final form of a Preliminary Limited Offering Memorandum shall be determined by the Underwriter and the professional staff of the District. The Limited Offering Memorandum may be modified in a manner not inconsistent with the substance thereof and the terms of the 2023 Bonds as shall be deemed advisable by Bond Counsel and counsel to the District, with final approval by the Chairperson. The Chairperson (or, in the absence of the Chairperson, any other member of the Board) is hereby further authorized to execute and deliver on behalf of the District, the Limited Offering Memorandum and any amendment or supplement thereto, with such changes, modifications and deletions as the member of the Board executing the same may deem necessary and appropriate with the advice of Bond Counsel and counsel to the District, with final approval by the Chairperson, such execution and delivery to be conclusive evidence of the approval and authorization thereof by the District. The District hereby authorizes the Chairperson (or, in the absence of the Chairperson, any other member of the Board) to deem “final” the Preliminary Limited Offering Memorandum except for permitted omissions all within the meaning of Rule 15c2-12 of the Securities Exchange Act of 1934 and to execute a certificate in that regard.

Section 5. Details of the 2023 Bonds. The proceeds of the 2023 Bonds shall be applied in accordance with the provisions of the 2023 Indenture. The 2023 Bonds shall mature in the years and in the amounts, bear interest at such rates and be subject to redemption, all as provided in the First Supplemental. The execution of the First Supplemental shall constitute approval of such terms as set forth in the 2023 Indenture and this Resolution. The maximum aggregate principal amount of the 2023 Bonds authorized to be issued pursuant to this Resolution and the 2023 Indenture shall not exceed \$14,000,000.

Section 6. Continuing Disclosure; Dissemination Agent. The Board does hereby authorize and approve the execution and delivery of a Continuing Disclosure Agreement by the Chairperson (or, in the absence of the Chairperson, any other member of the Board) substantially in the form presented to this meeting and attached hereto as Exhibit C. The Continuing Disclosure Agreement is being executed by the District and the other parties thereto in order to assist the Underwriter in the marketing of the 2023 Bonds and compliance with Rule 15c2-12 of the Securities and Exchange Commission. JPWard & Associates, LLC is hereby appointed the initial dissemination agent.

Section 7. Authorization of Execution and Delivery of the First Supplemental Trust Indenture; Application of Master Indenture. The District does hereby authorize and approve the execution by the Chairperson (or, in the absence of the Chairperson, the Vice Chairperson or any other member of the Board) and the Secretary or any Assistant Secretary to attest and authorize the delivery of the previously approved Master Indenture and First

Supplemental, both between the District and the Trustee. The 2023 Indenture shall provide for the security of the 2023 Bonds and express the terms of the 2023 Bonds. The First Supplemental shall be substantially in the form attached hereto as Exhibit D and is hereby approved, with such changes therein as are necessary or desirable to reflect the terms of the sale of the 2023 Bonds as shall be approved by the Chairperson (or, in the absence of the Chairperson, the Vice Chairperson, or any other member of the Board) executing the same upon the advice of Bond Counsel and counsel to the District, with such execution to constitute conclusive evidence of such officer's approval and the District's approval of any changes therein from the form of the First Supplemental attached hereto as Exhibit D.

Section 8. Authorization and Ratification of Prior Acts. All actions previously taken by or on behalf of District in connection with the issuance of the 2023 Bonds are hereby authorized, ratified and confirmed.

The Board hereby authorizes any modifications to the Assessment Methodology Report prepared by JP Ward & Associates, LLC in connection with the 2023 Bonds if such modifications are determined to be appropriate in connection with the issuance of the 2023 Bonds.

Section 12. Engineer's Report. The Board hereby authorizes any modifications to the Engineer's Report prepared by Banks Engineering in connection with the 2023 Bonds if such modifications are determined to be appropriate in connection with the issuance of the 2023 Bonds or modifications to the 2023 Project.

Section 13. Further Official Action. The Chairperson, the Vice Chairperson, the Secretary and each other member of the Board and any other proper official or member of the professional staff of the District are each hereby authorized and directed to execute and deliver any and all documents and instruments, including the Developer Agreements described in more detail in Exhibit B, and to do and cause to be done any and all acts and things necessary or desirable for carrying out the transactions contemplated by this Resolution. The Secretary or any Assistant Secretary is hereby authorized and directed to apply and attest the official seal of the District to any agreement or instrument authorized or approved herein that requires such a seal and attestation.

Section 14. Severability. If any section, paragraph, clause or provision of this Resolution shall be held to be invalid or ineffective for any reason, the remainder of this Resolution shall continue in full force and effect, it being expressly hereby found and declared

FORM OF BOND PURCHASE CONTRACT

§ _____
PALERMO COMMUNITY DEVELOPMENT DISTRICT
(LEE COUNTY, FLORIDA)
SPECIAL ASSESSMENT BONDS, SERIES 2023
(2023 PROJECT)

BOND PURCHASE CONTRACT

[_____], 2023

Board of Supervisors
Palermo Community Development District
Lee County, Florida

Dear Gentlemen:

FMSbonds, Inc. (the "Underwriter") offers to enter into this Bond Purchase Contract (the "Purchase Contract") with the Palermo Community Development District (the "District"). The District is located entirely within an unincorporated area of Lee County, Florida (the "County"). This offer of the Underwriter shall, unless accepted by the District, acting through its Board of Supervisors (the "Board"), expire at [5:00 P.M.] prevailing time within the jurisdiction of the District on the date hereof, unless previously withdrawn or extended in writing by the Underwriter. This Purchase Contract shall be binding upon the District and the Underwriter upon execution and delivery. Any capitalized word not defined herein shall have the meaning ascribed thereto in the Preliminary Limited Offering Memorandum (as hereinafter defined). In conformance with Section 218.385, Florida Statutes, as amended, the Underwriter hereby delivers to the District the Disclosure and Truth-In-Bonding Statements attached hereto as Exhibit A.

1. Purchase and Sale. Upon the terms and conditions and upon the basis of the representations, warranties and agreements set forth herein, the Underwriter hereby agrees to purchase from the District, and the District hereby agrees to sell and deliver to the Underwriter, all (but not less than all) of its \$ _____ aggregate principal amount of Palermo Community Development District Special Assessment Bonds, Series 2023 (2023 Project) (the "Bonds"). The Bonds shall be dated their date of delivery and shall mature on the dates, shall bear interest at the rates, and shall be subject to redemption prior to maturity, all as provided in Exhibit B attached hereto. The purchase price for the Bonds shall be \$ _____ (representing the \$ _____ aggregate principal amount of the Bonds, [plus/less net original issue premium/discount of \$ _____ and] less an underwriter's discount of \$ _____). Payment of the purchase price and delivery of the Bonds and the other actions contemplated hereby to take place at the time of such payment and delivery are hereinafter referred to as the "Closing."

2. The Bonds. The Bonds are to be issued by the District, a local unit of special-purpose government of the State of Florida (the "State") created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended, any

successor statute thereto, the Florida Constitution, and other applicable provisions of law (the "Act"), by Ordinance No. 07-05 enacted by the Board of County Commissioners of the County on March 27, 2007, becoming effective on April 6, 2007 (the "Ordinance"). The Bonds are being issued pursuant to the Act and secured pursuant to the provisions of a Master Trust Indenture dated as of [] 1, 2023 (the "Master Indenture"), as supplemented by a First Supplemental Trust Indenture dated as of [] 1, 2023 (the "First Supplemental Indenture, and together with the Master Indenture, the "Indenture"), each by and between the District and U.S. Bank Trust Company, National Association, as trustee (the "Trustee"), and Resolution No. 2021-14 adopted by the Board of Supervisors of the District (the "Board") on June 18, 2021 and Resolution No. 2023-1 adopted by the Board on December 15, 2022 (collectively, the "Bond Resolution"). The Series 2023 Special Assessments comprising the Series 2023 Pledged Revenues have been levied by the District on those lands within the District specially benefited by the 2023 Project pursuant to the Assessment Resolutions (as such terms are defined in the First Supplemental Indenture).

3. Limited Offering; Establishment of Issue Price. It shall be a condition to the District's obligation to sell and to deliver the Bonds to the Underwriter, and to the Underwriter's obligation to purchase, accept delivery of and pay for the Bonds, that the entire principal amount of the Bonds be issued, sold and delivered by the District and purchased, accepted and paid for by the Underwriter at the Closing and that the District and the Underwriter receive the opinions, documents and certificates described in Section 8(c) hereof.

(a) The Underwriter agrees to assist the District in establishing the issue price of the Bonds and shall execute and deliver to the District at Closing an "issue price" or similar certificate, together with the supporting pricing wires or equivalent communications, in a form reasonably satisfactory to Bond Counsel, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the District and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Bonds.

(b) Except as otherwise indicated in Exhibit B, the District will treat the first price at which 10% of each maturity of the Bonds (the "10% test") is sold to the public as the issue price of that maturity. At or promptly after the execution of this Purchase Contract, the Underwriter shall report to the District the price or prices at which the Underwriter has sold to the public each maturity of Bonds. If at that time the 10% test has not been satisfied as to any maturity, the Underwriter agrees to promptly report to the District the prices at which the Bonds of that maturity have been sold by the Underwriter to the public. That reporting obligation shall continue, whether or not the Closing Date has occurred, until the 10% test has been satisfied as to the Bonds of that maturity or until all Bonds of that maturity have been sold to the public provided that, the Underwriter's reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Issuer or bond counsel. For purposes of this Section, if Bonds mature on the same date but have different interest rates, each separate CUSIP number within that maturity will be treated as a separate maturity of the Bonds.

(c) The Underwriter confirms that it has offered the Bonds to accredited investors constituting the public on or before the date of this Purchase Contract at the offering price or prices (the "initial offering price"), or at the corresponding yield or yields,

set forth in Exhibit B attached hereto, except as otherwise set forth therein. Exhibit B also sets forth, as of the date of this Purchase Contract, the maturities of the Bonds for which the 10% test has not been satisfied and for which the District and the Underwriter agree that the restrictions set forth in the next sentence shall apply, which will allow the District to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the "hold-the-offering-price rule"). So long as the hold-the-offering-price rule remains applicable to any maturity of the Bonds, the Underwriter will neither offer nor sell unsold Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

(1) the close of the fifth (5th) business day after the sale date; or

(2) the date on which the Underwriter has sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

The Underwriter will advise the District promptly after the close of the fifth (5th) business day after the sale date whether it has sold 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

(d) The Underwriter confirms that:

(i) any selling group agreement and any third-party distribution agreement relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer who is a member of the selling group and each broker-dealer that is a party to such third-party distribution agreement, as applicable:

(A) (i) to report the prices at which it sells to the public the unsold Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Bonds of that maturity allocated to it have been sold or it is notified by the Underwriter that the 10% test has been satisfied as to the Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter, and (ii) to comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter,

(B) to promptly notify the Underwriter of any sales of Bonds that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the Bonds to the public (each such term being used as defined below), and

(C) to acknowledge that, unless otherwise advised by the dealer or broker-dealer, the Underwriter shall assume that each order submitted by the dealer or broker-dealer is a sale to the public.

(ii) any selling group agreement relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the Bonds to the public to require each broker-dealer that is a party to such third-party distribution agreement to (A) report the prices at which it sells to the public the unsold Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Bonds of that maturity allocated to it have been sold or it is notified by the Underwriter or the dealer that the 10% test has been satisfied as to the Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter or the dealer, and (B) comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter or the dealer and as set forth in the related pricing wires.

(e) The District acknowledges that, in making the representations set forth in this section, the Underwriter will rely on (i) in the event a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds, as set forth in a selling group agreement and the related pricing wires, and (ii) in the event that a third-party distribution agreement was employed in connection with the initial sale of the Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds, as set forth in the third-party distribution agreement and the related pricing wires. The District further acknowledges that the Underwriter shall not be liable for the failure of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a third-party distribution agreement, to comply with its corresponding agreement to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds.

(f) The Underwriter acknowledges that sales of any Bond to any person that is a related party to an Underwriter participating in the initial sale of the Bonds to the public (each such term being used as defined below) shall not constitute sales to the public for purposes of this section. Further, for purposes of this section:

(i) "public" means any person other than an underwriter or a related party,

(ii) "underwriter" means (A) any person that agrees pursuant to a written contract with the District (or with the Underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public

(including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Bonds to the public),

(iii) a purchaser of any of the Bonds is a "related party" to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (A) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

(iv) "sale date" means the date of execution of this Purchase Contract by all parties.

The Underwriter has reviewed the Preliminary Limited Offering Memorandum prior to the execution of this Purchase Contract. To the best of its knowledge, no event has occurred which, with the lapse of time or the giving of notice, or both, would constitute an event of default (as therein defined) under the Bonds, the Financing Documents or the Ancillary Agreement;

10. Expenses.

in the Official Records of the County any Financing Documents, the Ancillary Agreement or other documents or certificates that are required to be recorded pursuant to the terms of this Purchase Contract. It is anticipated that such expenses shall be paid from the proceeds of the Series 2023 Bonds. The District shall submit for recording all documents required to be provided in recordable form hereunder within three business days after the Closing Date, which obligation shall survive the Closing.

(b) The Underwriter agrees to pay all advertising expenses in connection with the Bonds, if any.

11. No Advisory or Fiduciary Role. The District acknowledges and agrees that (i) the purchase and sale of the Bonds pursuant to this Agreement is an arm's-length commercial transaction between the District and the Underwriter, (ii) in connection with such transaction, the Underwriter is acting solely as a principal and not as an advisor (including, without limitation, a Municipal Advisor (as such term is defined in Section 975(e) of the Dodd-Frank Wall Street Reform and Consumer Protection Act)), agent or a fiduciary of the District, (iii) the Underwriter has not assumed a fiduciary responsibility in favor of the District with respect to the offering of the Bonds or the process leading thereto (whether or not the Underwriter, or any affiliate of the Underwriter, has advised or is currently advising the District on other matters) or any other obligation to the District except the obligations expressly set forth in this Agreement, (iv) the Underwriter has financial and other interests that differ from those of the District, (v) the District has consulted with its own legal and financial advisors to the extent it deemed appropriate in connection with the offering of the Bonds, and (vi) the Underwriter has provided to the District prior disclosures under Rule G-17 of the MSRB, which have been received by the District.

12. Notices. Any notice or other communication to be given to the District under this Purchase Contract may be given by delivering the same in writing to the District Manager at JPWard and Associates, LLC, 2900 Northeast 12th Terrace, Ste. #1, Oakland Park, Florida 33334, and any notice or other communication to be given to the Underwriter under this Purchase Contract may be given by delivering the same in writing to FMSbonds, Inc., 20660 W. Re: \$_____ Palermo Community Development District (Lee County, Florida)
 Special Assessment Bonds, Series 2023 (2023 Project)

Ladies and Gentlemen:

We have acted as counsel to the Palermo Community Development District (the "District"), a local unit of special-purpose government existing under the laws of the State of Florida (the "State"), particularly Chapter 190, Florida Statutes, as amended (the "Act") in connection with the authorization, issuance and sale of its \$_____ Special Assessment Bonds, Series 2023 (2023 Project) (the "Bonds"). In that capacity, we are familiar with matters relating to the preparation, execution and delivery of the Master Trust Indenture dated as of [_____] 1, 2023 (the "Master Indenture") as supplemented by a First Supplemental Trust Indenture dated as of [_____] 1, 2023 (the "First Supplemental Indenture" and, together with the Master Indenture, the "Indentures"), each by and between the District and U.S. Bank Trust Company, National Association, as successor trustee (the "Trustee").

The Bonds have been authorized and issued pursuant to the Act, the Florida Constitution and other applicable provisions of Florida law. The District was established by Ordinance No. 07-05 enacted by the Board of County Commissioners of Lee County, Florida (the "County"), on March 27, 2007, becoming effective on April 6, 2007 (the "Ordinance"). The District was established for the purposes, among other things, of financing and managing the planning, acquisition, construction, maintenance and operation of the major infrastructure within and without the boundaries governed by the District.

The Bonds are being issued pursuant to the Act, the Indentures and the Bond Resolution (as defined herein).

In our capacity as counsel to the District, we have examined Resolution No. 2021-14 and Resolution No. 2023-1 adopted by the Board of Supervisors of the District (the "Board") on [June 18, 2021 and December 15, 2022, Resolution Nos. 2021-12, 2021-13, and 2021-16, adopted by the District on June 18, 2021, June 18, 2021, and August 13, 2021, respectively] (collectively, the "Assessment Resolutions"), the final Supplemental Special Assessment Methodology - Series 2023 dated [____], 2023 (the "Assessment Methodology"), for the Bonds, an opinion of counsel to the Trustee, an opinion of Bond Counsel, the Final Judgment Validating Bonds, certain certifications of the District Manager and District Assessment Consultant and such other documents as we have deemed necessary or appropriate in rendering the opinions set forth below. Additionally, we have examined the Continuing Disclosure Agreement by and among the District, the Development Manager, and JP Ward and Associates, LLC, dated [____], 2023 (the "Continuing Disclosure Agreement"), the Bond Purchase Agreement between the District and FMSbonds, Inc. dated [____], 2023 (the "Bond Purchase Agreement"), [INSERT ANCILLARY AGREEMENTS], are collectively referred to herein as the "Bond Agreements".

With respect to any of the opinions set forth in this letter which are based on or qualified by the phrase "to our knowledge," the words "to our knowledge" signify that, in the course of our representation of the District, no facts have come to our attention that would give us actual knowledge that any such opinions or other matters are not accurate. Except to the extent expressly set forth herein, we have not undertaken any independent investigation to determine the existence or absence of any such facts, and no inference as to our knowledge of the existence of such facts should be drawn from the fact of our representation of the District.

Based upon the foregoing and subject to the qualifications set forth below, we are of the opinion that:

1. Under the Florida Constitution and laws of the State, the District has been duly established and validly exists as a local unit of special purpose government with such powers as set forth in the Act, with good, right and lawful authority: (a) to enter into and to consummate the transactions contemplated by the Bond Resolution, the Bond Purchase Agreement, and the Limited Offering Memorandum dated [____], 2023 for the Bonds (the "Limited Offering Memorandum"); (b) to issue the Bonds for the purpose for which they are issued; (c) to impose, levy and collect the applicable special assessments securing the Bonds (herein, the "Series 2023 Special Assessments") and pledge the Series 2023 Pledged Revenues (as defined in the Indentures) to secure the Bonds as provided in the Indentures; (d) to adopt the Bond Resolution and the Assessment Resolutions; (e) to own and operate the 2023 Project; and (f) to perform its obligations under the terms and conditions of the Bond Resolution, the Assessment Resolutions, the Bond Agreements, the Bonds and the Indentures.

2. The Bonds, Indentures, and the Bond Agreements have been duly authorized, executed and delivered by the District, are valid and binding upon the District and are enforceable against the District in accordance with their respective terms. The terms and provisions of the Indentures and the Bond Agreements are in full force and effect on the date hereof and compliance by the District therewith neither conflicts with, constitutes a default under or results in a breach of the terms of any constitutional provision, law or, to our knowledge, any regulation, order, writ, injunction, decree of any court or governmental entity, any agreement or instrument to which the

District is a party or results or will result in the creation or imposition of any encumbrance upon any of the properties or assets of the District other than those contemplated by the Indentures.

3. All conditions precedent to the issuance of the Bonds, as prescribed in the Indentures, have been fulfilled.

4. The proceedings by the District with respect to the Series 2023 Special Assessments have been in accordance with Florida law. The District has taken all action necessary to levy and impose the Series 2023 Special Assessments. The Series 2023 Special Assessments constitute legal, valid, binding and enforceable first liens upon the property against which such Series 2023 Special Assessments are assessed, co-equal with the lien of all state, county, district and municipal taxes and assessments, and superior in dignity to all other liens, titles and claims, until paid.

5. To the best of our knowledge, there is no litigation pending or threatened against the District (i) seeking to restrain or enjoin the issuance or delivery of the Bonds or the application of the proceeds thereof, or the imposition, levy or collection of the Series 2023 Special Assessments or the Series 2023 Pledged Revenues pledged for the payment of the debt service on the Bonds; (ii) contesting or affecting the authority for the issuance of the Bonds or the validity or enforceability of the Bonds, the Indentures, the Bond Agreements or the transactions contemplated thereunder; (iii) contesting or affecting the establishment or existence of the District or any of its Supervisors, officers or employees, its assets, property or condition, financial or otherwise, or contesting or affecting any of the powers of the District, including its power to enter into the Indentures or the Bond Agreements, or its power to collect and pledge the Series 2023 Trust Estate for the payment of the debt service on the Bonds; and (iv) specifically contesting the exclusion from federal gross income of interest on the Bonds.

6. As of the date hereof, all necessary consents, approvals, waivers or other actions by or filings with any governmental authority or other entity, required for the adoption of the Bond Resolution and the Assessment Resolutions and the execution and delivery of the Indentures, the Bonds, and the Bond Agreements and for the performance by the District of the transactions required hereby, have been duly obtained or made and are in full force and effect.

7. The District has duly authorized the execution, delivery, use and distribution of the Limited Offering Memorandum and has duly authorized the delivery, use and distribution of the Preliminary Limited Offering Memorandum dated [____], 2023 (the "Preliminary Limited Offering Memorandum" and, together with the Limited Offering Memorandum, the "Limited Offering Memoranda").

8. To our knowledge, based upon our review of the Limited Offering Memoranda and without having undertaken to determine independently the accuracy, completeness or fairness of the statements contained in the Limited Offering Memoranda, as of the date hereof, nothing has come to our attention which would lead us to believe that the Limited Offering Memoranda when taken as a whole, contains an untrue statement of a material fact or omits to state a material fact necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading (except for the financial information and statistical data contained in the Limited Offering Memoranda or in the Appendices thereto, the information regarding DTC and its book-entry only system of registration, the information contained in the sections titled

""UNDERWRITING", "LITIGATION – The Development Manager," "LITIGATION – The Primary Landowner" "DESCRIPTION OF THE SERIES 2023 BONDS," "THE DEVELOPMENT," "THE DEVELOPMENT MANAGER AND THE PRIMARY LANDOWNER," "TAX MATTERS," "NO RATING," "MISCELLANEOUS," or any Appendices thereto, all information related to the tax-exempt status of the Bonds, or those matters contained in opinions of Bond Counsel, as to all of which no opinion is expressed).

9. The Bonds have been validated by a final judgment of the Circuit Court in and for Lee County, Florida, of which no timely appeal was filed.

10. To the best of our knowledge, all conditions precedent to the issuance of the Bonds to be performed by the District, as prescribed in the applicable Indentures and the Bond Purchase Contract, have been fulfilled.

This opinion is solely for the benefit of the addressees and this opinion may not be relied upon in any manner, nor used, by any other persons or entities.

In rendering all of the foregoing opinions, we have assumed the accuracy and truthfulness of all public records and of all certifications, documents and other proceedings examined by us that have been executed or certified by public officials acting within the scope of their official capacities and have not verified the accuracy or truthfulness thereof. We have also assumed the genuineness of the signatures appearing on such public records, certifications, documents and proceedings. We have also assumed the due authorization, execution and delivery of each document by each of the other parties thereto.

Our opinion as to enforceability of any document is subject to limitations imposed by bankruptcy, insolvency, reorganization, moratorium, liquidation, readjustment of debt, or similar laws relating to or affecting creditors' rights generally and general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law), and to the exercise of judicial discretion in appropriate cases, including the fact that specific performance and other equitable remedies are granted only in the discretion of a court.

The opinions or statements expressed above are based solely on the laws of Florida. Accordingly, we express no opinion nor make any statement regarding the effect or application of the laws of the federal government, any other state or other jurisdiction. We express no opinion and make no representations with regard to taxes, assessments or other financial information or statistical data.

PALERMO COMMUNITY DEVELOPMENT DISTRICT
(LEE COUNTY, FLORIDA)
SPECIAL ASSESSMENT BONDS, SERIES 2023
(2023 PROJECT)

INTRODUCTION

The purpose of this Limited Offering Memorandum is to set forth certain information in connection with the offering for sale by the Palermo Community Development District (the "District" or "Issuer") of its \$[10,890,000]* Special Assessment Bonds, Series 2023 (2023 Project) (the "Series 2023 Bonds").

THE SERIES 2023 BONDS ARE NOT A SUITABLE INVESTMENT FOR ALL INVESTORS. PURSUANT TO APPLICABLE STATE LAW, THE UNDERWRITER IS LIMITING THIS INITIAL OFFERING OF THE SERIES 2023 BONDS TO ONLY ACCREDITED INVESTORS WITHIN THE MEANING OF THE RULES OF THE FLORIDA DEPARTMENT OF FINANCIAL SERVICES. THE LIMITATION OF THE INITIAL OFFERING TO ACCREDITED INVESTORS DOES NOT DENOTE RESTRICTIONS ON TRANSFERS IN ANY SECONDARY MARKET FOR THE SERIES 2023 BONDS. POTENTIAL INVESTORS ARE SOLELY RESPONSIBLE FOR EVALUATING THE MERITS AND RISKS OF AN INVESTMENT IN THE SERIES 2023 BONDS. SEE "BONDOWNERS' RISKS" AND "SUITABILITY FOR INVESTMENT" HEREIN. NO PERSON HAS BEEN AUTHORIZED BY THE DISTRICT OR THE UNDERWRITER TO GIVE ANY INFORMATION OR TO MAKE ANY REPRESENTATIONS, OTHER THAN THOSE CONTAINED IN THIS LIMITED OFFERING MEMORANDUM, AND, IF GIVEN OR MADE, SUCH OTHER INFORMATION OR REPRESENTATIONS MUST NOT BE RELIED UPON AS HAVING BEEN AUTHORIZED BY ANY OF THE FOREGOING.

The District was created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the "Act"), by Ordinance No. 07-05 enacted by the Board of County Commissioners of Lee County, Florida (the "County"), on March 27, 2007, becoming effective on April 6, 2007 (the "Ordinance"). The District was created for the purpose of delivering certain community development services and facilities for the benefit of District Lands (as hereinafter defined) and has previously determined to undertake, in one or more stages, the acquisition and/or construction of public improvements and community facilities as set forth in the Act for the special benefit of the District Lands. The Act authorizes the District to issue bonds for the purposes of, among others, financing, funding, planning, establishing, acquiring, constructing or reconstructing, enlarging or extending, or equipping water management, water supply, sewer and wastewater management, bridges or culverts, public roads, street lights and other basic infrastructure projects within or without the boundaries of the District as provided in the Act.

The boundaries of the District include approximately 385.64 gross acres of land (the "District Lands") located entirely within an unincorporated area of Lee County, Florida (the "County"). For more complete information about the District, its Board of Supervisors and the District Manager, see "THE DISTRICT" herein. The District Lands are being developed in multiple phases as a residential community known as "[Lennar at Crane Landing]" (the "Development"), which is expected to contain approximately 1,232 units at build out. The District is issuing its Series 2023 Bonds to fund a portion of the public

* Preliminary, subject to change.

infrastructure improvements for the first four phases of the District Lands planned for 713 residential units (the "2023 Project Area"). See "THE DEVELOPMENT" herein for more information.

[KLLB AIV LLC], a [Delaware] limited liability company (the "Primary Landowner") is the primary owner of the assessable land in the District. The Primary Landowner has entered into the Construction Agreement with [Lennar Homes, LLC, a Florida limited liability company] (the "Development Manager") pursuant to which the Development Manager will manage the installation of infrastructure improvements for the Development and the Primary Landowner is obligated to reimburse the Development Manager for the associated costs incurred, not funded with the proceeds of the Series 2023 Bonds. In addition, the Primary Landowner has entered into the Option Agreement with the Development Manager pursuant to which the Development Manager has the option to purchase all of the developed lots in the Development in a series of takedowns. The Development Manager will construct and market residential units for sale to end users. [As of the date hereof, the Primary Landowner owns ___ lots in the Development, the Development Manager owns ___ lots, and the remaining 122 lots have closed with end users. 47 of such 122 closed homes are owned by [Lennar SFR entity], a Florida limited liability company, which is an affiliate of the Development Manager that specializes in Single Family Rentals.] See "THE PRIMARY LANDOWNER AND THE DEVELOPMENT MANAGER" herein for more information.

[The Series 2023 Bonds will be secured by the Series 2023 Special Assessments, which will initially be levied on the ___ platted lots which comprise phases one, two and three and the remaining _____ unplatted gross acres within the District. The Series 2023 Special Assessments will be assigned to the remaining lots on a first platted, first assigned basis as set forth in the Assessment Methodology attached hereto. It is anticipated that the Series 2023 Special Assessments will ultimately be assigned to 713 of the 1,232 lots planned for the District. A plat for the remaining ___ lots which comprise phase four is expected to be recorded by April 2023.] See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein for more information.

The Series 2023 Bonds are being issued by the District pursuant to the Act, Resolutions No. 2021-14 and No. 2023-[1] adopted by the Board of Supervisors of the District (the "Board") on June 18, 2021 and [December 15], 2022, respectively (collectively, the "Bond Resolution"), and a Master Trust Indenture, dated as of [_____] 1, 2023 (the "Master Indenture"), as supplemented by a First Supplemental Trust Indenture, dated as of [_____] 1, 2023 (the "First Supplemental Indenture," and together with the Master Indenture, the "Indenture"), each by and between the District and U.S. Bank Trust Company, National Association (the "Trustee"). All capitalized terms used in this Limited Offering Memorandum that are defined in the Indenture and not defined herein shall have the respective meanings set forth in the Indenture. See "APPENDIX A: PROPOSED FORMS OF INDENTURES" hereto.

Proceeds of the Series 2023 Bonds will be used to provide funds for: (i) the Costs of acquiring and/or constructing a portion of the 2023 Project (as hereinafter defined), (ii) the funding of the Series 2023 Reserve Account, [(iii) funding interest on the Series 2023 Bonds through at least [December 15, 20__]], and (iv) the payment of the costs of issuance of the Series 2023 Bonds. See "THE 2023 PROJECT" and "ESTIMATED SOURCES AND USES OF FUNDS" herein.

The Series 2023 Bonds will be secured by a pledge of the Series 2023 Pledged Revenues. "Series 2023 Pledged Revenues" shall mean, with respect to the Series 2023 Bonds, (a) all revenues received by the District from the Series 2023 Special Assessments (as herein defined) levied and collected on the assessable lands within the District, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Series 2023 Special Assessments or from the issuance and sale of tax certificates with respect to such Series 2023 Special Assessments, and (b) all moneys on deposit in the Funds, Accounts and subaccounts established under the Indenture created and established with respect to or for the benefit of the Series 2023 Bonds; provided, however, that Series 2023 Pledged

Revenues shall not include (A) any moneys transferred to the Series 2023 Rebate Fund and investment earnings thereon, (B) moneys on deposit in the Series 2023 Costs of Issuance Account of the Acquisition and Construction Fund, and (C) "special assessments" levied and collected by the District under Section 190.022 of the Act for maintenance purposes or "maintenance assessments" levied and collected by the District under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses (A), (B) and (C) of this proviso). See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS."

There follows in this Limited Offering Memorandum a brief description of the District, the Development Manager, the Primary Landowner, the Development, the 2023 Project Area, the 2023 Project and summaries of certain terms of the Series 2023 Bonds, the Indenture and certain provisions of the Act. All references herein to the Indenture and the Act are qualified in their entirety by reference to such documents and statute, and all references to the Series 2023 Bonds are qualified by reference to the definitive form thereof and the information with respect thereto contained in the Indenture. Proposed forms of the Master Indenture and the First Supplemental Indenture appear in APPENDIX A hereto.

This Limited Offering Memorandum speaks only as of its date and the information contained herein is subject to change.

DESCRIPTION OF THE SERIES 2023 BONDS

General Description

The Series 2023 Bonds are issuable only as fully registered bonds, without coupons, in the denominations of \$5,000 and any integral multiple thereof. The Series 2023 Bonds will initially be offered only to "accredited investors" within the meaning of Chapter 517, Florida Statutes, as amended, and the rules of the Florida Department of Financial Services promulgated thereunder; provided, however, the limitation of the initial offering to accredited investors does not denote restrictions on transfers in any secondary market for the Series 2023 Bonds. See "SUITABILITY FOR INVESTMENT" herein.

The Series 2023 Bonds shall be dated as of the date of initial delivery. Regularly scheduled interest on the Series 2023 Bonds shall be payable on each Interest Payment Date to maturity or prior redemption. "Interest Payment Date" means June 15 and December 15 of each year, commencing June 15, 2023 and any date principal of the Series 2023 Bonds are paid including any Quarterly Redemption Date. "Quarterly Redemption Date" shall mean March 15, June 15, September 15 and December 15 of any calendar year. Interest on the Series 2023 Bonds shall be payable from the most recent Interest Payment Date next preceding the date of authentication thereof to which interest has been paid, unless the date of authentication thereof is a June 15th or December 15th to which interest has been paid, in which case from such date of authentication, or unless the date of authentication thereof is prior to the first Interest Payment Date, in which case from the date of initial delivery or unless the date of authentication thereof is between a Record Date and the next succeeding Interest Payment Date, in which case from such Interest Payment Date. Interest on the Series 2023 Bonds will be computed in all cases on the basis of a 360-day year consisting of twelve 30-day months. The Series 2023 Bonds will mature, subject to the redemption provisions set forth herein, on the dates and in the amounts set forth on the cover page hereof.

Upon initial issuance, the Series 2023 Bonds shall be issued as one fully registered bond for each maturity of Series 2023 Bonds and deposited with The Depository Trust Company ("DTC"), New York, New York, which is responsible for establishing and maintaining records of ownership for its participants. As long as the Series 2023 Bonds are held in book-entry-only form, Cede & Co. shall be considered the registered owner for all purposes of the Indenture. DTC shall be responsible for maintaining a book-entry-only system for recording the ownership interest of its participants ("DTC Participants") and other

institutions that clear through or maintain a custodial relationship with a DTC Participant, either directly or indirectly ("Indirect Participants"). The DTC Participants and Indirect Participants will be responsible for maintaining records with respect to the beneficial ownership interests of individual purchasers of the Series 2023 Bonds ("Beneficial Owners"). Principal and interest on the Series 2023 Bonds registered in the name of Cede & Co. prior to and at maturity shall be payable directly to Cede & Co. in care of DTC. Disbursal of such amounts to DTC Participants shall be the responsibility of DTC. Payments by DTC Participants to Indirect Participants, and by DTC Participants and Indirect Participants to Beneficial Owners shall be the responsibility of DTC Participants and Indirect Participants and not of DTC nor its nominee, the Trustee or the District. Individuals may purchase beneficial interests in Authorized Denominations in book-entry-only form, without certificated Series 2023 Bonds, through DTC Participants and Indirect Participants. During the period for which Cede & Co. is registered owner of the Series 2023 Bonds, any notices to be provided to any Beneficial Owner will be provided to Cede & Co. DTC shall be responsible for notices to DTC Participants and DTC Participants shall be responsible for notices to Indirect Participants, and DTC Participants and Indirect Participants shall be responsible for notices to Beneficial Owners. In the event DTC, any successor of DTC or the District, but only in accordance with the procedures of DTC, elects to discontinue the book-entry only system for the Series 2023 Bonds, the Trustee shall deliver bond certificates in accordance with the instructions from DTC or its successor, and after such time the Series 2023 Bonds may be exchanged for an equal aggregate principal amount of Series 2023 Bonds in Authorized Denominations upon surrender thereof at the designated corporate trust office of the Trustee. See "– Book-Entry Only System."

U.S. Bank Trust Company, National Association, is initially serving as the Trustee, Registrar and Paying Agent for the Series 2023 Bonds.

Redemption Provisions

Optional Redemption

The Series 2023 Bonds may, at the option of the District, provided written notice thereof has been sent to the Trustee at least forty-five (45) days prior to the redemption date (unless the Trustee will accept less than forty-five (45) days' notice), be called for redemption prior to maturity as a whole or in part, at any time, on or after December 15, 20__ (less than all Series 2023 Bonds of a maturity to be selected by lot), at a Redemption Price equal to the principal amount of Series 2023 Bonds to be redeemed, plus accrued interest from the most recent Interest Payment Date to the redemption date from moneys on deposit in the Series 2023 Optional Redemption Subaccount of the Series 2023 Bond Redemption Account. If such optional redemption shall be in part, the District shall select such principal amount of Series 2023 Bonds to be optionally redeemed from each maturity so that debt service on the remaining Outstanding Series 2023 Bonds is substantially level.

Mandatory Sinking Fund Redemption

The Series 2023 Bonds maturing on December 15, 20__ are subject to mandatory sinking fund redemption from the moneys on deposit in the Series 2023 Sinking Fund Account on December 15 in the years and in the mandatory sinking fund redemption amounts set forth below at a redemption price of 100% of their principal amount plus accrued interest to the date of redemption.

Upon any redemption of Series 2023 Bonds other than in accordance with scheduled mandatory sinking fund redemptions, the District shall cause to be recalculated and delivered to the Trustee revised mandatory sinking fund redemption amounts recalculated so as to amortize the Outstanding principal amount of Series 2023 Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Series 2023 Bonds. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Series 2023 Bonds in any year. In the event of a redemption or purchase occurring less than forty-five (45) days prior to a date on which a

mandatory sinking fund redemption payment is due, the foregoing recalculation shall not be made to the mandatory sinking fund redemption amount due in the year in which such redemption occurs, but shall be made to the mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

Extraordinary Mandatory Redemption

The Series 2023 Bonds are subject to extraordinary mandatory redemption prior to maturity by the District in whole or in part, on any date (other than in the case of clause (i) below which extraordinary mandatory redemption in part must occur on an Quarterly Redemption Date of any calendar year), at a Redemption Price equal to 100% of the principal amount of the Series 2023 Bonds to be redeemed, plus interest accrued to the redemption date, as follows:

(i) from Series 2023 Prepayment Principal deposited into the Series 2023 Prepayment Subaccount of the Series 2023 Bond Redemption Account following the payment in whole or in part of the Series 2023 Special Assessments on any assessable property within the 2023 Project Area in accordance with the provisions of the First Supplemental Indenture.

(ii) from moneys, if any, on deposit in the Series 2023 Funds, Accounts and Subaccounts in the Funds and Accounts (other than the Series 2023 Rebate Fund, the Series 2023 Cost of Issuance Account and the Series 2023 Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Series 2023 Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Indenture.

(iii) from any funds remaining on deposit in the Series 2023 Acquisition and Construction Account not otherwise reserved to complete the 2023 Project (including any amounts transferred from the Series 2023 Reserve Account) all of which have been transferred to the Series 2023 General Redemption Subaccount of the Series 2023 Bond Redemption Account.

Except as otherwise provided in the Indenture, if less than all of the Series 2023 Bonds subject to redemption shall be called for redemption, the particular such Bonds or portions of such Bonds to be redeemed shall be selected randomly by the Trustee as provided in the Indenture.

Notice of Redemption and of Purchase

When required to redeem or purchase Series 2023 Bonds under any provision of the Indenture or directed to do so by the District, the Trustee shall cause notice of the redemption to be mailed by the Registrar, postage prepaid, not less than thirty (30) nor more than sixty (60) days prior to the redemption or purchase date to all Owners of Bonds to be redeemed or purchased (as such Owners appear on the Bond Register on the fifth (5th) day prior to such mailing), at their registered addresses, but failure to mail any such notice or defect in the notice or in the mailing thereof shall not affect the validity of the redemption or purchase of the Series 2023 Bonds for which notice was duly mailed in accordance with the Indenture. The District is authorized to direct the Trustee to give a conditional notice of redemption.

Purchase of Series 2023 Bonds

At the written direction of the District, the Trustee shall apply moneys from time to time available in the Series 2023 Sinking Fund Account to the purchase of the Series 2023 Bonds in accordance with the Indenture, at prices not higher than the principal amount thereof, in lieu of redemption, provided that firm purchase commitments can be made before the notice of redemption would otherwise be required to be given.

Book-Entry Only System

The information in this caption concerning DTC and DTC's book-entry system has been obtained from DTC, and neither the District nor the Underwriter make any representation or warranty or take any responsibility for the accuracy or completeness of such information.

The Depository Trust Company ("DTC"), New York, NY, will act as securities depository for the Series 2023 Bonds. The Series 2023 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Series 2023 Bond certificate will be issued for each maturity of the Series 2023 Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Series 2023 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2023 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2023 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2023 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2023 Bonds, except in the event that use of the book-entry system for the Series 2023 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2023 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Series 2023 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2023 Bonds;

DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2023 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2023 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2023 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Series 2023 Bond documents. For example, Beneficial Owners of Series 2023 Bonds may wish to ascertain that the nominee holding the Series 2023 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2023 Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such Series 2023 Bonds to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2023 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2023 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions,* and interest payments on the Series 2023 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the District or the Paying Agent on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC nor its nominee, the Trustee, or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District and/or the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Series 2023 Bonds at any time by giving reasonable notice to the District or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Series 2023 Bond certificates are required to be printed and delivered.

The District may decide to discontinue use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, Series 2023 Bond certificates will be printed and delivered to DTC.

* Not applicable to the Series 2023 Bonds.

SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS

General

THE SERIES 2023 BONDS ARE LIMITED OBLIGATIONS OF THE DISTRICT PAYABLE SOLELY OUT OF THE SERIES 2023 PLEDGED REVENUES PLEDGED THEREFOR UNDER THE INDENTURE AND NEITHER THE PROPERTY, THE FULL FAITH AND CREDIT, NOR THE TAXING POWER OF THE DISTRICT, THE COUNTY, THE STATE, OR ANY OTHER POLITICAL SUBDIVISION THEREOF, IS PLEDGED AS SECURITY FOR THE PAYMENT OF THE SERIES 2023 BONDS, EXCEPT THAT THE DISTRICT IS OBLIGATED UNDER THE INDENTURE TO LEVY AND TO EVIDENCE AND CERTIFY, OR CAUSE TO BE CERTIFIED, FOR COLLECTION, SERIES 2023 SPECIAL ASSESSMENTS TO SECURE AND PAY THE SERIES 2023 BONDS. THE SERIES 2023 BONDS DO NOT CONSTITUTE AN INDEBTEDNESS OF THE DISTRICT, THE COUNTY, THE STATE, OR ANY OTHER POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION OR LIMITATION.

The Series 2023 Bonds will be secured by a pledge of the Series 2023 Pledged Revenues. "Series 2023 Pledged Revenues" shall mean, with respect to the Series 2023 Bonds, (a) all revenues received by the District from Series 2023 Special Assessments levied and collected on the assessable lands within the District, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Series 2023 Special Assessments or from the issuance and sale of tax certificates with respect to such Series 2023 Special Assessments, and (b) all moneys on deposit in the Funds, Accounts and subaccounts established under the Indenture created and established with respect to or for the benefit of the Series 2023 Bonds; provided, however, that Series 2023 Pledged Revenues shall not include (A) any moneys transferred to the Series 2023 Rebate Fund and investment earnings thereon, (B) moneys on deposit in the Series 2023 Costs of Issuance Account of the Acquisition and Construction Fund, and (C) "special assessments" levied and collected by the District under Section 190.022 of the Act for maintenance purposes or "maintenance assessments" levied and collected by the District under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses (A), (B) and (C) of this proviso).

The Series 2023 Special Assessments consist of the non-ad valorem special assessments imposed and levied by the District against certain assessable lands within the 2023 Project Area, as a result of the District's acquisition and/or construction of a portion of the 2023 Project, corresponding in amount to the debt service on the Series 2023 Bonds and designated as such in the Assessment Methodology (as defined herein) relating thereto. The Series 2023 Special Assessments are levied pursuant to Section 190.022 of the Act, resolutions of the District adopted prior to delivery of the Series 2023 Bonds, as amended and supplemented from time to time (collectively, the "Assessment Resolutions") and assessment proceedings conducted by the District (together with the Assessment Resolutions, the "Assessment Proceedings"). The Assessment Methodology, which describes the methodology for allocating the Series 2023 Special Assessments to certain assessable lands within the 2023 Project Area, is included as APPENDIX D hereto. See also "ASSESSMENT METHODOLOGY AND ALLOCATION OF ASSESSMENTS" herein.

Non-ad valorem assessments are not based on millage and are not taxes, but can become a lien against the homestead as permitted in Section 4, Article X of the Florida State Constitution. The Series 2023 Special Assessments will constitute a lien against the land as to which the Series 2023 Special Assessments are imposed. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein.

Covenant to Levy the Series 2023 Special Assessments

The District will covenant to levy the Series 2023 Special Assessments in such manner as will generate funds sufficient to pay debt service on the Series 2023 Bonds when due. If any Series 2023 Special Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the District shall be satisfied that any such Series 2023 Special Assessment is so irregular or defective that the same cannot be enforced or collected, or if the District shall have omitted to make such Series 2023 Special Assessment when it might have done so, the District has additionally covenanted in the Indenture to either (i) take all necessary steps to cause a new Series 2023 Special Assessment to be made for the whole or any part of such improvement or against any property benefited by such improvement, or (ii) in its sole discretion, make up the amount of such Series 2023 Special Assessment from legally available moneys, which moneys shall be deposited into the Series 2023 Revenue Account. In case such second Series 2023 Special Assessment shall be annulled, the District shall obtain and make other Series 2023 Special Assessments until a valid Series 2023 Special Assessment shall be made.

Prepayment of Series 2023 Special Assessments

[Pursuant to the Assessment Proceedings, an owner of land against which a Series 2023 Special Assessment has been levied may, at its option, (i) pre-pay the entire amount of the Series 2023 Special Assessment attributable to such owner's property subject to Assessment at any time; (ii) pre-pay a portion of the entire amount of the Series 2023 Special Assessment attributable to such owner's property subject to Assessment one time; or (iii) pre-pay a portion of the amount of the Series 2023 Special Assessment attributable to such owner's property subject to a Series 2023 Special Assessment without a limit in number following a default (and while such default exists) by such owner in the payment of the Series 2023 Special Assessment as to such owner's property, provided that any prepayment hereunder includes all accrued interest to the next succeeding interest payment date or to the second succeeding interest payment date if such a prepayment is made within forty-five (45) calendar days before an interest payment date.]

Pursuant to the Act, an owner of property subject to the levy of Series 2023 Special Assessments may pay the entire balance of the Series 2023 Special Assessments remaining due, without interest, within thirty (30) days after the improvements have been completed, and the Board has adopted a resolution accepting the improvements pursuant to Chapter 170.09, Florida Statutes. The Development Manager and the Primary Landowner, as the majority owners of the property within the 2023 Project Area, will waive this right with respect to their respective property in the District in connection with the issuance of the Series 2023 Bonds pursuant to a "Declaration of Consent to Jurisdiction of Palermo Community Development District and to Imposition of Special Assessments." Such declaration will be recorded in the public records of the County, and the covenants contained therein will be binding on the Development Manager and the Primary Landowner and their respective successors and assigns. Such waivers by the Development Manager and Primary Landowner shall not impact the above prepayment rights of the other current landowners in the District. See "BONDOWNERS' RISKS – Prepayment and Redemption Risk" herein.

Any prepayment of Series 2023 Special Assessments will result in the extraordinary mandatory redemption of Series 2023 Bonds, as indicated under "DESCRIPTION OF THE SERIES 2023 BONDS – Redemption Provisions – Extraordinary Mandatory Redemption." The prepayment of Series 2023 Special Assessments does not entitle the owner of the property to a discount for early payment.

Additional Obligations

In the Indenture, the District will covenant not to issue any other Bonds or other debt obligations secured by the Series 2023 Special Assessments. Such covenant shall not prohibit the District from issuing

refunding Bonds. In addition, the District will covenant not to issue any other Bonds or debt obligations for capital projects, secured by special assessments on the land within the District which secure the Series 2023 Special Assessments, until the Series 2023 Special Assessments are Substantially Absorbed. "Substantially Absorbed" means the date at least seventy-five percent (75%) of the principal portion of the Series 2023 Special Assessments have been assigned to residential units within District that have received certificates of occupancy. The District's covenants described above shall not preclude the imposition of Special Assessments or other non-ad valorem assessments on such lands in connection with other capital projects that are necessary for health, safety or welfare reasons or to remediate a natural disaster. The District shall provide the Trustee with a certification [from the District Manager] that the Series 2023 Special Assessments are Substantially Absorbed and the Trustee may conclusively rely upon such certification and shall have no duty to verify if the Series 2023 Special Assessments are Substantially Absorbed. Notwithstanding any provision in the Indenture to the contrary, the District may issue other Bonds or debt obligations secured by Special Assessments, other than the Series 2023 Special Assessments, at any time upon the written consent of the Majority Holders.

Except as set forth above, the District and/or other public entities may impose taxes or other special assessments on the same properties encumbered by the Series 2023 Special Assessments without the consent of the Owners of the Series 2023 Bonds. Additionally, the District expects to impose certain non-ad valorem special assessments called maintenance assessments, which are of equal dignity with the Series 2023 Special Assessments, on the same lands upon which the Series 2023 Special Assessments are imposed, to fund the maintenance and operation of the District. See "THE DEVELOPMENT – Taxes, Fees and Assessments" and "BONDOWNERS' RISKS" herein.

Covenant Against Sale or Encumbrance

In the Master Indenture, the District will covenant that (a) except for those improvements comprising any Project that are to be conveyed by the District to the County, the State Department of Transportation or another governmental entity and (b) except as otherwise permitted in the Indenture, it will not sell, lease or otherwise dispose of or encumber any Project or any part thereof, including the 2023 Project. See "APPENDIX A: PROPOSED FORMS OF INDENTURES" herein for more information.

Series 2023 Acquisition and Construction Account

The First Supplemental Indenture establishes a separate account within the Acquisition and Construction Fund designated as the "Series 2023 Acquisition and Construction Account." Net proceeds of the Series 2023 Bonds shall be deposited into the Series 2023 Acquisition and Construction Account in the amount set forth in the First Supplemental Indenture, together with any moneys transferred to the Series 2023 Acquisition and Construction Account, and such moneys in the Series 2023 Acquisition and Construction Account shall be applied by the District as set forth in the Indenture and the Acquisition Agreement.

Subject to the provisions of the First Supplemental Indenture, any moneys remaining in the Series 2023 Acquisition and Construction Account after the Completion Date, and after the expenditure of all moneys remaining therein that have not been requisitioned within thirty (30) days after satisfaction of the Release Conditions (as defined herein), except for any moneys reserved therein for the payment of any Costs of the 2023 Project owed but not yet requisitioned, as evidenced in a certificate from the District Engineer to the Trustee, upon which the Trustee may conclusively rely, and the adoption of a resolution by the District accepting the 2023 Project, as evidenced by a certificate from the District Manager delivered to the Trustee, upon which the Trustee may conclusively rely, shall be transferred by the Trustee to the Series 2023 General Redemption Subaccount of the Series 2023 Bond Redemption Account. Subject to the provisions of the First Supplemental Indenture, the Series 2023 Acquisition and Construction Account shall

be closed upon the expenditure or transfer of all funds therein including moneys deposited therein as a result of satisfaction of the Release Conditions. Upon presentment to the Trustee of a properly signed requisition in substantially the form attached as an exhibit to the First Supplemental Indenture, the Trustee shall withdraw moneys from the Series 2023 Acquisition and Construction Account and make payment to the Persons so designated in such requisition.

Series 2023 Reserve Account

The Indenture establishes a Series 2023 Reserve Account within the Debt Service Reserve Fund for the Series 2023 Bonds. The Series 2023 Reserve Account will, at the time of delivery of the Series 2023 Bonds, be funded from a portion of the proceeds of the Series 2023 Bonds in the amount of the initial Series 2023 Reserve Requirement. The "Series 2023 Reserve Requirement" or "Reserve Requirement" shall mean an amount initially equal to fifty percent (50%) of the maximum annual debt service with respect to the initial principal amount of the Series 2023 Bonds determined on the date of issue. Upon satisfaction of the Release Conditions (as defined below), the Series 2023 Reserve Requirement shall be reduced to an amount equal to ten percent (10%) of the maximum annual debt service with respect to the then Outstanding principal amount of Series 2023 Bonds. If a portion of the Series 2023 Bonds are redeemed pursuant to the First Supplemental Indenture, the Reserve Requirement shall be reduced to fifty percent (50%) (prior to satisfaction of the Release Conditions) or ten percent (10%) (after satisfaction of the Release Conditions) of the maximum annual debt service of the Series 2023 Bonds after taking into account such extraordinary mandatory redemption. Any amount in the Series 2023 Reserve Account may, upon final maturity or redemption of all Outstanding Series 2023 Bonds, be used to pay principal of and interest on the Series 2023 Bonds at that time. The initial Series 2023 Reserve Requirement shall be equal to \$_____.

"Release Conditions" shall mean all of the following: (i) all of the principal portion of the Series 2023 Special Assessments has been assigned to residential units that have been constructed and have been sold and closed with homebuyers; and (ii) no Event of Default under the Master Indenture has occurred, all as evidenced pursuant to the First Supplemental Indenture.

On each May 1 and November 1 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Series 2023 Reserve Account and transfer any excess therein above the Reserve Requirement for the Series 2023 Bonds to the Series 2023 Acquisition and Construction Account, and after the Completion Date, to the Series 2023 Revenue Account in accordance with the First Supplemental Indenture.

Notwithstanding any of the foregoing, amounts on deposit in the Series 2023 Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by a majority of the Holders of the Series 2023 Bonds, to the Series 2023 General Redemption Subaccount of the Series 2023 Bond Redemption Account, if as a result of the application of the provisions of the Master Indenture regarding Events of Default, the proceeds received from lands sold subject to the Series 2023 Special Assessments and applied to redeem a portion of the Series 2023 Bonds is less than the principal amount of Series 2023 Bonds indebtedness attributable to such lands.

Subject to the provisions of the First Supplemental Indenture, on any date the District or the District Manager, on behalf of the District, receives notice that a landowner wishes to prepay its Series 2023 Special Assessments relating to the benefited property of such landowner within the 2023 Project Area, or as a result of a mandatory true-up payment, the District shall, or cause the District Manager, on behalf of the District to, or, if such notice is received by the District Manager, the District Manager shall calculate the principal amount of such Prepayment taking into account a credit against the amount of the Series 2023 Prepayment Principal due by the amount of money in the Series 2023 Reserve Account that will be in

excess of the applicable Reserve Requirement, taking into account the proposed Prepayment. Such excess in the Series 2023 Reserve Account shall be transferred by the Trustee to the Series 2023 Prepayment Subaccount of the Series 2023 Bond Redemption Account, as a result of such Prepayment. The District Manager, on behalf of the District, shall make such calculation within ten (10) Business Days after notice of such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the landowner from the Series 2023 Reserve Account to the Series 2023 Prepayment Subaccount of the Series 2023 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Series 2023 Bonds in accordance with the First Supplemental Indenture. The Trustee is authorized to make such transfers and has no duty to verify such calculations. Notwithstanding the foregoing, upon satisfaction of the Release Conditions, the Trustee shall deposit such excess on deposit in the Series 2023 Reserve Account to the Series 2023 Acquisition and Construction Account and pay such amount deposited in the Series 2023 Acquisition and Construction Account to the Person or Persons designated in a requisition in the form attached to the First Supplemental Indenture as Exhibit “C” submitted by the Developer within thirty (30) days of such transfer which requisition shall be executed by the District and the Consulting Engineer. Such payment is authorized notwithstanding that the Completion Date might have been declared provided the Developer can establish, to the satisfaction of the Consulting Engineer, Costs of the 2023 Project that were not paid from moneys initially deposited in the Series 2023 Acquisition and Construction Account. In the event that there are no unreimbursed Costs of the 2023 Project to pay to the Developer, such excess moneys transferred from the Series 2023 Reserve Account to the Series 2023 Acquisition and Construction Account shall be deposited into the Series 2023 General Redemption Subaccount of the Series 2023 Bond Redemption Account.

Upon satisfaction of the Release Conditions as evidenced by a written certificate of the District Manager delivered to the District and the Trustee, stating that the Release Conditions have been satisfied and setting forth the amount of the new Series 2023 Reserve Requirement, the Trustee shall without further direction reduce the Series 2023 Reserve Requirement to ten percent (10%) of the maximum annual Debt Service Requirement of the then Outstanding principal amount of the Series 2023 Bonds as calculated by the District. The excess amount in the Series 2023 Reserve Account shall be transferred to the Series 2023 Acquisition and Construction Account or the Series 2023 General Redemption Subaccount of the Series 2023 Bond Redemption Account, as applicable. The Trustee may conclusively rely on such written certificate of the District Manager.

In addition, in the event of an extraordinary mandatory redemption pursuant to Section 3.01(b)(iii) of the First Supplemental Indenture, the District Manager, on behalf of the District, shall calculate the applicable Reserve Requirement and communicate the same to the Trustee and the Trustee shall apply any excess in the Series 2023 Reserve Account toward such extraordinary mandatory redemption. Further, moneys on deposit in the Series 2023 Reserve Account may be used to pay interest on the Series 2023 Bonds as set forth in the First Supplemental Indenture. Notwithstanding any provision in the Master Indenture to the contrary, a draw on the Series 2023 Reserve Account for such purpose shall not constitute an Event of Default whether or not such draw is replenished within thirty (30) days.

Deposit and Application of the Series 2023 Pledged Revenues

The Indenture establishes a Series 2023 Revenue Account within the Revenue Fund for the Series 2023 Bonds. Series 2023 Special Assessments (except for Prepayments of the Series 2023 Special Assessments, which shall be identified as such by the District to the Trustee and deposited in the Series 2023 Prepayment Subaccount) shall be deposited by the Trustee into the Series 2023 Revenue Account and applied as set forth in the Indenture. Pursuant to the Indenture, the Trustee shall transfer from amounts on deposit in the Series 2023 Revenue Account to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each June 15, commencing June 15, 2023, to the Series 2023 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2023 Bonds becoming due on the next succeeding June 15, less any amount on deposit in the Series 2023 Interest Account not previously credited;

SECOND, upon receipt but no later than the Business Day next preceding each December 15, commencing December 15, 2023, to the Series 2023 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2023 Bonds due on the next succeeding June 15, less any amounts on deposit in the Series 2023 Interest Account not previously credited;

THIRD, no later than the Business Day next preceding each December 15, commencing December 15, 2023, to the Series 2023 Sinking Fund Account of the Debt Service Fund, an amount equal to the principal amount of Series 2023 Bonds subject to sinking fund redemption on such December 15, less any amount on deposit in the Series 2023 Sinking Fund Account not previously credited;

FOURTH, no later than the Business Day next preceding each December 15, which is the principal payment date for any Series 2023 Bonds, to the Series 2023 Principal Account of the Debt Service Fund, an amount equal to the principal amount of Series 2023 Bonds Outstanding maturing on such December 15, less any amounts on deposit in the Series 2023 Principal Account not previously credited;

FIFTH, notwithstanding the foregoing, at any time the Series 2023 Bonds are subject to redemption on a date which is not a June 15 or December 15 Interest Payment Date, the Trustee shall be authorized to transfer from the Series 2023 Revenue Account to the Series 2023 Interest Account, the amount necessary to pay interest on the Series 2023 Bonds subject to redemption on such date;

SIXTH, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2023 Bonds remain Outstanding, to the Series 2023 Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Reserve Requirement for the Series 2023 Bonds; and

SEVENTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be deposited into the Series 2023 Costs of Issuance Account to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2023 Bonds and next, any balance in the Series 2023 Revenue Account shall remain on deposit in such Series 2023 Revenue Account, unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2023 Rebate Fund, in which case, the District shall direct the Trustee to make such deposit thereto.

Investments

The Trustee shall, as directed by the District in writing, invest moneys held in the Series 2023 Accounts in the Debt Service Fund and the Series 2023 Bond Redemption Account only in Government Obligations and certain types of securities listed within the definition of Investment Securities and invest moneys held in the Series 2023 Debt Service Reserve Fund in Investment Securities. All deposits in time accounts shall be subject to withdrawal without penalty and all investments shall mature or be subject to redemption by the holder without penalty, not later than the date when the amounts will foreseeably be needed for the purposes set forth in the Indenture. All securities securing investments under the Indenture shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee, as

authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000. The interest and income received upon such investments and any interest paid by the Trustee or any other depository of any Fund or Account and any profit or loss resulting from the sale of securities shall be added or charged to the Fund or Account for which such investments are made; provided, however, that if the amount in any Fund or Account equals or exceeds the amount required to be on deposit therein, subject to the provisions of the Indenture, any interest and other income so received shall be deposited in the Series 2023 Revenue Account. Upon request of the District, or on its own initiative whenever payment is to be made out of any Fund or Account, the Trustee shall sell such securities as may be requested to make the payment and restore the proceeds to the Fund or Account in which the securities were held. The Trustee shall not be accountable for any depreciation in the value of any such security or for any loss resulting from the sale thereof. If net proceeds from the sale of securities held in any Fund or Account shall be less than the amount invested and, as a result, the amount on deposit in such Fund or Account is less than the amount required to be on deposit in such Fund or Account, in the amount of such deficit shall be transferred to such Fund or Account from the related Series Account of the Revenue Fund. See "APPENDIX A: PROPOSED FORMS OF INDENTURES" hereto.

The Trustee shall value the assets in each of the Funds and Accounts established under the Indenture forty-five (45) days prior to each Interest Payment Date, and as soon as practicable after each such valuation date (but no later than ten (10) days after such valuation date) shall provide the District a report of the status of each Fund and Account as of the valuation date.

Indenture Provisions Relating to Bankruptcy or Insolvency of a Landowner

The Indenture contains the following provisions which, pursuant to the Indenture, shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against the Developer or other "obligated person" (as defined in the Continuing Disclosure Agreement) (as defined in the Indenture, the "Landowner") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding"). For as long as any Series 2023 Bonds remain Outstanding, in any Proceeding involving the District, any Landowner, or the Series 2023 Special Assessments, the District shall be obligated to act in accordance with direction from the Trustee and the Trustee, subject to the satisfaction of its rights under the Master Indenture, shall be obligated to act in accordance with the direction from the Beneficial Owners of at least 25% of the aggregate principal amount of all Outstanding Bonds with regard to all matters directly or indirectly affecting the Series 2023 Bonds.

In the Master Indenture, the District will acknowledge and agree that, although the Bonds will be issued by the District, the Beneficial Owners of the Bonds are categorically the party with a financial stake in the repayment of the Bonds and, consequently, the party with a vested interest in a Proceeding. In the event of any Proceeding involving any Landowner (a) the District agrees that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Special Assessments, the Bonds or any rights of the Trustee with respect to this section or Bondholders under the Indenture that is inconsistent with any direction from the Trustee, (b) the Trustee shall have the right, but is not obligated to, vote in any such Proceeding any and all claims of the District relating to the Special Assessments or the Bonds, and, if the Trustee chooses to exercise such right, the District shall be deemed to have appointed the Trustee as its agent and granted to the Trustee an irrevocable power of attorney coupled with an interest, and its proxy, for the purpose of exercising any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Landowner, including without limitation, the right to file and/or prosecute any claims, to vote to accept or reject a plan, and to make any election under Section 1111(b) of the Bankruptcy Code and (c) the District shall not challenge the validity or amount of any claim submitted in such Proceeding by the Trustee in good

faith or any valuations of any lands submitted by the Trustee in good faith in such Proceeding or take any other action in such Proceeding, which is adverse to Trustee's enforcement of the District's claim with respect to the Special Assessments or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District has agreed that the Trustee shall have the right (i) to file a proof of claim with respect to the Special Assessments, (ii) to deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) to defend any objection filed to said proof of claim. See "BONDOWNERS' RISKS – Bankruptcy Risks" herein for more information.

Events of Default and Remedies

The Indenture provides that each of the following shall be an "Event of Default" under the Indenture, with respect to the Series 2023 Bonds:

(a) if payment of any installment of interest on any Series 2023 Bond is not made when it becomes due and payable; or

(b) if payment of the principal or Redemption Price of any Series 2023 Bond is not made when it becomes due and payable at maturity or upon call or presentation for redemption; or

(c) if the District, for any reason, fails in, or is rendered incapable of, fulfilling its obligations under the Indenture or under the Act which failure or incapacity may be reasonably determined solely by the Majority Holders of the Series 2023 Bonds; or

(d) if the District proposes or makes an assignment for the benefit of creditors or enters into a composition agreement with all or a material part of its creditors, or a trustee, receiver, executor, conservator, liquidator, sequestrator or other judicial representative, similar or dissimilar, is appointed for the District or any of its assets or revenues, or there is commenced any proceeding in liquidation, bankruptcy, reorganization, arrangement of debts, debtor rehabilitation, creditor adjustment or insolvency, local, state or federal, by or against the District and if such is not vacated, dismissed or stayed on appeal within ninety (90) days; or

(e) if the District defaults in the due and punctual performance of any other covenant in the Indenture or in any Series 2023 Bond and such default continues for sixty (60) days after written notice requiring the same to be remedied shall have been given to the District by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Majority Holders of the Outstanding Series 2023 Bonds; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such sixty (60) day period, no Event of Default shall be deemed to have occurred or exist if, and so long as the District shall commence such performance within such sixty (60) day period and shall diligently and continuously prosecute the same to completion; or

(f) if any time the amount in the Series 2023 Reserve Account is less than the Series 2023 Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement on the Series 2023 Bonds and such amount has not been restored within thirty (30) days of such withdrawal; or

(g) more than twenty percent (20%) of the "maintenance special assessments" levied by the District on District lands upon which the Series 2023 Special Assessments are levied to secure the Series 2023 Bonds pursuant to Section 190.021(3), Florida Statutes, as amended, and collected directly by the District have become due and payable and have not been paid, within 90 days of when due.

The Trustee shall not be required to rely on any official action, admission or declaration by the District before recognizing that an Event of Default under (e) above has occurred.

No Series 2023 Bonds shall be subject to acceleration. Upon the occurrence and continuance of an Event of Default, no optional redemption or extraordinary mandatory redemption of the Series 2023 Bonds pursuant to the Indenture shall occur unless all of the Series 2023 Bonds where an Event of Default has occurred will be redeemed or if 100% of the Holders of the Outstanding Series 2023 Bonds agree to such redemption.

If any Event of Default with respect to the Series 2023 Bonds has occurred and is continuing, the Trustee, in its discretion may, and upon the written request of the Majority Holders of the Outstanding Series 2023 Bonds and receipt of indemnity to its satisfaction shall, in its capacity as Trustee:

(a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Holders of the Series 2023 Bonds, including, without limitation, the right to require the District to carry out any agreements with, or for the benefit of, the Series 2023 Bondholders and to perform its or their duties under the Act;

(b) bring suit upon the Series 2023 Bonds;

(c) by action or suit in equity require the District to account as if it were the trustee of an express trust for the Holders of the Series 2023 Bonds;

(d) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Series 2023 Bonds; and

(e) by other proceeding in law or equity, exercise all rights and remedies provided for by any other document or instrument securing the Series 2023 Bonds.

If any proceeding taken by the Trustee on account of any Event of Default is discontinued or is determined adversely to the Trustee, then the District, the Trustee, the Paying Agent and the Bondholders shall be restored to their former positions and rights under the Indenture as though no such proceeding had been taken.

The Majority Holders of the Outstanding Series 2023 Bonds then subject to remedial proceedings under the Indenture shall have the right to direct the method and place of conducting all remedial proceedings by the Trustee under the Indenture, provided that such directions shall not be otherwise than in accordance with applicable law or the applicable provisions of the Indenture.

ENFORCEMENT OF ASSESSMENT COLLECTIONS

General

The primary source of payment for the Series 2023 Bonds is the Series 2023 Special Assessments imposed on certain lands in the District specially benefited by the 2023 Project pursuant to the Assessment Proceedings. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein and "APPENDIX D: ASSESSMENT METHODOLOGY."

The determination, order, levy, and collection of Series 2023 Special Assessments must be done in compliance with procedural requirements and guidelines provided by State law. Failure by the District, the Lee County Tax Collector (the "Tax Collector") or the Lee County Property Appraiser (the "Property

Appraiser") to comply with such requirements could result in delay in the collection of, or the complete inability to collect, Series 2023 Special Assessments during any year. Such delays in the collection of Series 2023 Special Assessments, or complete inability to collect the Series 2023 Special Assessments, would have a material adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on such Series 2023 Bonds. To the extent that landowners fail to pay the Series 2023 Special Assessments, delay payments, or are unable to pay the same, the successful pursuance of collection procedures available to the District is essential to continued payment of principal of and interest on the Series 2023 Bonds. See "BONDOWNERS' RISKS" herein. The Act provides for various methods of collection of delinquent Series 2023 Special Assessments by reference to other provisions of the Florida Statutes. The following is a description of certain statutory provisions of assessment payment and collection procedures appearing in the Florida Statutes but is qualified in its entirety by reference to such statutes.

Uniform Method Procedure

Pursuant to the Indenture, the District shall collect the Series 2023 Special Assessments through the Uniform Method of Collection afforded by Chapter 197, Florida Statutes (the "Uniform Method"), except that, pursuant to the Indenture and the terms of the Assessment Resolutions, the District shall collect the Series 2023 Special Assessments directly in lieu of using the Uniform Method with respect to any assessable lands which have not yet been platted or such lands are still owned by the Developer or the timing for using the Uniform Method will not yet allow for using such method or as otherwise directed by the Majority Holders upon the occurrence of the Event of Default. At such time as the Series 2023 Special Assessments are collected pursuant to the Uniform Method, the provisions described under this heading shall be come applicable. The Uniform Method of collection is available only in the event the District complies with statutory and regulatory requirements and enters into agreements with the Tax Collector and Property Appraiser providing for the Series 2023 Special Assessments to be levied and then collected in this manner. See "-Foreclosure" below with respect to collection of delinquent assessments not collected pursuant to the Uniform Method.

If the Uniform Method of collection is utilized, the Series 2023 Special Assessments will be collected together with County, special district, and other ad valorem taxes and non-ad valorem assessments, all of which will appear on the tax bill (also referred to as a "tax notice") issued to each landowner within the 2023 Project Area. The statutes relating to enforcement of ad valorem taxes and non-ad valorem assessments provide that such taxes and assessments become due and payable on November 1 of the year when assessed, or as soon thereafter as the certified tax roll is received by the Tax Collector, and constitute a lien upon the land from January 1 of such year until paid or barred by operation of law. Such taxes and assessments (including the Series 2023 Special Assessments, if any, being collected by the Uniform Method) are to be billed, and landowners within the 2023 Project Area are required to pay all such taxes and assessments, without preference in payment of any particular increment of the tax bill, such as the increment owing for the Series 2023 Special Assessments. Upon any receipt of moneys by the Tax Collector from the Series 2023 Special Assessments, such moneys will be delivered to the District, which will remit such Series 2023 Special Assessments to the Trustee for deposit to the Series 2023 Revenue Account within the Revenue Fund, except that any Prepayments of Series 2023 Special Assessments shall be deposited to the Series 2023 Prepayment Subaccount within the Series 2023 Bond Redemption Account of the Bond Redemption Fund created under the Indenture and applied in accordance therewith.

All County, school and special district, including the District, ad valorem taxes, non-ad valorem special assessments, including the Series 2023 Special Assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on bonds, are payable at one time, except for partial payment schedules as may be provided by Sections 197.374 and 197.222, Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. If a taxpayer does not make complete payment

of the total amount, he or she cannot designate specific line items on his or her tax bill as deemed paid in full. In such cases, the tax Collector does not accept such partial payment and the partial payment is returned to the taxpayer. Therefore, in the event the Series 2023 Special Assessments are to be collected pursuant to the Uniform Method, any failure to pay any one line item, would cause the Series 2023 Special Assessments to not be collected to that extent, which could have a significant adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the Series 2023 Bonds. See "BONDOWNERS' RISKS – Other Taxes and Assessments."

Under the Uniform Method, if the Series 2023 Special Assessments are paid during November when due or during the following three months, the taxpayer is granted a variable discount equal to 4% in November and decreasing one percentage point per month to 1% in February. All unpaid taxes and assessments become delinquent on April 1 of the year following assessment. The Tax Collector is required to collect the ad valorem taxes and non-ad valorem special assessments on the tax bill prior to April 1 and, after that date, to institute statutory procedures upon delinquency to collect such taxes and assessments through the sale of "tax certificates," as discussed below. Delay in the mailing of tax notices to taxpayers may result in a delay throughout this process.

Neither the District nor the Underwriter can give any assurance to the holders of the Series 2023 Bonds (1) that the past experience of the Tax Collector with regard to tax and special assessment delinquencies is applicable in any way to the Series 2023 Special Assessments, (2) that future landowners and taxpayers within the 2023 Project Area will pay such Series 2023 Special Assessments, (3) that a market may exist in the future for tax certificates in the event of sale of such certificates for taxable parcels within the 2023 Project Area, and (4) that the eventual sale of tax certificates for real property within the 2023 Project Area, if any, will be for an amount sufficient to pay amounts due under the Assessment Proceedings to discharge the lien of the Series 2023 Special Assessments and all other liens that are coequal therewith.

Collection of delinquent Series 2023 Special Assessments under the Uniform Method is, in essence, based upon the sale by the Tax Collector of "tax certificates" and remittance of the proceeds of such sale to the District for payment of the Series 2023 Special Assessments due. In the event of a delinquency in the payment of taxes and assessments on real property, the landowner may, prior to the sale of tax certificates, pay the total amount of delinquent ad valorem taxes and non-ad valorem assessments plus the cost of advertising and the applicable interest charge on the amount of such delinquent taxes and assessments. If the landowner does not act, the Tax Collector is required to attempt to sell tax certificates on such property to the person who pays the delinquent taxes and assessments owing, penalties and interest thereon and certain costs, and who accepts the lowest interest rate per annum to be borne by the certificates (but not more than 18%). Tax certificates are sold by public bid. If there are no bidders, the tax certificate is issued to the County. The County is to hold, but not pay for, the tax certificate with respect to the property, bearing interest at the maximum legal rate of interest (currently 18%). The Tax Collector does not collect any money if tax certificates are "struck off" (issued) to the County. The County may sell such certificates to the public at any time at the principal amount thereof plus interest at the rate of not more than 18% per annum and a fee. Proceeds from the sale of tax certificates are required to be used to pay taxes and assessments (including the Series 2023 Special Assessments), interest, costs and charges on the real property described in the certificate. The demand for such certificates is dependent upon various factors, which include the rate of interest that can be earned by ownership of such certificates and the underlying value of the land that is the subject of such certificates. Therefore, the underlying market value of the property within the 2023 Project Area may affect the demand for certificates and the successful collection of the Series 2023 Special Assessments, which are the primary source of payment of the Series 2023 Bonds. Legal proceedings under Federal bankruptcy law brought by or against a landowner who has not yet paid his or her property taxes or assessments would likely result in a delay in the sale of tax certificates.

Unless full payment for a tax deed is made to the clerk of court, including documentary stamps and recording fees, any tax certificate in the hands of a person other than the County may be redeemed and canceled, in whole or in part (under certain circumstances), at any time before a tax deed is issued, and at a price equal to the face amount of the certificate or portion thereof together with all interest, costs, and charges due. Regardless of the interest rate actually borne by the certificates, persons redeeming tax certificates must pay a minimum interest rate of 5%, unless the rate borne by the certificates is zero percent. The proceeds of such a redemption are paid to the Tax Collector who transmits to the holder of the tax certificate such proceeds less service charges, and the certificate is canceled. Redemption of tax certificates held by the County is effected by purchase of such certificates from the County, as described in the preceding paragraph.

Any holder, other than the County, of a tax certificate that has not been redeemed has seven years from the date of issuance of the tax certificate during which to act against the land that is the subject of the tax certificate. After an initial period ending two years from April 1 of the year of issuance of a certificate, during which period actions against the land are held in abeyance to allow for sales and redemptions of tax certificates, and before the expiration of seven years from the date of issuance, the holder of a certificate may apply for a tax deed to the subject land. The applicant is required to pay to the Tax Collector at the time of application all amounts required to redeem or purchase all outstanding tax certificates covering the land, plus interest, any omitted taxes or delinquent taxes and interest, and current taxes, if due. If the County holds a tax certificate on property valued at \$5,000 or more and has not succeeded in selling it, the County must apply for a tax deed two years after April 1 of the year of issuance of the certificate. The County pays costs and fees to the Tax Collector but not any amount to redeem any other outstanding certificates covering the land. Thereafter, the property is advertised for public sale.

In any such public sale conducted by the Clerk of the Circuit Court, the private holder of the tax certificate who is seeking a tax deed for non-homestead property is deemed to submit a minimum bid equal to the amount required to redeem the tax certificate, charges for the cost of sale, including costs incurred for the service of notice required by statute, redemption of other tax certificates on the land, and the amount paid by such holder in applying for the tax deed, plus interest thereon. In the case of homestead property, the minimum bid is also deemed to include, in addition to the amount of money required for the minimum bid on non-homestead property, an amount equal to one-half of the latest assessed value of the homestead. If there are no higher bids, the holder receives title to the land, and the amounts paid for the certificate and in applying for a tax deed are credited toward the purchase price. If there are other bids, the holder may enter the bidding. The highest bidder is awarded title to the land. The portion of proceeds of such sale needed to redeem the tax certificate, and all other amounts paid by such person in applying for a tax deed, are forwarded to the holder thereof or credited to such holder if such holder is the successful bidder. Excess proceeds are distributed first to satisfy governmental liens against the land and then to the former title holder of the property (less service charges), lienholder of record, mortgagees of record, vendees of recorded contracts for deeds, and other lienholders and any other person to whom the land was last assessed on the tax roll for the year in which the land was assessed, all as their interest may appear.

Except for certain governmental liens and certain restrictive covenants and restrictions, no right, interest, restriction or other covenant survives the issuance of a tax deed. Thus, for example, outstanding mortgages on property subject to a tax deed would be extinguished.

If there are no bidders at the public sale, the County may, at any time within ninety (90) days from the date of offering for public sale, purchase the land without further notice or advertising for a statutorily prescribed opening bid. After ninety (90) days have passed, any person or governmental unit may purchase the land by paying the amount of the opening bid. Ad valorem taxes and non-ad valorem assessments accruing after the date of public sale do not require repetition of the bidding process but are added to the minimum bid. Three years from the date of delinquency, unsold lands escheat to the County in which they

are located and all tax certificates and liens against the property are canceled and a deed is executed vesting title in the governing board of such County.

Foreclosure

The following discussion regarding foreclosure is not applicable if the Series 2023 Special Assessments are being collected pursuant to the Uniform Method. In the event that the District itself directly levies and enforces, pursuant to Chapters 170 and 190, Florida Statutes, the collection of the Series 2023 Special Assessments levied on the land within the 2023 Project Area, Chapter 170.10, Florida Statutes provides that upon the failure of any property owner to pay all or any part of the principal of a special assessment, including a Series 2023 Special Assessment, or the interest thereon, when due, the governing body of the entity levying the assessment is authorized to commence legal proceedings for the enforcement of the payment thereof, including commencement of an action in chancery, commencement of a foreclosure proceeding in the same manner as the foreclosure of a real estate mortgage, or commencement of an action under Chapter 173, Florida Statutes relating to foreclosure of municipal tax and special assessment liens. Such a proceeding is in rem, meaning that it is brought against the land not against the owner. In light of the one year tolling period required before the District may commence a foreclosure action under Chapter 173, Florida Statutes, it is likely the District would commence an action to foreclose in the same manner as the foreclosure of a real estate mortgage rather than proceeding under Chapter 173, Florida Statutes.

Enforcement of the obligation to pay Series 2023 Special Assessments and the ability to foreclose the lien of such Series 2023 Special Assessments upon the failure to pay such Series 2023 Special Assessments may not be readily available or may be limited as such enforcement is dependent upon judicial action which is often subject to discretion and delay.

BONDOWNERS' RISKS

There are certain risks inherent in an investment in bonds issued by a public authority or governmental body in the State and secured by special assessments. Certain of these risks are described under other headings of this Limited Offering Memorandum. Certain additional risks are associated with the Series 2023 Bonds offered hereby and are set forth below. Prospective investors in the Series 2023 Bonds should have such knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of an investment in the Series 2023 Bonds and have the ability to bear the economic risks of such prospective investment, including a complete loss of such investment. This heading does not purport to summarize all risks that may be associated with purchasing or owning the Series 2023 Bonds, and prospective purchasers are advised to read this Limited Offering Memorandum in its entirety for a more complete description of investment considerations relating to the Series 2023 Bonds.

Concentration of Land Ownership

As of the date hereof, the [Development Manager and the Primary Landowner own the majority of the assessable lands within District], which are the lands that will initially be subject to the Series 2023 Special Assessments securing the Series 2023 Bonds. Payment of the Series 2023 Special Assessments is primarily dependent upon their timely payment by landowners in the District. Non-payment of the Series 2023 Special Assessments by any of the landowners could have a substantial adverse impact upon the District's ability to pay debt service on the Series 2023 Bonds. See "THE DEVELOPMENT MANAGER AND THE PRIMARY LANDOWNER" and "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS" herein.

Bankruptcy and Related Risks

In the event of the institution of bankruptcy or similar proceedings with respect to the Development Manager, the Primary Landowner or any other owner of benefited property, delays could occur in the payment of debt service on the Series 2023 Bonds, as such bankruptcy could negatively impact the ability of: (i) the Development Manager, the Primary Landowner and any other landowner to pay the Series 2023 Special Assessments; (ii) the Tax Collector to sell tax certificates in relation to such property with respect to the Series 2023 Special Assessments being collected pursuant to the Uniform Method; and (iii) the District to foreclose the lien of the Series 2023 Special Assessments not being collected pursuant to the Uniform Method. In addition, the remedies available to the Owners of the Series 2023 Bonds under the [applicable] Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, the remedies specified by federal, state and local law and in the Indenture and the Series 2023 Bonds, including, without limitation, enforcement of the obligation to pay Series 2023 Special Assessments and the ability of the District to foreclose the lien of the Series 2023 Special Assessments if not being collected pursuant to the Uniform Method, may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2023 Bonds (including Bond Counsel's approving opinion) will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery. The inability, either partially or fully, to enforce remedies available with respect to the Series 2023 Bonds could have a material adverse impact on the interest of the Owners thereof.

A 2011 bankruptcy court decision in Florida held that the governing body of a community development district, and not the bondholders or indenture trustee, was the creditor of the landowners/debtors in bankruptcy with respect to claims for special assessments, and thus only the district could vote to approve or disapprove a reorganization plan submitted by the debtors in the case. The district voted in favor of the plan. The governing body of the district was at that time elected by the landowners rather than qualified electors. Under the reorganization plan that was approved, a two-year moratorium was placed on the debtor landowners' payment of special assessments. As a result of this non-payment of assessments, debt service payments on the district's bonds were delayed for two years or longer. The [Master Indenture] provides for the delegation of certain rights from the District to the Trustee in the event of a bankruptcy or similar proceeding with respect to an [insolvent "Landowner"] (as previously defined). See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS – Indenture Provisions Relating to Bankruptcy or Insolvency of a Landowner" herein. The District cannot express any view whether such delegation would be enforceable.

Series 2023 Special Assessments Are Non-Recourse

The principal security for the payment of the principal and interest on the Series 2023 Bonds is the timely collection of the Series 2023 Special Assessments. The Series 2023 Special Assessments do not constitute a personal indebtedness of the landowners of the land subject thereto, but are secured by a lien on such land. There is no assurance that the Development Manager, the Primary Landowner or other landowners will be able to pay the Series 2023 Special Assessments or that they will pay such Series 2023 Special Assessments even though financially able to do so. Neither the Development Manager, the Primary Landowner nor any other landowners have any personal obligation to pay the Series 2023 Special Assessments. Neither the Development Manager, the Primary Landowner nor any other landowners are guarantors of payment of any Series 2023 Special Assessments, and the recourse for the failure of the Development, the Primary Landowner or any other landowner to pay the Series 2023 Special Assessments is limited to the collection proceedings against the land subject to such unpaid Series 2023 Special Assessments, as described herein. Therefore the likelihood of collection of the Series 2023 Special Assessments may ultimately depend on the market value of the land subject to the Series 2023 Special

Assessments. While the ability of the Development Manager, the Primary Landowner or other landowners to pay the Series 2023 Special Assessments is a relevant factor, the willingness of such landowners to pay the Series 2023 Special Assessments, which may also be affected by the value of the land subject to the Series 2023 Special Assessments, is also an important factor in the collection of Series 2023 Special Assessments. The failure of any landowners to pay the Series 2023 Special Assessments could render the District unable to collect delinquent Series 2023 Special Assessments, if any, and provided such delinquencies are significant, could negatively impact the ability of the District to make the full or punctual payment of debt service on the Series 2023 Bonds.

Regulatory and Environmental Risks

The development of the District Lands is subject to comprehensive federal, state and local regulations and future changes to such regulations. Approval is required from various public agencies in connection with, among other things, the design, nature and extent of planned improvements, both public and private, and construction of the infrastructure in accordance with applicable zoning, land use and environmental regulations. Although all such approvals required to date have been received and any further approvals are anticipated to be received as needed, failure to obtain any such approvals in a timely manner could delay or adversely affect the completion of the development of the District Lands. See "THE DEVELOPMENT – Development Approvals," herein for more information.

The value of the land within the District, the success of the Development, the development of the 2023 Project Area and the District and the likelihood of timely payment of principal and interest on the Series 2023 Bonds could be affected by environmental factors with respect to the land in the District. Should the land be contaminated by hazardous materials, this could materially and adversely affect the value of the land in the District, which could materially and adversely affect the success of the development of the lands within the District and the likelihood of the timely payment of the Series 2023 Bonds. The District has not performed, nor has the District requested that there be performed on its behalf, any independent assessment of the environmental conditions within the District. See "THE DEVELOPMENT – Environmental" for information on environmental site assessments obtained or received. Nevertheless, it is possible that hazardous environmental conditions could exist within the District or in the vicinity of the District and that such conditions could have a material and adverse impact upon the value of the benefited lands within the District. No assurance can be given that unknown hazardous materials, protected animals or vegetative species, etc., do not currently exist or may not develop in the future, whether originating within the District or from surrounding property, and what effect such may have on the development or sale of the lands in District.

The value of the lands subject to the Series 2023 Special Assessments could also be adversely impacted by flooding or wind damage caused by hurricanes, tropical storms, or other catastrophic events. In addition to potential damage or destruction to any existing development or construction in or near the District, such catastrophic events could potentially render the District Lands unable to support future development. The occurrence of any such events could materially adversely impact the District's ability to pay principal and interest on the Series 2023 Bonds. The Series 2023 Bonds are not insured, and the District's casualty insurance policies do not insure against losses incurred on private lands within its boundaries.

Economic Conditions and Changes in Development Plans

The successful development of Distract, including the 2023 Project Area, and the sale of residential units therein, once such homes are built, may be affected by unforeseen changes in general economic conditions, fluctuations in the real estate market and other factors beyond the control of the Development Manager and the Primary Landowner. Moreover, the Development Manager has the right to modify or

change plans for development of the Development from time to time, including, without limitation, land use changes, changes in the overall land and phasing plans, and changes to the type, mix, size and number of units to be developed, and may seek in the future, in accordance with and subject to the provisions of the Act, to contract or expand the boundaries of the District.

Other Taxes and Assessments

The willingness and/or ability of an owner of benefited land to pay the Series 2023 Special Assessments could be affected by the existence of other taxes and assessments imposed upon such property by the District, the County or any other local special purpose or general purpose governmental entities. County, school, special district taxes and special assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on debt, including the Series 2023 Special Assessments, collected pursuant to the Uniform Method are payable at one time. Public entities whose boundaries overlap those of the District could, without the consent of the owners of the land within the District, impose additional taxes on the property within the District. The District anticipates imposing operation and maintenance assessments encumbering the same property encumbered by the Series 2023 Special Assessments. In addition, lands within the District may also be subject to assessments by property owners' and homeowners' associations. See "THE DEVELOPMENT – Taxes, Fees and Assessments" herein for additional information.

Under Florida law, a landowner may contest the assessed valuation determined for its property that forms the basis of ad-valorem taxes such landowner must pay. During this contest period, the sale of a tax certificate under the Uniform Method will be suspended. If the Series 2023 Special Assessments are being collected along with ad valorem taxes pursuant to the Uniform Method, tax certificates will not be sold with respect to such Series 2023 Special Assessment, even though the landowner is not contesting the amount of the Series 2023 Special Assessment. However, Section 194.014, Florida Statutes, requires taxpayers challenging the assessed value of their property to pay all non-ad valorem assessments and at least 75% of their ad valorem taxes before they become delinquent. Likewise, taxpayers who challenge the denial of an exemption or classification or a determination that their improvements were substantially complete must pay all non-ad valorem assessments and the amount of ad valorem taxes that they admit in good faith to be owing. If a taxpayer fails to pay property taxes as set forth above, the Value Adjustment Board considering the taxpayer's challenge is required to deny such petition by written decision by April 20 of such year.

Limited Secondary Market for Series 2023 Bonds

The Series 2023 Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Series 2023 Bonds in the event an Owner thereof determines to solicit purchasers for the Series 2023 Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Series 2023 Bonds may be sold. Such price may be lower than that paid by the current Owners of the Series 2023 Bonds, depending on the progress of development of the Development and the lands within District, including the 2023 Project Area, as applicable, existing real estate and financial market conditions and other factors.

Inadequacy of Reserve Account

Some of the risk factors discussed herein, which, if materialized, would result in a delay in the collection of the Series 2023 Special Assessments, may not adversely affect the timely payment of debt service on the Series 2023 Bonds because of the Series 2023 Reserve Account. The ability of the Series 2023 Reserve Account to fund deficiencies caused by delinquencies in the Series 2023 Special Assessments is dependent on the amount, duration and frequency of such deficiencies. Moneys on deposit in the Series 2023 Reserve Account may be invested in certain obligations permitted under the Indenture. Fluctuations in interest rates and other market factors could affect the amount of moneys in such Reserve Account to

make up deficiencies. If the District has difficulty in collecting the Series 2023 Special Assessments, the Series 2023 Reserve Account would be rapidly depleted and the ability of the District to pay debt service on the Series 2023 Bonds could be materially adversely affected. In addition, during an Event of Default under the Indenture, the Trustee may withdraw moneys from the Series 2023 Reserve Account and such other Funds, Accounts and subaccounts created under the [applicable] Indenture to pay its extraordinary fees and expenses incurred in connection with such Event of Default. If in fact the Series 2023 Reserve Account is accessed for any purpose, the District does not have a designated revenue source for replenishing such account. Moreover, the District may not be permitted to re-assess real property then burdened by the Series 2023 Special Assessments in order to provide for the replenishment of the Series 2023 Reserve Account. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS – Series 2023 Reserve Account" herein for more information about the Series 2023 Reserve Account.

Legal Delays

If the District should commence a foreclosure action against a landowner for nonpayment of Series 2023 Special Assessments that are not being collected pursuant to the Uniform Method, such landowner and/or its mortgagee(s) may raise affirmative defenses to such foreclosure action. Although the District expects that such affirmative defenses would likely be proven to be without merit, they could result in delays in completing the foreclosure action. In addition, the District is required under the Indenture to fund the costs of such foreclosure. It is possible that the District will not have sufficient funds and will be compelled to request the Holders of the Series 2023 Bonds to allow funds on deposit under the [related] Indenture to be used to pay the costs of the foreclosure action. Under the Code (as defined), there are limitations on the amounts of proceeds from the Series 2023 Bonds that can be used for such purpose.

IRS Examination and Audit Risk

The Internal Revenue Service (the "IRS") routinely examines bonds issued by state and local governments, including bonds issued by community development districts. In 2016, the IRS concluded its lengthy examination of certain issues of bonds (for purposes of this subsection, the "Audited Bonds") issued by Village Center Community Development District (the "Village Center CDD"). During the course of the audit of the Audited Bonds, Village Center CDD received a ruling dated May 30, 2013, in the form of a non-precedential technical advice memorandum ("TAM") concluding that Village Center CDD is not a political subdivision for purposes of Section 103(a) of the Code because Village Center CDD was organized and operated to perpetuate private control and avoid indefinitely responsibility to an electorate, either directly or through another elected state or local government body. Such a conclusion could lead to the further conclusion that the interest on the Audited Bonds was not excludable from gross income of the owners of such bonds for federal income tax purposes. Village Center CDD received a second TAM dated June 17, 2015, which granted relief to Village Center CDD from retroactive application of the IRS's conclusion regarding its failure to qualify as a political subdivision. Prior to the conclusion of the audits, the Audited Bonds were all refunded with taxable bonds. The audit of the Audited Bonds that were issued for utility improvements were closed without change to the tax exempt status of those Audited Bonds on April 25, 2016, and the audit of the remainder of the Audited Bonds (which funded recreational amenity acquisitions from entities related to the principal landowner in the Village Center CDD) was closed on July 14, 2016, without the IRS making a final determination that the interest on the Audited Bonds in question was required to be included in gross income. However, the IRS letter to the Village Center CDD with respect to this second set of Audited Bonds noted that the IRS found that the Village Center CDD was not a "proper issuer of tax-exempt bonds" and that those Audited Bonds were private-activity bonds that did not fall in any of the categories that qualify for tax-exemption. Although the TAMs and the letters to the Village Center CDD from the IRS referred to above are addressed to, and binding only on, the IRS and Village Center CDD in connection with the Audited Bonds, they reflect the audit position of the IRS, and there can be no assurance that the IRS would not commence additional audits of bonds issued by other

community development districts raising issues similar to the issues raised in the case of the Audited Bonds based on the analysis set forth in the first TAM or on the related concerns addressed in the July 14, 2016 letter to the Village Center CDD.

On February 23, 2016, the IRS published proposed regulations designed to provide prospective guidance with respect to potential private business control of issuers by providing a new definition of political subdivision for purposes of determining whether an entity is an appropriate issuer of bonds the interest on which is excluded from gross income for federal tax purposes. The proposed regulations required that a political subdivision (i) have the power to exercise at least one sovereign power, (ii) be formed and operated for a governmental purpose, and (iii) have a governing body controlled by or have significant uses of its funds or assets otherwise controlled by a government unit with all three sovereign powers or by an electorate that is not controlled by an unreasonably small number of unrelated electors. On October 4, 2017, the Treasury Department ("Treasury") announced that it would withdraw the proposed regulations, stating that, "while Treasury and the IRS continue to study the legal issues relating to political subdivisions, Treasury and the IRS currently believe that these proposed regulations should be withdrawn in their entirety, and plan to publish a withdrawal of the proposed regulations shortly in the Federal Register. Treasury and the IRS may propose more targeted guidance in the future after further study of the relevant legal issues." Notice of withdrawal of the proposed regulations was published in the Federal Register on October 20, 2017.

It has been reported that the IRS has closed audits of other community development districts in the State with no change to such districts' bonds' tax-exempt status, but has advised such districts that such districts must have public electors within the timeframe established by the applicable state law or their bonds may be determined to be taxable retroactive to the date of issuance. Pursuant to the Act, general elections are not held until the later of six years from the date of establishment of the community development district or the time at which there are at least 250 qualified electors in the district. The District, unlike Village Center CDD, was formed with the intent that it will contain a sufficient number of residents to allow for a transition to control by a general electorate. [Currently, all of the members of the Board of the District were elected by the Development Manager and none were elected by qualified electors. The Development Manager will certify as to its expectations as to the timing of the transition of control of the Board of the District to qualified electors pursuant to the Act. Such certification by the Development Manager does not ensure that such certification shall be determinative of, or may influence the outcome of any audit by the IRS, or any appeal from such audit, that may result in an adverse ruling that the District is not a political subdivision for purposes of Section 103(a) of the Code.] Further, there can be no assurance that an audit by the IRS of the Series 2023 Bonds will not be commenced. The District has no reason to believe that any such audit will be commenced, or that any such audit, if commenced, would result in a conclusion of noncompliance with any applicable State or federal law.

Owners of the Series 2023 Bonds are advised that, if the IRS does audit the Series 2023 Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the Owners of the Series 2023 Bonds may have limited rights to participate in those proceedings. The commencement of such an audit could adversely affect the market value and liquidity of the Series 2023 Bonds until the audit is concluded, regardless of the ultimate outcome. In addition, in the event of an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2023 Bonds, it is unlikely the District will have available revenues to enable it to contest such determination or enter into a voluntary financial settlement with the IRS. Further, an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2023 Bonds would adversely affect the availability of any secondary market for the Series 2023 Bonds. Should interest on the Series 2023 Bonds become includable in gross income for federal income tax purposes, not only will Owners of Series 2023 Bonds be required to pay income taxes on the interest received on such Series 2023 Bonds and related penalties, but because the interest rate on such Series 2023 Bonds will not be adequate to compensate

Owners of the Series 2023 Bonds for the income taxes due on such interest, the value of the Series 2023 Bonds may decline.

THE INDENTURE DOES NOT PROVIDE FOR ANY ADJUSTMENT IN THE INTEREST RATES ON THE SERIES 2023 BONDS IN THE EVENT OF AN ADVERSE DETERMINATION BY THE IRS WITH RESPECT TO THE TAX-EXEMPT STATUS OF INTEREST ON THE SERIES 2023 BONDS. PROSPECTIVE PURCHASERS OF THE SERIES 2023 BONDS SHOULD EVALUATE WHETHER THEY CAN OWN THE SERIES 2023 BONDS IN THE EVENT THAT THE INTEREST ON THE SERIES 2023 BONDS BECOMES TAXABLE AND/OR THE DISTRICT IS EVER DETERMINED TO NOT BE A POLITICAL SUBDIVISION FOR PURPOSES OF THE CODE AND/OR SECURITIES ACT (AS HEREINAFTER DEFINED).

Loss of Exemption from Securities Registration

The Series 2023 Bonds have not been and will not be registered under the Securities Act of 1933, as amended (the "Securities Act"), or any state securities laws, because of the exemption for securities issued by political subdivisions. It is possible that federal or state regulatory authorities could in the future determine that the District is not a political subdivision for purposes of federal and state securities laws, including without limitation as the result of a determination by the IRS, judicial or otherwise, of the District's status for purposes of the Code. In such event, the District and purchasers of Series 2023 Bonds may not be able to rely on the exemption from registration under the Securities Act relating to securities issued by political subdivisions. In that event, the Owners of the Series 2023 Bonds would need to ensure that subsequent transfers of the Series 2023 Bonds are made pursuant to a transaction that is not subject to the registration requirements of the Securities Act and applicable state securities laws.

Federal Tax Reform

Various legislative proposals are mentioned from time to time by members of Congress of the United States of America and others concerning reform of the internal revenue (tax) laws of the United States. In addition, the IRS may, in the future, issue rulings that have the effect of challenging the interpretation of existing tax laws. Certain of these proposals and interpretations, if implemented or upheld, could have the effect of diminishing the value of obligations of states and their political subdivisions, such as the Series 2023 Bonds, by eliminating or changing the tax-exempt status of interest on such bonds. Whether any such proposals will ultimately become or be upheld as law, and if so, the effect such proposals could have upon the value of bonds such as the Series 2023 Bonds cannot be predicted. However, it is possible that any such law or interpretation could have a material and adverse effect upon the availability of a liquid secondary market and/or the value of the Series 2023 Bonds. Prospective purchasers of the Series 2023 Bonds should consult their tax advisors as to the impact of any proposed or pending legislation. See also "TAX MATTERS" herein.

State Tax Reform

It is impossible to predict what new proposals may be presented regarding tax reform and/or community development districts during upcoming legislative sessions, whether such new proposals or any previous proposals regarding the same will be adopted by the Florida Senate and House of Representatives and signed by the Governor, and, if adopted, the form thereof. On October 31, 2014, the Auditor General of the State released a 31-page report which requests legislative action to establish parameters on the amount of bonds a community development district may issue and provide additional oversight for community development district bonds. This report renewed requests made by the Auditor General in 2011 that led to the Governor of the State issuing an Executive Order on January 11, 2012 (the "Executive Order") directing the Office of Policy and Budget in the Executive Office of the Governor ("OPB") to examine the role of

special districts in the State. As of the date hereof, the OPB has not made any recommendations pursuant to the Executive Order nor has the Florida legislature passed any related legislation. It is impossible to predict with certainty the impact that any existing or future legislation will or may have on the security for the Series 2023 Bonds. It should be noted that Section 190.16(14) of the Act provides in pertinent part that "The state pledges to the holders of any bonds issued under the Act that it will not limit or alter the rights of the district to levy and collect the ... assessments... and to fulfill the terms of any agreement made with the holders of such bonds ... and that it will not impair the rights or remedies of such holders."

Insufficient Resources or Other Factors Causing Failure to Complete the 2023 Project or the Construction of Homes within the 2023 Project Area

The cost to finish the 2023 Project [may/will] exceed the net proceeds from the Series 2023 Bonds. There can be no assurance, in the event the District does not have sufficient moneys on hand to complete the 2023 Project, that the District will be able to raise, through the issuance of additional bonds or otherwise, the moneys necessary to complete the 2023 Project. Further, the Indenture sets forth certain limitations on the issuance of additional bonds. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS – Additional Bonds" for more information.

Although the Development Manager will agree to fund or cause to be funded the completion of the 2023 Project regardless of the insufficiency of proceeds from the Series 2023 Bonds and will enter into a completion agreement with the District as evidence thereof, there can be no assurance that the Development Manager will have sufficient resources to do so. Such obligation of the Developer is an unsecured obligation. See "THE DEVELOPMENT MANAGER AND THE PRIMARY LANDOWNER" herein for more information.

Further, there is a possibility that, even if the 2023 Project Area is fully developed, the Development Manager may not close on any more lots therein, and such failure to close could negatively impact the construction of homes in the 2023 Project Area. Further, even if development of the 2023 Project Area is completed, there are no assurances that any more homes will be constructed and sold therein. See "THE DEVELOPMENT" herein for more information.

COVID-19 and Related Matters

In addition to the general economic conditions discussed above, the timely and successful completion of the Development, the purchase of additional lots therein by the Development Manager and the construction and sale to end users of residential units may be adversely impacted by the continued spread of the novel strain of coronavirus called COVID-19 or by other highly contagious or epidemic or pandemic diseases. The United States, the State and the County have all previously imposed certain health and public safety restrictions in response to COVID-19 in the past. The District cannot predict whether new actions may be taken by government authorities in the future to contain or otherwise address the impact of the COVID-19 or similar outbreak.

To date, the outbreak has resulted in severe impacts on global financial markets, unemployment levels and commerce generally. The Development Manager may experience delays in obtaining certain development approvals as a result of the implementation of certain government actions and/or restrictions. The District, the Development Manager and the Primary Landowner cannot predict the duration of the current COVID-19 outbreak, and the ultimate impact the COVID-19 outbreak may have on the Development is unknown. It is possible that delays in lot purchases by the Development Manager, construction delays, delays in the receipt of permits or other government approvals, supply chain delays, increased costs, delays in sales to end users or other delays could occur, or continue to occur, as applicable, as a result of the COVID-19 outbreak or other highly contagious or epidemic or pandemic diseases that

adversely impact the Development. See also "BONDOWNERS' RISKS – Economic Conditions and Changes in Development Plans" and "–Insufficient Resources or Other Factors Causing Failure to Complete the 2023 Project or the Construction of Homes within the 2023 Project Area" herein.

Cybersecurity

The District relies on a technological environment to conduct its operations. The District, its agents and other third parties the District does business with or otherwise relies upon are subject to cyber threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. Entities or individuals may attempt to gain unauthorized access to such parties' digital systems for the purposes of misappropriating assets or information or causing operational disruption and damage. No assurances can be given that any such attack(s) will not materially impact the operations or finances of the District, which could impact the timely payment of debt service on the Series 2023 Bonds.

Prepayment and Redemption Risk

In addition to being subject to optional and mandatory sinking fund redemptions, the Series 2023 Bonds are subject to extraordinary mandatory redemption as a result of prepayments of the Series 2023 Special Assessments by any landowners within the District. Any such redemptions of the Series 2023 Bonds would be at the principal amount of such Series 2023 Bonds being redeemed plus accrued interest to the date of redemption. In such event, owners of the Series 2023 Bonds may not realize their anticipated rate of return on the Series 2023 Bonds and owners of any Premium Bonds (as defined herein) may receive less than the price they paid for the Series 2023 Bonds. See "DESCRIPTION OF THE SERIES 2023 BONDS – Redemption Provisions," "– Purchase of Series 2023 Bonds" and "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS – Prepayment of Series 2023 Special Assessments" herein for more information. Notwithstanding the foregoing to the contrary, existing landowners other than the Development Manager and Primary Landowner may have a one-time statutory right to prepay Series 2023 Special Assessments without interest for a period of thirty (30) days after the improvements have been completed and the Board has adopted a resolution accepting the improvement. In the event of such prepayments during such period, the District may not have sufficient funds to repay interest on the Series 2023 Bonds without drawing on the Series 2023 Reserve Account. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS – Prepayment of Series 2023 Special Assessments" herein for more information. See also "Inadequacy of Series 2023 Reserve Account" herein.

Payment of Series 2023 Special Assessments after Bank Foreclosure

In the event a bank forecloses on property because of a default on a mortgage in favor of such bank on any of the assessable lands within the District, and then the bank itself fails, the Federal Deposit Insurance Corporation (the "FDIC"), as receiver, will then become the fee owner of such property. In such event, the FDIC will not, pursuant to its own rules and regulations, likely be liable to pay the Series 2023 Special Assessments levied on such property. In addition, the District would require the consent of the FDIC prior to commencing a foreclosure action.

THE DISTRICT

General Information

The District was established by Ordinance No. 07-05 enacted by the Board of County Commissioners of Lee County, Florida (the "County"), on March 27, 2007, becoming effective on April 6, 2007 (the "Ordinance"), under the provisions of the Act. The District encompasses approximately 385.64 acres of land (the "District Lands") and is located in unincorporated portion of the County approximately one mile east of US Highway 41 and immediately south of Del Prado Boulevard North. The District Lands are being developed as a master planned residential community to be known as "[Crane Landing]" (the "Development"). See "THE DEVELOPMENT" herein for more information.

Legal Powers and Authority

The District is an independent unit of local government created pursuant to, and established in accordance with, the Act. The Act was enacted in 1980 to provide a uniform method for the establishment of independent districts to manage and finance basic community development services, including capital infrastructure required for community developments throughout the State. The Act provides legal authority for community development districts (such as the District) to finance the acquisition, construction, operation and maintenance of the major infrastructure for community development pursuant to its general law charter. The District is classified as an independent district under Chapter 189, Florida Statutes.

Among other provisions, the Act gives the District's Board of Supervisors the authority to, among other things, (a) plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate and maintain systems and facilities for, among other things: (i) water management and control for lands within the District and to connect any of such facilities with roads and bridges; (ii) water supply, sewer and wastewater management, reclamation and reuse systems or any combination thereof and to construct and operate connecting intercept or outlet sewers and sewer mains and pipes and water mains, conduits, or pipelines in, along, and under any street, alley, highway, or other public place or ways, and to dispose of any effluent, residue, or other byproducts of such system or sewer system; (iii) District roads equal to or exceeding the specifications of the county in which such District roads are located and street lights, landscaping, hardscaping and undergrounding of electric utility lines; and (iv) with the consent of the local general-purpose government within the jurisdiction of which the power is to be exercised, parks and facilities for indoor and outdoor recreational uses and security; (b) borrow money and issue bonds of the District; (c) impose and foreclose special assessments liens as provided in the Act; and (d) exercise all other powers, necessary, convenient, incidental or proper in connection with any of the powers or duties of the District stated in the Act.

The Act does not empower the District to adopt and enforce any land use plans or zoning ordinances and the Act does not empower the District to grant building permits; these functions are to be performed by general purpose local governments having jurisdiction over the lands within the District.

The Act exempts all property owned by the District from levy and sale by virtue of an execution and from judgment liens, but does not limit the right of any bondholders to pursue any remedy for enforcement of any lien or pledge of the District in connection with its bonds, including the Series 2023 Bonds.

Board of Supervisors

The Act provides that a five-member Board of Supervisors (the "Board") serves as the governing body of the District. Members of the Board (the "Supervisors") must be residents of the State and citizens

of the United States. Initially, the Supervisors were appointed in the Rule. Within 90 days after formation of the District, an election was held pursuant to which new Supervisors were elected on an at-large basis by the owners of the property within the District. Ownership of land within the District entitles the owner to one vote per acre (with fractions thereof rounded upward to the nearest whole number). A Supervisor serves until expiration of his or her term and until his or her successor is chosen and qualified. If, during a term of office, a vacancy occurs, the remaining Supervisors may fill the vacancy by an appointment of an interim Supervisor for the remainder of the unexpired term.

The landowners in the District elect two Supervisors to four-year terms and three Supervisors to two-year terms at bi-annual elections. Thereafter, the elections will take place every two years on a date in November established by the Board. Upon the later of six years after the initial appointment of Supervisors and the year when the District next attains at least 250 qualified electors, Supervisors whose terms are expiring will begin to be elected (as their terms expire) by qualified electors of the District. A qualified elector is a registered voter who is at least eighteen years of age, a resident of the District and the State and a citizen of the United States. At the election where Supervisors are first elected by qualified electors, two Supervisors must be qualified electors and be elected by qualified electors, each elected to four-year terms. The seat of the remaining Supervisor whose term is expiring at such election shall be filled by a Supervisor who is elected by the landowners for a four-year term and who is not required to be a qualified elector. Thereafter, as terms expire, all Supervisors must be qualified electors and must be elected by qualified electors to serve staggered four-year terms.

Notwithstanding the foregoing, if at any time the Board proposes to exercise its ad valorem taxing power, prior to the exercise of such power, it shall call an election at which all Supervisors shall be elected by qualified electors in the District. Elections subsequent to such decision shall be held in a manner such that the Supervisors will serve four-year terms with staggered expiration dates in the manner set forth in the Act.

The Act provides that it shall not be an impermissible conflict of interest under Florida law governing public officials for a Supervisor to be a stockholder, officer or employee of a landowner or of any entity affiliated with a landowner.

The current members of the Board and the expiration of the term of each member are set forth below:

<u>Name</u>	<u>Title</u>	<u>Term Expires</u>
Scott Edwards*	Chairperson	November 2026
Dalton Drake*	Vice Chairperson	November 2026
Austin Boros*	Assistant Secretary	November 2024
Barry Ernst*	Assistant Secretary	November 2024
Zane Zeidan*	Assistant Secretary	November 2024

*Employee of the Development Manager.

A majority of the members of the Board constitutes a quorum for the purposes of conducting its business and exercising its powers and for all other purposes. Action taken by the District shall be upon a vote of a majority of the members present unless general law or a rule of the District requires a greater number. All meetings of the Board are open to the public under Florida's open meeting or "Sunshine" law.

The District Manager and Other Consultants

The chief administrative official of the District is the District Manager. The Act provides that a District Manager has charge and supervision of the works of the District and is responsible for preserving and maintaining any improvement or facility constructed or erected pursuant to the provisions of the Act, for maintaining and operating the equipment owned by the District, and for performing such other duties as may be prescribed by the Board. The District has retained JPWard and Associates, LLC to serve as its District Manager. The District Manager's corporate office is located at 2900 Northeast 12th Terrace, Ste. #1, Oakland Park, Florida 33334.

The Act further authorizes the Board to hire such employees and agents as it deems necessary. Thus, the District has employed the services of Greenberg Traurig, P.A., West Palm Beach, Florida, as Bond Counsel; Banks Engineering, Inc., Fort Myers, Florida, as District Engineer; and Coleman, Yovanovich & Koester, P.A., Naples, Florida, as District Counsel. The Board has also retained JPWard and Associates, LLC, Oakland Park, Florida, to serve as Methodology Consultant, to prepare the Assessment Methodology and to serve as Dissemination Agent for the Series 2023 Bonds.

Outstanding Bonds

The District has not previously issued any bonds.

THE CAPITAL IMPROVEMENT PLAN AND THE 2023 PROJECT

Banks Engineering (the "District Engineer") prepared a report entitled "Engineer's Report for the Palermo Community Development District", dated June 18, 2021, as supplemented by a report entitled [First Supplemental Engineer's Report for the Palermo Community Development District, dated December 15, 2022], as may be amended and supplemented from time to time (collectively, the "Engineer's Report"). The Engineer's Report sets forth certain public infrastructure improvements necessary for the development of 1,232 residential units planned for the Development (the "Capital Improvement Plan"). The District Engineer estimates the total cost of the Capital Improvement Plan to total \$19,922,665. The Engineer's Report is attached hereto as Appendix C.

Land development associated with the Development is scheduled to occur in phases. The first four phases of land development are planned to contain 713 residential units (the "2023 Project Area"). The remaining phases of land development are planned to contain 519 residential units (the "Future Project Area").

The Series 2023 Bonds are being issued in order to finance a portion of the public infrastructure improvements associated with the 2023 Project Area (the "2023 Project"). The District Engineer, in the Engineer's Report, estimates the total cost of the 2023 Project to be approximately \$_____, as more particularly described below.

<u>2023 Project Description</u>	<u>Estimated Costs</u>
Irrigation	\$ _____
Stormwater Management	_____
Water and Wastewater	_____

Total	\$ _____

Land development associated with the 2023 Project Area commenced in _____ and will be phased with final completion expected by _____. As of the date hereof, the Development Manager has spent approximately \$____ million towards land development activity associated with the 2023 Project Area, a portion of which includes the 2023 Project.

The net proceeds of the Series 2023 Bonds to be deposited into the Series 2023 Acquisition and Construction Account will be approximately \$9.52 million* and such proceeds will be used by the District towards the funding and/or acquisition of a portion of the 2023 Project from the [Development Manager/Primary Landowner]. The Development Manager will enter into a completion agreement that will obligate the Development Manager to complete any portions of the 2023 Project not funded with proceeds of the Series 2023 Bonds. See "BONDOWNERS' RISKS - Insufficient Resources or Other Factors Causing Failure to Complete the 2023 Project or the Construction of Homes within the 2023 Project Area" herein.

The District anticipates issuing additional bonds in the future in order to finance a portion of the public infrastructure improvements associated with the Future Project Area. Such bonds will be secured by special assessments levied on lands which are separate and distinct from the land subject to the Series 2023

* Preliminary, subject to change.

Special Assessments. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS – Additional Obligations" herein for more information.

The District Engineer has indicated that all permits necessary to construct the 2023 Project have either been obtained or are reasonably expected to be obtained in the ordinary course. In addition to the Engineer's Report, please refer to "THE DEVELOPMENT – Development Approvals" for a more detailed description of the entitlement and permitting status of the Development. See "APPENDIX C: ENGINEER'S REPORT" for more information.

ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS

JPWard and Associates, LLC, a Florida limited liability company (the "Methodology Consultant"), has prepared the Master Special Assessment Methodology, dated June 18, 2021 (the "Master Assessment Methodology"), as supplemented by the [Preliminary Supplemental Special Assessment Methodology, dated _____, 20__] (the "Supplemental Assessment Methodology" and, together with the Master Assessment Methodology, the "Assessment Methodology"). The Assessment Methodology is included herein as Appendix D and sets forth an overall method for allocating the Series 2023 Special Assessments to be levied against the lands within the District benefited by the 2023 Project and collected by the District as a result thereof. Once the final terms of the Series 2023 Bonds are determined, the Supplemental Assessment Methodology Report will be revised to reflect such final terms. Once levied and imposed, the Series 2023 Special Assessments are a first lien on the land against which assessed until paid or barred by operation of law, co-equal with other taxes and assessments levied by the District, including the operation and maintenance assessments, and other units of government. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein.

[To be updated upon receipt of Supplemental Methodology - As set forth in the Assessment Methodology, the Series 2023 Special Assessments will initially be levied on the __ platted lots which comprise phases one, two and three and the remaining _____ unplatted gross acres within the District. The Series 2023 Special Assessments will be assigned to the remaining lots on a first platted, first assigned basis as set forth in the Assessment Methodology attached hereto. It is anticipated that the Series 2023 Special Assessments will ultimately be assigned to 713 of the 1,232 lots planned for the District. A plat for the remaining _____ lots which comprise phase four is expected to be recorded by April 2023. The Series 2023 Special Assessments will be allocated on a per unit basis as set forth below and in the Assessment Methodology. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein.]

** This amount will be grossed up to include early payment discounts and County collection fees, currently ____%.

Each homeowner in the 2023 Project Area will pay annual taxes, fees and assessments on an ongoing basis as a result of its ownership of property within the 2023 Project Area, including local ad valorem property taxes, the maintenance and operating assessments to be levied by the District, and homeowners' association fees to be levied by the homeowners' association. The District anticipates continuing to levy annual assessments to cover its operation and administrative costs that will be approximately \$____ per unit, which amount is subject to change. The land within the 2023 Project Area has been and is expected to continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total ad valorem millage rate applicable to the District Lands in tax year 2021 was approximately _____ mills and which amount is subject to change on an annual basis. These taxes would be payable in addition to the Series 2023 Special Assessments and any other assessments levied by the District and other taxing authorities. In addition, exclusive of voter approved millages levied for general

obligation bonds, as to which no limit applies, the County and the School District of Lee County, Florida may each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year. See "BONDOWNERS RISKS" and "THE DEVELOPMENT – Taxes, Fees and Assessments" for more information, including proposed associations' fees.

The information appearing below under the captions "THE DEVELOPMENT" and "THE PRIMARY LANDOWNER AND THE DEVELOPMENT MANAGER" has been furnished by either the Primary Landowner or the Development Manager for inclusion in this Limited Offering Memorandum and, although believed to be reliable, such information has not been independently verified by Bond Counsel, the District or its counsel, or the Underwriter or its counsel, and no persons other than the Primary Landowner or the Development Manager make any representation or warranty as to the accuracy or completeness of such information supplied by them. The following information is provided by either the Primary Landowner or the Development Manager as a means for the prospective bondholders to understand the anticipated development plan and risks associated with the Development. Neither the Primary Landowner, the Development Manager nor any other party is guaranteeing payment of the Series 2023 Bonds or the Series 2023 Special Assessments.

THE DEVELOPMENT

General

The boundaries of the District include approximately 385.64 gross acres of land located entirely within an unincorporated area of Lee County, Florida (the "County"). The District is planned to contain a 1,232 unit residential community known as "Lennar at Crane Landing" and referred to herein as the "Development." The Development is located one mile east of US Highway 41 and immediately south of Del Prado Boulevard North. The Development is bordered by existing residential communities and the immediately surrounding area contains ancillary retail, grocery, and dining services. The shopping plaza at the corner of U.S. Highway 41 and Del Prado Boulevard North is anchored by a Publix and a Walgreens.

Land development associated with the Development is scheduled to occur in phases. The first four phases of land development are planned to contain 713 residential units (the "2023 Project Area"). The remaining phases of land development are planned to contain 519 residential units (the "Future Project Area").

The Series 2023 Bonds are being issued in order to finance a portion of the public infrastructure improvements associated with the 2023 Project Area (the "2023 Project"). [The Series 2023 Bonds will be secured by the Series 2023 Special Assessments, which will initially be levied on the ___ platted lots which comprise phases one, two and three and the remaining _____ unplatted gross acres within the District. The Series 2023 Special Assessments will be assigned to the remaining lots on a first platted, first assigned basis as set forth in the Assessment Methodology attached hereto. It is anticipated that the Series 2023 Special Assessments will ultimately be assigned to 713 of the 1,232 lots planned for the District. A plat for the remaining ___ lots which comprise phase four is expected to be recorded by April 2023.] See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" and "- Taxes, Fees and Assessments" herein for more information.

The total millage rate imposed on taxable properties in the District for 2022 was approximately _____ mills, which millage rate is subject to change in future tax years. These taxes would be payable in addition to the Series 2023 Special Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the County and the School District of Lee County, Florida may each levy ad valorem taxes and/or special assessments upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year.

This heading does not purport to list all the existing or planned communities in the area of the Development, but rather provide a list of those that the Development Manager feels pose primary competition to the Development.

Development Manager and Primary Landowner Agreements

The Development Manager will enter into a completion agreement that will obligate the Development Manager to complete any portions of the 2023 Project not funded with proceeds of the Series 2023 Bonds. In addition, the Development Manager and Primary Landowner will execute and deliver to the District a Collateral Assignment and Assumption of Development Rights (the "Collateral Assignment"), pursuant to which they will collaterally assign to the District, to the extent assignable and to the extent that they are solely owned or controlled by the Development Manager or Primary Landowner, development rights relating to the 2023 Project. Notwithstanding such Collateral Assignment, in the event the District forecloses on the lands subject to the Series 2023 Special Assessments as a result of a landowner's failure to pay such assessments, there is a risk that the District will not have all permits and entitlements necessary to complete the 2023 Project or the development of the lands in the District sufficiently to absorb the allocation of the Series 2023 Special Assessments. Finally, the [Development Manager and Primary Landowner] will also enter into a True-Up Agreement in connection with its obligations to pay true-up payments in the event that debt levels remaining on unplatted lands in the District increase above the maximum debt levels set forth in the Assessment Methodology. See "APPENDIX D: ASSESSMENT METHODOLOGY" herein for additional information regarding the "true-up mechanism." The foregoing obligations of the Development Manager and Primary Landowner are unsecured obligations. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete the 2023 Project or the Construction of Homes within the 2023 Project Area" and "THE PRIMARY LANDOWNER AND THE DEVELOPMENT MANAGER" herein for more information regarding the Primary Landowner and Development Manager.

Lennar is not guaranteeing any of the Development Manager's obligations incurred in connection with the issuance of the Series 2023 Bonds.

NEITHER THE PRIMARY LANDOWNER, THE DEVELOPMENT MANAGER NOR LENNAR CORPORATION ARE GUARANTEEING THE PAYMENT OF THE SERIES 2023 BONDS OR THE SERIES 2023 SPECIAL ASSESSMENTS. NONE OF THE ENTITIES LISTED HEREIN, OTHER THAN THE PRIMARY LANDOWNER AND THE DEVELOPMENT MANAGER, HAVE ENTERED INTO ANY AGREEMENTS IN CONNECTION WITH THE ISSUANCE OF THE SERIES 2023 BONDS.

TAX MATTERS

General

The Internal Revenue Code of 1986, as amended (the "Code"), includes requirements that the District must continue to meet after the issuance of the Series 2023 Bonds in order that the interest on the Series 2023 Bonds be and remain excludable from gross income for federal income tax purposes. The District's failure to meet these requirements may cause the interest on the Series 2023 Bonds to be included in gross income for federal income tax purposes retroactively to the date of issuance of the Series 2023 Bonds. The District has covenanted in the Indenture to take the actions required by the Code in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Series 2023 Bonds.

In the opinion of Greenberg Traurig, P.A., Bond Counsel, assuming the accuracy of certain representations and certifications and continuing compliance by the District with the tax covenants referred to above, under existing statutes, regulations, rulings, and court decisions, the interest on the Series 2023 Bonds is excludable from gross income of the holders thereof for federal income tax purposes; and, further, interest on the Series 2023 Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals. In the case of the alternative minimum tax imposed by Section 55(b)(2) of the Code on applicable corporations (as defined in Section 59(k) of the Code), interest on the Series 2023 Bonds is not excluded from the determination of adjusted financial statement income. Bond Counsel is further of the opinion that the Series 2023 Bonds and the interest thereon are not subject to taxation under the laws of the State, except as to estate taxes and taxes under Chapter 220, Florida Statutes, on interest, income, or profits on debt obligations owned by corporations as defined in said Chapter 220. Bond Counsel will express no opinion as to any other tax consequences regarding the Series 2023 Bonds.

Prospective purchasers of the Series 2023 Bonds should consult their own tax advisors as to the status of interest on the Series 2023 Bonds under the tax laws of any state other than the State.

The above opinion on federal tax matters with respect to the Series 2023 Bonds will be based on and will assume the accuracy of certain representations and certifications of the District [and the Development Manager], and compliance with certain covenants of the District to be contained in the transcript of proceedings and that are intended to evidence and assure the foregoing, including that the Series 2023 Bonds will be and will remain obligations the interest on which is excludable from gross income for federal income tax purposes. Bond Counsel will not independently verify the accuracy of those certifications and representations. Bond Counsel will express no opinion as to any other consequences regarding the Series 2023 Bonds.

Except as described above, Bond Counsel will express no opinion regarding the federal income tax consequences resulting from the receipt or accrual of the interest on the Series 2023 Bonds, or the ownership or disposition of the Series 2023 Bonds. Prospective purchasers of Series 2023 Bonds should be aware that the ownership of Series 2023 Bonds may result in other collateral federal tax consequences, including (i) the denial of a deduction for interest on indebtedness incurred or continued to purchase or carry the Series 2023 Bonds, (ii) the reduction of the loss reserve deduction for property and casualty insurance companies by the applicable statutory percentage of certain items, including the interest on the Series 2023 Bonds, (iii) the inclusion of the interest on the Series 2023 Bonds in the earnings of certain foreign corporations doing business in the United States for purposes of a branch profits tax, (iv) the inclusion of the interest on the Series 2023 Bonds in the passive income subject to federal income taxation of certain Subchapter S corporations with Subchapter C earnings and profits at the close of the taxable year, (v) the inclusion of interest on the Series 2023 Bonds in the determination of the taxability of certain Social Security and Railroad Retirement benefits to certain recipients of such benefits, (vi) net gain realized upon the sale or other disposition of property such as the Series 2023 Bonds generally must be taken into account when computing the Medicare tax with respect to net investment income or undistributed net investment income, as applicable, imposed on certain high income individuals and specified trusts and estates and (vii) receipt of certain investment income, including interest on the Series 2023 Bonds, is considered when determining qualification limits for obtaining the earned income credit provided by Section 32(a) of the Code. The nature and extent of the other tax consequences described above will depend on the particular tax status and situation of each owner of the Series 2023 Bonds. Prospective purchasers of the Series 2023 Bonds should consult their own tax advisors as to the impact of these and any other tax consequences.

Bond Counsel's opinion is based on existing law, which is subject to change. Such opinion is further based on factual representations made to Bond Counsel as of the date of issuance of the Series 2023 Bonds. Bond Counsel assumes no duty to update or supplement its opinion to reflect any facts or circumstances that may thereafter come to Bond Counsel's attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, Bond Counsel's opinion is not a guarantee of a particular result, and is not binding on the IRS or the courts; rather, such opinion represents Bond Counsel's professional judgment based on its review of existing law, and in reliance on the representations and covenants that it deems relevant to such opinion.

Original Issue Discount and Premium

Certain of the Series 2023 Bonds ("Discount Bonds") may be offered and sold to the public at an original issue discount ("OID"). OID is the excess of the stated redemption price at maturity (the principal amount) over the "issue price" of a Discount Bond determined under Code Section 1273 or 1274 (*i.e.*, for obligations issued for money in a public offering, the initial offering price to the public (other than to bond houses and brokers) at which a substantial amount of the obligation of the same maturity is sold pursuant to that offering). For federal income tax purposes, OID accrues to the owner of a Discount Bond over the

period to maturity based on the constant yield method, compounded semiannually (or over a shorter permitted compounding interval selected by the owner). The portion of OID that accrues during the period of ownership of a Discount Bond (i) is interest excludable from the owner's gross income for federal income tax purposes to the same extent, and subject to the same considerations discussed above, as other interest on the Series 2023 Bonds, and (ii) is added to the owner's tax basis for purposes of determining gain or loss on the maturity, redemption, prior sale, or other disposition of that Discount Bond.

Certain of the Series 2023 Bonds ("Premium Bonds") may be offered and sold to the public at a price in excess of their stated redemption price (the principal amount) at maturity (or earlier for certain Premium Bonds callable prior to maturity). That excess constitutes bond premium. For federal income tax purposes, bond premium is amortized over the period to maturity of a Premium Bond, based on the yield to maturity of that Premium Bond (or, in the case of a Premium Bond callable prior to its stated maturity, the amortization period and yield may be required to be determined on the basis of an earlier call date that results in the lowest yield on that Premium Bond), compounded semiannually (or over a shorter permitted compounding interval selected by the owner). No portion of that bond premium is deductible by the owner of a Premium Bond. For purposes of determining the owner's gain or loss on the sale, redemption (including redemption at maturity), or other disposition of a Premium Bond, the owner's tax basis in the Premium Bond is reduced by the amount of bond premium that accrues during the period of ownership. As a result, an owner may realize taxable gain for federal income tax purposes from the sale or other disposition of a Premium Bond for an amount equal to or less than the amount paid by the owner for that Premium Bond.

Owners of Discount and Premium Bonds should consult their own tax advisers as to the determination for federal income tax purposes of the amount of OID or bond premium properly accruable in any period with respect to the Discount or Premium Bonds and as to other federal tax consequences, and the treatment of OID and bond premium for purposes of state and local taxes on, or based on, income.

Changes in Federal and State Tax Law

From time to time, there are legislative proposals suggested, debated, introduced, or pending in Congress or in the State legislature that, if enacted into law, could alter or amend one or more of the federal tax matters, or state tax matters, respectively, described above including, without limitation, the excludability from gross income of interest on the Series 2023 Bonds, or adversely affect the market price or marketability of the Series 2023 Bonds, or otherwise prevent the holders from realizing the full current benefit of the status of the interest thereon. It cannot be predicted whether or in what form any such proposal may be enacted, or whether, if enacted, any such proposal would affect the Series 2023 Bonds. Prospective purchasers of the Series 2023 Bonds should consult their tax advisors as to the impact of any proposed or pending legislation.

On August 16, 2022, President Biden signed the Inflation Reduction Act of 2022 (H.R. 5376) into law. For tax years beginning after 2022, this legislation will impose a minimum tax of 15 percent on the adjusted financial statement income of applicable corporations as defined in Section 59(k) of the Code (which is primarily designed to impose a minimum tax on certain large corporations). For this purpose, adjusted financial statement income is not reduced for interest earned on tax-exempt obligations. Prospective purchasers that could be subject to this minimum tax should consult with their own tax advisors regarding the potential consequences of owning the Series 2023 Bonds.

Information Reporting and Backup Withholding

Interest paid on tax-exempt bonds such as the Series 2023 Bonds is subject to information reporting to the Internal Revenue Service in a manner similar to interest paid on taxable obligations. This reporting requirement does not affect the excludability of interest on the Series 2023 Bonds from gross income for

federal income tax purposes. However, in conjunction with that information reporting requirement, the Code subjects certain non-corporate owners of Series 2023 Bonds, under certain circumstances, to "backup withholding" at the rates set forth in the Code, with respect to payments on the Series 2023 Bonds and proceeds from the sale of Series 2023 Bonds. Any amount so withheld would be refunded or allowed as a credit against the federal income tax of such owner of Series 2023 Bonds. This withholding generally applies if the owner of Series 2023 Bonds (i) fails to furnish the payor such owner's social security number or other taxpayer identification number ("TIN"), (ii) furnished the payor an incorrect TIN, (iii) fails to properly report interest, dividends, or other "reportable payments" as defined in the Code, or (iv) under certain circumstances, fails to provide the payor or such owner's securities broker with a certified statement, signed under penalty of perjury, that the TIN provided is correct and that such owner is not subject to backup withholding. Prospective purchasers of the Series 2023 Bonds may also wish to consult with their tax advisors with respect to the need to furnish certain taxpayer information in order to avoid backup withholding.

AGREEMENT BY THE STATE

Under the Act, the State pledges to the holders of any bonds issued thereunder, including the Series 2023 Bonds, that it will not limit or alter the rights of the issuer of such bonds, including the District, to own, acquire, construct, reconstruct, improve, maintain, operate or furnish the projects, including the portion of the 2023 Project funded by the Series 2023 Bonds, or to levy and collect taxes, assessments, rentals, rates, fees and other charges provided for in the Act and to fulfill the terms of any agreement made with the holders of such bonds and that it will not in any way impair the rights or remedies of such holders.

LEGALITY FOR INVESTMENT

The Act provides that bonds issued by community development districts are legal investments for savings banks, banks, trust companies, insurance companies, executors, administrators, trustees, guardians, and other fiduciaries, and for any board, body, agency, instrumentality, county, municipality or other political subdivision of the State, and constitute securities that may be deposited by banks or trust companies as security for deposits of state, county, municipal or other public funds, or by insurance companies as required or voluntary statutory deposits.

SUITABILITY FOR INVESTMENT

In accordance with applicable provisions of Florida law, the Series 2023 Bonds may initially be sold by the District only to "accredited investors" within the meaning of Chapter 517, Florida Statutes, and the rules of the Florida Department of Financial Services promulgated thereunder. The limitation of the initial offering to accredited investors does not denote restrictions on transfers in any secondary market for the Series 2023 Bonds. Investment in the Series 2023 Bonds poses certain economic risks. No dealer, broker, salesman or other person has been authorized by the District or the Underwriter to give any information or make any representations, other than those contained in this Limited Offering Memorandum, and, if given or made, such other information or representations must not be relied upon as having been authorized by either of the foregoing.

ENFORCEABILITY OF REMEDIES

The remedies available to the owners of each Series of the Series 2023 Bonds upon an Event of Default under the Indenture are in many respects dependent upon judicial actions, which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including the federal bankruptcy code, the remedies specified by the Indenture and the Series 2023 Bonds may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the

delivery of each Series of the Series 2023 Bonds will be qualified, as to the enforceability of the remedies provided in the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors and enacted before or after such delivery.

NO RATING

No application for a rating for the Series 2023 Bonds has been made to any rating agency, nor is there any reason to believe that an investment grade rating for the Series 2023 Bonds would have been obtained if application had been made.

The Engineer's Report included in APPENDIX C to this Limited Offering Memorandum has been prepared by Banks Engineering, Inc., Fort Myers, Florida, the District Engineer. APPENDIX C should be read in its entirety for complete information with respect to the subjects discussed therein. FINANCIAL INFORMATION

This District will covenant in the Disclosure Agreement (as defined herein), the proposed form of which is set forth in APPENDIX E hereto, to provide its annual audited financial statements to certain information repositories as described in APPENDIX E, commencing with the audit for the District fiscal year ended September 30, 2023. [Insert any applicable financials of the District - Attached hereto as APPENDIX F is a copy of the District's audited financial statements for the District's fiscal years ended September 30, 2022, as well as the District's unaudited monthly financial statements for the period ended [_____, 2022]. Such audited financial statements, including the auditor's report included within the audited financial statements, have been included in this Limited Offering Memorandum as public documents and consent from the auditor was not requested. Further, the auditors have not performed any services related to, and therefore are not associated with, the preparation of this Limited Offering Memorandum.] [The District does not have audited financial statements because it has not met the threshold requirements under State law requiring an audit.] The Series 2023 Bonds are not general obligation bonds of the District and are payable solely from the Series 2023 Pledged Revenues.

Beginning October 1, 2015, or by the end of the first full fiscal year after its creation, each community development district in Florida must have a separate website with certain information as set forth in Section 189.069, F.S., including, without limitation, the district's proposed and final budgets and audit. Additional information regarding the District's website is available from the District Manager at the address set forth under "THE DISTRICT – The District Manager and Other Consultants."

DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS

Section 517.051, Florida Statutes, and the regulations promulgated thereunder requires that the District make a full and fair disclosure of any bonds or other debt obligations that it has issued or guaranteed and that are or have been in default as to principal or interest at any time after December 31, 1975 (including bonds or other debt obligations for which it has served only as a conduit issuer such as industrial development or private activity bonds issued on behalf of private business). The District has not previously defaulted on any bonds or other debt obligations.

CONTINUING DISCLOSURE

The District, the Primary Landowner and the Development Manager will enter into a Continuing Disclosure Agreement (the "Disclosure Agreement"), the proposed form of which is set forth in APPENDIX E, for the benefit of the Series 2023 Bondholders (including owners of beneficial interests in such Bonds) to provide certain financial information and operating data relating to the District and the Development and disclosure of certain enumerated material events by certain dates prescribed in the Disclosure Agreement (the "Reports") with the Municipal Securities Rulemaking Board ("MSRB") through the MSRB's Electronic Municipal Market Access system ("EMMA"). The specific nature of the information

to be contained in the Reports is set forth in "APPENDIX E: PROPOSED FORM OF CONTINUING DISCLOSURE AGREEMENT." Under certain circumstances, the failure of the District, the Primary Landowner or the Development Manager to comply with their respective obligations under the Disclosure Agreement constitutes an event of default thereunder. Such a default will not constitute an event of default under the Indenture, but such event of default under the Disclosure Agreement would allow the Series 2023 Bondholders (including owners of beneficial interests in such Bonds) to bring an action for specific performance.

[The District has not previously entered into any continuing disclosure obligations pursuant to Rule 15c2-12, promulgated under the Securities Exchange Act of 1934, as amended (the "Rule 15c2-12"). The District anticipates satisfying all future disclosure obligations required pursuant to its Disclosure Agreement and Rule 15c2-12. The District will appoint the District Manager as the dissemination agent in the Disclosure Agreement. The Primary Landowner has not previously entered into any continuing disclosure obligations pursuant to Rule 15c2-12. The Development Manager has represented and warranted that, to its knowledge, it has provided on a timely basis all reporting information requested by the applicable dissemination agent with respect to prior continuing disclosure agreements entered into pursuant to Rule 15c2-12. The Development Manager has been made aware of instances where the information required to be provided to the dissemination agents was not timely requested, not filed with the appropriate repository or, if filed, not filed on a timely basis. The Development Manager has represented that it has instituted internal processes to provide information to the dissemination agents on a timely basis and obtained assurances from the dissemination agents that they will in turn request the required reporting information timely and file such information timely with the appropriate repository.]

In the event of such termination, the Issuer shall select another securities depository and in that event, all references herein to DTC or Cede & Co., shall be deemed to be for reference to such successor. If the Issuer does not replace DTC, the Trustee will register and deliver to the Beneficial Owners replacement Series 2023 Bonds in the form of fully registered Series 2023 Bonds in accordance with the instructions from Cede & Co.

In the event DTC, any successor of DTC or the Issuer, but only in accordance with the procedures of DTC, elects to discontinue the book-entry only system, the Trustee shall deliver bond certificates in accordance with the instructions from DTC or its successor and after such time Series 2023 Bonds may be exchanged for an equal aggregate principal amount of Series 2023 Bonds in other Authorized Denominations upon surrender thereof at the designated corporate trust office of the Trustee.

Except as otherwise provided in this Section 3.01, if less than all the Series 2023 Bonds are to be redeemed pursuant to an extraordinary mandatory redemption, the Trustee shall select the Series 2023 Bonds or portions of the Series 2023 Bonds to be redeemed pursuant to Section 8.04 of the Master Indenture. If such optional redemption shall be in part, the Issuer shall select such principal amount of Series 2023 Bonds to be optionally redeemed from each maturity so that debt service on the remaining Outstanding Series 2023 Bonds is substantially level.

(b) Extraordinary Mandatory Redemption in Whole or in Part. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Series 2023 Bonds in any year. In the event of a redemption or purchase occurring less than forty-five (45) days prior to a date on which a mandatory sinking fund redemption payment is due, the foregoing recalculation shall not be made to the mandatory sinking fund redemption amounts due in the year in which such

(a) The Trustee shall establish a separate account within the Acquisition and Construction Fund designated as the “Series 2023 Acquisition and Construction Account.” Net proceeds of the Series 2023 Bonds shall be deposited into the Series 2023 Acquisition and Construction Account in the amount set forth in Section 2.06 of this First Supplemental Indenture, together with any moneys transferred to the Series 2023 Acquisition and Construction Account, and such moneys in the Series 2023 Acquisition and Construction Account shall be applied by the Issuer as set forth in Section 5.01 of the Master Indenture, this Section 4.01 and the Acquisition Agreement. Subject to the provisions of Section 4.01(f) hereof, any moneys remaining in the Series 2023 Acquisition and Construction Account after the Completion Date, and after the expenditure of all moneys remaining therein that have not been requisitioned within thirty (30) days after satisfaction of the Release Conditions, except for any moneys reserved therein for the payment of any costs of the 2023 Project owed but not yet requisitioned, as evidenced in a certificate from the District Engineer to the Trustee, upon which the Trustee may conclusively rely, and the adoption of a resolution by the Issuer accepting the 2023 Project, as evidenced by a certificate from the District Manager delivered to the Trustee, upon which the Trustee may conclusively rely, shall be transferred by the Trustee to the Series 2023 General Redemption Subaccount of the Series 2023 Bond Redemption Account. Subject to the provisions of Section 4.01(f) hereof, the Series 2023 Acquisition and Construction Account shall be closed upon the expenditure or transfer of all funds therein including moneys deposited therein as a result of satisfaction of the Release Conditions. Upon presentment to the Trustee of a properly signed requisition in substantially the form attached hereto as Exhibit C, the Trustee shall withdraw moneys from the Series 2023 Acquisition and Construction Account and make payment to the Persons so designated in such requisition. Pursuant to the Master Indenture, the Trustee shall establish a separate Account within the Acquisition and Construction Fund designated as the “Series 2023 Costs of Issuance Account.” Net proceeds of the Series 2023 Bonds shall be deposited into the Series 2023 Costs of Issuance Account in the amount set forth in Section 2.06 of this First Supplemental Indenture. Upon presentment to the Trustee of a properly signed requisition in substantially the form attached hereto as Exhibit C, the Trustee shall withdraw moneys from the Series 2023 Costs of Issuance Account to pay the costs of issuing the Series 2023 Bonds. Six months after the issuance of the Series 2023 Bonds, any moneys remaining in the Series 2023 Costs of Issuance Account in excess of the amounts requested to be disbursed by the Issuer shall be deposited into the Series 2023 Interest Account. Any deficiency in the amount allocated to pay the cost of issuing the Series 2023 Bonds shall be paid from excess Series 2023 Pledged Revenues on deposit in the Series 2023 Revenue Account in accordance with Section 4.02 SEVENTH hereof. When there are no further moneys therein, the Series 2023 Costs of Issuance Account shall be closed.

(b) Pursuant to Section 6.03 of the Master Indenture, the Trustee shall establish a separate Account within the Revenue Fund designated as the “Series 2023 Revenue Account.” Series 2023 Special Assessments (except for Prepayments of Series 2023 Special

Assessments which shall be identified as such by the Issuer to the Trustee and deposited in the Series 2023 Prepayment Subaccount) shall be deposited by the Trustee into the Series 2023 Revenue Account which shall be applied as set forth in Section 6.03 of the Master Indenture and Section 4.02 of this First Supplemental Indenture.

(c) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Fund designated as the “Series 2023 Principal Account.” Moneys shall be deposited into the Series 2023 Principal Account as provided in Section 6.04 of the Master Indenture and Section 4.02 of this First Supplemental Indenture, and applied for the purposes provided therein.

(d) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Fund designated as the “Series 2023 Interest Account.” Moneys deposited into the Series 2023 Interest Account pursuant to Section 6.04 of the Master Indenture and Sections 2.06 and 4.02 of this First Supplemental Indenture, shall be applied for the purposes provided therein.

(e) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish another separate Account within the Debt Service Fund designated as the “Series 2023 Sinking Fund Account.” Moneys shall be deposited into the Series 2023 Sinking Fund Account as provided in Section 6.04 of the Master Indenture and Section 4.02 of this First Supplemental Indenture and applied for the purposes provided therein and in Section 3.01(c) of this First Supplemental Indenture.

(f) Pursuant to Section 6.05 of the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Reserve Fund designated as the “Series 2023 Reserve Account.” Proceeds of the Series 2023 Bonds shall be deposited into the Series 2023 Reserve Account in the amount set forth in Section 2.06 of this First Supplemental Indenture, and such moneys, together with any other moneys deposited into the Series 2023 Reserve Account shall be applied for the purposes provided therein and in this Section 4.01(f) of this First Supplemental Indenture.

On each May 1 and November 1 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Series 2023 Reserve Account and transfer any excess therein above the Reserve Requirement for the Series 2023 Bonds caused by investment earnings to the Series 2023 Acquisition and Construction Account and after the Completion Date to the Series 2023 Revenue Account.

Notwithstanding any of the foregoing, amounts on deposit in the Series 2023 Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Series 2023 Bonds to the Series 2023 General Redemption Subaccount of the Series 2023 Bond Redemption Account, if as a result of the application of Article X of the Master Indenture, the proceeds received from lands sold subject to the Series 2023 Special Assessments and applied to redeem a portion of the Series 2023 Bonds is less than the principal amount of Series 2023 Bonds indebtedness attributable to such lands.

Subject to the provisions of Section 4.05 hereof, on any date the Issuer or the District Manager, on behalf of the Issuer, receives notice that a landowner wishes to prepay its Series

2023 Special Assessments relating to the benefited property of such landowner within the District, or as a result of a mandatory true-up payment, the Issuer shall, or cause the District Manager, on behalf of the Issuer to, calculate the principal amount of such Prepayment taking into account a credit against the amount of the Series 2023 Prepayment Principal due by the amount of money in the Series 2023 Reserve Account that will be in excess of the applicable Reserve Requirement, taking into account the proposed Prepayment. Such excess in the Series 2023 Reserve Account shall be transferred by the Trustee to the Series 2023 Prepayment Subaccount of the Series 2023 Bond Redemption Account, as a result of such Prepayment. The District Manager, on behalf of the Issuer, shall make such calculation within ten (10) Business Days after notice of such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the landowner from the Series 2023 Reserve Account to the Series 2023 Prepayment Subaccount of the Series 2023 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Series 2023 Bonds in accordance with Section 3.01(b)(i) hereof. The Trustee is authorized to make such transfers and has no duty to verify such calculations. Notwithstanding the foregoing, upon satisfaction of the Release Conditions, the Trustee shall deposit such excess on deposit in the Series 2023 Reserve Account to the Series 2023 Acquisition and Construction Account and pay such amount deposited in the Series 2023 Acquisition and Construction Account to the Person or Persons designated in a requisition in the form attached hereto as Exhibit “C” submitted by the Developer within thirty (30) days of such transfer which requisition shall be executed by the Issuer and the Consulting Engineer. Such payment is authorized notwithstanding that the Completion Date might have been declared provided the Developer can establish, to the satisfaction of the Consulting Engineer, Costs of the 2023 Project that were not paid from moneys initially deposited in the Series 2023 Acquisition and Construction Account. In the event that there are no unreimbursed Costs of the 2023 Project to pay to the Developer, such excess moneys transferred from the Series 2023 Reserve Account to the Series 2023 Acquisition and Construction Account shall be deposited into the Series 2023 General Redemption Subaccount of the Series 2023 Bond Redemption Account.

Upon satisfaction of the Release Conditions as evidenced by a written certificate of the District Manager delivered to the Issuer and the Trustee, stating that the Release Conditions have been satisfied and setting forth the amount of the new Series 2023 Reserve Requirement, the Trustee shall without further direction reduce the Series 2023 Reserve Requirement to ten percent (10%) of the maximum annual Debt Service Requirement of the then Outstanding principal amount of the Series 2023 Bonds as calculated by the District. The excess amount in the Series 2023 Reserve Account shall be transferred to the Series 2023 Acquisition and Construction Account or the Series 2023 General Redemption Subaccount of the Series 2023 Bond Redemption Account, as applicable. The Trustee may conclusively rely on such written certificate of the District Manager.

In addition, in the event of an extraordinary mandatory redemption pursuant to Section 3.01(b)(iii), the District Manager, on behalf of the Issuer, shall calculate the applicable Reserve Requirement and communicate the same to the Trustee and the Trustee shall apply any excess in the Series 2023 Reserve Account toward such extraordinary mandatory redemption. Further, moneys on deposit in the Series 2023 Reserve Account may be used to pay interest on the Series 2023 Bonds pursuant to the provisions of the last paragraph of Section 4.05 hereof. Notwithstanding any provision in the Master Indenture to the contrary, a draw on the Series 2023

Reserve Account for such purpose shall not constitute an Event of Default whether or not such draw is replenished within thirty (30) days.

(g) Pursuant to Section 6.06 of the Master Indenture, the Trustee shall establish a separate Series Bond Redemption Account within the Bond Redemption Fund designated as the “Series 2023 Bond Redemption Account” and within such Account, a “Series 2023 General Redemption Subaccount,” a “Series 2023 Optional Redemption Subaccount,” and a “Series 2023 Prepayment Subaccount.” Except as otherwise provided in this First Supplemental Indenture regarding Prepayments or in connection with the optional redemption of the Series 2023 Bonds, moneys to be deposited into the Series 2023 Bond Redemption Account as provided in Section 6.06 of the Master Indenture, shall be deposited to the Series 2023 General Redemption Subaccount of the Series 2023 Bond Redemption Account.

(h) Moneys that are deposited into the Series 2023 General Redemption Subaccount of the Series 2023 Bond Redemption Account (including all earnings on investments held therein) shall be used to call Series 2023 Bonds for the extraordinary mandatory redemption in whole, pursuant to Section 3.01(b)(ii) hereof or in part pursuant to Section 3.01(b)(iii) hereof.

(i) Moneys in the Series 2023 Prepayment Subaccount of the Series 2023 Bond Redemption Account (including all earnings on investments held in such Series 2023 Prepayment Subaccount of the Series 2023 Bond Redemption Account) shall be accumulated therein to be used to call for redemption pursuant to Section 3.01(b)(i) hereof an amount of Series 2023 Bonds equal to the amount of money transferred to the Series 2023 Prepayment Subaccount of the Series 2023 Bond Redemption Account for the purpose of such extraordinary mandatory redemption on the dates and at the price provided in such Section 3.01(b)(i) hereof.

(j) The Issuer hereby directs the Trustee to establish a Series 2023 Rebate Fund designated as the “Series 2023 Rebate Fund.” Moneys shall be deposited into the Series 2023 Rebate Fund, as provided in the Arbitrage Certificate and applied for the purposes provided therein.

SECOND, upon receipt but no later than the Business Day next preceding each December 15 commencing December 15, 2023, to the Series 2023 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2023 Bonds

becoming due on the next succeeding December 15, less any amounts on deposit in the Series 2023 Interest Account not previously credited;

THIRD, no later than the Business Day next preceding each December 15, commencing December 15, 2023, to the Series 2023 Sinking Fund Account of the Debt Service Fund, an amount equal to the principal amount of Series 2023 Bonds subject to sinking fund redemption on such June 15, less any amount on deposit in the Series 2023 Sinking Fund Account not previously credited;

FOURTH, no later than the Business Day next preceding each December 15, which is the principal payment date for any Series 2023 Bonds, to the Series 2023 Principal Account of the Debt Service Fund, an amount equal to the principal amount of Series 2023 Bonds Outstanding maturing on such December 15, less any amounts on deposit in the Series 2023 Principal Account not previously credited;

FIFTH, notwithstanding the foregoing, at any time the Series 2023 Bonds are subject to redemption on a date which is not a June 15 or December 15 Interest Payment Date, the Trustee shall be authorized to transfer from the Series 2023 Revenue Account to the Series 2023 Interest Account, the amount necessary to pay interest on the Series 2023 Bonds subject to redemption on such date;

SIXTH, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2023 Bonds remain Outstanding, to the Series 2023 Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Reserve Requirement for the Series 2023 Bonds; and

SEVENTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be deposited into the Series 2023 Costs of Issuance Account to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2023 Bonds and next, any balance in the Series 2023 Revenue Account shall remain on deposit in such Series 2023 Revenue Account, unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2023 Rebate Fund , in which case, the Issuer shall direct the Trustee to make such deposit thereto.

SECTION 4.03. Power to Issue Series 2023 Bonds and Create Lien. The Issuer is duly authorized under the Act and all applicable laws of the State to issue the Series 2023 Bonds, to execute and deliver the Indenture and to pledge the Series 2023 Pledged Revenues for the benefit of the Series 2023 Bonds to the extent set forth herein. The Series 2023 Pledged Revenues are not and shall not be subject to any other lien senior to or on a parity with the lien created in favor of the Series 2023 Bonds, except as otherwise permitted under the Master Indenture. The Series 2023 Bonds and the provisions of the Indenture are and will be valid and legally enforceable obligations of the Issuer in accordance with their respective terms. The Issuer shall, at all times, to the extent permitted by law, defend, preserve and protect the pledge created by the Indenture and all the rights of the Owners of the Series 2023 Bonds under the Indenture against all claims and demands of all persons whomsoever.

SECTION 4.04. 2023 Project to Conform to Consulting Engineers Report. Upon the issuance of the Series 2023 Bonds, the Issuer will promptly proceed to construct or acquire the 2023 Project, as described in Exhibit A hereto and in the Consulting Engineer's Report relating thereto, all pursuant to the terms and provisions of the Acquisition Agreement.

SECTION 4.05. Prepayments; Removal of the Special Assessment Liens.

(a) At any time any owner of property subject to the Series 2023 Special Assessments may, at its option, or as a result of acceleration of the Series 2023 Special Assessments because of non-payment thereof or as a result of true-up payment, shall require the Issuer to reduce or release and extinguish the lien upon its property by virtue of the levy of the Series 2023 Special Assessments by paying or causing there to be paid, to the Issuer all or a portion of the Series 2023 Special Assessment, which shall constitute Series 2023 Prepayment Principal, plus, except as provided below, accrued interest to the next succeeding Interest Payment Date (or the next succeeding Interest Payment Date if such Prepayment is made within forty-five (45) calendar days before an Interest Payment Date), attributable to the property subject to the Series 2023 Special Assessment owned by such owner. To the extent that such Prepayments are to be used to redeem Series 2023 Bonds, in the event the amount in the Series 2023 Debt Service Reserve Account will exceed the Reserve Requirement for the Series 2023 Bonds as a result of a Prepayment in accordance with this Section 4.05(a) and the resulting redemption of the Series 2023 Bonds in accordance with Section 3.01(b)(i) of this Sixth Supplemental Indenture, the excess amount shall be transferred from the Series 2023 Debt Service Reserve Account to the Series 2023 Prepayment Subaccount of the Series 2023 Bond Redemption Account as a credit against the Series 2023 Prepayment Principal otherwise required to be paid by the owner of such lot or parcel, upon written instructions to the Trustee of the District Manager upon which the Trustee may conclusively rely, on behalf of the Issuer, together with a certification stating that, after giving effect to such transfers sufficient moneys will be on deposit in the Series 2023 Debt Service Reserve Account to equal or exceed the Reserve Requirement for the Series 2023 Bonds and which certificate of the District Manager will further state that, after giving effect to the proposed redemption of Series 2023 Bonds, there will be sufficient Series 2023 Pledged Revenues to pay the principal and interest, when due, on all Series 2023 Bonds that will remain Outstanding.

(b) Upon receipt of Series 2023 Prepayment Principal as described in paragraph (a) above, subject to satisfaction of the conditions set forth therein, the Issuer shall immediately pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official records of the Issuer that the Series 2023 Special Assessment has been paid in whole or in part and that such Series 2023 Special Assessment lien is thereby reduced, or released and extinguished, as the case may be.

(c) The Trustee may conclusively rely on the Issuer's determination of what moneys constitute Series 2023 Prepayment Principal and interest thereon. The Trustee shall calculate the amount available for extraordinary mandatory redemption of the Series 2023 Bonds pursuant to Section 3.01(b)(i) hereof forty-five (45) days before each Quarterly Redemption Date and will withdraw money from the Series 2023 Reserve Account as a credit against the amount of Prepayment that is owed in an amount as directed by the District. No credit shall be given if as a result the Reserve Requirement shall be less than is required after taking into account the proposed extraordinary mandatory redemption pursuant to Section 3.01(b)(i) hereof. At any time

such Prepayment is not in an integral multiple of \$5,000, the Trustee shall withdraw moneys from the Series 2023 Revenue Account to round-up to an integral multiple of \$5,000 and deposit such amount into the Series 2023 Prepayment Subaccount. Notwithstanding the foregoing, the Trustee shall not be authorized to withdraw any moneys from the Series 2023 Revenue Account unless all of the deposits required under Section 4.02 hereof have or can be made to the next succeeding Interest Payment Date.

Pursuant to the terms and provisions of the Master Indenture and except as provided in the next succeeding sentence, the Issuer shall collect the Series 2023 Special Assessments relating to the acquisition and construction of the 2023 Project through the Uniform Method of Collection (the “Uniform Method”) afforded by Chapter 197, Florida Statutes. Pursuant to the terms and provisions of the Master Indenture, the Issuer shall, pursuant to the provisions of the Assessment Resolutions, directly collect the Series 2023 Special Assessments levied in lieu of the Uniform Method with respect to any assessable lands which have not yet been platted, or the timing for using the Uniform Method will not yet allow for using such method, unless the Trustee at the direction of the Majority Holders directs the Issuer otherwise. In addition, and not in limitation of, the covenants contained elsewhere in this First Supplemental Indenture and in the Master Indenture, the Issuer covenants to comply with the terms of the proceedings heretofore adopted with respect to the Series 2023 Special Assessments, and to levy the Series 2023 Special Assessments in such manner as will generate funds sufficient to pay debt service on the Series 2023 Bonds when due. All Series 2023 Special Assessments that are collected directly by the Issuer shall be due and payable by the landowner not later than thirty (30) days prior to each Interest Payment Date.

SECTION 5.02. Continuing Disclosure. The Issuer covenants and agrees to comply with the provisions of such Continuing Disclosure Agreement applicable to it; however, as set forth therein, failure to so comply shall not constitute an Event of Default hereunder, but shall instead be enforceable by mandamus or any other means of specific performance.

SECTION 5.03. Investment of Funds and Accounts. The provisions of Section 7.02 of the Master Indenture shall apply to the investment and reinvestment of moneys in the Series 2023 Accounts and subaccounts therein created hereunder.

SECTION 5.04. Additional Obligations. The Issuer covenants not to issue any other Bonds or other debt obligations secured by the Series 2023 Special Assessments. Such covenant shall not prohibit the Issuer from issuing refunding Bonds. In addition, the Issuer covenants not to issue any other Bonds or debt obligations for capital projects, secured by special assessments on the land within the District which secure the Series 2023 Special Assessments, until the Series 2023 Special Assessments are Substantially Absorbed. The Issuer’s covenants described above shall not preclude the imposition of Special Assessments or other non-ad valorem assessments on such lands in connection with other capital projects that are necessary for health, safety or welfare reasons or to remediate a natural disaster. The Issuer shall provide the Trustee with a certification that the Series 2023 Special Assessments are Substantially Absorbed and the Trustee may conclusively rely upon such certification and shall have no duty to verify if the Series 2023 Special Assessments are Substantially Absorbed. Notwithstanding any provision in the Indenture to the contrary, the Issuer may issue other Bonds or debt obligations secured by Special Assessments, other than the Series 2023 Special Assessments, at any time upon the written consent of the Majority Holders.

SECTION 5.05. Acknowledgement Regarding Series 2023 Acquisition and Construction Account Moneys Following an Event of Default. In accordance with the provisions of the Indenture, the Series 2023 Bonds are payable solely from the Series 2023 Pledged Revenues. Anything in the Indenture to the contrary notwithstanding, the Issuer hereby acknowledges that the Series 2023 Pledged Revenues include, without limitation, all amounts on deposit in the Series 2023 Acquisition and Construction Account of the Acquisition and Construction Fund then held by the Trustee, and upon the occurrence of an Event of Default with respect to the Series 2023 Bonds, (i) the Series 2023 Pledged Revenues may not be used by the Issuer (whether to pay costs of the 2023 Project or otherwise) without the consent of the Majority Holders, and (ii) the Series 2023 Pledged Revenues may be used by the Trustee, at the direction or with the approval of the Majority Holders, to pay the reasonable costs and expenses incurred in connection with the pursuit of remedies under the Indenture. The Issuer covenants not to enter into any contract regarding the 2023 Project from and after the occurrence of an Event of Default without the written direction of the Majority Holders.

(i) from Series 2023 Prepayment Principal deposited into the Series 2023 Prepayment Subaccount of the Series 2023 Bond Redemption Account following the payment in whole or in part of Series 2023 Special Assessments on any assessable lands within the District in accordance with the provisions of Section 4.05 of the First Supplemental Indenture.

(ii) from moneys, if any, on deposit in the Series 2023 Funds, Accounts and Subaccounts in the Funds and Accounts (other than the Series 2023 Rebate Fund, the Series 2023 Costs of Issuance Account and the Series 2023 Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Series 2023 Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Indenture.

Except as otherwise provided in the Indenture, if less than all of the Bonds subject to redemption shall be called for redemption, the particular such Bonds or portions of such Bonds to be redeemed shall be selected randomly by the Trustee, as provided in the Indenture.

Notice of each redemption of the Bonds is required to be mailed by the Trustee by class mail, postage prepaid, not less than thirty (30) nor more than sixty (60) days prior to the redemption date to each Registered Owner of the Bonds to be redeemed at the address of such Registered Owner recorded on the bond register maintained by the Registrar. Further notice of redemption shall be given by the Trustee to certain registered securities depositories and information services as set forth in the Indenture, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed. Notwithstanding the foregoing, the Trustee is authorized to give conditional notice of redemption as provided in the Master Indenture.

The Owner of this Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any Event of Default under the Indenture, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture.

Modifications or alterations of the Indenture or of any indenture supplemental thereto may be made only to the extent and in the circumstances permitted by the Indenture.

Any moneys held by the Trustee or Paying Agent in trust for the payment and discharge of any Bond which remain unclaimed for three (3) years after the date when such Bond has become due and payable, either at its stated maturity date or by call for earlier redemption shall be paid to the Issuer, thereupon and thereafter no claimant shall have any rights against the Trustee or Paying Agent to or in respect of such moneys.

If the Issuer deposits or causes to be deposited with the Trustee funds or Defeasance Securities (as defined in the Master Indenture) sufficient to pay the principal or Redemption Price of any Bonds becoming due at maturity or by call for redemption in the manner set forth in the Indenture, together with the interest accrued to the due date, the lien of such Bonds as to the trust estate with respect to such Bonds shall be discharged, except for the rights of the Owners thereof with respect to the funds so deposited as provided in the Indenture.

This Bond shall have all the qualities and incidents, including negotiability, of investment securities within the meaning and for all the purposes of the Uniform Commercial Code of the State of Florida.

The Issuer shall keep books for the registration of the Bonds at the designated corporate trust office of the Registrar in Fort Lauderdale, Florida. Subject to the restrictions contained in

the Indenture, the Bonds may be transferred or exchanged by the registered owner thereof in person or by his attorney duly authorized in writing only upon the books of the Issuer kept by the Registrar and only upon surrender thereof together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or his duly authorized attorney. In all cases in which the privilege of transferring or exchanging Bonds is exercised, the Issuer shall execute and the Trustee shall authenticate and deliver a new Bond or Bonds in authorized form and in like aggregate principal amount in accordance with the provisions of the Indenture. Every Bond presented or surrendered for transfer or exchange shall be duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Trustee, Paying Agent or the Registrar, duly executed by the Bondholder or his attorney duly authorized in writing. Transfers and exchanges shall be made without charge to the Bondholder, except that the Issuer or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds.

The Issuer, the Trustee, the Paying Agent and the Registrar shall deem and treat the person in whose name any Bond shall be registered upon the books kept by the Registrar as the absolute owner thereof (whether or not such Bond shall be overdue) for the purpose of receiving payment of or on account of the principal of, premium, if any, and interest on such Bond as the same becomes due, and for all other purposes. All such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the Issuer, the Trustee, the Paying Agent, nor the Registrar shall be affected by any notice to the contrary.

It is hereby certified and recited that all acts, conditions and things required to exist, to happen, and to be performed, precedent to and in connection with the issuance of this Bond exist, have happened and have been performed in regular and due form and time as required by the laws and Constitution of the State of Florida applicable thereto, including particularly the Act, and that the issuance of this Bond, and of the issue of the Bonds of which this Bond is one, is in full compliance with all constitutional and statutory limitations or provisions.
