Mr. Ben Steets with Grau and Associates indicated this audit was performed in accordance with the standards set by the Florida Auditor General and the generally accepted auditing standards. SIXTH ORDER OF BUSINESS

Staff Reports

I. District Attorney

a) New performance reporting requirements for CDDs

Mr. Greg Urbancic reminded the Board to complete the 4 ours of ethics training this year. He noted there were a lot of options for completing the training, but Mr. Ward and he had a memo to send to the Board which included links to free options for the training. He reported a new bill passed regarding performance reporting requirements for CDDs and was awaiting action from the Governor; however, he felt the Governor would sign the bill. He explained the CDD would be required to create performance measures by October 1st, and every year annually the CDD would be required to publish an annual report regarding how the CDD performed with respect to the performance measures. He stated he would keep the CDD Board updated regarding this bill.

Mr. Scott Edwards asked what exactly would be measured.

Mr. Urbancic: It says any program and activity undertaken by the District. If we do stormwater, we have to have goals and objectives for stormwater. I know it sounds kind of silly, but I guess that's what we have to do. There isn't a whole lot of context. It's a very short paragraph they added to the Special District section, so we will have to come up with something in that regard.

II. District Engineer

No report.

III. District Manager

- a) Florida Law changes to Form 1 Filings
- b) **Important Board Meeting Dates for Balance of Fiscal Year 2024**
 - 1. June 20, 2024 - Public Hearings: Proposed Fiscal Year 2025 Budget
 - 2. November 21, 2024 - Landowners Election (Seats 1, 2 & 5)
- c) Financial Statement for period ending December 31, 2023 (unaudited)
- d) Financial Statement for period ending January 31, 2024 (unaudited)
- e) Financial Statement for period ending February 29, 2024 (unaudited)

Mr. Ward: There is a memo in your Board Packet. We will send you the memo separately that has the links for ethics training in it. There are three ethics courses you have to take this year, one is ethics, one is the sunshine law, and one is public records. The links we will send you, you can do the courses for free. One is a YouTube video, the other two are power point presentations. The ethics training is required to be finished by December 31 this year. It will go on your Form 1 that

you file by July of 2025, but you have to complete it this year to be able to check the box on the Form 1 for next year when you file. I would strongly suggest you just do it and get it out of the way. In addition to that, the State did change the way in which you file your Form 1 this year. You must file them electronically with the Ethics Commission. We will also send you the link to their website. You will have to create a username and password. I understand it is relatively simple to do. The Form 1 that you fill out this year is for 2023. So, there is no ethics training required this year. You do not need to check the box. You just fill it out, sign it, and off you go. Then next year you will check the box. We will send you instructions. Greg will send you instructions. We will make sure we do it a couple times before the dates are over, but please make sure you do it. The one change in the law in addition to what Greg mentioned is the \$25 dollar per day fine for late filing which previously was somewhat discretionary by the Supervisor of Elections, but with the new law, if you don't file, you will automatically get fined by the system and you will get notice, and the fines will continue to accrue every day, until it hits \$1,500 dollars, or until you file the Form 1. So, if you don't file on time, there is nothing we can do, so please make sure you do it going forward.

SEVENTH ORDER OF BUSINESS**Supervisor's Requests and Audience Comments**

Mr. Ward asked if there were any Supervisor's requests; there were none. He asked if there were any audience comments from audience members present in person, or via audio/video; there were none.
