I. HISTORY OF FLORIDA'S ETHICS LAWS

Florida has been a leader among the states in establishing ethics standards for public officials and recognizing the right of citizens to protect the public trust against abuse. Our state Constitution was revised in 1968 to require a code of ethics, prescribed by law, for all state employees and non-judicial officers prohibiting conflict between public duty and private interests.

Florida's first successful constitutional initiative resulted in the adoption of the Sunshine Amendment in 1976, providing additional constitutional guarantees concerning ethics in government. In the area of enforcement, the Sunshine Amendment requires that there be an independent commission (the Commission on Ethics) to investigate complaints concerning breaches of public trust by public officers and employees other than judges.

The Code of Ethics for Public Officers and Employees is found in Chapter 112 (Part III) of the Florida Statutes. Foremost among the goals of the Code is to promote the public interest and maintain the respect of the people for their government. The Code is also intended to ensure that public officials conduct themselves independently and impartially, not using their offices for private gain other than compensation provided by law. While seeking to protect the integrity of government, the Code also seeks to avoid the creation of unnecessary barriers to public service.

Criminal penalties, which initially applied to violations of the Code, were eliminated in 1974 in favor of administrative enforcement. The Legislature created the Commission on Ethics that year "to serve as guardian of the standards of conduct" for public officials, state and local. Five of the Commission's nine members are appointed by the Governor, and two each are appointed by the President of the Senate and Speaker of the House of Representatives. No more than five Commission members may be members of the same political party, and none may be lobbyists, or hold any public employment during their two-year terms of office. A chair is selected from among the members to serve a one-year term and may not succeed himself or herself.

II. ROLE OF THE COMMISSION ON ETHICS

In addition to its constitutional duties regarding the investigation of complaints, the Commission:

- Renders advisory opinions to public officials;
- Prescribes forms for public disclosure;
- Prepares mailing lists of public officials subject to financial disclosure for use by Supervisors of Elections and the Commission in distributing forms and notifying delinquent filers;
- Makes recommendations to disciplinary officials when appropriate for violations of ethics and disclosure laws, since it does not impose penalties;
- Administers the Executive Branch Lobbyist Registration and Reporting Law;
- Maintains financial disclosure filings of constitutional officers and state officers and employees; and,
- Administers automatic fines for public officers and employees who fail to timely file required annual financial disclosure.

III. THE ETHICS LAWS

The ethics laws generally consist of two types of provisions, those prohibiting certain actions or conduct and those requiring that certain disclosures be made to the public. The following descriptions of these laws have been simplified in an effort to provide notice of their requirements. Therefore, we suggest that you also review the wording of the actual law. Citations to the appropriate laws are in brackets.

The laws summarized below apply generally to all public officers and employees, state and local, including members of advisory bodies. The principal exception to this broad coverage is the exclusion of judges, as they fall within the jurisdiction of the Judicial Qualifications Commission.

Public Service Commission (PSC) members and employees, as well as members of the PSC Nominating Council, are subject to additional ethics standards that are enforced by the Commission on Ethics under Chapter 350, Florida Statutes. Further, members of the governing boards of charter schools are subject to some of the provisions of the Code of Ethics [Sec. 1002.33(26), Fla. Stat.], as are the officers, directors, chief executive officers and some employees of business entities that serve as the chief administrative or executive officer or employee of a political subdivision. [Sec. 112.3136, Fla. Stat.].

A. PROHIBITED ACTIONS OR CONDUCT

1. Solicitation and Acceptance of Gifts

Public officers, employees, local government attorneys, and candidates are prohibited from soliciting or accepting anything of value, such as a gift, loan, reward, promise of future employment, favor, or service, that is based on an understanding that their vote, official action, or judgment would be influenced by such gift. [Sec. 112.313(2), Fla. Stat.]

Persons required to file financial disclosure FORM 1 or FORM 6 (see Part III F of this brochure), and state procurement employees, are prohibited from **soliciting** any gift from a political committee, lobbyist who has lobbied the official or his or her agency within the past 12 months, or the partner, firm, employer, or principal of such a lobbyist or from a vendor doing business with the official's agency. [Sec. 112.3148, Fla. Stat.]

Persons required to file FORM 1 or FORM 6, and state procurement employees are prohibited from directly or indirectly **accepting** a gift worth more than \$100 from such a lobbyist, from a partner, firm, employer, or principal of the lobbyist, or from a political committee or vendor doing business with their agency. [Sec. 112.3148, Fla. Stat.]

However, notwithstanding Sec. 112.3148, Fla. Stat., no Executive Branch lobbyist or principal shall make, directly or indirectly, and no Executive Branch agency official who files FORM 1 or FORM 6 shall knowingly accept, directly or indirectly, **any expenditure** made for the purpose of lobbying. [Sec. 112.3215, Fla. Stat.] Typically, this would include gifts valued at less than \$100 that formerly

were permitted under Section 112.3148, Fla. Stat. Similar rules apply to members and employees of the Legislature. However, these laws are not administered by the Commission on Ethics. [Sec. 11.045, Fla. Stat.]

Also, persons required to file Form 1 or Form 6, and state procurement employees and members of their immediate families, are prohibited from accepting any gift from a political committee. [Sec. 112.31485, Fla. Stat.]

2. Unauthorized Compensation

Public officers or employees, local government attorneys, and their spouses and minor children are prohibited from accepting any compensation, payment, or thing of value when they know, or with the exercise of reasonable care should know, that it is given to influence a vote or other official action. [Sec. 112.313(4), Fla. Stat.]

3. Misuse of Public Position

Public officers and employees, and local government attorneys are prohibited from corruptly using or attempting to use their official positions or the resources thereof to obtain a special privilege or benefit for themselves or others. [Sec. 112.313(6), Fla. Stat.]

4. Abuse of Public Position

Public officers and employees are prohibited from abusing their public positions in order to obtain a disproportionate benefit for themselves or certain others. [Article II, Section 8(h), Florida Constitution.]

5. Disclosure or Use of Certain Information

Public officers and employees and local government attorneys are prohibited from disclosing or using information not available to the public and obtained by reason of their public position, for the personal benefit of themselves or others. [Sec. 112.313(8), Fla. Stat.]

6. *Solicitation or Acceptance of Honoraria*

Persons required to file financial disclosure FORM 1 or FORM 6 (see Part III F of this brochure), and state procurement employees, are prohibited from **soliciting** honoraria related to their public offices or duties. [Sec. 112.3149, Fla. Stat.]

Persons required to file FORM 1 or FORM 6, and state procurement employees, are prohibited from knowingly **accepting** an honorarium from a political committee, lobbyist who has lobbied the person's agency within the past 12 months, or the partner, firm, employer, or principal of such a lobbyist, or from a vendor doing business with the official's agency. However, they may accept the payment of expenses related to an honorarium event from such individuals or entities, provided that the expenses are disclosed. See Part III F of this brochure. [Sec. 112.3149, Fla. Stat.]

Lobbyists and their partners, firms, employers, and principals, as well as political committees and vendors, are prohibited from **giving** an honorarium to persons required to file FORM 1 or FORM 6 and to state procurement employees. Violations of this law may result in fines of up to \$5,000 and prohibitions against lobbying for up to two years. [Sec. 112.3149, Fla. Stat.]

However, notwithstanding Sec. 112.3149, Fla. Stat., no Executive Branch or legislative lobbyist or principal shall make, directly or indirectly, and no Executive Branch agency official who files FORM 1 or FORM 6 shall knowingly accept, directly or indirectly, **any expenditure** made for the purpose of lobbying. [Sec. 112.3215, Fla. Stat.] This may include honorarium event related expenses that formerly were permitted under Sec. 112.3149, Fla. Stat. Similar rules apply to members and employees of the Legislature. However, these laws are not administered by the Commission on Ethics. [Sec. 11.045, Fla. Stat.]

- b) A public officer or employee, acting in a private capacity, also is prohibited from renting, leasing, or selling any realty, goods, or services to his or her own agency if the officer or employee is a state officer or employee, or, if he or she is an officer or employee of a political subdivision, to that subdivision or any of its agencies. - g) When the business transacted is the deposit of agency funds in a bank of which a county, city, or district official is an officer, director, or stockholder, so long as agency records show that the governing body has determined that the member did not favor his or her bank over other qualified banks.
- h) When the prohibitions are waived in the case of ADVISORY BOARD MEMBERS by the appointing person or by a two-thirds vote of the appointing body (after disclosure on Commission FORM 4A).
- i) When the public officer or employee purchases in a private capacity goods or services, at a price and upon terms available to similarly situated members of the general public, from a business entity which is doing business with his or her agency.
- j) When the public officer or employee in a private capacity purchases goods or services from a business entity which is subject to the regulation of his or her agency where the price and terms of the transaction are available to similarly situated members of

the general public and the officer or employee makes full disclosure of the relationship to the agency head or governing body prior to the transaction.

4. *Additional Exemptions*

No elected public officer is in violation of the conflicting employment prohibition when employed by a tax exempt organization contracting with his or her agency so long as the officer is not directly or indirectly compensated as a result of the contract, does not participate in any way in the decision to enter into the contract, abstains from voting on any matter involving the employer, and makes certain disclosures. [Sec. 112.313(15), Fla. Stat.]

5. *Legislators Lobbying State Agencies*

A member of the Legislature is prohibited from representing another person or entity for compensation during his or her term of office before any state agency other than judicial tribunals. [Art. II, Sec. 8(e), Fla. Const., and Sec. 112.313(9), Fla. Stat.]

[Art. II Sec 8(f)(2), Fla. Const. and Sec. 112.3121, Fla. Stat.]

9. *Contractual Services: Prohibited Employment*

A state employee of the executive or judicial branch who participates in the decision-making process involving a purchase request, who influences the content of any specification or procurement standard, or who renders advice, investigation, or auditing, regarding his or her agency's contract for services, is prohibited from being employed with a person holding such a contract with his or her agency. [Sec. 112.3185(2), Fla. Stat.]

10. *Local Government Attorneys*

Local government attorneys, such as the city attorney or county attorney, and their law firms are prohibited from representing private individuals and entities before the unit of local government which they serve. [Sec. 112.313(16), Fla. Stat.]

11. *Dual Public Employment*

Candidates and elected officers are prohibited from accepting public employment if they know or should know it is being offered for the purpose of influence. Further, public employment may not be accepted unless the position was already in existence or was created without the anticipation of the official's interest, was publicly advertised, and the officer had to meet the same qualifications and go through the same hiring process as other applicants. For elected public officers already holding public employment, no promotion given for the purpose of influence may be accepted, nor may promotions that are inconsistent with those given other similarly situated employees. [Sec. 112.3125, Fla. Stat.]

C. RESTRICTIONS ON APPOINTING, EMPLOYING, AND CONTRACTING WITH RELATIVES

1. *Anti-Nepotism Law*

A public official is prohibited from seeking for a relative any appointment, employment, promotion, or advancement in the agency in which he or she is serving or over which the official exercises jurisdiction or control. No person may be appointed, employed, promoted, or advanced in or to a position in an agency if such action has been advocated by a related public official who is serving in or exercising jurisdiction or control over the agency; this includes relatives of members of collegial government bodies. NOTE: This prohibition does not apply to school districts (except as provided in Sec. 1012.23, Fla. Stat.), community colleges and state universities, or to appointments of boards, other than those with land-planning or zoning responsibilities, in municipalities of fewer than 35,000 residents. [Art. II Sec 8(f)(3)c., Fla. Const. and Sec. 112.3121, Fla. Stat.]

4. *Additional Restrictions on Former State Employees*

A former executive or judicial branch employee or PSC employee is prohibited from having employment or a contractual relationship, at any time after retirement or termination of employment, with any business entity (other than a public agency) in connection with a contract in which the employee participated personally and substantially by recommendation or decision while a public employee. [Sec. 112.3185(3), Fla. Stat.]

A former executive or judicial branch employee or PSC employee who has retired or terminated employment is prohibited from having any employment or contractual relationship for two years with any business entity (other than a public agency) in connection with a contract for services which was within his or her responsibility while serving as a state employee. [Sec.112.3185(4), Fla. Stat.]

Unless waived by the agency head, a former executive or judicial branch employee or PSC employee may not be paid more for contractual services provided by him or her to the former agency during the first year after leaving the agency than his or her annual salary before leaving. [Sec. 112.3185(5), Fla. Stat.]

These prohibitions do not apply to PSC employees who were so employed on or before Dec. 31, 1994.

5. *Lobbying by Former Local Government Officers and Employees*

A person elected to county, municipal, school district, or special district office is prohibited from representing another person or entity for compensation before the government body or agency of which he or she was an officer for two years after leaving office. Appointed officers and employees of counties, municipalities, school districts, and special districts may be subject to a similar restriction by local ordinance or resolution. [Sec. 112.313(13) and (14), Fla. Stat.]

E. VOTING CONFLICTS OF INTEREST

State public officers are prohibited from voting in an official capacity on any measure which they know would inure to their own special private gain or loss. A state public officer who abstains, or who votes on a measure which the officer knows would inure to the special private gain or loss of any principal by whom he or she is retained, of the parent organization or subsidiary or sibling of a corporate principal by which he or she is retained, of a relative, or of a business associate, must make every reasonable effort to file a memorandum of voting conflict with the recording secretary in advance of the vote. If that is not possible, it must be filed within 15 days after the vote occurs. The memorandum must disclose the nature of the officer's interest in the matter.

No county, municipal, or other local public officer shall vote in an official capacity upon any measure which would inure to his or her special private gain or loss, or which the officer knows would inure to the special private gain or loss of any principal by whom he or she is retained, of the parent organization or subsidiary or sibling of a corporate principal by which he or she is retained, of a relative, or of a business associate. The officer must publicly announce the nature of his or her interest before the vote and must file a memorandum of voting conflict on Commission Form 8B with the meeting's recording officer within 15 days after the vote occurs disclosing the nature of his or her interest in the matter. However, members of community redevelopment agencies and district officers elected on a one-acre, one-vote basis are not required to abstain when voting in that capacity.

No appointed state or local officer shall participate in any matter which would inure to the officer's special private gain or loss, the special private gain or loss of any principal by whom he or she is retained, of the parent organization or subsidiary or sibling of a corporate principal by which he or she is retained, of a relative, or of a business associate, without first disclosing the nature of his or her interest in the matter. The memorandum of voting conflict (Commission Form 8A or 8B) must be filed with the meeting's recording officer, be provided to the other members of the agency, and be read publicly at the next meeting.

If the conflict is unknown or not disclosed prior to the meeting, the appointed official must orally disclose the conflict at the meeting when the conflict becomes known. Also, a written memorandum of voting conflict must be filed with the meeting's recording officer within 15 days of the disclosure being made and must be provided to the other members of the agency, with the disclosure being read publicly at the next scheduled meeting. [Sec. 112.3143, Fla. Stat.]

F. DISCLOSURES

Conflicts of interest may occur when public officials are in a position to make decisions that affect their personal financial interests. This is why public officers and employees, as well as candidates who run for public office, are required to publicly disclose their financial interests. The disclosure process serves to remind officials of their obligation to put the public interest above personal considerations. It also helps citizens to monitor the considerations of those who spend their tax dollars and participate in public policy decisions or administration.

All public officials and candidates do not file the same degree of disclosure; nor do they all file at the same time or place. Thus, care must be taken to determine which disclosure forms a particular official or candidate is required to file.

The following forms are described below to set forth the requirements of the various disclosures and the steps for correctly providing the information in a timely manner.

Such representations do not include appearances in ministerial matters, appearances before judges of compensation claims, or representations on behalf of one's agency in one's official capacity. Nor does the term include the preparation and filing of forms and applications merely for the purpose of obtaining or transferring a license, so long as the

issuance of the license does not require a variance, special consideration, or a certificate of public convenience and necessity.

When to File:

This disclosure should be filed quarterly, by the end of the calendar quarter following the calendar quarter during which a reportable representation was made. FORM 2 need not be filed merely to indicate that no reportable representations occurred during the preceding quarter; it should be filed ONLY when reportable representations were made during the quarter.

Each person required to file FORM 1 or FORM 6, and each state procurement employee, must file a FORM 9, Quarterly Gift Disclosure, with the Commission on Ethics on the last day of any calendar quarter following the calendar quarter in which he or she received a gift worth more than \$100, other

than gifts from relatives, gifts prohibited from being accepted, gifts primarily associated with his or her business or employment, and gifts otherwise required to be disclosed. FORM 9 NEED NOT BE FILED if no such gift was received during the calendar quarter.

Information to be disclosed includes a description of the gift and its value, the name and address of the donor, the date of the gift, and a copy of any receipt for the gift provided by the donor. [Sec. 112.3148, Fla. Stat.]

7. FORM 10 - Annual Disclosure of Gifts from Government Agencies and Direct-Support Organizations and Honorarium Event Related Expenses

State government entities, airport authorities, counties, municipalities, school boards, water management districts, and the South Florida Regional Transportation Authority, may give a gift worth more than \$100 to a person required to file FORM 1 or FORM 6, and to state procurement employees, if a public purpose can be shown for the gift. Also, a direct-support organization for a governmental entity may give such a gift to a person who is an officer or employee of that entity. These gifts are to be reported on FORM 10, to be filed by July 1.

The governmental entity or direct-support organization giving the gift must provide the officer or employee with a statement about the gift no later than March 1 of the following year. The officer or employee then must disclose this information by filing a statement by July 1 with his or her annual financial disclosure that describes the gift and lists the donor, the date of the gift, and the value of the total gifts provided during the calendar year. State procurement employees file their statements with the Commission on Ethics. [Sec. 112.3148, Fla. Stat.]

In addition, a person required to file FORM 1 or FORM 6, or a state procurement employee, who receives expenses or payment of expenses related to an honorarium event from someone who is prohibited from giving him or her an honorarium, must disclose annually the name, address, and affiliation of the donor, the amount of the expenses, the date of the event, a description of the expenses paid or provided, and the total value of the expenses on FORM 10. The donor paying the expenses must provide the officer or employee with a statement about the expenses within 60 days of the honorarium event.

The disclosure must be filed by July 1, for expenses received during the previous calendar year, with the officer's or employee's FORM 1 or FORM 6. State procurement employees file their statements with the Commission on Ethics. [Sec. 112.3149, Fla. Stat.]

However, notwithstanding Sec. 112.3149, Fla. Stat., no executive branch or legislative lobbyist or principal shall make, directly or indirectly, and no executive branch agency official or employee who files FORM 1 or FORM 6 shall knowingly accept, directly or indirectly, any expenditure made for the purpose of lobbying. This may include gifts or honorarium event related expenses that formerly were permitted under Sections 112.3148 and 112.3149. [Sec. 112.3215, Fla. Stat.] Similar prohibitions apply to legislative officials and employees. However, these laws are not administered by the Commission on Ethics. [Sec. 11.045, Fla. Stat.] In addition, gifts, which include anything not primarily related to political activities authorized under ch. 106, are prohibited from political committees. [Sec. 112.31485 Fla. Stat.]

If such person or entity makes a gift worth between \$25 and \$100 to a reporting individual or state procurement employee (that is not accepted in behalf of a governmental entity or charitable organization), the gift should be reported on FORM 30. The donor also must notify the recipient at the time the gift is made that it will be reported.

The FORM 30 should be filed by the last day of the calendar quarter following the calendar quarter in which the gift was made. If the gift was made to an individual in the legislative branch, FORM 30 should be filed with the Lobbyist Registrar. [See page 35 for address.] If the gift was to any other reporting individual or state procurement employee, FORM 30 should be filed with the Commission on Ethics.

However, notwithstanding Section 112.3148, Fla. Stat., no executive branch lobbyist or principal shall make, directly or indirectly, and no executive branch agency official or employee who files FORM 1 or FORM 6 shall knowingly accept, directly or indirectly, any expenditure made for the purpose of lobbying. This may include gifts that formerly were permitted under Section 112.3148. [Sec. 112.3215, Fla. Stat.] Similar prohibitions apply to legislative officials and employees. However, these laws are not administered by the Commission on Ethics. [Sec. 11.045, Fla. Stat.] In addition, gifts from political committees are prohibited. [Sec. 112.31485, Fla. Stat.]

VI. ADVISORY OPINIONS

Conflicts of interest may be avoided by greater awareness of the ethics laws on the part of public officials and employees through advisory assistance from the Commission on Ethics.

A. *Who Can Request an Opinion*

Any public officer, candidate for public office, or public employee in Florida who is in doubt about the applicability of the standards of conduct or disclosure laws to himself or herself, or anyone who has the power to hire or terminate another public employee, may seek an advisory opinion from the Commission about himself or herself or that employee.

B. *How to Request an Opinion*

Opinions may be requested by letter presenting a question based on a real situation and including a detailed description of the situation. Opinions are issued by the Commission and are binding on the conduct of the person who is the subject of the opinion, unless material facts were omitted or misstated in the request for the opinion. Published opinions will not bear the name of the persons involved unless they consent to the use of their names; however, the request and all information pertaining to it is a public record, made available to the Commission and to members of the public in advance of the Commission's consideration of the question.

C. *How to Obtain Published Opinions*

All of the Commission's opinions are available for viewing or download at its website:
www.ethics.state.fl.us.

VII. COMPLAINTS

A. Citizen Involvement

The Commission on Ethics cannot conduct investigations of alleged violations of the Sunshine Amendment or the Code of Ethics unless a person files a sworn complaint with the Commission alleging such violation has occurred, or a referral is received, as discussed below.

If you have knowledge that a person in government has violated the standards of conduct or disclosure laws described above, you may report these violations to the Commission by filing a sworn complaint on the form prescribed by the Commission and available for download at www.ethics.state.fl.us. The Commission is unable to take action based on learning of such misdeeds through newspaper reports, telephone calls, or letters.

You can download a complaint form (FORM 50) from the Commission's website: www.ethics.state.fl.us, or contact the Commission office at the address or phone number shown on the inside front cover of this booklet.

B. Referrals

The Commission may accept referrals from: the Governor, the Florida Department of Law Enforcement, a State Attorney, or a U.S. Attorney. A vote of six of the Commission's nine members is required to proceed on such a referral.

C. Confidentiality

The complaint or referral, as well as all proceedings and records relating thereto, is confidential until the accused requests that such records be made public or until the matter reaches a stage in the Commission's proceedings where it becomes public. This means that unless the Commission receives a written waiver of confidentiality from the accused, the Commission is not free to release any documents or to comment on a complaint or referral to members of the public or press, so long as the complaint or referral remains in a confidential stage.

A COMPLAINT OR REFERRAL MAY NOT BE FILED WITH RESPECT TO A CANDIDATE ON THE DAY OF THE ELECTION, OR WITHIN THE 30 CALENDAR DAYS PRECEDING THE ELECTION DATE, UNLESS IT IS BASED ON PERSONAL INFORMATION OR INFORMATION OTHER THAN HEARSAY.

D. How the Complaint Process Works

Complaints which allege a matter within the Commission's jurisdiction are assigned a tracking number and Commission staff forwards a copy of the original sworn complaint to the accused within five working days of its receipt. Any subsequent sworn amendments to the complaint also are transmitted within five working days of their receipt.

Once a complaint is filed, it goes through three procedural stages under the Commission's rules. The first stage is a determination of whether the allegations of the complaint are legally sufficient: that is, whether they indicate a possible violation of any law over which the Commission has jurisdiction. If the complaint is found not to be legally sufficient, the Commission will order that the complaint be dismissed without investigation, and all records relating to the complaint will become public at that time.

In cases of very minor financial disclosure violations, the official will be allowed an opportunity to correct or amend his or her disclosure form. Otherwise, if the complaint is found to be legally sufficient, a preliminary investigation will be undertaken by the investigative staff of the Commission. The second stage of the Commission's proceedings involves this preliminary investigation and a decision by the Commission as to whether there is probable cause to believe that there has been a violation of any of the ethics laws. If the Commission finds no probable cause to believe there has been a violation of the ethics laws, the complaint will be dismissed and will become a matter of public record. If the Commission finds probable cause to believe there has been a violation of the ethics laws, the complaint becomes public and usually enters the third stage of proceedings. This stage requires the Commission to decide whether the law was actually violated and, if so, whether a penalty should be recommended. At this stage, the accused has the right to request a public hearing (trial) at which evidence is presented, or the Commission may order that such a hearing be held. Public hearings usually are held in or near the area where the alleged violation occurred.

When the Commission concludes that a violation has been committed, it issues a public report of its findings and may recommend one or more penalties to the appropriate disciplinary body or official.

When the Commission determines that a person has filed a complaint with knowledge that the complaint contains one or more false allegations or with reckless disregard for whether the complaint contains false allegations, the complainant will be liable for costs plus reasonable attorney's fees incurred by the person complained against. The Department of Legal Affairs may bring a civil action to recover such fees and costs, if they are not paid voluntarily within 30 days.

E. Dismissal of Complaints At Any Stage of Disposition

The Commission may, at its discretion, dismiss any complaint at any stage of disposition should it determine that the public interest would not be served by proceeding further, in which case the Commission will issue a public report stating with particularity its reasons for the dismissal. [Sec. 112.324(12), Fla. Stat.]

F. Statute of Limitations

All sworn complaints alleging a violation of the Sunshine Amendment or the Code of Ethics must be filed with the Commission within five years of the alleged violation or other breach of the public trust. Time starts to run on the day AFTER the violation or breach of public trust is committed. The statute of limitations is tolled on the day a sworn complaint is filed with the Commission. If a complaint is filed and the statute of limitations has run, the complaint will be dismissed. [Sec. 112.3231, Fla. Stat.]

VIII. EXECUTIVE BRANCH LOBBYING

Any person who, for compensation and on behalf of another, lobbies an agency of the executive branch of state government with respect to a decision in the area of policy or procurement may be required to register as an executive branch lobbyist. Registration is required before lobbying an agency and is renewable annually. In addition, each lobbying firm must file a compensation report

with the Commission for each calendar quarter during any portion of which one or more of the firm's lobbyists were registered to represent a principal. As noted above, no executive branch lobbyist or principal can make, directly or indirectly, and no executive branch agency official or employee who files FORM 1 or FORM 6 can knowingly accept, directly or indirectly, **any expenditure** made for the purpose of lobbying. [Sec. 112.3215, Fla. Stat.]

Paying an executive branch lobbyist a contingency fee based upon the outcome of any specific executive branch action, and receiving such a fee, is prohibited. A violation of this prohibition is a first degree misdemeanor, and the amount received is subject to forfeiture. This does not prohibit sales people from receiving a commission. [Sec. 112.3217, Fla. Stat.]

Executive branch departments, state universities, community colleges, and water management districts are prohibited from using public funds to retain an executive branch (or legislative branch) lobbyist, although these agencies may use full-time employees as lobbyists. [Sec. 11.062, Fla. Stat.]

Online registration and filing is available at www.floridalobbyist.gov. Additional information about the executive branch lobbyist registration system may be obtained by contacting the Lobbyist Registrar at the following address:

IX. WHISTLE-BLOWER'S ACT

In 1986, the Legislature enacted a "Whistle-blower's Act" to protect employees of agencies and government contractors from adverse personnel actions in retaliation for disclosing information in a sworn complaint alleging certain types of improper activities. Since then, the Legislature has revised this law to afford greater protection to these employees.

While this language is contained within the Code of Ethics, the Commission has no jurisdiction or authority to proceed against persons who violate this Act. Therefore, a person who has disclosed information alleging improper conduct governed by this law and who may suffer adverse consequences as a result should contact one or more of the following: the Office of the Chief Inspector General in the Executive Office of the Governor; the Department of Legal Affairs; the Florida Commission on Human Relations; or a private attorney. [Sec. 112.3187 - 112.31895, Fla. Stat.]

X. ADDITIONAL INFORMATION

As mentioned above, we suggest that you review the language used in each law for a more detailed understanding of Florida's ethics laws. The "Sunshine Amendment" is Article II, Section 8, of the Florida Constitution. The Code of Ethics for Public Officers and Employees is contained in Part III of Chapter 112, Florida Statutes.

Additional information about the Commission's functions and interpretations of these laws may be found in Chapter 34 of the Florida Administrative Code, where the Commission's rules are published, and in The Florida Administrative Law Reports, which until 2005 published many of the Commission's final orders. The Commission's rules, orders, and opinions also are available at www.ethics.state.fl.us.

If you are a public officer or employee concerned about your obligations under these laws, the staff of the Commission will be happy to respond to oral and written inquiries by providing information about the law, the Commission's interpretations of the law, and the Commission's procedures.

XI. TRAINING

Constitutional officers, elected municipal officers, commissioners of community redevelopment agencies (CRAs), and commissioners of community development districts are required to receive a total of four hours training, per calendar year, in the area of ethics, public

records, and open meetings. The Commission on Ethics does not track compliance or certify providers. Officials indicate their compliance with the training requirement when they file their annual Form 1 or Form 6.

Visit the training page on the Commission's website for up-to-date rules, opinions, audio/video training, and opportunities for live training conducted by Commission staff.

Instructions for Completing Form 1

Primary Sources of Income

[Required by s. 112.3145(3)(b)1, F.S.]

This section is intended to require the disclosure of your principal sources of income during the disclosure period. You do not have to disclose any public salary or public position(s). The income of your spouse need not be disclosed; however, if there is joint income to you and your spouse from property you own jointly (such as interest or dividends from a bank account or stocks), you should disclose the source of that income if it exceeded the threshold.

Please list in this part of the form the name, address, and principal business activity of each source of your income which exceeded \$2,500 of gross income received by you in your own name or by any other person for your use or benefit.

"Gross income" means the same as it does for income tax purposes, even if the income is not actually taxable, such as interest on tax-free bonds. Examples include: compensation for services, income from business, gains from property dealings, interest, rents, dividends, pensions, IRA distributions, social security, distributive share of partnership gross income, and alimony if considered gross income under federal law, but not child support.

Examples:

- If you were employed by a company that manufactures computers and received more than \$2,500, list the name of the company, its address, and its principal business activity (computer manufacturing).

- If you were a partner in a law firm and your distributive share of partnership gross income exceeded \$2,500, list the name of the firm, its address, and its principal business activity (practice of law).
- If you were the sole proprietor of a retail gift business and your gross income from the business exceeded \$2,500, list the name of the business, its address, and its principal business activity (retail gift sales).
- If you received income from investments in stocks and bonds, list each individual company from which you derived more than \$2,500. Do not aggregate all of your investment income.
- If more than \$2,500 of your gross income was gain from the sale of property (not just the selling price), list as a source of income the purchaser's name, address and principal business activity. If the purchaser's identity is unknown, such as where securities listed on an exchange are sold through a brokerage firm, the source of income should be listed as "sale of (name of company) stock," for example.
- If more than \$2,500 of your gross income was in the form of interest from one particular financial institution (aggregating interest from all CD's, accounts, etc., at that institution), list the name of the institution, its address, and its principal business activity.

Secondary Sources of Income

[Required by s. 112.3145(3)(b)2, F.S.]

This part is intended to require the disclosure of major customers, clients, and other sources of income to businesses in which you own an interest. It is not for reporting income from second jobs. That kind of income should be reported in "Primary Sources of Income," if it meets the reporting threshold. You will not have anything to report unless, during the disclosure period:

1. You owned (either directly or indirectly in the form of an equitable or beneficial interest) more than 5% of the total assets or capital stock of a business entity (a corporation, partnership, LLC, limited partnership, proprietorship, joint venture, trust, firm, etc., doing business in Florida); *and*,
2. You received more than \$5,000 of your gross income during the disclosure period from that business entity.

If your interests and gross income exceeded these thresholds, then for that business entity you must list every source of income to the business entity which exceeded 10% of the business entity's gross income (computed on the basis of the business entity's most recently completed fiscal year), the source's address, and the source's principal business activity.

Examples:

- You are the sole proprietor of a dry cleaning business, from which you received more than \$5,000. If only one customer, a uniform rental company, provided more than 10% of your dry cleaning business, you must list the name of the uniform rental company, its address, and its principal business activity (uniform rentals).
- You are a 20% partner in a partnership that owns a shopping mall and your partnership income exceeded the above thresholds. List each tenant of the mall that provided more than 10% of the partnership's gross income and the tenant's address and principal business activity.

Real Property

[Required by s. 112.3145(3)(b)3, F.S.]

In this part, list the location or description of all real property in Florida in which you owned directly or indirectly at any time during the disclosure period in excess of 5% of the property's value. You are not required to list your residences. You should list any vacation homes if you derive income from them.

Indirect ownership includes situations where you are a beneficiary of a trust that owns the property, as well as situations where you own more than 5% of a partnership or corporation that owns the property. The value of the property may be determined by the most recently assessed value for tax purposes, in the absence of a more accurate fair market value.

The location or description of the property should be sufficient to enable anyone who looks at the form to identify the property. A street address should be used, if one exists.

Intangible Personal Property

[Required by s. 112.3145(3)(b)3, F.S.]

Describe any intangible personal property that, at any time during the disclosure period, was worth more than \$10,000 and state the business entity to which the property related. Intangible personal property includes things such as cash on hand, stocks, bonds, certificates of deposit, vehicle leases, interests in businesses, beneficial interests in trusts, money owed you (including, but not limited to, loans made as a candidate to your own campaign), Deferred Retirement Option Program (DROP) accounts, the Florida Prepaid College Plan, and bank accounts in which you have an ownership

interest. Intangible personal property also includes investment products held in IRAs, brokerage accounts, and the Florida College Investment Plan. Note that the product contained in a brokerage account, IRA, or the Florida College Investment Plan is your asset—not the account or plan itself. Things like automobiles and houses you own, jewelry, and paintings are not intangible property. Intangibles relating to the same business entity may be aggregated; for example, CDs and savings accounts with the same bank. Property owned as tenants by the entirety or as joint tenants with right of survivorship, including bank accounts owned in such a manner, should be valued at 100%. The value of a leased vehicle is the vehicle's present value minus the lease residual (a number found on the lease document).

Liabilities

[Required by s. 112.3145(3)(b)4, F.S.]

List the name and address of each creditor to whom you owed more than \$10,000 at any time during the disclosure period. The amount of the liability of a vehicle lease is the sum of any past-due payments and all unpaid prospective lease payments. You are not required to list the amount of any debt. You do not have to disclose credit card and retail installment accounts, taxes owed (unless reduced to a judgment), indebtedness on a life insurance policy owed to the company of issuance, or contingent liabilities. A "contingent liability" is one that will become an actual liability only when one or more future events occur or fail to occur, such as where you are liable only as a guarantor, surety, or endorser on a promissory note. If you are a "co-maker" and are jointly liable or jointly and severally liable, then it is not a contingent liability.

Interests in Specified Businesses

[Required by s. 112.3145(7), F.S.]

The types of businesses covered in this disclosure include: state and federally chartered banks; state and federal savings and loan associations; cemetery companies; insurance companies; mortgage companies; credit unions; small loan companies; alcoholic beverage licensees; pari-mutuel wagering companies, utility companies, entities controlled by the Public Service Commission; and entities granted a franchise to operate by either a city or a county government.

Disclose in this part the fact that you owned during the disclosure period an interest in, or held any of certain positions with the types of businesses listed above. You must make this disclosure if you own or owned (either directly or indirectly in the form of an equitable or beneficial interest) at any time during the disclosure period more than 5% of the total assets or capital stock of one of the types of business entities listed above. You also must complete this part of the form for each of these types of businesses for which you are, or were at any time during the disclosure period, an officer, director, partner, proprietor, or agent (other than a resident agent solely for service of process).

If you have or held such a position or ownership interest in one of these types of businesses, list the name of the business, its address and principal business activity, and the position held with the business (if any). If you own(ed) more than a 5% interest in the business, indicate that fact and describe the nature of your interest.

Training Certification

[Required by s. 112.3142, F.S.]

If you are a Constitutional or elected municipal officer appointed school superintendent, a commissioner of a community redevelopment agency created under Part III, Chapter 163, or an elected local officers of independent special districts, including any person appointed to fill a vacancy on an elected special district board, whose service began on or before March 31 of the year for which you are filing, you are required to complete four hours of ethics training which addresses Article II, Section 8 of the Florida Constitution, the Code of Ethics for Public Officers and Employees, and the public records and open meetings laws of the state. You are required to certify on this form that you have taken such training.

Re: Bond Counsel Services

Ladies and Gentlemen:

Thank you for considering retaining Holland & Knight LLP (H&K) to represent the River Landing Community Development District, an independent special district of the State of Florida located in Sarasota County, Florida (the "District"), as its Bond Counsel in connection with the financing of various public improvements through the issuance in 2024 of its tax-exempt obligations (which may be issued in more than one series) (collectively, the "Obligations").

The purpose of this letter is to confirm our engagement as Bond Counsel in connection with the Obligations and to provide you with certain information concerning our fees, billing and collection policies, and other terms that will govern our relationship. Although we do not wish to be overly formal in our relationship with you, we have found it a helpful practice to confirm with our clients the nature and terms of our representation. Attached to this letter are our firm's standard terms of engagement. Please review these and let me know if you have any questions concerning our policies.

Bond Counsel's role generally is to document a tax-exempt bond transaction structured by the District and to render an objective legal opinion with respect to the authorization and issuance of those Obligations. Our services as Bond Counsel in connection with this transaction will include the following:

(1) Subject to our review, to our satisfaction, of executed closing documents, certificates and opinions of legal counsel rendered by other parties to the transaction, render our legal opinion (the "Bond Opinion") regarding the validity and binding effect of the Obligations, the source of payment and security for the Obligations, and stating that, under existing law, interest on the Obligations is excluded from gross income for federal income tax purposes and is not an item of tax preference for purposes of the alternative minimum tax under the Internal Revenue Code of 1986, as amended (the "Code"). Our supplemental opinion as Bond Counsel

rendered on the date of issuance of the Obligations will be addressed to the District and the underwriter of the Obligations and will state that the Obligations are exempt from registration under the Securities Act of 1933, as amended, and that the Master Trust Indenture, as supplemented in connection with the Obligations (collectively, the "Indenture"), is exempt from qualification under the Trust Indenture Act of 1939.

(2) Prepare and review documents necessary or appropriate to the authorization, issuance and delivery of the Obligations, including resolutions, a supplemental trust indenture, State of Florida filings, and federal tax filings of the Form 8038-G and coordinate the authorization and execution of such documents, and review enabling legislation.

(3) Examination of applicable law.

(4) Consultation with the parties and their respective legal counsel prior to the issuance of the Obligations.

(5) Preparation and/or review of (i) the basic documents authorizing and providing for the issuance and payment of the Obligations, including the Indenture, and (ii) the forms of such closing documents, certificates and opinions of counsel as we deem necessary to render our Bond Opinion.

(6) Review and provide recommendations, if any, with respect to the summaries of the Indenture, the Obligations, certain tax matters related to the Obligations and our Bond Opinion in an offering document related to the Obligations.

(7) Review and provide recommendations, if any, on certified proceedings relating to the Obligations and performance of such additional reasonable duties by the appropriate parties as are necessary to render our Bond Opinion.

Our Bond Opinion (or applicable reliance opinion) will be addressed to the District, the underwriter of the Obligations and the trustee for the Obligations, and will be delivered by us on the date the Obligations are exchanged for their purchase price (the "Closing").

The Bond Opinion will be based on facts and law existing as of its date. In rendering our Bond Opinion, we will rely upon the certified proceedings and other certifications of public officials and other persons furnished to us without undertaking to verify the same by independent investigation, and we will assume continuing compliance by the District with applicable laws relating to the Obligations. During the course of this engagement, we will rely on you to provide us with complete and timely information on all developments pertaining to any aspect of the Obligations and their security. We understand that you will direct members of your staff and other employees of the District to cooperate with us in this regard.

It is our understanding that the Obligations have been judicially validated and that the assessment proceedings relating to those non-ad valorem assessments, the revenues of which will be pledged to the Obligations, have been concluded. Our services as Bond Counsel will include

a review of these prior proceedings, including an analysis of the eligibility of the improvements proposed to be financed by the Obligations to be funded on a tax-exempt basis.

Our duties in this engagement are limited to those expressly set forth above. Among other things, our duties do not include:

(a) Preparing the offering documents or bond purchase agreement related to the Obligations;

(b) Preparing requests for tax rulings from the Internal Revenue Service, or no action letters from the Securities and Exchange Commission (unless we are separately engaged for such purposes).

(c) Preparing blue sky or investment surveys with respect to the Obligations.

(d) Making an investigation or expressing any view as to the creditworthiness of the District or the Obligations.

(e) Representing the District in Internal Revenue Service examinations or inquiries, or Securities and Exchange Commission investigations (unless we are separately engaged for such purposes).

(f) After Closing, and our filing of the Form 8038G relating to the Obligations with the Internal Revenue Service and our filing of the requisite form relating to the Obligations with the Florida Division of Bond Finance, the provision of continuing advice to the District or any other party to the transaction concerning actions necessary to assure that interest paid on the Obligations will continue to be excludable from gross income for federal income tax purposes (e.g., our engagement does not include rebate calculations for the Obligations) (unless we are separately engaged for such purposes).

(g) Providing financial advice or serving as a municipal advisor, financial advisor or swap advisor to the District.

Our engagement is also subject to the standard Terms of Engagement attached hereto as Exhibit "A."

The fee for our bond counsel services will be \$65,000 plus our actual out of pocket costs, which we would estimate to be nominal. Payment will be due upon the successful Closing of the issuance of the Obligations.

We are also requesting, as part of this letter, that the District waive the potential conflict of interest with respect to (1) the representation by H&K of the District in connection with this transaction and any other past or future financings of the District for which H&K acts as counsel to the District (collectively, the "Financings") involving U.S. Bank Trust Company, National Association, including affiliates and subsidiaries thereof (collectively, the "Conflict Party"), as

trustee, paying agent and bond registrar in connection with the Financings, and (2) H&K's representation of the Conflict Party as trustee, paying agent and bond registrar in connection with the Financings and in matters unrelated to the Financings. The applicable ethics rules permit us to represent clients with adverse or potentially adverse interests in circumstances where we will be able to provide competent and diligent representation to each client, and each client gives us informed consent, confirmed in writing. We hereby confirm to you that after fully disclosing to you the circumstances of this matter, we are able to provide competent and diligent representation to the District and the Conflict Party. We further confirm to you that the Conflict Party has provided H&K with an advance conflict waiver for transactional matters such as this. H&K will also, at all times, observe the attorney-client privilege between it and each of its clients and will preserve the confidentiality of each client's respective information.

If the foregoing terms of our engagement and arrangements concerning our fees are acceptable, please so indicate by having the enclosed copy of this letter signed by an appropriate representative of the District and return it to us. Thank you for your cooperation and we look forward to working with you on this transaction.

Thank you very much.

Sincerely yours,

HOLLAND & KNIGHT LLP

HOLLAND & KNIGHT LLP

TERMS OF ENGAGEMENT

We appreciate your decision to retain Holland & Knight LLP as your legal counsel.

This document explains how we work, our obligations to you, your obligations to us, what we will do on your behalf, and how our charges will be determined and billed. Experience has shown that an understanding of these matters will contribute to a better relationship between us, and that in turn makes our efforts more productive.

Our engagement and the services that we will provide to you are limited to the matter identified in the accompanying letter. Any changes in the scope of our representation as described in the letter must be approved in writing. We will provide services of a strictly legal nature related to the matters described in that letter. You will provide us with the factual information and materials we require to perform the services identified in the letter, and you will make such business or technical decisions and determinations as are appropriate. You will not rely on us for business, investment, or accounting decisions, or expect us to investigate the character or credit of persons or entities with whom you may be dealing, unless otherwise specified in the letter.

We cannot guarantee the outcome of any matter. Any expression of our professional judgment regarding your matter or the potential outcome is, of course, limited by our knowledge of the facts and based on the law at the time of expression. It is also subject to any unknown or uncertain factors or conditions beyond our control.

Confidentiality and Related Matters

Regarding the ethics of our profession that will govern our representation, several points deserve emphasis. As a matter of professional responsibility, we are required to hold confidential all information relating to the representation of our clients, subject to certain exceptions that we will discuss with you. This professional obligation and the legal privilege for attorney-client communications exist to encourage candid and complete communication between a client and his lawyer. We can perform truly beneficial services for a client only if we are aware of all information that might be relevant to our representation. Consequently, we trust that our attorney-client relationship with you will be based on mutual confidence and unrestrained communication that will facilitate our proper representation of you.

Additionally, you should be aware that, in instances in which we represent a corporation or other entity, our client relationship is with the entity and not with its individual executives, shareholders, directors, members, managers, partners, or persons in similar positions, or with its parent, subsidiaries, or other affiliates. In those cases, our professional responsibilities are owed only to that entity, alone, and no conflict of interest will be asserted by you because we represent persons with respect to interests that are adverse to individual persons or business organizations who have a relationship with you. That is to say, unless the letter accompanying this document indicates otherwise, Holland & Knight's attorney-client relationship with the entity does not give rise to an attorney-client relationship with the parent, subsidiaries or other affiliates of the entity, and representation of the entity in this matter will not give rise to any conflict of interest in the event other clients of the firm are adverse to the parent, subsidiaries or other affiliates of the entity. Of course, we can also represent individual executives, shareholders, directors, members, managers, partners, and other persons related to the entity in matters that do not conflict with the interests of the entity, but any such representation will be the subject of a separate engagement letter. Similarly, when we represent a party on an insured claim, we represent the insured, not the insurer, even though we may be approved, selected, or paid by the insurer.

The firm attempts to achieve efficiencies and savings for its clients by managing the firm's administrative operations (e.g., file storage, document duplication, word processing, accounting/billing) in the most efficient manner possible, including outsourcing certain functions to third parties. Outsourcing in this manner may require the firm to allow access by third parties to your confidential information, and in some cases, these third parties may be located outside the United States. The firm will follow applicable legal ethics rules with regard to such outsourcing and protection of confidential information.

Fees and Billing

Clients frequently ask us to estimate the fees and other charges they are likely to incur in connection with a particular matter. We are pleased to respond to such requests whenever possible with an estimate based on our

professional judgment. This estimate always carries the understanding that, unless we agree otherwise in writing, it does not represent a maximum, minimum, or fixed fee quotation. The ultimate cost frequently is more or less than the amount estimated.

Legal Fees. We encourage flexibility in determining billing arrangements. For example, we often agree with our clients to perform services on a fixed-fee or other basis that we and the client believe will encourage efficiency and reflect the value of our services in relation to a particular objective.

If you and we have agreed on a fixed fee arrangement, our fees will not be limited to the fixed amount if you fail to make a complete and accurate disclosure of information that we have requested and that we reasonably require for our work, or if you materially change the terms, conditions, scope, or nature of the work, as described by you when we determined the fixed amount. If any of these events occurs, our fees will be based upon the other factors described below, unless you and we agree on a revised fixed fee.

If the accompanying engagement letter does not provide for a fixed fee, or if we do not otherwise confirm to you in writing a fee arrangement, our fees for services will be determined as described in the following paragraphs.

When establishing fees for services that we render, we are guided primarily by the time and labor required, although we also consider other appropriate factors, such as the novelty and difficulty of the legal issues involved; the legal skill required to perform the particular assignment; time-saving use of resources (including research, analysis, data and documentation) that we have previously developed and stored electronically or otherwise in quickly retrievable form; the fee customarily charged by comparable firms for similar legal services; the amount of money involved or at risk and the results obtained; and the time constraints imposed by either you or the circumstances. In determining a reasonable fee for the time and labor required for a particular matter, we consider the ability, experience, and reputation of the lawyer or lawyers in our firm who perform the services. To facilitate this determination, we internally assign to each lawyer an hourly rate based on these factors. Of course, our internal hourly rates change periodically to account for increases in our cost of delivering legal service, other economic factors, and the augmentation of a particular lawyer's ability, experience, and reputation. Any such changes in hourly rates are applied prospectively, as well as to unbilled time previously expended. We record and bill our time in one-tenth hour (six minute) increments.

When selecting lawyers to perform services for you, we generally seek to assign lawyers having the lowest hourly rates consistent with the skills, time demands, and other factors influencing the professional responsibility involved in each matter. That does not mean that we will always assign a lawyer with a lower hourly rate than other lawyers. As circumstances require, the services of lawyers in the firm with special skills or experience may be sought when that will either (a) reduce the legal expense to you, (b) provide a specialized legal skill needed, or (c) help move the matter forward more quickly. Also, to encourage the use of such lawyers in situations where their services can provide a significant benefit that is disproportionate to the time devoted to the matter, we may not bill for their services on an hourly rate basis but, if you agree in advance, we will adjust the fee on an "added value" basis at the conclusion of the matter if and to the extent their services contribute to a favorable result for you.

Disbursements. In addition to legal fees, our statements will include out-of-pocket expenses that we have advanced on your behalf and our internal charges (which may exceed direct costs and allocated overhead expenses) for certain support activities. Alternatively, the firm may charge for such internal charges as a percentage of the fees charged. Advanced expenses generally will include, but are not limited to, such items as travel, postage, filing, recording, certification, and registration fees charged by governmental bodies. Our internal charges typically include, but are not limited to, such items as toll calls, facsimile transmissions, overnight courier services, certain charges for terminal time for computer research and complex document production, and charges for photocopying materials sent to the client or third parties or required for our use.

We may request an advance cost deposit when we expect that we will be required to incur substantial costs on behalf of the client.

During the course of our representation, it may be appropriate to hire third parties to provide services on your behalf. These services may include such things as consulting or testifying experts, investigators, providers of computerized litigation support, and court reporters. Because of the legal "work product" protection afforded to services that an attorney requests from third parties, in certain situations our firm may assume responsibility for retaining the appropriate service providers. Even if we do so, however, you will be responsible for paying all fees and expenses directly to the service providers or reimbursing us for these expenses.

The firm attempts to achieve efficiencies and savings for its clients when dealing with independent contractors. The firm may be able to obtain a reduced charge from the contractor if the firm provides certain functions, such as billing, collection, equipment, space, facilities, or clerical help. For these administrative and coordination services, the firm may charge an administrative fee, which will be separately disclosed to you.

Billing. We bill periodically throughout the engagement for a particular matter, and our periodic statements are due when rendered. If our fees are based primarily on the amount of our time devoted to the matter, our statements will be rendered monthly. In instances in which we represent more than one person with respect to a matter, each person that we represent is jointly and severally liable for our fees and expenses with respect to the representation. Our statements contain a concise summary of each matter for which legal services are rendered and a fee is charged.

If a statement remains unpaid for more than 30 days, you will be contacted by an H&K representative inquiring why it is unpaid. Additionally, if a statement has not been paid within 30 days from its date, the firm may impose an interest charge of 1.25 percent per month (a 15 percent annual percentage rate) from the 30th day after the date of the statement until it is paid in full. Interest charges apply to specific monthly statements on an individual statement basis. Any payments made on past due statements are applied first to the oldest outstanding statement.

It is the firm's policy that if an invoice remains unpaid for more than 90 days, absent extraordinary circumstances and subject to legal ethics constraints, H&K's representation will cease, and you hereby authorize us to withdraw from all representation of you. Any unapplied deposits will be applied to outstanding balances. Generally, the firm will not recommence its representation or accept new work from you until your account is brought current and a new deposit for fees and costs, in an amount that the firm determines, is paid to it.

In addition, if you do not pay H&K's statements as they become due, the firm may require a substantial partial payment and delivery of an interest-bearing promissory note as part of any arrangement under which it may, in its discretion, agree to continue its representation. Any such promissory note will serve merely as evidence of your obligation, and shall not be regarded as payment.

If allowed by applicable law, H&K is entitled to reasonable attorneys' fees and court costs if collection activities are necessary. In addition, H&K shall have all general, possessory, or retaining liens, and all special or charging liens, recognized by law.

Payment of our fees and costs is not contingent on the ultimate outcome of our representation, unless we have expressly agreed in writing to a contingent fee.

Questions About Our Bills. We invite you to discuss freely with us any questions that you have concerning a fee charged for any matter. We want our clients to be satisfied with both the quality of our services and the reasonableness of the fees that we charge for those services. We will attempt to provide as much billing information as you require and in such customary form that you desire, and are willing to discuss with you any of the various billing formats we have available that best suits your needs.

Relationships with Other Clients

Because we are a large, full-service law firm with offices located in various cities we may be (and often are) asked to represent a client with respect to interests that are adverse to those of another client who is represented by the firm in connection with another matter. Just as you would not wish to be prevented in an appropriate situation from retaining a law firm that competes with Holland & Knight LLP, our firm wishes to be able to consider the representation of other persons or entities that may be competitors in your industry or who may have interests that are adverse to yours, but with respect to matters that are unrelated in any way to our representation of you. The ethics that govern us permit us to accept such multiple representations, assuming certain conditions are met, as set forth below.

During the term of this engagement, we will not accept representation of another client to pursue interests that are directly adverse to your interests unless and until we make full disclosure to you of all the relevant facts, circumstances, and implications of our undertaking the two representations, and confirm to you in good faith that we have done so and that the following criteria are met: (i) there is no substantial relationship between any matter in which we are representing or have represented you and the matter for the other client; (ii) any confidential information that we have received from you will not be available to the lawyers and other Holland & Knight LLP personnel involved in the representation of the other client; (iii) our effective representation of you and the discharge of our professional responsibilities to you will not be prejudiced by our representation of the

other client; and (iv) the other client has also consented in writing based on our full disclosure of the relevant facts, circumstances, and implications of our undertaking the two representations. If the foregoing conditions are satisfied, we may undertake the adverse representation and all conflict issues will be deemed to have been resolved or waived by you.

By making this agreement, we are establishing the criteria that will govern the exercise of your right under applicable ethical rules to object to our representation of another client whose interests are adverse to yours. If you contest in good faith the facts underlying our confirmation to you that the specified criteria have been met, then we will have the burden of reasonably supporting those facts.

Knowledge Management Tool

In order to better and more economically serve our clients, we have implemented a document search engine that will allow us to search the firm's institutional work product to determine whether there exist documents created for one client that can be used as a starting point for the preparation of new documents for other clients. Documents that are subject to ethics wall restrictions, have extraordinary confidentiality requirements, or contain sensitive client information will not be included in this system.

Termination

Upon completion of the matter to which this representation applies, or upon earlier termination of our relationship, the attorney-client relationship will end unless you and we have expressly agreed to a continuation with respect to other matters. We hope, of course, that such a continuation will be the case. The representation is terminable at will by either of us. The termination of the representation will not terminate your obligation to pay fees and expenses incurred prior to the termination and for any services rendered or disbursements required to implement the transition to new counsel.

* * * * *

Your agreement to this engagement constitutes your acceptance of the foregoing terms and conditions. If any of them is unacceptable to you, please advise us now so that we can resolve any differences and proceed with a clear, complete, and consistent understanding of our relationship.

Re: Commission on Ethics newly established Electronic Financial Disclosure Management System ("EFDMS") website registration, Financial Disclosure Forms, and Required Ethics Training

Beginning January 1, 2024, the Florida Commission on Ethics has enacted new procedures for electronic filing of Financial Disclosure forms for Public Officials, as a means of submitting Forms and updating your Filer contact information.

To access the newly established Electronic Financial Disclosure Management System ("EFDMS"), visit the login page (<https://disclosure.floridaethics.gov/Account/Login>) and watch the instructional video for directions on how to register/confirm registration.

If you have filed a Form 1 before, click "I am a Filer" and follow the prompts.

Instructions, FAQs, and tutorials are available from the dashboard within EFDMS. Additional assistance can be obtained Monday-Friday from 8:00 a.m. until 5:00 p.m. by contacting the Commission directly.

Financial disclosure forms are due on or before July 1, 2024 for the preceding calendar year. A grace period is in effect until September 1. If the disclosure is not filed or postmarked by September 1, an automatic fine of \$25 per day will begin to accrue and will continue to build until the disclosure is filed, or the fine reaches \$1,500.

If you have an annual filing requirement AND will be running for office as a qualified elector in November, then you will need to complete your disclosure in EFDMS and submit your filing electronically to the Commission, then print a verification/receipt for e-filing your form or print a copy of your disclosure to file with your Qualifying Officer packet.

It is imperative that each filer take the time to confirm their registration on the EFDMS site, in order to ensure that the Florida Commission on Ethics has updated and correct contact information. All communication about filing requirements and due dates for filers will be provided via email only. Filers MUST maintain a current email address in EFDMS. By law, failure to maintain a current email address will not qualify as an "unusual circumstance" during an appeal of an automatic fine for failure to timely file a Form.

If the annual form is not submitted via the electronic filing system created and maintained by the Florida Commission on Ethics by September 3, 2024, an automatic fine of \$25 for each day late will be imposed, up to a maximum penalty of \$1,500. Failure to file also can result in removal from public office [s. 112.3145, F.S.].

In addition, failure to make any required disclosure constitutes grounds for and may be punished by one or more of the following: disqualification from being on the ballot, impeachment, removal or suspension from office, or a civil penalty not exceeding \$10,000. [s. 112.317, F.S.].

Also beginning January 1, 2024, all elected local officers of independent special districts, including any person appointed to fill a vacancy on an elected special district board, whose service began on or before March 31st of the year for which you are filing, are now required to complete four (4) hours of Ethics Training each calendar year. The four (4) hours of Ethics Training shall be allocated amongst the following categories:

- two (2) hours of ethics law,
- one (1) hour of Sunshine Law; and
- one (1) hour of Public Records law.

Please note that the four (4) hours of the Ethics Training do not have to be completed all at once. Supervisors will report their 2024 training when they fill out their Form 1 (Statement of Financial Interests) for the 2025 year by checking a box confirming that they have completed the annual Ethics Training.

It is highly recommended that you keep a record of all ethics training used to satisfy the Ethics Training requirements. At present, there is no need to submit a certificate or letter of completion of the Ethics Training. However, the Florida Commission on Ethics (“COE”) advises that Supervisors maintain a record in the event they are asked to provide proof of completion of all Ethics Training.

Additionally, you may be solicited by a private organization (Florida Association of Special Districts) – to take their Ethics Training Course on their platform for which there is a fee. **You are NOT required to use their services nor pay the fees they charge.** There are several free online resources and links to resources that Supervisors might find helpful, including free training for the two (2) hour ethics portion and links to outside trainings which can be used to satisfy the other categories of the Ethics Training. **You may take training from any source you choose.**
