This *2017 Special Assessment Allocation Report* ("**2017 Assessment Report**") is intended to address the re-imposition of debt service special assessments in connection with the Stoneybrook at Venice Community Development District's ("**District**") issuance of its proposed Capital Improvement Revenue Refunding Bonds, Series 2017. An assessment roll ("**Assessment Roll**") is attached hereto as **Exhibit A**.

By way of background, the District is a local unit of special-purpose government located in Sarasota County, Florida, and established pursuant to the Uniform Community Development District Act of 1980, as codified in Chapter 190, *Florida Statutes*, by Ordinance No. 2006-064 enacted by Sarasota County, Florida. On or about November 30, 2007, the District issued its Capital Improvement Revenue Bonds, Series 2007, in the par amount of \$6,410,000 ("**Original Bonds**") and levied special assessments ("**Original Assessments**") to secure the Original Bonds. The Original Assessments were imposed pursuant to District Resolutions 2007-24, 2007-25, and 2008-03 ("**Original Assessment Resolutions**"), which relied upon the *Final Special Assessment Methodology Report* dated August 23, 2007, as supplemented by the *Final Supplemental Assessment Methodology Report* dated November 28, 2007 (together, "**2007 Assessment Report**"). The terms of the 2007 Assessment Report are incorporated herein by this reference.

The District issued the Original Bonds in order to finance all or a portion of the District's capital improvement plan ("**2007 Project**"), as set forth in more detail in the *Engineer's Report*, dated August 2007 ("**2007 Engineer's Report**"). In particular, the 2007 Project consisted of the District's stormwater system, and the District used the balance of the construction proceeds from the Original Bonds, in the amount of \$5,277,124.84, to acquire that system. On November 30, 2007, the system was conveyed to the District, and, pursuant to Requisition #1, the District paid for the system using all of the available proceeds from the District's 2007 Acquisition and Construction Account. In turn, the District's Consulting Engineer on November 30, 2007 issued a "*Certificate of Consulting Engineer*" providing that "[t]he Project is completed." The community, originally planned for 998 residential units, is now fully platted with all lots having been developed. Please note that only 990 residential units were platted. Of those 990 residential units, 37 have prepaid their Original Assessments as of the date of this report. See **Exhibit B** for a current product mix.

The District is now refunding the Original Bonds with new bonds, which are titled the Capital Improvement Revenue Refunding Bonds, Series 2017 ("**Refinanced Bonds**") to take advantage of interest rate savings. The Refinanced Bonds are intended to be secured by the Original Assessments, as re-imposed ("**Refinanced Assessments**") to account for an increase in the principal amount of the bonds, which increase will cover the costs of the issuance of the Refinanced Bonds. The District is empowered by Chapter 190, *Florida Statutes*, the Uniform Community Development District Act, and Chapter 170, *Florida Statutes*, Supplemental Alternative Method of Making Local and Municipal Improvements, and Chapter 197, *Florida Statutes*, to defease the Original Bonds, issue the Refinanced Bonds, and levy the Refinanced Assessments. This 2017 Assessment Report is intended to describe the proposed Refinanced Bonds and Refinanced Assessments and to present an assessment roll for consideration by the District's Board of Supervisors ("**Board**").

STONEBROOK AT VENICE COMMUNITY DEVELOPMENT DISTRICT

THE REFINANCED BONDS

The Original Bonds are presently outstanding in the par amount of \$5,100,000 and the final par amount of the Refinanced Bonds issued is \$5,505,000.00, with a Maximum Annual Debt Service of \$371,875, using certain monies on hand from the Trust Estate associated with the Original Bonds. Note that the par amount of the Refinanced Bonds may be adjusted to reflect prepayments made during the course of the refinancing process. The sources and uses of funds for the Refinanced Bonds can be found on **Exhibit C**.

THE REFINANCED ASSESSMENTS

The Refinanced Assessments are intended to be levied and imposed using the same methodology set forth in the 2007 Assessment Report. As noted in the 2007 Assessment Report, a special assessment funding a bond issuance must satisfy the following two-prong test: (1) the property burdened by the assessment must derive a special benefit from the service provided by the assessment; and (2) the assessment for the services must be fairly and reasonably apportioned among the properties receiving the benefit. These determinations by a community development district's board of supervisors are legislative in nature and presumed to be valid.

With respect to the first prong, and pursuant to the Original Assessment Resolutions, among others, the Board originally made findings and determinations based on the 2007 Assessment Report and 2007 Engineer's Report that there would be sufficient benefit from the 2007 Project to justify the Original Assessments being imposed on each of the benefitted properties within the District. The 2007 Project has been declared complete, with the stormwater system having been installed and in operation since 2007. Accordingly, the Refinanced Assessments, which only add principal to allow for the refinancing of the Original Bonds, do not affect these original benefit determinations.

Moreover, as to the second prong, the 2007 Assessment Report, as adopted by the Board, allocated the Original Assessments based on a front footage methodology whereby smaller homes would pay relatively less due to their relatively smaller footprint and lesser use of the drainage system, while larger homes would pay relatively more due to their relatively larger footprint and greater use of the drainage system. The Refinanced Assessments are levied in a manner consistent with this original methodology and accordingly do not affect the Board's prior determination from the Original Assessment Resolutions that the Original Assessments were fairly and reasonably apportioned among the assessed properties. All that said, and based on the 2007 Assessment Report and the 2007 Engineer's Report, the Board can properly determine that the benefits from the 2007 Project will continue to support the Refinanced Assessments, as was true with the Original Assessments, and that the Refinanced Assessments, like the Original Assessments, are fairly and reasonably allocated. The proposed Refinanced Assessments – and savings – per product type are set forth in **Exhibit B**. **Exhibit A** to this methodology sets forth the assessment roll showing the proposed Refinanced Assessments that would secure the proposed Refinanced Bonds. As previously noted, 990 residential units were platted. Of those 990 residential units, 37 have prepaid their Original Assessments. The remaining 953 residential units will be allocated assessments.

PREPAYMENT OF THE ORIGINAL ASSESSMENTS

The Refinanced Assessments will not be imposed on any lands where the Original Assessments were prepaid, and the Board may elect to allow homeowners to prepay the Original Assessments, in their original amounts, prior to the issuance of the Refinanced Bonds, as may be set forth in an applicable resolution of the Board. Going forward, and subject to the terms of the applicable trust indenture and the District's assessment resolutions, any Refinanced Assessments encumbering a parcel may be prepaid in full at any time, without penalty, together with applicable interest, or under some circumstances prepaid in part, together with applicable interest. Notwithstanding the foregoing, the District does not waive the right to assess penalties which would otherwise be permissible if the parcel being prepaid is subject to an assessment delinquency.

THIS SUPPLEMENTAL DISCLOSURE OF PUBLIC FINANCING SUPPLEMENTS THE DISCLOSURE OF PUBLIC FINANCING (“ORIGINAL DISCLOSURE”) RECORDED IN SARASOTA COUNTY OFFICIAL RECORDS INSTRUMENT NUMBER #2010038899.

SUPPLEMENTAL DISCLOSURE OF PUBLIC FINANCING

The Stoneybrook at Venice Community Development District (“**District**”) is a unit of special-purpose local government created pursuant to and existing under the provisions of Chapter 190, *Florida Statutes*. Under Florida law, community development districts are required to take affirmative steps to provide for the full disclosure of information relating to the public financing and maintenance of improvements to real property undertaken by such districts.

Previously, and as referenced in the Original Disclosure, the District issued its Capital Improvement Revenue Bonds, Series 2007 (“**Series 2007 Bonds**”) to finance the District’s stormwater management system. On May 19, 2017, and in order to take advantage of interest rate savings, the District “refinanced” the Series 2007 Bonds by issuing Capital Improvement Revenue Refunding Bonds, Series 2017 (“**Series 2017 Bonds**”). The Series 2017 Bonds did not extend the original term of the Series 2007 Bonds.

To secure the repayment of the Series 2017 Bonds, and on April 24, 2017, the District adopted Resolution 2017-4 and thereby imposed debt service special assessments (“**Series 2017 Assessments**”). Such Series 2017 Assessments are levied on all benefitted properties within the District, and are collected by the county tax collector in the same manner as county ad valorem taxes. The following table details the Series 2017 Assessments by product type:

Land Use Type	Per Unit Total Principal*	Per Unit Annual Installment*
SF – 40’	\$4,291.43	\$289.96
SF - 52’	\$5,906.20	\$398.98
SF – 62’	\$7,737.62	\$522.70
Cove TH	\$3,195.63	\$215.73

* This amount is exclusive of interest, and early payment discounts and collection costs.

Such Series 2017 Assessments are in addition to any operations and maintenance assessments, or other future special assessments, that may be levied and imposed.

This Supplemental Disclosure of Public Financing is only intended to supplement the Original Disclosure, which continues in full force and effect, except as supplemented herein. For more information about the District, or the matters contained herein, please visit: <http://stonebrookatvenicecdd.org/>. Alternatively, please contact the District's Manager, c/o JP Ward & Associates, LLC, 2041 NE 6th Terrace, Wilton Manors, Florida 33305 or at (954) 658-4900 ("**District Manager's Office**").

IN WITNESS WHEREOF, this Supplemental Disclosure of Public Financing has been executed and recorded in the Official Records of Sarasota County, Florida.
